**Important information**

^ The performance prior to 18 Oct 02 is in relation to the Fund before its conversion to a feeder fund.

\* MSCI Golden Dragon Index

+ Allocation percentage is rounded to the nearest one decimal place and the total allocation percentage may not add up to 100%.

Except for the benchmark index, performance stated for relevant indices are quoted in the respective local currency unless otherwise specified.

Note: Asset allocation and Top 10 holdings information provided pertain to the underlying fund. This document is prepared for information only and does not contain or constitute investment advice. A copy of the Prospectus is available and may be obtained from the Manager, First State Investments (Singapore), or any of our distributors. Investors should read the Prospectus and consult a financial adviser before deciding to make any investment. In the event of discrepancies between the marketing materials and the Prospectus, the Prospectus shall prevail. The value of the Fund and the income from them, if any, may fall or rise. Past performance of the Fund or the Manager and any economic and market trends or forecast, is not indicative of the future or likely performance of the Fund or the Manager. Neither the Manager, nor any of its associates, nor any director, or employee accepts any liability for any loss arising directly or indirectly from any use of this document. Units are not available to U.S. persons. Reference to specific securities (if any) is included for the purpose of illustration only and should not be construed as a recommendation to buy or sell the same.

The CPF interest rate for the Ordinary Account (OA) is based on the 12-month fixed deposit and month-end savings rates of the major local banks. Under the CPF Act, the CPF Board pays a minimum interest of 2.5% per annum when this interest formula yields a lower rate. The interest rate for the Special and Medisave Accounts (SMA) is pegged to the 12-month average yield of 10-year Singapore Government Securities (10YSGS) plus 1%. The interest rate to be credited to the Retirement Account (RA) will be the weighted average interest of the entire portfolio of Special Government Securities (SSGS) which the RA savings are invested in, which earn a fixed coupon equal to the 12-month average yield of the 10YSGS plus 1% at the point of issuance. The minimum interest rate for the SMA and RA is 4% per annum from 1 January to 30 September 2014 and 1 January to 31 December 2014 respectively, subject to updates from CPF board. In addition, the CPF Board will pay an extra interest rate of 1% per annum on the first S\$60,000 of a CPF member's combined balances, including up to S\$20,000 in the OA. The first S\$20,000 in the OA and the first S\$40,000 in the Special Account will not be allowed to be invested under the CPFIS.

This document is issued by First State Investments (Singapore) (registration number 196900420D). First State Investments (registration number 53236800B) and First State Stewart (registration number 53236764B) are business divisions of First State Investments (Singapore).
