(1) An explanation of the significance of ratings may be obtained from the rating agencies. Generally, rating agencies base their ratings on such material and information, and such of their own investigations, studies and assumptions, as they deem appropriate. The rating of the notes should be evaluated independently from similar ratings of other securities. A credit rating of a security is not a recommendation to buy, sell or hold securities and may be subject to review, revision, suspension, reduction or withdrawal at any time by the assigning rating agency.

The issuer has filed a registration statement (including a base prospectus dated February 12, 2021) and a preliminary prospectus supplement, dated July 25, 2022 (the “preliminary prospectus supplement”), with the SEC for the offering to which this communication relates.
