

Important:

- Equity/Money Fund to Equity Fund (e.g. A/\$C Fund to B Fund):

Normal Scenario: both allotment & redemption take place on the dealing day

If B on holiday: switch redemption still takes place on dealing day but switch allotment will only take place on the first dealing day following the holiday

If A/\$C on holiday: switch redemption takes place on the first dealing day following the holiday & the allotment will take place on the dealing day when the latest price is available
