**MERGER OF FTIF - FRANKLIN GLOBAL HIGH INCOME BOND FUND
INTO FTIF – FRANKLIN HIGH YIELD FUND**

Dear Shareholder,

The purpose of this letter is to inform you about the merger of FTIF – Franklin Global High Income Bond Fund (the “**Merging Sub-Fund**”) into FTIF - Franklin High Yield Fund (the “**Receiving Sub-Fund**”).

We are writing to you in your capacity as shareholder of the Receiving Sub-Fund.

Following the Merger, the Merging Sub-Fund shall be dissolved without going into liquidation.

1. Rationale and background for the merger

The Merging Sub-Fund was originally launched on 13 July 2012 and on 30 June 2017 it was valued at USD 46,927,608. The small size and reduced demand for the Franklin Global High Income Bond Fund makes it economically unattractive to run as an independent entity.

The Merging Sub-Fund and Receiving Sub-Fund share similarities in their investment objective, Investment Manager, risk management processes and management fee structures. Both Sub-Funds carry the same risk rating indicator (synthetic risk and reward indicator).

Even though the Merging Sub-Fund has a more globally diversified portfolio compared to the Receiving Sub-Fund, it currently has a very high weighting to U.S. securities, thus sharing a significant portfolio overlap with the Receiving Sub-Fund. In addition, the Receiving Sub-Fund has a longer track record and has displayed superior performance across all time periods.

The Receiving Sub-Fund was originally launched on 1 March 1996 and on 30 June 2017 it was valued at USD 2,466,883,234.

Because both the Merging Sub-Fund and the Receiving Sub-Fund share similar investment objectives, fee and expenses and target investor profiles, the Board believes that it is in the best interests of shareholders to merge these Sub-Funds and focus on a single portfolio, which will offer economies of scale to existing shareholders of these SubFunds.

The Board has therefore decided, in accordance with article 66(4) of the Luxembourg law of 17 December 2010 on undertakings for collective investment, as amended (the “**2010 Law**”) and article 28 of the articles of incorporation of the Company, to merge the Merging Sub-Fund into the Receiving Sub-Fund.

However, please note that the Board did not examine the suitability of the Merger in respect of shareholders' individual needs or risk tolerance. Shareholders are advised to seek independent financial / tax advice in respect of their individual circumstances.

2. Impact on shareholders and shareholders' rights

Holders of shares in the Receiving Sub-Fund who do not wish to participate in the Merger, may redeem their shares or switch their holding, free from any charge, until 12 October 2017 (before local dealing cut-off time), into any other sub-fund of FTIF, details of which are disclosed in the current prospectus of FTIF (provided that such other sub-funds have obtained recognition for marketing in the applicable jurisdiction).

Please note that "free of any charge" does not apply to the classes subject to the contingent deferred sales charge ("CDSC"), due to the nature of such fee. Accordingly, should you decide to redeem any shares subject to a CDSC, such redemption will be subject to the applicable CDSC as more fully disclosed in the prospectus of the Company.

As from 13 October 2017, Shareholders in the Receiving Sub-Fund may continue to redeem or switch out their shares in accordance with the provisions of the current prospectus of FTIF.

It is not contemplated that the remaining assets in the portfolio of the Merging Sub-Fund or of the Receiving Sub-Fund be rebalanced before the Merger.

The Merger of the Merging Sub-Fund into the Receiving Sub-Fund is not expected to entail a dilution effect on the Receiving Sub-Fund.

As the investment manager of the Receiving Sub-Fund has determined that a portion of the Merging Sub-Fund's portfolio (comprising non-USD denominated debt securities) is not appropriate for the Receiving Sub-Fund, the Merger will be organised so that only USD denominated debt securities (comprising approximately 70% of the Merging Sub-Fund's portfolio) will be transferred in kind to the Receiving Sub-Fund. The residual portion of the Merging Sub-Fund's portfolio will be sold down to cash and transferred as cash to the Receiving Sub-Fund. Depending on the growth of the Merging Sub-Fund's portfolio and changes to the underlying investments within the Merging Sub-Fund's portfolio, the above percentage splits may vary (by up to 10%) depending on the performance of the Merging Sub-Fund's portfolio in the lead up to the Effective Date. To the extent that the disposal of the residual assets of the Merging Sub-Fund is undertaken, this will commence seven (7) calendar days prior to the Effective Date of the Merger at the earliest.

In accordance with the standard valuation policy, and in order to protect the interests of remaining shareholders, in the event of a significant redemption from the Receiving Sub-Fund, a swing pricing mechanism may be adopted and applied to the value of the shares. Please refer to the Prospectus last visaed by CSSF dated June 2017, as amended, of the Company (the "**Prospectus**") for the details in respect of swing pricing.
