All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for purposes of this Condition 5, whether by the Reset Reference Banks (or any of them) or the Calculation Agent or the Independent Adviser, will (in the absence of wilful default, bad faith and manifest error) be binding on the Issuer, the Agents and the Holders and (in the absence of wilful default and bad faith) no liability to the Issuer or the Holders will attach to the Reset Reference Banks (or any of them), the Calculation Agent or the Independent Adviser in connection with the exercise or non-exercise by the Calculation Agent or the Independent Adviser of its powers, duties and discretions under this Condition 5.

(h) *Accrual of interest in the case of redemption or a Trigger Event or a Viability Event*

- (i) Subject to Condition 8 (*Contingent Write-down*) and Condition 9 (*Conversion*), if the Notes are to be redeemed pursuant to clause (b), (c) or (d) of Condition 6 (*Redemption and Purchase*), interest on the Notes will accrue to (but excluding) the relevant Redemption Date, and will cease to accrue on such Redemption Date; *provided, however*, that if the payment with respect to any Note is improperly withheld or refused on such Redemption Date, interest will continue to accrue on the principal amount of such Note (both before and after judgment) at the relevant Interest Rate to the Relevant Date.
- (ii) Upon the occurrence of a Trigger Event or a Viability Event, interest on the Notes will cease to accrue from (and including) the date on which such Trigger Event or Viability Event occurs.

(i) *Cancellation of interest; prohibited interest*

- (i) The Issuer may, in its sole discretion, elect to cancel all or part of any payment of interest on the Notes (including, for the avoidance of doubt, any related Additional Amounts) that is otherwise scheduled to be paid on an Interest Payment Date. This subclause (i)(i) is without prejudice to the provisions of subclause (i)(ii) of this Condition 5. Non-payment of any amount of interest by the Issuer to the Principal Paying Agent will constitute evidence of cancellation of the relevant payment, whether or not notice of cancellation has been given by the Issuer.

If practicable, the Issuer shall provide notice of any cancellation of interest (in whole or in part) pursuant to this subclause (i)(i) to the Holders on or prior to the relevant Interest Payment Date. If practicable, the Issuer shall endeavour to provide such notice at least five Business Days prior to the relevant Interest Payment Date. Failure to provide such notice will not have any impact on the effectiveness of, or otherwise invalidate, any such cancellation of interest, or give Holders any rights as a result of such failure.

- (ii) The Issuer will be prohibited from making, in whole or in part, any payment of interest on the Notes (including, for the avoidance of doubt, any related

Additional Amounts) on the relevant Interest Payment Date if and to the extent that:

- (A) the amount of Distributable Items as at such Interest Payment Date is less than the sum of (1) the amount of such interest payment, plus (2) all other payments (other than redemption payments) made by UBS Group AG on or in respect of the Notes or any Parity Obligations or Junior Obligations since the balance sheet date of the Relevant Accounts and prior to such Interest Payment Date, plus (3) all payments (other than redemption payments) payable by UBS Group AG on such Interest Payment Date on or in respect of any Parity Obligations or Junior Obligations, in the case of each of subclauses (1), (2) and (3), excluding any portion of such payments already accounted for in determining the amount of such Distributable Items; and/or
- (B) UBS Group AG is not, or will not immediately after the relevant payment of interest be, in compliance with all applicable minimum capital adequacy requirements of the National Regulations on a consolidated (*Finanzgruppe*) basis (for the avoidance of doubt, it being understood that such minimum requirements will reflect any reduction in such requirements granted by FINMA to the Group pursuant to the Capital Adequacy Ordinance); and/or
- (C) FINMA has required the Issuer not to make such interest payment.

The Issuer shall deliver a certificate signed by the Authorised Signatories to the Principal Paying Agent and shall give notice in accordance with Condition 15 (*Notices*) to the Holders, in each case as soon as practicable following any determination that interest is required to be cancelled pursuant to this subclause (i)(ii) or, where no such prior determination is made, promptly following any Interest Payment Date on which interest was scheduled to be paid if such interest is being cancelled in accordance with this subclause (i)(ii), to such effect setting out brief details as to the amount of interest being cancelled and the reason therefor. Failure to provide such certificate and notice will not have any impact on the effectiveness of, or otherwise invalidate, any such cancellation or give any Holder any rights as a result of such failure.

- (iii) If, on any Interest Payment Date, any payment of interest scheduled to be made on such date is not made in full pursuant to subclause (i)(i) or subclause (i)(ii) of this Condition 5, UBS Group AG shall not, directly or indirectly,
 - (A) recommend to Shareholders that any dividend or other distribution in cash or in kind (other than in the form of Ordinary Shares) be paid or made on any Ordinary Shares; or
 - (B) redeem, purchase or otherwise acquire any Ordinary Shares other than as a Permitted Transaction,

in each case unless and until (x) the interest payment due and payable on the Notes on any subsequent Interest Payment Date has been paid in full (or an amount equal to the same has been paid in full to a designated third party trust account for the benefit of the Holders prior to payment by the trustee thereof to the Holders on such subsequent Interest Payment Date) or, if earlier, (y) all outstanding Notes have been cancelled in accordance with these Terms and Conditions.

- (iv) Payments of interest on the Notes are not cumulative. Notwithstanding any other provision in these Terms and Conditions, the cancellation or non-payment of any interest amount by virtue of this Condition 5(i) will not constitute a default for any purpose (including, without limitation, Condition 13 (*Events of Default*)) on the part of the Issuer. Any interest payment not paid by virtue of this

Condition 5(i) will not accumulate or be payable at any time thereafter, and Holders will have no right thereto.

- (v) If UBS Group AG determines, after consultation with FINMA, that the Notes do not, or will cease to, fully qualify as Additional Tier 1 Capital, (A) the Issuer shall not, to the extent permitted under National Regulations, exercise its discretion pursuant to subclause (i)(i) of this Condition 5 to cancel any interest payments due on the Notes on any Interest Payment Date following the occurrence of such determination, and (B) the Issuer shall give notice to the Holders in accordance with Condition 15 (*Notices*) as soon as practicable after such determination stating that the Issuer may no longer exercise its discretion pursuant to subclause (i)(i) of this Condition 5 to cancel any interest payments as from the date of such notice.

6. REDEMPTION AND PURCHASE

(a) *No fixed redemption date*

The Notes are perpetual securities in respect of which there is no fixed redemption date. Unless previously redeemed (including by way of Conversion pursuant to Condition 9 (*Conversion*)) or purchased and cancelled in accordance with this Condition 6 and subject to Condition 8 (*Contingent Write-down*) and Condition 9 (*Conversion*), the Notes are perpetual and may only be redeemed or purchased in accordance with this Condition 6.

(b) *Redemption at the option of the Issuer*

Subject to clause (e) of this Condition 6, the Issuer may elect, in its sole discretion, to redeem the Notes, in whole but not in part, on the First Call Date or any Interest Payment Date thereafter at their aggregate principal amount, together with any accrued and unpaid interest thereon to (but excluding) the relevant Redemption Date.

(c) *Redemption due to a Tax Event*

- (i) Subject to clause (e) of this Condition 6, upon the occurrence of a Tax Event at any time after the Issue Date, the Issuer may elect, in its sole discretion, to redeem the Notes, in whole but not in part, on the relevant Redemption Date at their aggregate principal amount, together with any accrued and unpaid interest thereon to (but excluding) such Redemption Date.

- (ii) A "**Tax Event**" will have occurred if the Issuer in making any payments on the Notes (A) has paid, or will or would on the next payment date be required to pay, Additional Amounts, or (B) has paid, or will or would be required to pay, any additional Tax in respect of the Notes, in the case of each of subclauses (A) and (B), under the laws or regulations of a Tax Jurisdiction or any political subdivision thereof or any authority of or in a Tax Jurisdiction or any political subdivision thereof having the power to impose, levy, collect, withhold or assess Taxes, including, without limitation, any treaty to which a Tax Jurisdiction is a party, or any generally published application or interpretation of such laws (including, without limitation, a decision of any court or tribunal, any generally published application or interpretation of such laws by any relevant tax authority or any generally published pronouncement by any relevant tax authority), and the Issuer cannot avoid the foregoing by taking measures reasonably available to it.

(d) *Redemption due to a Regulatory Event*

- (i) Subject to clause (e) of this Condition 6, upon the occurrence of a Regulatory Event at any time after the Issue Date, the Issuer may elect, in its sole discretion, to redeem the Notes, in whole but not in part, on the relevant Redemption Date at their aggregate principal amount, together with any accrued and unpaid interest thereon to (but excluding) such Redemption Date.

- (ii) A "**Regulatory Event**" will have occurred if any of the Notes ceases to be eligible in full to be (A) treated as Additional Tier 1 Capital, and/or (B) counted towards either the Going-Concern LR Requirement or the Going-Concern RWA Requirement (or both).

(e) *Conditions for redemption*

- (i) If the Issuer elects to redeem the Notes pursuant to clause (b), (c) or (d) of this Condition 6, then the Issuer shall give the Holders not less than 15 and not more than 60 days' prior notice in accordance with Condition 15 (*Notices*) (a "**Redemption Notice**"), which notice shall, subject to subclauses (ii) and (iii) of this clause (e), be irrevocable and specify (x) the clause of this Condition 6 pursuant to which the redemption is to be made, and (y) the date (which date, in the case of a redemption pursuant to clause (c) or (d) of this Condition 6, shall be a Payment Business Day) on which the Issuer will redeem the Notes pursuant to such clause of this Condition 6 (such specified date, the "**Redemption Date**").
- (ii) The Issuer may only redeem the Notes pursuant to clause (b) or (c) of this Condition 6 on the relevant Redemption Date if FINMA has approved such redemption on or prior to such Redemption Date, if such approval is then required under applicable Swiss laws and regulations.
- (iii) The Issuer may only redeem the Notes pursuant to any clause of this Condition 6 on the relevant Redemption Date if no Trigger Event or Viability Event has occurred prior to such Redemption Date.
- (iv) If the Issuer elects to redeem the Notes pursuant to clause (c) or (d) of this Condition 6, then prior to the publication of the Redemption Notice pursuant to subclause (e)(i) of this Condition 6, the Issuer shall deliver to the Principal Paying Agent (A) a certificate signed by the Authorised Signatories stating that the relevant requirement or circumstance giving rise to the right to redeem under clause (c) or (d), as applicable, of this Condition 6 is satisfied and the reasons therefor and such certificate will be conclusive and binding on the Holders, and (B) in the case of a redemption pursuant to clause (c) of this Condition 6 only, an opinion of independent legal advisers of recognised standing to the effect that circumstances entitling the Issuer to exercise its right of redemption under clause (c) of this Condition 6 have arisen.

(f) *Purchases*

The Issuer or any other member of the Group or any of their respective affiliates may at any time purchase Notes at any price in the open market or otherwise, *provided* that (i) such purchase complies with any limits or conditions to which any member of the Group is subject under applicable banking laws and regulations at the time of such purchase, (ii) other than in the case of purchases made in connection with stabilisation measures in compliance with applicable law or in connection with any market making in the Notes, FINMA has approved such purchase (if such approval is then required under applicable Swiss laws and regulations) on or prior to the date of such purchase, and (iii) no Trigger Event or Viability Event has occurred prior to the date of such purchase. Any Notes so purchased may, at the option of the Issuer, be held, reissued, resold or cancelled.

(g) *Cancellation*

All Notes redeemed in accordance with this Condition 6 or by way of Conversion pursuant to Condition 9 (*Conversion*) will be cancelled and may not be reissued or resold; *provided, however*, that, in the case of Notes redeemed by way of Conversion, the Issuer will not take any action to cause such Notes to be removed from the main register (*Hauptregister*) of the Intermediary prior to the later of (i) the Conversion Date and (ii) the date on which the relevant Ordinary Shares and/or cash proceeds to be delivered by the Settlement Share Depository or the Settlement Shares Offer Agent, as the case may be, to the relevant Holders pursuant to Condition 9 (*Conversion*) have been delivered.

(h) *Redemption of other instruments*

For the avoidance of doubt, it is understood that, if, upon the occurrence of a Tax Event or a Regulatory Event, the Issuer does not elect to redeem the Notes pursuant to this Condition 6, nothing in this Condition 6 or any other provision of these Terms and Conditions will prohibit the Issuer from redeeming (whether early, at maturity or otherwise) any other instruments issued by any member of the Group pursuant to the terms thereof.

7. **TRIGGER EVENT AND VIABILITY EVENT**

(a) *Trigger Event*

- (i) Upon the occurrence of a Trigger Event:
- (A) if such Trigger Event occurs prior to the occurrence of a Conversion Capital Availability Event, a Contingent Write-down will occur on the applicable Trigger Event Write-down Date in accordance with Condition 8 (*Contingent Write-down*); or
 - (B) if such Trigger Event occurs on or after the occurrence of a Conversion Capital Availability Event, a Conversion will occur on the applicable Trigger Event Conversion Date in accordance with Condition 9 (*Conversion*).
- (ii) A "**Trigger Event**" will have occurred if the Issuer gives the Holders a Trigger Event Notice in accordance with clause (b) of this Condition 7.

(b) *Trigger Event Notice*

- (i) If, with respect to any Publication Date, the Trigger CET1 Ratio as of such Publication Date is less than the Threshold Ratio, the Issuer shall, subject to subclauses (ii) and (iii) of this Condition 7(b), give a notice (a "**Trigger Event Notice**") to the Holders in accordance with Condition 15 (*Notices*) (x) if such Publication Date is an Ordinary Publication Date, within five Business Days of such Ordinary Publication Date (such fifth Business Day, the "**Trigger Breach Determination Date**", and the date of such notice, the "**Ordinary Trigger Event Notice Date**"), and (y) if such Publication Date is an Extraordinary Publication Date, on such Extraordinary Publication Date (the "**Extraordinary Trigger Event Notice Date**"), which notice shall:
- (A) if such Trigger Event Notice is given prior to the occurrence of a Conversion Capital Availability Event (1) state that the Trigger CET1 Ratio as of such Publication Date is less than the Threshold Ratio, and a Contingent Write-down will take place, and (2) specify the date on which the Contingent Write-down will take place, which date shall, subject to postponement pursuant to subclause (ii) of this Condition 7(b), be no later than 10 Business Days after the date of such notice (the "**Trigger Event Write-down Date**"); or
 - (B) if such Trigger Event Notice is given on or after the occurrence of a Conversion Capital Availability Event, (1) state that the Trigger CET1 Ratio as of such Publication Date is less than the Threshold Ratio, and a Conversion will take place, (2) specify the date on which the Conversion will take place, which date shall, subject to postponement pursuant to subclause (ii) of this Condition 7(b), be no more than 20 Business Days after the date of such notice (the "**Trigger Event Conversion Date**"), (3) specify the Conversion Price in effect on the date of such Trigger Event Notice, and (4) specify the details of the arrangement for the settlement of the Conversion (including whether or not the Issuer will appoint a Settlement Shares Offer Agent to conduct a

Settlement Shares Offer and, if the Settlement Share Depository is not SIX SIS, the details of the Settlement Share Depository).

(ii) If a Trigger Event Notice is required to be given pursuant to subclause (i) of this Condition 7(b), and on the relevant Publication Date any Higher-Trigger Contingent Capital is outstanding with respect to which either (x) no Higher-Trigger Write-down/Conversion Notice has been given prior to the Trigger Event Notice Date or (y) a Higher-Trigger Write-down/Conversion Notice has been given prior to the Trigger Event Notice Date, but the Trigger Event Write-down Date or the Trigger Event Conversion Date, as applicable, is scheduled to occur prior to the relevant Higher-Trigger Write-down/Conversion Date,

(A) in the case of subclause (x) above, the giving of such Trigger Event Notice will be postponed until the date on which a Higher-Trigger Write-down/Conversion Notice has been given with respect to all such outstanding Higher-Trigger Contingent Capital and such date will be deemed to be the Trigger Event Notice Date; and

(B) in the case of subclauses (x) and (y) above, if the Trigger Event Write-down Date or the Trigger Event Conversion Date, as applicable, is scheduled to occur prior to the Higher-Trigger Write-down/Conversion Date (or, in the case of more than one Higher-Trigger Write-down/Conversion Date, the latest Higher-Trigger Write-down/Conversion Date), the Trigger Event Write-down Date or the Trigger Event Conversion Date, as applicable, will be postponed to the Higher-Trigger Write-down/Conversion Date (or the latest Higher-Trigger Write-down/Conversion Date, as applicable) and such postponement shall be specified in such Trigger Event Notice.

(iii) If (A) a Trigger Event Notice is required to be given pursuant to subclause (i) of this Condition 7(b) in relation to an Ordinary Publication Date, and (B) prior to the earlier of the Ordinary Trigger Event Notice Date and the Trigger Breach Determination Date, FINMA, upon the request of UBS Group AG, has agreed in writing that a Contingent Write-down or a Conversion, as applicable, is not required as a result of actions taken by the Group or circumstances or events, in each case, that have had, or imminently will have, the effect of restoring the CET1 Ratio as of the Balance Sheet Date relating to the relevant Ordinary Publication Date, after giving pro forma effect to such actions, circumstances or events, to a level above the Threshold Ratio that FINMA and UBS Group AG deem, in their sole discretion, to be adequate at such time, (x) the Issuer shall not give such Trigger Event Notice pursuant to subclause (i) of this Condition 7(b) in relation to the relevant Ordinary Publication Date, and (y) the Issuer shall give notice to the Holders on or prior to the Trigger Breach Determination Date in accordance with Condition 15 (*Notices*), which notice shall state that no Contingent Write-down or Conversion, as applicable, will occur in relation to the relevant Ordinary Publication Date.

(c) *Viability Event*

(i) Subject to clause (e) of this Condition 7, upon the occurrence of a Viability Event:

(A) the Issuer shall give notice (a "**Viability Event Notice**") to the Holders in accordance with Condition 15 (*Notices*) within three days of the date on which such Viability Event occurred, which notice shall:

(1) if such Viability Event occurs prior to the occurrence of a Conversion Capital Availability Event, (x) state that a Viability Event has occurred and a Contingent Write-down will take place and (y) specify the date on which the Contingent Write-down will take place, which date shall be no later than 10 Business

Days after the date of such notice (such specified date, the "**Viability Event Write-down Date**"); or

- (2) if such Viability Event occurs on or after the occurrence of a Conversion Capital Availability Event, (w) state that a Viability Event has occurred and a Conversion will take place, (x) specify the date on which the Conversion will take place, which date shall be no more than 20 Business Days following the occurrence of the Viability Event (the "**Viability Event Conversion Date**"), (y) specify the Conversion Price in effect on the date of such Viability Event Notice, and (z) specify the details of the arrangements for the settlement of the Conversion (including, if the Settlement Share Depository is not SIX SIS, the details of the Settlement Share Depository); and
 - (B) if such Viability Event occurs prior to the occurrence of a Conversion Capital Availability Event, a Contingent Write-down will occur on the applicable Viability Event Write-down Date in accordance Condition 8 (*Contingent Write-down*); or
 - (C) if such Viability Event occurs on or after the occurrence of a Conversion Capital Availability Event, a Conversion will occur on the applicable Viability Event Conversion Date in accordance with Condition 9 (*Conversion*).
- (ii) A "**Viability Event**" will have occurred if prior to an Alternative Loss Absorption Date (if any):
- (A) FINMA has notified UBS Group AG in writing that it has determined a conversion or write-down, as applicable, of holders' claims in respect of the Notes and all other capital instruments issued by, or other capital obligations (whether qualifying fully or partially for capital treatment) of, any member of the Group that, pursuant to their terms or by operation of law, are capable of being converted into equity or written down at that time, is, because customary measures to improve the Group Holding Company's capital adequacy are at the time inadequate or infeasible, an essential requirement to prevent the Group Holding Company from becoming insolvent, bankrupt, unable to pay a material part of its debts as they fall due or unable to carry on its business; or
 - (B) customary measures to improve the Group Holding Company's capital adequacy being at the time inadequate or infeasible, the Group Holding Company has received an irrevocable commitment of direct or indirect extraordinary support from the Public Sector (beyond customary transactions and arrangements in the ordinary course) that has, or imminently will have, the effect of improving the Group Holding Company's capital adequacy and without which, in the determination of (and as notified in writing by) FINMA, the Group Holding Company would have become insolvent, bankrupt, unable to pay a material part of its debts as they fall due or unable to carry on its business.

For the avoidance of doubt, it is understood that a Viability Event may occur irrespective of whether or not a Trigger Event has occurred or whether any of the conditions to the issuance of a Trigger Event Notice have been met.

(d) *Determination of CET1 Ratio and Trigger CET1 Ratio*

With respect to any Publication Date, (i) the CET1 Ratio as of the relevant Balance Sheet Date, (ii) the Trigger CET1 Ratio as of such Publication Date and (iii) the components of both of the foregoing, in each case, as published on such Publication Date, will be final for purposes of this Condition 7, and any revisions, restatements or adjustments to any of

the calculations described in subclauses (i) through (iii) of this clause (d) subsequently published will have no effect for purposes of this Condition 7.

(e) *Alternative loss absorption*

In the event of the implementation of any new, or amendment to or change in the interpretation of any existing, laws or components of National Regulations, in each case occurring after the Issue Date, that alone or together with any other law(s) or regulation(s) has, in the joint determination of UBS Group AG and FINMA, the effect that clause (c) of this Condition 7 could cease to apply to the Notes without giving rise to a Regulatory Event, then the Issuer shall give notice to the Holders in accordance with Condition 15 (*Notices*) no later than five Business Days after such joint determination stating that such provisions will cease to apply from the date of such notice (the "**Alternative Loss Absorption Date**"), and from the date of such notice, such provisions will cease to apply to the Notes.

(f) *Conversion Capital Availability Event*

(i) A "**Conversion Capital Availability Event**" will have occurred on the first date after the Issue Date on which an amendment to the Articles of Association is registered in the main register (*Hauptregister*) of the Commercial Register (*Handelsregister*) of the Canton of Zurich as a result of which the Conversion Capital provided for in the Articles of Association meets or exceeds the Minimum Conversion Capital Availability Amount. For purposes of these Terms and Conditions, a Conversion Capital Availability Event may occur only once.

For purposes of the definition of Conversion Capital Availability Event:

"**Articles of Association**" means, at any time, the articles of association (*Statuten*) of UBS Group AG in effect at such time.

"**Minimum Conversion Capital Availability Amount**" means, at any time, the amount of Conversion Capital that UBS Group AG would require in order for it to create and issue:

- (A) the number of Ordinary Shares into which the Notes outstanding at such time would be converted if they were to be converted at the Conversion Price in effect at such time and otherwise in accordance with these Terms and Conditions; and
- (B) if any Other Tier 1 Contingent Convertible Capital Notes are outstanding at such time, the number of Ordinary Shares into which such Other Tier 1 Contingent Convertible Capital Notes would be converted if they were to be converted at the conversion price then in effect pursuant to, and otherwise in accordance with, their respective terms at such time,

in each case, out of such Conversion Capital.

"**Other Tier 1 Contingent Convertible Capital Note**" means any capital instrument (other than the Notes) that:

- (A) is eligible in full to be (x) treated as Additional Tier 1 Capital and (y) counted towards either the Going-Concern LR Requirement or the Going-Concern RWA Requirement (or both); and
- (B) subject to the terms and conditions thereof, is to be:
 - (x) converted into Ordinary Shares; or
 - (y) after a Conversion Capital Availability Event (or equivalent event described in the terms and conditions thereof) occurs, converted into Ordinary Shares,

in either case, when the CET1 Ratio (or equivalent capital measure of the Group described in the terms and conditions thereof) falls below a certain threshold and/or a Viability Event (or equivalent event described in the terms and conditions thereof) occurs.

As of 15 February 2024, the outstanding Other Tier 1 Contingent Convertible Capital Notes consisted of (1) the 9.250 per cent. Tier 1 Capital Notes (ISIN: US902613BF40 (144A); USH42097ES26 (Reg S)) issued by UBS Group AG in an aggregate principal amount of USD 1,750,000,000 on 13 November 2023, (2) the 9.250 per cent. Tier 1 Capital Notes (ISIN: US902613BE74 (144A); USH42097ER43 (Reg S)) issued by UBS Group AG in an aggregate principal amount of USD 1,750,000,000 on 13 November 2023, and (3) the 7.750 per cent. Tier 1 Capital Notes (ISIN: US902613BK35 (144A); USH42097EW38 (Reg S)) issued by UBS Group AG in an aggregate principal amount of USD 1,000,000,000 on 12 February 2024.

- (ii) If a Conversion Capital Availability Event occurs at any time on or prior to a Trigger Event or a Viability Event, the Issuer shall as soon as practicable thereafter deliver to the Principal Paying Agent and the Settlement Agent a certificate signed by the Authorised Signatories and notice to the Holders in accordance with Condition 15 (*Notices*), in each case stating that a Conversion Capital Availability Event has occurred and the date on which it occurred.

8. CONTINGENT WRITE-DOWN

If the Issuer has given a Trigger Event Write-down Notice or a Viability Event Write-down Notice in accordance with Condition 7 (*Trigger Event and Viability Event*), then on the relevant Write-down Date:

- (a) the full principal amount of, and any accrued and unpaid interest (whether or not due and payable) on, each Note will automatically be written down to zero, the Notes will be cancelled and all references to the principal amount of the Notes in these Terms and Conditions will be construed accordingly;
- (b) the Holders will be automatically deemed to have irrevocably waived their right to receive, and will no longer have any rights against the Issuer with respect to, repayment of the aggregate principal amount of, and payment of any accrued and unpaid interest on, the Notes written down pursuant to subclause (a) of this Condition 8 (*bedingter Forderungsverzicht*); and
- (c) all rights of any Holder for payment of any amounts under or in respect of the Notes (including, without limitation, any amounts arising as a result of, or due and payable upon the occurrence of, an Event of Default) will become null and void, irrespective of whether such amounts have become due and payable prior to the date of the relevant Trigger Event Notice or Viability Event Notice, as the case may be, or the Write-down Date.

9. CONVERSION

- (a) *Conversion upon a Trigger Event or a Viability Event*

If the Issuer has given a Trigger Event Conversion Notice or a Viability Event Conversion Notice in accordance with Condition 7 (*Trigger Event and Viability Event*), then:

- (i) each Note shall, subject to and as provided in this Condition 9, be redeemed and settled (the "**Conversion**") on the applicable Conversion Date by (x) the delivery of new fully paid Ordinary Shares to the Settlement Share Depository on behalf of the Holders, and (y) the cancellation of any accrued and unpaid interest on the Notes (whether or not due and payable); and
- (ii) receipt by the Settlement Share Depository of such number of Ordinary Shares as is required to satisfy in full its obligation to deliver Ordinary Shares in respect of the Conversion on the applicable Conversion Date shall be a good and complete

discharge of the Issuer's (and, if UBS Group AG is not the Issuer, UBS Group AG's) obligations in respect of the Notes.

In the case of the Ordinary Shares to be delivered upon Conversion, as from the applicable Share Creation Date for such Ordinary Shares, there is no provision for the reconversion of such Ordinary Shares into Notes.

(b) *Recourse for Ordinary Shares*

Holders shall have recourse only to the Issuer for the issue and delivery of Ordinary Shares to the Settlement Share Depository pursuant to these Terms and Conditions. After such delivery to the Settlement Share Depository, Holders shall have recourse only to the Settlement Share Depository (or any relevant intermediary) for the delivery to them of such Ordinary Shares or, in the circumstances described in clause (h) of this Condition 9, any cash amounts to which such Holders are entitled under clause (h) of this Condition 9.

(c) *Conversion Price and determination of number of Ordinary Shares*

(i) Upon the occurrence of a Conversion Event, as at the date on which the relevant Trigger Event Conversion Notice or Viability Event Conversion Notice is published, each Holder shall be deemed to have accepted, and hereby accepts and agrees, (A) to the conversion of its holding of Notes into Ordinary Shares at the Conversion Price provided for herein and that, where necessary under Swiss law, the Settlement Agent shall effect such conversion on such Holder's behalf, and (B) that its obligation to pay up the Ordinary Shares to be issued shall be set off against its claim for repayment of the principal amount upon redemption of the Notes, which claim shall be deemed to be due and payable immediately prior to the time on the Share Creation Date when, as a matter of Swiss law, the relevant Ordinary Shares are paid up. Such Ordinary Shares shall be paid up and issued on the Share Creation Date whereupon the Holders shall cease as a matter of Swiss law to be treated for all purposes under Swiss law as Holders and shall instead as of such date be treated for all purposes under Swiss law as Shareholders.

(ii) Subject to clause (g) of this Condition 9, the Issuer, with the assistance of the Settlement Agent, where necessary under Swiss law, shall issue and deliver to the Settlement Share Depository on the applicable Conversion Date such number of Ordinary Shares in respect of each Holder as is determined by the Settlement Agent by dividing the aggregate principal amount of Notes held by such Holder on the applicable Conversion Date by the Conversion Price in effect on the date of relevant Trigger Event Conversion Notice or Viability Event Conversion Notice, as the case may be. The Settlement Agent shall determine such number of Ordinary Shares in accordance with this subclause (ii) as soon as practicable after publication of the relevant Trigger Event Conversion Notice or Viability Event Conversion Notice, as applicable.

(iii) The initial Conversion Price per Ordinary Share in respect of the Notes is specified in the definition thereof. The Conversion Price is subject to adjustment to (and including) the date of the relevant Trigger Event Conversion Notice or Viability Event Conversion Notice, as the case may be, in the circumstances described in clause (d) below.

(d) *Anti-dilution adjustment of the Conversion Price*

(i) Upon the occurrence of any of the events described below after 15 February 2024, the Conversion Price will be adjusted by the Issuer as follows:

(A) If there is a consolidation, reclassification, redesignation or subdivision in relation to the Ordinary Shares that alters the number of Ordinary Shares in issue, the Conversion Price will be adjusted by multiplying the Conversion Price in force immediately prior to such consolidation, reclassification, redesignation or subdivision by the following fraction:

$\frac{A}{B}$ where:

- A is the aggregate number of Ordinary Shares in issue immediately before such consolidation, reclassification, redesignation or subdivision, as the case may be; and
- B is the aggregate number of Ordinary Shares in issue immediately after, and as a result of, such consolidation, reclassification, redesignation or subdivision, as the case may be.

Such adjustment will become effective on the date on which the consolidation, reclassification, redesignation or subdivision, as the case may be, takes effect.

- (B) If UBS Group AG issues any Ordinary Shares to Shareholders as a class credited as fully paid by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve) other than (x) where any such Ordinary Shares are or are to be issued instead of the whole or part of a Cash Distribution that the Shareholders would or could otherwise have elected to receive, (y) where the Shareholders may elect to receive a Cash Distribution in lieu of such Ordinary Shares or (z) where any such Ordinary Shares are or are expressed to be issued in lieu of a dividend (whether or not a Cash Distribution equivalent or amount is announced or would otherwise be payable to the Shareholders, whether at their election or otherwise), the Conversion Price will be adjusted by multiplying the Conversion Price in force immediately prior to such issue by the following fraction:

$\frac{A}{B}$ where:

- A is the aggregate number of Ordinary Shares in issue immediately before such issue; and
- B is the aggregate number of Ordinary Shares in issue immediately after such issue.

Such adjustment shall become effective on the date of issue of such Ordinary Shares.

- (C) If UBS Group AG makes or pays an Extraordinary Distribution to Shareholders, the Conversion Price will be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$\frac{A-B}{B}$ where:

- A is the Current Market Price of one Ordinary Share on the Effective Date (translated, if necessary, into the Relevant Currency at the Prevailing Rate on the Effective Date); and
- B is the portion of the aggregate Extraordinary Distribution attributable to one Ordinary Share, with such portion being determined by dividing the aggregate Extraordinary Distribution by the number of Ordinary Shares entitled to receive the relevant Extraordinary Distribution. If the Extraordinary Distribution shall be expressed in a currency other than the Relevant Currency, it shall be converted into the Relevant Currency at the Prevailing Rate on the relevant Effective Date.

Such adjustment shall become effective on the Effective Date.

For purposes of this subclause (C), "**Effective Date**" means (x) the first date on which the Ordinary Shares are traded ex-the Extraordinary Distribution on the Relevant Stock Exchange or (y) if there is no Relevant Stock Exchange, the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this subclause (C).

- (D) If UBS Group AG issues Ordinary Shares to Shareholders as a class by way of rights or UBS Group AG or any other member of the Group or (at the direction or request or pursuant to arrangements with UBS Group AG or any other member of the Group) any other Person issues or grants to Shareholders as a class by way of rights, any options, warrants or other rights to subscribe for or purchase Ordinary Shares, or any Securities that by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, any Ordinary Shares (or shall grant any such rights in respect of existing Securities so issued), in each case at a price per Ordinary Share that is less than 95 per cent. of the Current Market Price per Ordinary Share on the Effective Date (translated, if necessary, into the Relevant Currency at the Prevailing Rate on the Effective Date), the Conversion Price will be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$\frac{A+B}{A+C}$ where:

A is the number of Ordinary Shares in issue on the Effective Date;

B is the number of Ordinary Shares that the aggregate consideration (if any) receivable for the Ordinary Shares issued by way of rights, or for the Securities issued by way of rights, or for the options or warrants or other rights issued by way of rights and for the total number of Ordinary Shares deliverable on the exercise thereof, would purchase at such Current Market Price per Ordinary Share on the Effective Date (translated, if necessary, into the Relevant Currency at the Prevailing Rate on the Effective Date); and

C is the number of Ordinary Shares to be issued or the maximum number of Ordinary Shares that may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights or upon conversion or exchange or exercise of rights of subscription or purchase in respect thereof at the initial conversion, exchange, subscription or purchase price or rate, as the case may be,

provided that, if on the Effective Date, such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time, then for the purposes of this subclause (D), "C" will be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Effective Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Effective Date.

Such adjustment shall become effective on the Effective Date.

For purposes of this subclause (D), "**Effective Date**" means (x) the first date on which the Ordinary Shares are traded ex-rights, ex-options or ex-warrants on the Relevant Stock Exchange or (y) if there is no Relevant

Stock Exchange, the first date upon which the adjusted Conversion Price is capable of being determined in accordance with this subclause (D).

For purposes of any calculation of the consideration receivable or price pursuant to this subclause (D), the following provisions shall apply:

- (1) the aggregate consideration receivable or price for Ordinary Shares issued for cash shall be the amount of such cash;
- (2) (x) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the conversion or exchange of any Securities will be deemed to be the consideration or price received or receivable for any such Securities and (y) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the exercise of rights of subscription attached to any Securities or upon the exercise of any options, warrants or rights will be deemed to be that part (which may be the whole) of the consideration or price received or receivable for such Securities or, as the case may be, for such options, warrants or rights that are attributed by UBS Group AG to such rights of subscription or, as the case may be, such options, warrants or rights or, if no part of such consideration or price is so attributed, the Fair Market Value of such rights of subscription or, as the case may be, such options, warrants or rights as at the relevant Effective Date, plus in the case of each of subclauses (x) and (y) above, the additional minimum consideration receivable or price (if any) upon the conversion or exchange of such Securities, or upon the exercise of such rights or subscription attached thereto or, as the case may be, upon exercise of such options, warrants or rights, and (z) the consideration receivable or price per Ordinary Share upon the conversion or exchange of, or upon the exercise of such rights of subscription attached to, such Securities or, as the case may be, upon the exercise of such options, warrants or rights will be the aggregate consideration or price referred to in subclause (x) or (y) above (as the case may be), divided by the number of Ordinary Shares to be issued upon such conversion or exchange or exercise at the initial conversion, exchange or subscription price or rate;
- (3) if the consideration or price determined pursuant to subclause (1) or (2) above (or any component thereof) is expressed in a currency other than the Relevant Currency, it shall be converted into the Relevant Currency at the Prevailing Rate on the relevant Effective Date (in the case of subclause (1) above) or the relevant date of first public announcement (in the case of subclause (2) above);
- (4) in determining the consideration or price pursuant to the above, no deduction shall be made for any commissions or fees (howsoever described) or any expenses paid or incurred for any underwriting, placing or management of the issue of the relevant Ordinary Shares or Securities or options, warrants or rights, or otherwise in connection therewith; and
- (5) the consideration or price shall be determined as provided above on the basis of the consideration or price received, receivable, paid or payable, regardless of whether all or part thereof is received, receivable, paid or payable by or to UBS Group AG or another entity.

- (E) If UBS Group AG determines, in its sole discretion, that, notwithstanding subclauses (A) to (D) of this Condition 9(d)(i), a reduction to the Conversion Price should be made as a result of one or more events or circumstances not referred to in this Condition 9(d)(i) that would require an adjustment to the Conversion Price in order to comply with Swiss mandatory law on the protection of holders of instruments that may convert into shares issued out of capital range (*Kapitalband*), conditional capital (*bedingtes Kapital*) or Conversion Capital, the Conversion Price will be reduced (either generally or for a specified period) in such manner and with effect from such date as UBS Group AG shall determine and the Issuer shall notify to the Holders in accordance with Condition 15 (*Notices*).
- (ii) Notwithstanding Condition 9(d)(i):
- (A) where
 - (1) the events or circumstances giving rise to any adjustment to the Conversion Price have resulted or will result in an adjustment to the Conversion Price; or
 - (2) more than one event that gives rise to an adjustment to the Conversion Price occurs within such a short period of time,that, in the opinion of UBS Group AG, a modification to the operation of the adjustment provisions set forth in this Condition 9(d) is required to give the intended result, such modification will be made to the operation of the adjustment provisions set forth in this Condition 9(d) as may be determined by an Independent Adviser to be in its opinion appropriate to give the intended result, including to ensure that (x) an adjustment to the Conversion Price or the economic effect thereof shall not be taken into account more than once, (y) the economic effect of an Extraordinary Distribution is not taken into account more than once, and (z) to reflect a redenomination of the issued Ordinary Shares for the time being into a new currency;
 - (B) any adjustment to the Conversion Price will be subject to such Conversion Price (translated, if necessary, into the currency in which the par value of an Ordinary Share is denominated at the time such adjustment becomes effective at the then-prevailing exchange rate as determined by the Issuer) not being less than the par value of an Ordinary Share at such time;
 - (C) UBS Group AG shall not take any action, and shall procure that no action is taken, that would otherwise result in an adjustment to the Conversion Price (translated, if necessary, into the currency in which the par value of an Ordinary Share is denominated at the time of such action at the then-prevailing exchange rate as determined by the Issuer) to below the par value of an Ordinary Share then in effect;
 - (D) if any doubt arises as to whether an adjustment is to be made to the Conversion Price or as to the appropriate adjustment to the Conversion Price, the Issuer may in its sole discretion appoint an Independent Adviser and, following consultation between the Issuer and such Independent Adviser, a written opinion of such Independent Adviser in respect thereof will (in the absence of wilful default, bad faith and manifest error) be conclusive and binding on the Issuer and the Holders;
 - (E) no adjustment will be made to the Conversion Price where Ordinary Shares or other securities (including rights, warrants and options) are issued, offered, exercised, allotted, purchased, appropriated, modified or

granted to, or for the benefit of, employees or former employees (including directors holding or formerly holding executive office or the personal service company of any such person) or their spouses or relatives, in each case, of UBS Group AG or any of its subsidiaries or any associated company or to a trustee or trustees to be held for the benefit of any such person, in any such case pursuant to any share or option scheme; and

- (F) on any adjustment, if the resultant Conversion Price has more decimal places than the initial Conversion Price, it will be rounded to the same number of decimal places as the initial Conversion Price. No adjustment will be made to the Conversion Price where such adjustment (rounded down if applicable) would be less than one per cent. of the Conversion Price then in effect. Any adjustment not required to be made, and/or any amount by which the Conversion Price has been rounded down, will be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment will be made on the basis that the adjustment not required to be made had been made at the relevant time and/or that the relevant rounding down had not been made, as the case may be.
 - (iii) The Issuer shall give notice of any adjustments to the Conversion Price made pursuant to this Condition 9(d) to the Holders in accordance with Condition 15 (*Notices*) promptly after the determination thereof.
 - (iv) References in these Terms and Conditions to any issue or offer or grant to Shareholders "as a class" or "by way of rights" shall be taken to be references to an issue or offer or grant to all or substantially all Shareholders, other than Shareholders to whom, by reason of the laws of any territory or requirements of any recognised regulatory body or any other stock exchange or securities market in any territory or in connection with fractional entitlements, it is determined not to make such issue or offer or grant.
- (e) *Qualifying Relevant Event*
- (i) Upon the occurrence of a Relevant Event that is a Qualifying Relevant Event, then:
 - (A) upon the occurrence of a Conversion Event where the applicable Conversion Date falls on or after the New Conversion Condition Effective Date,
 - (1) the Notes shall be converted on such Conversion Date into, or be exchanged on such Conversion Date for, as the case may be, Relevant Shares of the Approved Entity, *mutatis mutandis* as provided in accordance with this Condition 9, at a Conversion Price that shall be the New Conversion Price; and
 - (2) the Issuer shall procure the issue and/or delivery of the relevant number of Relevant Shares of the Approved Entity in the manner provided in this Condition 9 (as may be amended as described in the definition of the term New Conversion Condition); and
 - (B) the New Conversion Price shall be subject to adjustment in the circumstances provided in this Condition 9 for the adjustment of the Conversion Price (if necessary with such amendments as an Independent Adviser shall determine to be appropriate) and the Issuer shall give notice in accordance with Condition 15 (*Notices*) to the Holders of the New Conversion Price and of any such amendments thereafter.

- (ii) Upon the occurrence of a Relevant Event, the Issuer shall give notice thereof to the Holders in accordance with Condition 15 (*Notices*) within 10 Business Days following the occurrence of such Relevant Event, which notice shall:
 - (A) specify the identity of the Acquiror;
 - (B) specify whether the Relevant Event is a Qualifying Relevant Event or a Non-Qualifying Relevant Event;
 - (C) in the case of a Qualifying Relevant Event, specify the New Conversion Price; and
 - (D) if applicable, specify the New Conversion Condition Effective Date.
- (iii) For the avoidance of doubt, upon the occurrence of a Relevant Event that is a Non-Qualifying Relevant Event, the provisions of this clause (e) shall (subject to the subsequent operation of this clause (e) upon the occurrence of a subsequent Relevant Event) not apply, and the Notes will continue to be convertible into Ordinary Shares pursuant to and in accordance with the other provisions of this Condition 9 (*Conversion*), if and when the Issuer gives a Trigger Event Conversion Notice or a Viability Event Conversion Notice in accordance with Condition 7 (*Trigger Event and Viability Event*).
- (iv) For purposes of these Terms and Conditions:

"**Acquiror**" means the Person (including a Governmental Entity) that, following a Relevant Event, controls UBS Group AG.

"**Approved Entity**" means an Acquiror that is body corporate that is incorporated or established under the laws of an OECD member state and that, on the occurrence of the Relevant Event, has in issue Relevant Shares.

"**Governmental Entity**" means (x) the Swiss Confederation, (y) an agency of the Swiss Confederation or (z) a person or entity (other than a body corporate) controlled by the Swiss Confederation or any such agency referred to in clause (y); *provided, however*, that, if UBS Group AG is at any time organised in a jurisdiction outside of Switzerland, references in this definition to "the Swiss Confederation" shall be read as references to the government of such other jurisdiction.

The "**New Conversion Condition**" shall be satisfied in respect of a Relevant Event if, by no later than seven days following the occurrence of such Relevant Event, (x) UBS Group AG has, to the satisfaction of UBS Group AG, entered into arrangements with the Approved Entity that provide for delivery of Relevant Shares of the Approved Entity on Conversion on terms *mutatis mutandis* as provided in the provisions of this Condition 9, and (y) the Issuer has entered into such agreements and arrangements, and made such amendments to these Terms and Conditions, as may be required to ensure that, with effect from the New Conversion Condition Effective Date, the Notes shall, following the occurrence of a Conversion Event, be convertible into, or exchangeable for, Relevant Shares of the Approved Entity, *mutatis mutandis* in accordance with, and subject to, this Condition 9 (as may be so amended) at the New Conversion Price; *provided, however*, that, any failure to enter into the arrangements and agreements and/or make the amendments described in clauses (x) and (y) shall not constitute a default or an Event of Default under these Terms and Conditions.

"**New Conversion Condition Effective Date**" means the date with effect from which the New Conversion Condition has been satisfied.

"**New Conversion Price**" means, in respect of any Conversion Date falling on or after the New Conversion Condition Effective Date, the amount determined by the Issuer in accordance with the following formula:

$$NCP = ECP \times \frac{VWAPRS}{VWAPOS}$$

where:

NCP	is the New Conversion Price.
ECP	is the Conversion Price in effect on the last dealing day prior to the New Conversion Condition Effective Date.
VWAPRS	is the average of the Volume Weighted Average Price of the Relevant Shares of the Approved Entity (translated, if necessary, into SGD at the Prevailing Rate on the relevant dealing day) on each of the five dealing days ending on the last dealing day prior to the date on which the Relevant Event occurred (and where references in the definition of "Volume Weighted Average Price" to "Ordinary Shares" shall be construed as a reference to the Relevant Shares of the Approved Entity and in the definition of "dealing day", references to the "Relevant Stock Exchange" shall be to the primary Recognised Stock Exchange on which the Relevant Shares of the Approved Entity are then listed, admitted to trading or accepted for dealing).
VWAPOS	is the average of the Volume Weighted Average Price of the Ordinary Shares (translated, if necessary, into SGD at the Prevailing Rate on the relevant dealing day) on each of the five dealing days ending on the last dealing day prior to the date on which the Relevant Event occurred.

"**Non-Qualifying Relevant Event**" means a Relevant Event that is not a Qualifying Relevant Event.

"**Qualifying Relevant Event**" means a Relevant Event where:

- (A) the Acquiror is an Approved Entity; and
- (B) the New Conversion Condition is satisfied.

A "**Relevant Event**" will have occurred if, on or after the occurrence of a Conversion Capital Availability Event, any Person or Persons acting in concert acquires control of UBS Group AG (other than as a result of an Exempt Reorganisation). For the purposes of this definition "Relevant Event", "**control**" means the acquisition or holding of legal or beneficial ownership of more than 95 per cent. of the issued Ordinary Shares of UBS Group AG (whether obtained directly or indirectly and whether obtained by ownership of share capital, contract or otherwise) and, as a consequence thereof, the Ordinary Shares are no longer admitted to trading on any Recognised Stock Exchange, and "**controlled**" shall be construed accordingly.

"**Relevant Shares**" means, in respect of an Acquiror, ordinary share capital of such Acquiror that constitutes equity share capital or the equivalent (or depositary or other receipts representing the same) that is listed and admitted to trading on a Recognised Stock Exchange.

(f) *Procedure for settlement and delivery of Ordinary Shares on Conversion*

Ordinary Shares to be issued on Conversion shall be delivered subject to and as provided below.

(g) *Fractions*

Fractions of Ordinary Shares will not be issued or delivered pursuant to these Terms and Conditions on Conversion and no cash payment will be made in lieu thereof. The number of Ordinary Shares to be issued and delivered to the Settlement Share Depository for the benefit of each Holder in respect of a Conversion shall be calculated by the Settlement Agent on the basis of the aggregate principal amount of Notes held by such Holder on the applicable Conversion Date and rounded down, if necessary, to the nearest whole number of Ordinary Shares.

(h) *Procedure for delivery in respect of a Conversion*

(i) UBS Group AG, with the assistance of the Settlement Agent where necessary under Swiss law, shall on or prior to the applicable Conversion Date issue and deliver to the Settlement Share Depository such number of Ordinary Shares as is required to satisfy in full its obligation to deliver Ordinary Shares to the Holders in respect of the Conversion on the applicable Conversion Date. Receipt by the Settlement Share Depository of such Ordinary Shares shall be a good and complete discharge of the Issuer's (and, if UBS Group AG is not the Issuer, UBS Group AG's) obligations in respect of the Notes.

(ii) Subject to the making of a Settlement Shares Offer and as otherwise provided herein, the Settlement Agent shall give instructions to the Settlement Share Depository for the relevant Ordinary Shares to be delivered by the Settlement Share Depository on the applicable Conversion Date to the Holders, and the Settlement Share Depository shall take such actions as are customary to effect such delivery of such Ordinary Shares to the Holders on the applicable Conversion Date.

(iii) In respect of a Conversion as a result of the occurrence of a Trigger Event only, following receipt by the Settlement Share Depository of the Ordinary Shares and the resulting good and complete discharge of the Issuer's obligations in respect of the Notes as described in subclause (i) above, the Issuer may, in its sole discretion, appoint a placement agent (the "**Settlement Shares Offer Agent**") acting on behalf, and for the accounts, of the Holders to conduct an offering of the Ordinary Shares to which the Holders are otherwise entitled (a "**Settlement Shares Offer**"). In the relevant Trigger Event Conversion Notice, the Issuer shall notify the Holders whether it will appoint such Settlement Shares Offer Agent to conduct such a Settlement Shares Offer. If it does so appoint a Settlement Shares Offer Agent, it will instruct the Settlement Share Depository to deliver the relevant Ordinary Shares to or to the order of the Settlement Shares Offer Agent for this purpose prior to the end of the Offer Settlement Period. Such Settlement Shares Offer shall be made (x) in the currency of the Issuer's choosing and at a cash price per Ordinary Share (such price translated, if necessary, into SGD at the prevailing exchange rate on the date of the Trigger Event Conversion Notice as determined by the Issuer) equal to the Conversion Price in effect on the date of the Trigger Event Conversion Notice, and (y) to some or, subject to applicable laws and regulations and to such an offer being practicable in the opinion of the Issuer in the Offer Settlement Period, all Shareholders on the record date of the Trigger Event Conversion Notice then eligible to participate in such offer. Any such Settlement Shares Offer shall be completed no later than 20 Business Days after the occurrence of the Trigger Event (the "**Offer Settlement Period**"). Neither the Issuer nor the Settlement Share Depository shall incur any liability whatsoever to the Holders in respect of the appointment of such Settlement Shares Offer Agent or its conduct, save for cases of gross negligence or wilful intent.

If the Settlement Shares Offer is fully subscribed by or before the end of the Offer Settlement Period, the Holders shall, pursuant to the agreement appointing the Settlement Shares Offer Agent, be entitled to receive from the Settlement Shares Offer Agent on the fifth Business Day after the end of the Offer Settlement Period, their *pro rata* share of the aggregate cash proceeds received from the Settlement Shares Offer (such aggregate cash proceeds translated, if necessary, from the currency in which they are denominated into SGD at the then-prevailing exchange rate as determined by the Settlement Shares Offer Agent (less any foreign exchange transaction costs)), such amount being rounded to the nearest cent (half a cent being rounded upwards). If the Settlement Shares Offer is only partially subscribed by the end of the Offer Settlement Period, the Holders shall (x) pursuant to the agreement appointing the Settlement Shares Offer Agent, be entitled to receive from the Settlement Shares Offer Agent on the fifth Business Day after the end of the Offer Settlement Period, their *pro rata* share of the aggregate cash proceeds received from the Settlement Shares Offer (such aggregate cash proceeds translated, if necessary, from the currency in which they are denominated into SGD at the then-prevailing exchange rate as determined by the Settlement Shares Offer Agent (less any foreign exchange transaction costs)), such amount being rounded to the nearest cent (half a cent being rounded upwards), and (y) be entitled to receive their *pro rata* share of the number of Ordinary Shares not subscribed pursuant to the Settlement Shares Offer (rounded down to the nearest whole number of such Ordinary Shares) within the period specified below from the Settlement Share Depository. If no Ordinary Shares are subscribed in the Settlement Shares Offer, Holders shall be entitled to receive the relevant Ordinary Shares within the period specified below from the Settlement Share Depository.

In relation to any Ordinary Shares not sold pursuant to a Settlement Shares Offer, the Settlement Agent shall give instructions to the Settlement Shares Offer Agent for such Ordinary Shares to be delivered by the Settlement Shares Offer Agent to the relevant Holders within five Business Days after the end of the Offer Settlement Period.

(i) *Taxes and duties*

None of the Issuer, any other member of the Group, any Agent and the Settlement Share Depository will pay any capital, stamp, issue, registration, transfer or other taxes or duties arising upon Conversion or that may arise or be paid as a consequence of or in connection with the issue and delivery of Ordinary Shares to the Settlement Share Depository or to any Holder. A Holder must pay any capital, stamp, issue, registration, transfer or other taxes or duties arising upon Conversion or that may arise or be paid as a consequence of or in connection with the issue and delivery of the Ordinary Shares to the Settlement Share Depository or to such Holder and such Holder must pay all, if any, such taxes and duties arising by reference to any disposal or deemed disposal of such Holder's Notes or interest therein. Any capital, stamp, issue, registration, transfer or other taxes or duties arising on delivery or transfer of Ordinary Shares to a purchaser in any Settlement Shares Offer shall be payable by the relevant purchaser of those Ordinary Shares.

(j) *Delivery of Ordinary Shares*

UBS Group AG, with the assistance of the Settlement Agent where necessary under Swiss law, will issue and deliver the Ordinary Shares required to be issued and delivered on Conversion to the Settlement Share Depository on behalf of the Holder of the relevant Note(s). Receipt by the Settlement Share Depository of such Ordinary Shares will be a good and complete discharge of the Issuer's obligations in respect of the Notes as described in subclause (h)(i) of this Condition 9.

Such Ordinary Shares will be delivered to Holders in uncertificated form through SIX SIS or any other appropriate settlement organisations. Where such Ordinary Shares are to be delivered through SIX SIS or any other appropriate intermediary (*Verwahrungsstelle*) in Switzerland, the Settlement Agent shall request that the Settlement Share Depository

deliver such Ordinary Shares to the account(s) in which the relevant Note(s) is/are held, on the applicable Conversion Date or such other date as is specified for the delivery. At the time of such delivery of the Ordinary Shares, the then-valid share registration rules of UBS Group AG will apply, and UBS Group AG does not offer any assurance or guarantee that any Holder will be accepted as a Shareholder with voting rights in the share register of UBS Group AG.

(k) *Ordinary Shares*

The Ordinary Shares issued and delivered on Conversion will be fully paid and non-assessable and will in all respects rank *pari passu* with the fully paid Ordinary Shares in issue on the relevant Share Creation Date, except in any such case for any right excluded by mandatory provisions of applicable law, and except that the Ordinary Shares so issued and delivered will not rank for (or, as the case may be, the relevant Holder will not be entitled to receive) any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to the relevant Share Creation Date.

(l) *Purchase or redemption of Ordinary Shares*

UBS Group AG or any of its subsidiaries may exercise such rights as it may from time to time enjoy to purchase or redeem or buy back any shares or securities of UBS Group AG (including Ordinary Shares) or any depository or other receipts or certificates representing the same without the consent of Holders.

(m) *Determinations to be made by an Independent Adviser*

In the case of any determination that is required to be made by an Independent Adviser for purposes of this Condition 9, the Issuer shall use reasonable endeavours to appoint an Independent Adviser to make such determination; *provided, however*, that, notwithstanding the other provisions of these Terms and Conditions, if the Issuer is unable to so appoint an Independent Adviser or the Independent Adviser so appointed by the Issuer fails to make such determination, the Issuer, acting in good faith and a commercially reasonable manner, will make such determination.

Any determination that is made by an Independent Adviser for purposes of this Condition 9 will be made in the sole discretion of such Independent Adviser acting in good faith and in a commercially reasonable manner.

(n) *Notifications, etc. to be final*

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained by an Independent Adviser or the Settlement Agent for purposes of this Condition 9 will (in the absence of wilful default, bad faith and manifest error) be binding on the Issuer, the Agents and the Holders and (in the absence of wilful default and bad faith) no liability to the Issuer or the Holders will attach to the Independent Adviser or the Settlement Agent in connection with the exercise or non-exercise by the Independent Adviser or the Settlement Agent of its powers, duties and discretions under this Condition 9.

10. **PAYMENTS; AGENTS**

- (a) All payments required to be made under the Notes will be made available in good time in freely disposable funds in SGD, which will be placed at the free disposal of the Principal Paying Agent on behalf of the Holders. If the Scheduled Due Date for any payment (whether in respect of principal, interest or otherwise) in respect of the Notes is not a Payment Business Day, then the Holders will not be entitled to payment thereof until the first Payment Business Day following the Scheduled Due Date, and the Holders will not be entitled to any additional sum in relation to such payment. All payments required to be made under the Notes (including, for the avoidance of doubt, any Additional Amounts) shall be made to the Holders in SGD without collection costs, without any restrictions and whatever the circumstances may be, irrespective of nationality, domicile or residence of

the relevant Holder and without certification, affidavit or the fulfilment of any other formality.

- (b) The receipt by the Principal Paying Agent of the due and punctual payment of funds in SGD will release the Issuer from its obligations under the Notes to the extent of such payment.
- (c) Subject to clause (d) of this Condition 10, the Issuer reserves the right to terminate the appointment of any Agent, as well as to appoint or, after any such appointment, to terminate the appointment of, one or more other paying agents to carry out any payment or other similar functions in respect of the Notes (each, a "**Paying Agent**", which term includes the Principal Paying Agent), *provided* that (i) so long as any Note is outstanding, there will at all times be a Principal Paying Agent, a Calculation Agent and a Settlement Agent, (ii) for so long as the Notes are listed on the SIX Swiss Exchange and if then required by the regulations of the SIX Swiss Exchange, the Issuer shall maintain a Paying Agent in Switzerland, which agent shall have an office in Switzerland and be a bank or securities dealer subject to supervision by FINMA, to perform the functions of a Swiss paying agent, and (iii) any successor Calculation Agent must be a leading bank or financial institution that is experienced in the calculations and determinations to be made by the Calculation Agent.
- (d) Any appointment or termination of appointment of a Paying Agent may only take effect not more than 45 and not less than 30 days' after the Issuer has notified the Holders of such appointment or termination in accordance with Condition 15 (*Notices*); *provided, however*, that, in the case of insolvency of any Paying Agent, any termination of such Paying Agent and appointment of any other Paying Agent will take immediate effect.
- (e) Subject to clause (c) of this Condition 10, the Issuer may appoint, or terminate the appointment of, any Settlement Agent or Calculation Agent at any time. The Issuer shall promptly notify the Holders of any such appointment or termination in accordance with Condition 15 (*Notices*).
- (f) If at any time the Calculation Agent fails to (i) determine the Reference Rate or the Reset Interest Rate or duly calculate the Reset Interest Amount for any Reset Interest Period or the interest amount payable on the relevant Redemption Date (if the Notes are to be redeemed pursuant to Condition 6 (*Redemption and Purchase*)) or (ii) comply with any other requirement in relation to the Notes, then the Issuer will terminate the appointment of the Calculation Agent in accordance with the Agency Agreement and appoint a successor Calculation Agent.

11. TAXATION

- (a) All payments to be made by or on behalf of the Issuer in respect of the Notes (including, for the avoidance of doubt, payments by a Paying Agent) shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or other government charges of any nature ("**Taxes**") imposed, levied, collected, withheld or assessed by or on behalf of any Tax Jurisdiction or any political subdivision thereof or any authority of or in a Tax Jurisdiction or any political subdivision thereof having the power to impose, levy, collect, withhold or assess Taxes, unless withholding, deduction or accounting for such Taxes is required by law.
- (b) In the event that any payment to be made by or on behalf of the Issuer in respect of the Notes (including, for the avoidance of doubt, payments by a Paying Agent) is subject to any withholding or deduction for, or on account of, any Taxes by requirement of law in a Tax Jurisdiction (as determined by the relevant tax authority of or in such Tax Jurisdiction), the Issuer shall pay such additional amounts as will result in the Holders receiving the amounts that they would have received in respect of the Notes if no such withholding or deduction had been required ("**Additional Amounts**").

- (c) No Additional Amounts will be payable pursuant to clause (b) of this Condition 11 in relation to any Note:
 - (i) if the relevant Holder is liable for such Taxes on such Note as a result of having some connection with the relevant Tax Jurisdiction other than its mere ownership or possession of such Note or the receipt of principal or interest in respect thereof; or
 - (ii) with respect to any Tax collected pursuant to the provisions of, or any laws or an agreement with any Tax Jurisdiction relating to, Sections 1471 through 1474 of the US Internal Revenue Code, as amended (commonly referred to as "FATCA"); or
 - (iii) where such withholding or deduction is required to be made pursuant to laws enacted by Switzerland providing for the taxation of payments according to principles similar to those laid down in the draft legislation of the Swiss Federal Council of 3 April 2020, or otherwise changing the Swiss federal withholding tax system from an issuer-based system to a paying agent-based system pursuant to which a Person other than the issuer is required to withhold tax on any interest payments; or
 - (iv) to the extent any combination of subclauses (i) through (iii) of this clause (c) applies.
- (d) Any reference in these Terms and Conditions to amounts payable by the Issuer in respect of the Notes includes (i) any Additional Amount payable pursuant to this Condition 11 and (ii) any sum payable pursuant to an obligation taken in addition to or in substitution for the obligation in this Condition 11.

12. STATUTE OF LIMITATIONS

In accordance with Swiss law, (a) claims for interest payments under the Notes will become time-barred after the five-year period and (b) claims for the repayment or redemption of Notes will become time-barred after the 10-year period, in each case, commencing on the date on which such payments, repayment or redemption become due and payable.

13. EVENTS OF DEFAULT

- (a) If any of the following events occurs, such occurrence will constitute an "**Event of Default**":
 - (i) the Issuer fails to pay the principal amount of any Note if and when the same becomes due and payable under these Terms and Conditions, and such failure continues unremedied for a period of 30 days; or
 - (ii) the Issuer fails to pay any interest on the Notes if and when the same becomes due and payable under these Terms and Conditions, and such failure continues unremedied for a period of 30 days; or
 - (iii) the Issuer fails to observe or perform any other covenant, condition, or agreement contained in these Terms and Conditions, and such failure continues unremedied for a period of 60 days after written notice thereof from any Holder to the Issuer; or
 - (iv) a Bankruptcy Event;

provided, however, that, notwithstanding subclauses (i) to (iv) above, neither (A) the opening of Restructuring Proceedings with respect to the Issuer nor (B) the exercise of any Swiss Resolution Power with respect to the Issuer during any such Restructuring Proceedings nor (C) the ordering of any Protective Measures with respect to the Issuer that are ordered or confirmed upon the opening of or during any such Restructuring Proceedings will constitute a default or an Event of Default.

- (b) Upon the occurrence of an Event of Default relating to any failure of the Issuer to meet any payment obligation under these Terms and Conditions and subject to Condition 8 (*Contingent Write-down*) and Condition 9 (*Conversion*), (i) such payment obligation (and such payment obligation only) will be immediately deemed a due and payable (*fällige*) payment obligation of the Issuer, and (ii) if (A) the relevant Holder has formally requested payment of such payment obligation, (B) such payment obligation has not been fulfilled within the statutory period under Swiss law commencing after the date of such formal request and (C) a writ of payment (*Zahlungsbefehl*) has been issued with respect to such payment obligation pursuant to the DEBA, the relevant Holder may institute proceedings against the Issuer in Switzerland (but not elsewhere) to enforce its rights with respect to such payment obligation under the DEBA.
- (c) If a debt collection or insolvency proceeding with respect to the Issuer is instituted in Switzerland in accordance with clause (b) of this Condition 13, the Issuer shall not (i) after having received the writ of payment (*Zahlungsbefehl*) relating to the relevant payment obligation, argue or plead that such payment obligation is not due and payable by the Issuer, or (ii) prior to the declaration of bankruptcy (or similar proceeding under Swiss insolvency laws), make any payment to the relevant Holder under or in connection with the Notes.
- (d) In the case of any Event of Default arising under subclause (a)(iii) of this Condition 13 and subject to Condition 8 (*Contingent Write-down*) and Condition 9 (*Conversion*), any Holder may seek specific performance or damages with respect to such Event of Default pursuant to the Swiss Code if so entitled thereunder. Any such damage claim of any Holder will rank junior to the rights and claims of all holders of Senior Obligations.
- (e) In the case of any Event of Default arising under subclause (a)(iv) of this Condition 13 and subject to Condition 8 (*Contingent Write-down*) and Condition 9 (*Conversion*), any Holder may, by written notice to the Issuer, declare the principal amount of any of its Notes, together with any accrued and unpaid interest thereon, immediately due and payable, without presentment, demand, protest or other notice of any kind.
- (f) No remedy against the Issuer other than those described in this Condition 13 will be available to the Holders in connection with the Issuer's obligations under these Terms and Conditions, whether for the recovery of amounts owing under these Terms and Conditions or in respect of any breach by the Issuer of any of its other obligations under these Terms and Conditions or otherwise. In particular, no Holder may declare (i) the principal amount of any Notes due and payable prior to any Redemption Date, or (ii) any interest on any Notes due and payable prior to the relevant Interest Payment Date, except, in the case of each of subclauses (i) and (ii) of this clause (f), pursuant to clause (e) of this Condition 13.

14. **MEETINGS OF HOLDERS; SUBSTITUTION AND AMENDMENT**

- (a) Except as otherwise specified in this Condition 14, the provisions of bondholder meetings contained in article 1157 et seqq. of the Swiss Code apply in relation to meetings of Holders.

 - (ii) FINMA has approved such substitution or amendment (if such approval is then required under applicable Swiss laws and regulations);
 - (iii) the Issuer has given the Holders not less than 30 days' notice of such substitution or amendment in accordance with Condition 15 (*Notices*), which notice will, subject to subclause (v) of this clause (b), be irrevocable, and state the date on

which such substitution or amendment will be effective (the "**Substitution or Amendment Effective Date**");

- (iv) prior to the publication of any notice pursuant to subclause (iii) of this clause (b), the Issuer shall deliver to the Principal Paying Agent (A) a certificate signed by the Authorised Signatories stating that the relevant requirement or circumstance giving rise to the right to substitute or amend the terms of the Notes, as applicable, pursuant to this clause (b) is satisfied and the reasons therefor and such certificate will be conclusive and binding on the Holders, and (B) an opinion of independent legal advisers of recognised standing to the effect that circumstances entitling the Issuer to exercise its right to substitute or amend the terms of the Notes, as applicable, pursuant to this clause (b) have arisen; and
- (v) no Trigger Event or Viability Event has occurred prior to the relevant Substitution or Amendment Effective Date.

In connection with any substitution or amendment in accordance with this clause (b), the Issuer shall comply with the rules of any stock exchange on which the Notes are for the time being listed or admitted to trading.

- (c) In addition to its rights under clause (b) of this Condition 14, the Issuer may, without the consent of the Holders, make any amendment to these Terms and Conditions that it considers to be (i) necessary or desirable to give effect to (A) any Alternative Benchmark Rate determined in accordance with clause (c) of Condition 5 (*Interest*) (including any Adjustment Spread determined in accordance with subclause (v)(A)(2) thereof and any alternative method for determining the Reference Rate if such Alternative Benchmark Rate is unavailable on the relevant Reset Determination Date determined in accordance with subclause (v)(A)(3) thereof), and any related changes to the definitions of the terms "Business Day", "Day Count Fraction", "Payment Business Day" and/or "Reset Determination Date" determined to be necessary in accordance with subclause (v)(D) thereof, or (B) the provisions of clause (a) of Condition 16 (*Issuer Substitution*) (including, without limitation, (x) if the Substitute Issuer is organised and/or resident for tax purposes in a jurisdiction other than Switzerland, any amendments to any references to the jurisdiction of "Switzerland" contained herein, including, without limitation, amendments to the definition of the term "Bankruptcy Event", the definition of the term "Business Day", the governing law of the subordination provisions set forth in Condition 4 (*Status and Subordination*) and the provisions of Condition 13 (*Events of Default*), and (y) any amendments to reflect UBS Group AG's guarantee described in subclause (a)(iii) of Condition 16 (*Issuer Substitution*)), or (C) the provisions of subclause (e)(iii) and/or subclause (e)(i)(B) of Condition 9 (*Conversion*), or (ii) formal, minor or technical in nature, or (iii) necessary to correct a manifest error, or (iv) not materially prejudicial to the interests of the Holders.
- (d) The Issuer shall notify the Holders of any amendments made pursuant to clause (c) of this Condition 14 in accordance with Condition 15 (*Notices*), which notice shall state the date on which such amendment will be effective.
- (e) Any amendment made pursuant to this Condition 14 will be binding on the Holders in accordance with its terms.

16. ISSUER SUBSTITUTION

- (a) The Issuer (for purposes of this Condition 16, the "**Current Issuer**") may, without the consent of the Holders, substitute any entity (whether or not such entity is organised under the laws of Switzerland) (such substitute entity, the "**Substitute Issuer**") for itself as principal debtor under the Notes upon giving no more than 30 and no less than 10 days' notice to the Holders in accordance with Condition 15 (*Notices*), *provided that*:
- (i) the Substitute Issuer is UBS Group AG or at least 95 per cent. of the Substitute Issuer's capital and voting rights are held, directly or indirectly, by UBS Group AG;
 - (ii) the Current Issuer is not in default in respect of any amount payable under the Notes at the time of such substitution;
 - (iii) if the Substitute Issuer is not UBS Group AG, UBS Group AG has irrevocably and unconditionally guaranteed to the Holders, pursuant to article 111 of the Swiss Code and on a subordinated basis corresponding *mutatis mutandis* to Condition 4 (*Status and Subordination*), (A) the due and punctual payment of principal and interest and all other amounts due and payable by the Substitute Issuer under, or in respect of, the Notes upon receipt of the written request for payment of the relevant amount, and (B) upon the occurrence of a Conversion, the due delivery of the Ordinary Shares required to be delivered pursuant to Condition 9 (*Conversion*), and on the terms whereby subclause (iii) of Condition 5(i) (*Cancellation of interest; prohibited interest*), subclause (d)(ii)(C) of Condition 9 (*Conversion*), Condition 11 (*Taxation*), Condition 13 (*Events of Default*) and Condition 21 (*No Set-off by Holders*) apply to UBS Group AG and to its obligations under such guarantee either by making the necessary consequential amendments to such Conditions or including such Conditions applicable to UBS Group AG and to its obligations under such guarantee in such guarantee itself, as applicable;
 - (iv) the Current Issuer and the Substitute Issuer (A) have entered into such documents (the "**Substitution Documents**") as are necessary to give effect to such substitution and pursuant to which the Substitute Issuer has (x) undertaken in favour of each Holder to be bound by these Terms and Conditions as the principal debtor (on a subordinated basis corresponding to Condition 4 (*Status and Subordination*)) under the Notes in place of the Current Issuer and (y) assumed the obligations of the Current Issuer under the Agency Agreement, and (B) procure that all action, conditions and things required to be taken, fulfilled and done (including, without limitation, the obtaining of any necessary consents) to ensure that the Substitution Documents represent valid, legally binding and enforceable obligations of the Substitute Issuer have been taken, fulfilled and done and are in full force and effect;
 - (v) if the Substitute Issuer is resident for tax purposes in a jurisdiction (the "**New Residence**") other than that in which the Current Issuer prior to such substitution was resident for tax purposes (the "**Former Residence**"), the Substitution Documents contain an undertaking by the Substitute Issuer and/or such other provisions as may be necessary to ensure that each Holder has the benefit of an undertaking in terms corresponding to the provisions of Condition 11 (*Taxation*) in relation to the payment of all amounts due and payable under, or in respect of, the Notes and in relation to the guarantee referred to in subclause (iii) above, with, in the case of the Notes but not such guarantee, the substitution of references to the Former Residence with references to the New Residence, and an undertaking by the Substitute Issuer to indemnify each Holder against any Tax that is imposed on it by (or by any authority in or of) the New Residence and, if different, the

jurisdiction of the Substitute Issuer's organisation with respect to any Note and that would not have been so imposed had the substitution not been made, as well as against any Tax, and any cost or expense, relating to such substitution;

- (vi) if the Substitute Issuer is not UBS Group AG, FINMA has approved such substitution (if such approval is then required under applicable Swiss laws and regulations), and the Current Issuer and the Substitute Issuer have obtained all other necessary governmental and other approvals and consents for such substitution and for the performance by the Substitute Issuer of its obligations under the Substitution Documents;
 - (vii) if the Substitute Issuer is not organised under the laws of Switzerland, the Substitute Issuer has appointed a process agent as its agent in Switzerland to receive service of process on its behalf in relation to any legal proceedings arising out of or in connection with the Notes;
 - (viii) such substitution does not give rise to a Tax Event or a Regulatory Event; and
 - (ix) the Substitute Issuer has appointed a Paying Agent in Switzerland that is a participant in the Intermediary.
- (b) Upon any substitution pursuant to clause (a) of this Condition 16, (i) the Substitute Issuer will succeed to, and be substituted for, and may exercise every right and power of, the Current Issuer under the Notes with the same effect as if the Substitute Issuer had been named as Issuer in these Terms and Conditions, and (ii) the Current Issuer will be released from its obligations under the Notes.
- (c) After giving effect to any substitution pursuant to clause (a) of this Condition 16, (i) references to the "Issuer" in the Notes and these Terms and Conditions will be references to the Substitute Issuer, and (ii) references to the "Tax Jurisdiction" in the Notes and these Terms and Conditions will be read and construed as including the jurisdiction of establishment of the Substitute Issuer and, if different, the jurisdiction in which the Substitute Issuer is resident for tax purposes instead of or in addition to (as the case may be) references to the jurisdiction of establishment of the Issuer and Switzerland.

17. **RESERVED**

18. **FURTHER ISSUES**

The Issuer may from time to time without the consent of the Holders issue further notes and, *provided* that such notes have the same terms and conditions as the Notes in all respects (or in all respects except for the issue date and/or first date on which interest is paid), such further notes will be consolidated and form a single series with the Notes. If the Issuer issues any such further notes pursuant to this Condition 18, references in these Terms and Conditions to "Notes" include such further notes, unless the context otherwise requires.

19. **CURRENCY INDEMNITY**

Any amount received or recovered by any Holder in a currency other than SGD (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Issuer or otherwise) under the Notes will only constitute a discharge of the Issuer to the extent of the amount in SGD that such Holder is able to purchase with the amount so received or recovered in such other currency on the date of such receipt or recovery (or, if it is not practicable to purchase SGD with such amount on such date, on the first date on which it is practicable to do so). If the amount of SGD that such Holder is able to purchase is less than the amount owed by the Issuer to such Holder under the Notes, the Issuer shall indemnify such Holder against any loss sustained by it as a result. In addition, the Issuer shall indemnify such Holder for the costs of making such purchase. For purposes of this Condition 19, it is sufficient for the relevant Holder to demonstrate that it would have suffered a loss had an actual purchase been made. The indemnities under this Condition 19 will (a) constitute a separate and independent obligation from the Issuer's other obligations hereunder, (b) give rise to a separate and independent cause of action, (c) apply irrespective of any indulgence granted by any Holder

and (d) continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any amount due under the Notes or any other judgment or order.

20. **RESERVED**

21. **NO SET-OFF BY HOLDERS**

Subject to applicable law, each Holder, by acceptance of any direct or beneficial interest in a Note, agrees that it will not, and waives its right to, exercise, claim or plead any right of set-off, compensation or retention with respect to any amount owed to it by the Issuer in respect of, or arising in connection with, the Notes.

22. **GOVERNING LAW AND JURISDICTION**

- (a) The Notes and all non-contractual obligations arising out of or in connection with the Notes are governed by and construed in accordance with the laws of Switzerland.
- (b) The courts of the Canton of Zurich (venue being the City of Zurich) shall have exclusive jurisdiction to settle any disputes that may arise out of or in connection with the Notes, including any non-contractual obligation arising out of or in connection with the Notes.
