“Fixed Charge Calculation Date” has the meaning assigned to such term in the definition of “Fixed Charge Coverage Ratio.”

“Fixed Charge Coverage Ratio” means, with respect to any Person for any period, the ratio of Consolidated EBITDA of such Person for such period to the Fixed Charges of such Person for such period. In the event that the Company or any of its Restricted Subsidiaries Incurs, repays, repurchases or redeems any Indebtedness or issues, repurchases or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “Fixed Charge Calculation Date”), then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect to such incurrence, repayment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period; except that any Indebtedness incurred in connection with the financing of a new Vessel shall be deemed to have not been incurred until the relevant delivery date for such Vessel, after which delivery date such Indebtedness shall be deemed to have been incurred on the first day of such four-quarter reference period; *provided, however*, that the *pro forma* calculation of Fixed Charges shall not give effect to (i) any Permitted Debt incurred on the Fixed Charge Calculation Date or (ii) the discharge on the Fixed Charge Calculation Date of any Indebtedness to the extent that such discharge results from the proceeds of Permitted Debt.

In addition, for purposes of calculating the Fixed Charge Coverage Ratio, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and discontinued operations (as determined in accordance with GAAP) and any operational changes, business realignment projects or initiatives, restructurings or reorganizations that the Company or any Restricted Subsidiary made during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Fixed Charge Calculation Date, or has determined to make within 12 months from Fixed Charge Calculation Date (each, for purposes of this definition, a “pro forma event”) shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations and other operational changes, business realignment projects or initiatives, restructurings or reorganizations which would include cost savings resulting from head count reduction, closure of facilities and similar operational and other cost saving (and the change of any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Company or any Restricted Subsidiary since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation, amalgamation, discontinued operation, operational change, business realignment project or initiative, restructuring or reorganization that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, discontinued operation, merger, amalgamation, consolidation, operational change, business realignment project or initiative, restructuring or reorganization had occurred at the beginning of the applicable four-quarter period. On or following the delivery date of any new Vessel and for so long as such four-quarter reference period includes such delivery date, in the event that the Issuer or any Subsidiary took delivery of any new Vessel during such four-quarter reference period, Consolidated EBITDA shall include the projected Consolidated EBITDA (based on reasonable assumptions) for such Vessel as if such Vessel had been in operation on the first day of such four-quarter reference period. If since the beginning of such period any Restricted Subsidiary is designated an Unrestricted Subsidiary or any Unrestricted Subsidiary is designated a Restricted Subsidiary, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such designation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to any pro forma event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Company. Any such pro forma calculation may include adjustments appropriate, in the reasonable good faith determination of the Issuer as set forth in an Officer's Certificate, to reflect operating expense reductions and other operating improvements, synergies or cost savings reasonably expected to result from the applicable event. Any calculation of the Fixed Charge Coverage Ratio may be made, at the option of the Issuer, either (i) at the time the Board of Directors of the Issuer approves the action necessitating the calculation of the Fixed Charge Coverage Ratio or (ii) at the completion of such action necessitating the calculation of the Fixed Charge Coverage Ratio.

If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness if such Hedging Obligation has a remaining term in excess of 12 months). Interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Issuer to be the rate of interest implicit in such Capital Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Issuer may designate.

For purposes of this definition, any amount in a currency other than U.S. dollars will be converted to U.S. dollars based on the average exchange rate for such currency for the most recent twelve month period immediately prior to the date of determination in a manner consistent with that used in calculating Consolidated EBITDA for the applicable period.

The roles, duties and functions of the Agents are of a mechanical nature and each Agent shall only perform those acts and duties as specifically set out in this Indenture and no other acts, covenants, obligations or duties shall be implied or read into this Indenture against any of the Agents. For the avoidance of doubt, a Paying Agent’s obligation to disburse any funds shall be subject to prior receipt by it of those funds to be disbursed.

Subject to any applicable laws and regulations, the Issuer shall cause the Registrar to keep a register (the “Security Register”) at its Corporate Trust Office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of ownership, exchange, and transfer of the Notes. Such registration in the Security Register shall be conclusive evidence of the ownership of Notes. Included in the books and records for the Notes shall be notations as to whether such Notes have been paid, exchanged or transferred, canceled, lost, stolen, mutilated or destroyed and whether such Notes have been replaced. In the case of the replacement of any of the Notes, the Registrar shall keep a record of the Note so replaced and the Note issued in replacement thereof. In the case of the cancellation of any of the Notes, the Registrar shall keep a record of the Note so canceled and the date on which such Note was canceled.

The Issuer shall enter into an appropriate agency agreement with any Paying Agent or co- Registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee may appoint a suitably qualified and reputable party to act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.05.

SECTION 2.04 Paying Agent to Hold Money. Not later than 12:00 p.m. (New York, New York time), one Business Day prior to each due date of the principal, premium, if any, and interest on any Notes, the Issuer shall deposit with the Principal Paying Agent money in immediately available funds in U.S. dollars, sufficient to pay such principal, premium, if any, and interest so becoming due on the due date for payment under the Notes. The Issuer shall procure payment confirmation on or prior to the third Business Day preceding payment. The Principal Paying Agent (and, if applicable, each other Paying Agent) shall remit such payment in a timely manner to the Holders on the relevant due date for payment, it being acknowledged by each Holder that if the Issuer deposits such money with the Principal Paying Agent after the time specified in the immediately preceding sentence, the Principal Paying Agent shall remit such money to the Holders on the relevant due date for payment, unless such remittance is impracticable having regard to applicable banking procedures and timing constraints, in which case the Principal Paying Agent shall remit such money to the Holders on the next Business Day, but without liability for any interest resulting from such late payment. For the avoidance of doubt, the Principal Paying Agent shall only be obliged to remit money to Holders if it has actually received such money from the Issuer in clear funds. The Principal Paying Agent shall promptly notify the Trustee of any default by the Issuer (or any other obligor on the Notes) in making any payment. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may at any time during the continuance of any payment default, upon written request to a Paying Agent, require such Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed. Upon doing so, the Paying Agent shall have no further liability for the money so paid over to the Trustee. If the Issuer or any Affiliate of the Issuer acts as Paying Agent, it shall, on or before each due date of any principal, premium, if any, or interest on the Notes, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such principal, premium, if any, or interest so becoming due until such sum of money shall be paid to such Holders or otherwise disposed of as provided in this Indenture, and shall promptly notify the Trustee of its action or failure to act.

The Trustee may, if the Issuer has notified it in writing that the Issuer intends to effect a defeasance or to satisfy and discharge this Indenture in accordance with the provisions of Article Eight, notify the Paying Agent in writing of this fact and require the Paying Agent (until notified by the Trustee to the contrary) to act thereafter as Paying Agent of the Trustee and not the Issuer in relation to any amounts deposited with it in accordance with the provisions of Article Eight.

SECTION 2.05 Holder Lists. The Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee, in writing no later than the Record Date for each Interest Payment Date and at such other times as the Trustee may request in writing, a list, in such form and as of such Record Date as the Trustee may reasonably require, of the names and addresses of Holders, including the aggregate principal amount of Notes held by each Holder.

SECTION 2.06 Transfer and Exchange.

(a) Where Notes are presented to the Registrar or a co-Registrar with a request to register a transfer or to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall register the transfer or make the exchange in accordance with the requirements of this Section 2.06. To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee (or the authenticating agent) shall, upon receipt of an Issuer Order, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes, of any authorized denominations and of a like aggregate principal amount, at the Registrar's request; *provided* that no Note of less than \$2,000 may be transferred or exchanged. No service charge shall be made for any registration of transfer or exchange of Notes (except as otherwise expressly permitted herein), but the Issuer may require payment of a sum sufficient to cover any agency fee or similar charge payable in connection with any such registration of transfer or exchange of Notes (other than any agency fee or similar charge payable in connection with any redemption of the Notes or upon exchanges pursuant to Sections 2.10, 3.08 or 9.04) or in accordance with an Asset Sale Offer pursuant to Section 4.09 or Change of Control Offer pursuant to Section 4.11, not involving a transfer.

Upon presentation for exchange or transfer of any Note as permitted by the terms of this Indenture and by any legend appearing on such Note, such Note shall be exchanged or transferred upon the Security Register and one or more new Notes shall be authenticated and issued in the name of the Holder (in the case of exchanges only) or the transferee, as the case may be. No exchange or transfer of a Note shall be effective under this Indenture unless and until such Note has been registered in the name of such Person in the Security Register. Furthermore, the exchange or transfer of any Note shall not be effective under this Indenture unless the request for such exchange or transfer is made by the Holder or by a duly authorized attorney-in-fact at the Corporate Trust Office of the Registrar.

Every Note presented or surrendered for registration of transfer or for exchange shall (if so required by the Issuer or the Registrar) be duly endorsed, or be accompanied by a written instrument of transfer, in form satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing.

All Notes issued upon any registration of transfer or exchange of Notes shall be the valid obligations of the Issuer evidencing the same indebtedness, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of transfer or exchange.

Neither the Issuer nor the Trustee, Registrar or any Paying Agent shall be required (i) to issue, register the transfer of, or exchange any Note during a period beginning at the opening of 15 days before the day of the delivery of a notice of redemption of Notes of the applicable series selected for redemption under Section 3.02 and ending at the close of business on the day of such delivery, or (ii) to register the transfer of or exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(b) Notwithstanding any provision to the contrary herein, so long as a Global Note remains outstanding and is held by or on behalf of DTC, transfers of a Global Note, in whole or in part, or of any beneficial interest therein, shall only be made in accordance with Section 2.01(c), Section 2.06(a) and this Section 2.06(b); *provided* that a beneficial interest in a Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Global Note in accordance with the transfer restrictions set forth in the restricted Note legend on the Note of the applicable series, if any.

(i) Except for transfers or exchanges made in accordance with either of clauses (ii) or (iii) of this Section 2.06(b), transfers of a Global Note shall be limited to transfers of such Global Note in whole, but not in part, to nominees of DTC or to a successor of DTC or such successor's nominee.

(ii) Restricted Global Note to Regulation S Global Note. If the holder of a beneficial interest in the Restricted Global Note of either series at any time wishes to exchange its interest in such Restricted Global Note for an interest in the Regulation S Global Note, or to transfer its interest in such Restricted Global Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in the Regulation S Global Note of such series, such transfer or exchange may be effected, only in accordance with this clause (ii) and the rules and procedures of DTC, in each case to the extent applicable (the "Applicable Procedures"). Upon receipt by the Registrar from the Transfer Agent of (A) written instructions directing the Registrar to credit or cause to be credited an interest in the Regulation S Global Note in a specified principal amount and to cause to be debited an interest in the Restricted Global Note in such specified principal amount, and (B) a certificate in the form of Exhibit B attached hereto given by the holder of such beneficial interest stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes and (x) pursuant to and in accordance with Regulation S or (y) that the interest in the Restricted Global Note being transferred is being transferred in a transaction permitted by Rule 144, then the Registrar shall reduce or cause to be reduced the principal amount of the Restricted Global Note and shall cause DTC to increase or cause to be increased the principal amount of the Regulation S Global Note by the aggregate principal amount of the interest in the Restricted Global Note to be exchanged or transferred.

(iii) Regulation S Global Note to Restricted Global Note. If the holder of a beneficial interest in the Regulation S Global Note of either series at any time wishes to transfer such interest to a Person who wishes to take delivery thereof in the form of a beneficial interest in the Restricted Global Note of such series, such transfer may be effected only in accordance with this clause (iii) and the Applicable Procedures. Upon receipt by the Registrar from the Transfer Agent of (A) written instructions directing the Registrar to credit or cause to be credited an interest in the Restricted Global Note of such series in a specified principal amount and to cause to be debited an interest in the Regulation S Global Note in such specified principal amount, and (B) a certificate in the form of Exhibit C attached hereto given by the holder of such beneficial interest stating that the transfer of such interest has been made in compliance with the transfer restrictions applicable to the Global Notes and stating that (x) the Person transferring such interest reasonably believes that the Person acquiring such interest is a QIB and is obtaining such interest in a transaction meeting the requirements of Rule 144A and any applicable securities laws of any state of the United States or (y) that the Person transferring such interest is relying on an exemption other than Rule 144A from the registration requirements of the U.S. Securities Act and, in such circumstances, such Opinion of Counsel as the Issuer or the Trustee may reasonably request to ensure that the requested transfer or exchange is being made pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act, then the Registrar shall reduce or cause to be reduced the principal amount of the Regulation S Global Note and to increase or cause to be increased the principal amount of the Restricted Global Note by the aggregate principal amount of the interest in such Regulation S Global Note to be exchanged or transferred.

(c) If Notes are issued upon the transfer, exchange or replacement of Notes bearing the restricted Notes legends set forth in Exhibit A-1 or Exhibit A-2 attached hereto, the Notes so issued shall bear the restricted Notes legends, and a request to remove such restricted Notes legends from Notes shall not be honored unless there is delivered to the Issuer such satisfactory evidence, which may include an Opinion of Counsel licensed to practice law in the State of New York, as may be reasonably required by the Issuer, that neither the legend nor the restrictions on transfer set forth herein and therein are required to ensure that transfers thereof comply with the provisions of Rule 144A or Rule 144 under the U.S. Securities Act. Upon provision of such satisfactory evidence, the Trustee, at the direction of the Issuer, shall (or shall direct the authenticating agent to) authenticate and deliver Notes that do not bear the legend.

(d) The Trustee, the Security Agent and the Agents shall have no responsibility for any actions taken or not taken by DTC, Euroclear or Clearstream, as the case may be.

(e) Notwithstanding anything to the contrary in this Section 2.06, the Issuer is not required to register the transfer of any Definitive Registered Notes of a series:

- (i) for a period of 15 days prior to any date fixed for the redemption of the Notes of such series;
- (ii) for a period of 15 days immediately prior to the date fixed for selection of Notes of such series to be redeemed in part;
- (iii) for a period of 15 days prior to the Record Date with respect to any Interest Payment Date;
- (iv) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Sale Offer.

SECTION 2.07 Replacement Notes. If a mutilated Definitive Registered Note is surrendered to the Registrar or if the Holder claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall (or shall direct the authenticating agent to), upon receipt of an Issuer Order, authenticate a replacement Note in such form as the Note mutilated, lost, destroyed or wrongfully taken if the Holder satisfies any other reasonable requirements of the Issuer and any requirement of the Trustee. If required by the Trustee or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Issuer and the Trustee to protect the Issuer, the Trustee, the Security Agent, the Paying Agent, the Transfer Agent, the Registrar and any co-Registrar, and any authenticating agent, from any loss that any of them may suffer if a Note is replaced. The Issuer and the Trustee may charge the Holder for their expenses in replacing a Note.

In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuer in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note shall be an additional obligation of the Issuer.

The provisions of this Section 2.07 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or wrongfully taken Notes.

SECTION 2.08 Outstanding Notes. Notes outstanding at any time are all Notes authenticated by or on behalf of the Trustee except for those cancelled by it, those delivered to it for cancellation and those described in this Section 2.08 as not outstanding. Subject to Section 2.09, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee and the Issuer receive proof satisfactory to them that the Note that has been replaced is held by a bona fide purchaser.

If the Paying Agent holds, in accordance with this Indenture, on a Redemption Date or maturity date money sufficient to pay all principal, interest, premium, if any, and Additional Amounts, if any, payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.09 Notes Held by Issuer. In determining whether the Holders of the required principal amount of Notes have concurred in any direction or consent or any amendment, modification or other change to this Indenture, Notes owned by the Issuer or by any of its Affiliates shall be disregarded and treated as if they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes which a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Issuer or any of its Affiliates.

SECTION 2.10 Definitive Registered Notes.

(a) A Global Note deposited with a custodian for DTC pursuant to Section 2.01 shall be transferred in whole to the Beneficial Owners thereof in the form of Definitive Registered Notes only if such transfer complies with Section 2.06 and (i) DTC notifies the Issuer that it is unwilling or unable to continue to act as depository for such Global Note or DTC ceases to be registered as a clearing agency under the Exchange Act, and in each case a successor depository is not appointed by the Issuer within 90 days of such notice, (ii) the Issuer, at its option, executes and delivers to the Trustee an Officer's Certificate stating that such Global Note shall be so exchangeable or (iii) the owner of a Book-Entry Interest requests such an exchange in writing delivered through DTC following an Event of Default under this Indenture. Notice of any such transfer shall be given by the Issuer in accordance with the provisions of Section 12.02(a).

(b) Any Global Note that is transferable to the Beneficial Owners thereof in the form of Definitive Registered Notes pursuant to this Section 2.10 shall be surrendered by the custodian for DTC, to the Transfer Agent, to be so transferred, in whole or from time to time in part, without charge, and the Trustee shall itself or via the authenticating agent authenticate and deliver, upon such transfer of each portion of such Global Note, an equal aggregate principal amount at maturity of Notes of authorized denominations in the form of Definitive Registered Notes. Any portion of a Global Note transferred or exchanged pursuant to this Section 2.10 shall be executed, authenticated and delivered only in registered form in minimum denominations of \$2,000 and any integral multiples of \$1,000 in excess thereof and registered in such names as DTC may direct. Subject to the foregoing, a Global Note is not exchangeable except for a Global Note of like denomination to be registered in the name of DTC or its nominee. In the event that a Global Note becomes exchangeable for Definitive Registered Notes, payment of principal, premium, if any, and interest on the Definitive Registered Notes will be payable, and the transfer of the Definitive Registered Notes will be registrable, at the office or agency of the Issuer maintained for such purposes in accordance with Section 2.03. Such Definitive Registered Notes shall bear the applicable legends set forth in Exhibit A-1 or Exhibit A-2 attached hereto.

(c) In the event of the occurrence of any of the events specified in Section 2.10(a), the Issuer shall promptly make available to the Trustee and the authenticating agent a reasonable supply of Definitive Registered Notes in definitive, fully registered form without interest coupons.

SECTION 2.11 Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee, in accordance with its customary procedures, and no one else shall cancel (subject to the record retention requirements of the Exchange Act and the Trustee's retention policy) all Notes surrendered for registration of transfer, exchange, payment or cancellation and dispose of such cancelled Notes in its customary manner. Except as otherwise provided in this Indenture, the Issuer may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation.

SECTION 2.12 Defaulted Interest. Any interest on any Note that is payable, but is not punctually paid or duly provided for, on the dates and in the manner provided in the Notes and this Indenture (all such interest herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Issuer, at its election in each case, as provided in clause (a) or (b) below:

(a) The Issuer may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes are registered at the close of business on a special record date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Issuer shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer may deposit with the Paying Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest; or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held for the benefit of the Persons entitled to such Defaulted Interest as provided in this clause. In addition, the Issuer shall fix a special record date for the payment of such Defaulted Interest, such date to be not more than 15 days and not less than 10 days prior to the proposed payment date and not less than 15 days after the receipt by the Trustee of the notice of the proposed payment date. The Issuer shall promptly but, in any event, not less than 15 days prior to the special record date, notify the Trustee of such special record date and, in the name and at the expense of the Issuer, the Trustee shall cause notice of the proposed payment date of such Defaulted Interest and the special record date therefor to be delivered first-class, postage prepaid to each Holder as such Holder's address appears in the Security Register, not less than 10 days prior to such special record date. Notice of the proposed payment date of such Defaulted Interest and the special record date therefor having been so delivered, such Defaulted Interest shall be paid to the Persons in whose names the Notes are registered at the close of business on such special record date and shall no longer be payable pursuant to clause (b) below.

(b) The Issuer may make payment of any Defaulted Interest on the Notes in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment date pursuant to this clause, such manner of payment shall be deemed reasonably practicable.

Subject to the foregoing provisions of this Section 2.12, each Note delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.13 Computation of Interest. Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

SECTION 2.14 ISIN and CUSIP Numbers. The Issuer in issuing the Notes may use ISIN and CUSIP numbers (if then generally in use), and, if so, the Trustee shall use ISIN and CUSIP numbers, as appropriate, in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers or codes either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly notify the Trustee of any change in the ISIN or CUSIP numbers.

SECTION 2.15 Issuance of Additional Notes. The Issuer may, subject to Section 4.06 of this Indenture, issue Additional Notes of either series from time to time under this Indenture in accordance with the procedures of Section 2.02. The Original Notes of each series issued on the Issue Date and any Additional Notes of such series subsequently issued shall be treated as a single class for all purposes under this Indenture.

ARTICLE THREE REDEMPTION; OFFERS TO PURCHASE

SECTION 3.01 Right of Redemption. The Issuer may redeem all or any portion of the Notes of either series upon the terms and at the Redemption Prices set forth in the Notes of such series. Any redemption pursuant to this Section 3.01 shall be made pursuant to the provisions of this Article Three.

SECTION 3.02 Notices to Trustee. If the Issuer elects to redeem all or a portion of the Notes of either series pursuant to Section 3.01, it shall notify the Trustee in writing of the Redemption Date and the record date, the principal amount of Notes of the applicable series to be redeemed, the Redemption Price and the paragraph of the Notes of such series pursuant to which the redemption will occur.

The Issuer shall give each notice to the Trustee provided for in this Section 3.02 in writing at least 10 days before the date notice is delivered to the Holders pursuant to Section 3.04 unless the Trustee consents to a shorter period. Such notice shall be accompanied by an Officer's Certificate from the Issuer to the effect that such redemption will comply with the conditions herein. If fewer than all the Notes are to be redeemed, the record date relating to such redemption shall be selected by the Issuer and notified to the Trustee, which record date shall be not less than 15 days after the date of notice to the Trustee.

SECTION 3.03

Selection of Notes to Be Redeemed.

If fewer than all of the Notes of either series are to be redeemed at any time, the Trustee shall select the Notes of such series to be redeemed by a method that complies with the requirements, as certified to it by the Issuer, of the principal securities exchange, if any, on which the Notes of such series are listed at such time, and in compliance with the requirements of the relevant clearing system or, if the Notes of such series are not listed on a securities exchange, or such securities exchange prescribes no method of selection and the Notes are not held through clearing system or the clearing system prescribes no method of selection, on a pro rata basis, by lot or by such other method as the Trustee deems fair and appropriate; *provided, however*, that no such partial redemption shall reduce the portion of the principal amount of a Note not redeemed to less than \$2,000.

The Trustee shall make the selection from the Notes of such series outstanding and not previously called for redemption. The Trustee may select for redemption portions equal to \$1,000 in principal amount and any integral multiple thereof; *provided* that no Notes of \$2,000 in principal amount or less may be redeemed in part. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Issuer promptly in writing of the Notes or portions of Notes to be called for redemption.

The Trustee shall not be liable for selections made in accordance with the provisions of this Section 3.03 or for selections made by DTC.

Any redemption and notice may, in the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

SECTION 3.04

Notice of Redemption.

(a) At least 10 days but not more than 60 days before a date for redemption of the Notes of either series, the Issuer shall send a notice of redemption to each Holder to be redeemed at its address contained in the Security Register, except that redemption notices may be delivered more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes of such series or a satisfaction and discharge of this Indenture, and shall comply with the provisions of Section 12.01(b).

(b) The notice shall identify the Notes of the applicable series to be redeemed (including ISIN and CUSIP numbers) and shall state:

- (i) the Redemption Date and the record date;
- (ii) the appropriate calculation of the Redemption Price and the amount of accrued interest, if any, and Additional Amounts, if any, to be paid;
- (iii) the name and address of the Paying Agent;
- (iv) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price plus accrued interest, if any, and Additional Amounts, if any;

(v) that, if any Note of such series is being redeemed in part, the portion of the principal amount (equal to \$1,000 in principal amount or any integral multiple thereof) of such Note to be redeemed and that, on and after the Redemption Date, upon surrender of such Note, a new Note or Notes of such series in principal amount equal to the unredeemed portion thereof will be reissued;

(vi) that, if any Note of such series contains an ISIN or CUSIP number, no representation is being made as to the correctness of such ISIN or CUSIP number either as printed on the Notes of the applicable series or as contained in the notice of redemption and that reliance may be placed only on the other identification numbers printed on the Notes;

(vii) that, unless the Issuer and the Guarantors default in making such redemption payment, interest on the Notes of the applicable series (or portion thereof) called for redemption shall cease to accrue on and after the Redemption Date; and

(viii) the paragraph of the Notes of the applicable series or section of this Indenture pursuant to which such Notes called for redemption are being redeemed.

At the Issuer's written request, the Trustee shall give a notice of redemption in the Issuer's name and at the Issuer's expense. In such event, the Issuer shall provide the Trustee with the notice and the other information required by this Section 3.04.

For Notes which are represented by global certificates held on behalf of DTC, notices may be given by delivery of the relevant notices to DTC for communication to entitled account holders in substitution for the aforesaid delivery.

(c) In connection with any redemption of Notes described in this Section 3.04, any such redemption and/or notice of redemption may, at the Company's discretion, be subject to one or more conditions precedent, including the completion of any related refinancing or a Change of Control. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied or waived, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the redemption date, or by the redemption date so delayed.

SECTION 3.05 Deposit of Redemption Price. At least one Business Day prior to any Redemption Date, by no later than 12:00 p.m. (New York, New York time) on that date, the Issuer shall deposit or cause to be deposited with the Paying Agent (or, if the Issuer or any of its Affiliates is the Paying Agent, shall segregate and hold in trust) a sum in same day funds sufficient to pay the Redemption Price of and accrued interest and Additional Amounts, if any, on all Notes to be redeemed on that date other than Notes or portions of Notes called for redemption that have previously been delivered by the Issuer to the Trustee for cancellation. The Paying Agent shall return to the Issuer following a written request by the Issuer any money so deposited that is not required for that purpose.

SECTION 3.06 [Reserved].

SECTION 3.07 Payment of Notes Called for Redemption. If notice of redemption has been given in the manner provided below, the Notes of the applicable series or portion of Notes of the applicable series called for redemption specified in such notice to be redeemed shall become due and payable on the Redemption Date at the Redemption Price stated therein, together with accrued interest to such Redemption Date, and on and after such date (unless the Issuer shall default in the payment of such Notes at the Redemption Price and accrued interest to the Redemption Date, in which case the principal, until paid, shall bear interest from the Redemption Date at the rate prescribed in the Notes of the applicable series) such Notes shall cease to accrue interest. Upon surrender of any Note for redemption in accordance with a notice of redemption, such Note shall be paid and redeemed by the Issuer at the Redemption Price, together with accrued interest, if any, to the Redemption Date; *provided* that installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders registered as such at the close of business on the relevant Record Date.

Notice of redemption shall be deemed to be given when delivered, whether or not the Holder receives the notice. In any event, failure to give such notice, or any defect therein, shall not affect the validity of the proceedings for the redemption of Notes held by Holders to whom such notice was properly given.

SECTION 3.08 Notes Redeemed in Part.

(a) Upon surrender of a Global Note that is redeemed in part, the Paying Agent shall forward such Global Note to the Registrar who shall make a notation on the Security Register to reduce the principal amount of such Global Note to an amount equal to the unredeemed portion of the Global Note surrendered; *provided* that each such Global Note shall be in a principal amount at final Stated Maturity of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(b) Upon surrender and cancellation of a Definitive Registered Note that is redeemed in part, the Issuer shall execute and the Trustee shall authenticate for the Holder (at the Issuer's expense) a new Note equal in principal amount to the unredeemed portion of the Note surrendered and canceled; *provided* that each such Definitive Registered Note shall be in a principal amount at final Stated Maturity of \$2,000 or an integral multiple of \$1,000 in excess thereof.

SECTION 3.09 Redemption for Changes in Taxes. The Issuer may redeem either or both series of the Notes, in whole but not in part, at its discretion at any time upon giving not less than 10 nor more than 60 days' prior written notice to the Holders of the applicable series of Notes (which notice shall be irrevocable and given in accordance with the procedures set forth under Section 3.04), at a Redemption Price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Issuer for redemption (a "Tax Redemption Date") and all Additional Amounts (if any) then due or which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders of the applicable series of Notes on the relevant Record Date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the applicable series of Notes or Note Guarantee, the Issuer or any Guarantor is or would be required to pay Additional Amounts (but, in the case of a Guarantor, only if the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor without the obligation to pay Additional Amounts), and the Issuer or the relevant Guarantor cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Issuer or any Guarantor), and the requirement arises as a result of:

- (a) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the relevant Tax Jurisdiction which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date); or
- (b) any change in, or amendment to, the official application, administration or interpretation of such laws, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date) (each of the foregoing clauses (a) and (b), a "Change in Tax Law").

The Issuer shall not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obligated to make such payment or Additional Amounts if a payment in respect of the applicable series of Notes or Note Guarantee were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the delivery of any notice of redemption of the applicable series of Notes pursuant to the foregoing, the Issuer shall deliver the Trustee an opinion of independent tax counsel of recognized standing qualified under the laws of the relevant Tax Jurisdiction (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been a Change in Tax Law which would entitle the Issuer to redeem the applicable series of Notes hereunder. In addition, before the Issuer delivers a notice of redemption of the applicable series of Notes as described above, it shall deliver to the Trustee an Officer's Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer or the relevant Guarantor taking reasonable measures available to it.

The Trustee will accept and shall be entitled to rely on such Officer's Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions as described above, in which event it will be conclusive and binding on all of the Holders.

The foregoing provisions of this Section 3.09 will apply, *mutatis mutandis*, to any successor of the Issuer (or any Guarantor) with respect to a Change in Tax Law occurring after the time such Person becomes successor to the Issuer (or any Guarantor).

ARTICLE FOUR COVENANTS

SECTION 4.01 Payment of Notes. The Issuer and the Guarantors, jointly and severally, covenant and agree for the benefit of the Holders that they shall duly and punctually pay the principal of, premium, if any, interest and Additional Amounts, if any, on the Notes on the dates and in the manner provided in the Notes of the applicable series and in this Indenture. Subject to Section 2.04, principal, premium, if any, interest and Additional Amounts, if any, shall be considered paid on the date due if on such date the Trustee or the Paying Agent (other than the Issuer or any of its Affiliates) holds, as of 10:00 a.m. (New York, New York time) on the due date, in accordance with this Indenture, money sufficient to pay all principal, premium, if any, interest and Additional Amounts, if any, then due. If the Issuer or any of its Affiliates acts as Paying Agent, principal, premium, if any, interest and Additional Amounts, if any, shall be considered paid on the due date if the entity acting as Paying Agent complies with Section 2.04.

The Company shall pay interest on overdue principal at the rate specified therefor in the applicable series of Notes (the “Overdue Rate”) in excess of the interest rate applicable to such Notes and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

SECTION 4.02 Corporate Existence. Subject to Article Five, the Issuer and each Guarantor shall do or cause to be done all things necessary to preserve and keep in full force and effect their corporate, partnership, limited liability company or other existence and the rights (charter and statutory), licenses and franchises of the Issuer and each Guarantor; provided that the Issuer shall not be required to preserve any such right, license or franchise if the Board of Directors of the Issuer shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and the Guarantors as a whole.

SECTION 4.03 Maintenance of Properties. The Issuer shall cause all properties owned by it or any Guarantor or used or held for use in the conduct of its business or the business of any Guarantor to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment and shall cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Issuer may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; *provided* that nothing in this Section 4.03 shall prevent the Issuer from discontinuing the maintenance of any such properties if such discontinuance is, in the judgment of the Issuer, desirable in the conduct of the business of the Issuer and the Guarantors as a whole.

SECTION 4.04 Insurance. The Issuer shall maintain, and shall cause the Guarantors to maintain, insurance with carriers believed by the Issuer to be responsible, against such risks and in such amounts, and with such deductibles, retentions, self-insured amounts and coinsurance provisions, as the Issuer believes are customarily carried by businesses similarly situated and owning like properties, including as appropriate general liability, property and casualty loss insurance; *provided* that in no event shall the Issuer and the Guarantors be required to obtain any business interruption, loss of hire or delay in delivery insurance.

SECTION 4.05 Statement as to Compliance.

(a) The Issuer shall deliver to the Trustee, within 120 days after the end of each fiscal year or within 14 days of written request by the Trustee, an Officer's Certificate stating that in the course of the performance by the signer of its duties as an Officer of the Issuer he would normally have knowledge of any Default and whether or not the signer knows of any Default that occurred during such period and, if any, specifying such Default, its status and what action the Issuer is taking or proposed to take with respect thereto. For purposes of this Section 4.05(a), such compliance shall be determined without regard to any period of grace or requirement of notice under this Indenture.

(b) If the Issuer shall become aware that (i) any Default or Event of Default has occurred and is continuing or (ii) any Holder seeks to exercise any remedy hereunder with respect to a claimed Default under this Indenture or the Notes, the Issuer shall promptly, and in any event within 30 days, deliver to the Trustee an Officer's Certificate specifying such event, notice or other action (including any action the Issuer is taking or propose to take in respect thereof).

SECTION 4.06 Incurrence of Indebtedness and Issuance of Preferred Stock.

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt), and the Company will not and will not permit any Restricted Subsidiary to issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; *provided, however*, that the Company may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and the Restricted Subsidiaries (other than Guarantors and any Subsidiaries thereof) may incur Indebtedness (including Acquired Debt) or issue preferred stock, if the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such preferred stock is issued, as the case may be, would have been at least 2.0 to 1.0, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) Section 4.06(a) shall not, however, prohibit the incurrence of any of the following items of Indebtedness, without duplication (collectively, "Permitted Debt"):

(i) Indebtedness of the Issuer under the Credit Facilities (which, for purposes of this clause, shall exclude committed but undrawn amounts under the Existing ECA Facilities) in an aggregate principal amount at any time outstanding not to exceed \$11,375 million;

(ii) the incurrence by the Company and its Restricted Subsidiaries of Existing Indebtedness (other than the Existing Credit Facilities and the Existing ECA Facilities);

(iii) the incurrence by the Issuer and the Guarantors of Indebtedness represented by the Notes issued on the Issue Date and the related Note Guarantees;

(iv) the incurrence by the Company or any Restricted Subsidiary (other than a Guarantor) of Indebtedness represented by Attributable Debt, Capital Lease Obligations, mortgage financings or purchase money obligations, the issuance by the Company or any Restricted Subsidiary (other than a Guarantor) of Disqualified Stock and the issuance by any Restricted Subsidiary (other than a Guarantor) of preferred stock, in each case, incurred or issued for the purpose of financing all or any part of the purchase price, lease expense, rental payments or cost of design, construction, installation, repair, replacement or improvement of property (including Vessels), plant or equipment or other assets (including Capital Stock) used in the business of the Company or any of its Restricted Subsidiaries, in an aggregate principal amount or liquidation preference, including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred or Disqualified Stock or preferred stock issued pursuant to this clause (iv), not to exceed the greater of \$300.0 million and 1.0% of Total Assets at any time outstanding (it being understood that any such Indebtedness may be incurred and such Disqualified Stock and preferred stock may be issued after the acquisition, purchase, charter, leasing or rental or the design, construction, installation, repair, replacement or the making of any improvement with respect to any asset (including Vessels)); *provided* that any such property (including Vessels), plant or equipment or other assets do not constitute Collateral; *provided further* that the principal amount of any Indebtedness, Disqualified Stock or preferred stock permitted under this clause (iv) did not in each case at the time of incurrence exceed, together with amounts previously incurred and outstanding under this clause (iv) with respect to any applicable Vessel, (A) in the case of a completed Vessel, the book value and (B) in the case of an uncompleted Vessel, 80% of the contract price for the acquisition or construction of such Vessel, in the case of this clause (B), as determined on the date on which the agreement for acquisition or construction of such Vessel was entered into by the Company or its Restricted Subsidiary, *plus*, in the case of clauses (i) and (ii) any other Ready for Sea Cost of such Vessel *plus* 100% of any related export credit insurance premium;

(v) (i) the incurrence by the Company or any Restricted Subsidiary (other than a Guarantor) of Indebtedness pursuant to undrawn commitments under the Existing ECA Facilities and (ii) the incurrence by the Company or any Restricted Subsidiary (other than a Guarantor) of Indebtedness, the issuance by the Company or any Restricted Subsidiary (other than a Guarantor) of Disqualified Stock and the issuance by any Restricted Subsidiary (other than a Guarantor) of preferred stock in connection with any New Vessel Financing; provided that, in each case, the aggregate principal amount at any one time outstanding (including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred or Disqualified Stock or preferred stock issued under this clause (v)) shall not exceed the New Vessel Aggregate Secured Debt Cap as calculated on the date of the relevant incurrence under this clause (v);

(vi) Permitted Refinancing Indebtedness in exchange for, or the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge, any Indebtedness (other than intercompany Indebtedness, Disqualified Stock or preferred stock) that was permitted to be incurred under Section 4.06(a) or clause (ii), (iii), (iv), (v), (vi) or (xii) of this Section 4.06(b);

(vii) the incurrence by the Company or any Restricted Subsidiary of intercompany Indebtedness between or among the Company or any Restricted Subsidiary; *provided* that:

(A) if the Issuer or any Guarantor is the obligor on such Indebtedness and the payee is not the Issuer or a Guarantor, such Indebtedness must be unsecured and ((i) except in respect of the intercompany current liabilities incurred in the ordinary course of business in connection with the cash management operations of the Company and its Restricted Subsidiaries and (ii) only to the extent legally permitted (the Company and its Restricted Subsidiaries having completed all procedures required in the reasonable judgment of directors or officers of the obligee or obligor to protect such Persons from any penalty or civil or criminal liability in connection with the subordination of such Indebtedness)) expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, in the case of the Issuer, or the Note Guarantee, in the case of a Guarantor; and

(B) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Company or a Restricted Subsidiary, will be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this clause (vii);

(viii) the issuance by any Restricted Subsidiary (other than a Guarantor) to the Company or to any of its Restricted Subsidiaries of preferred stock; *provided* that (A) any subsequent issuance or transfer of Equity Interests that results in any such preferred stock being held by a Person other than the Company or a Restricted Subsidiary and (B) any sale or other transfer of any such preferred stock to a Person that is not either the Company or a Restricted Subsidiary, will be deemed, in each case, to constitute an issuance of such preferred stock by such Restricted Subsidiary that was not permitted by this clause (viii);

(ix) the incurrence by the Company or any Restricted Subsidiary of Hedging Obligations and not for speculative purposes;

(x) the Guarantee by the Company or any Restricted Subsidiary (other than a Guarantor) of Indebtedness of the Company or any Restricted Subsidiary to the extent that the guaranteed Indebtedness was permitted to be incurred by another provision of this Section 4.06; *provided* that, in each case, if the Indebtedness being guaranteed is subordinated to or *pari passu* with the Notes or a Note Guarantee, then the Guarantee must be subordinated or *pari passu*, as applicable, to the same extent as the Indebtedness guaranteed;

(xi) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness (A) in respect of workers' compensation claims, self-insurance obligations, captive insurance companies and bankers' acceptances in the ordinary course of business; (B) in respect of letters of credit, bankers' acceptances, surety, bid, performance, travel or appeal bonds, completion guarantees, judgment, advance payment, customs, VAT or other tax guarantees or similar instruments issued in the ordinary course of business of such Person or consistent with past practice or industry practice (including as required by any governmental authority) and not in connection with the borrowing of money, including letters of credit, bankers' acceptances or similar instruments in respect of self-insurance and workers compensation obligations, or for the protection of customer deposits or credit card payments; (C) arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds or pursuant to other treasury, depository and cash management services in the ordinary course of business, so long as such Indebtedness is covered within 30 days; and (D) consisting of (x) the financing of insurance premiums or (y) take-or-pay obligations contained in supply agreements, in each case, in the ordinary course of business;

(xii) Indebtedness, Disqualified Stock or preferred stock (A) of any Person outstanding on the date on which such Person becomes a Restricted Subsidiary or is merged, consolidated, amalgamated or otherwise combined with (including pursuant to any acquisition of assets and assumption of related liabilities) the Company or any Restricted Subsidiary or (B) incurred or issued to provide all or any portion of the funds used to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary; *provided, however*, with respect to this clause (xiii), that at the time of the acquisition or other transaction pursuant to which such Indebtedness, Disqualified Stock or preferred stock was deemed to be incurred or issued, (x) the Company would have been able to incur \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.06(a) after giving *pro forma* effect to the relevant acquisition or other transaction and the incurrence of such Indebtedness or issuance of such Disqualified Stock or preferred stock pursuant to this clause (xiii) or (y) the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or Disqualified Stock or preferred stock is issued pursuant to this clause (xiii), taken as one period, would not be less than it was immediately prior to giving *pro forma* effect to such acquisition or other transaction and the incurrence of such Indebtedness or issuance of such Disqualified Stock or preferred stock;

(xiii) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for customary indemnification, obligations in respect of earnouts or other adjustments of purchase price or, in each case, similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business or assets or Person or any Equity Interests of a Subsidiary; *provided* that (in the case of a disposition) the maximum liability of the Company and its Restricted Subsidiaries in respect of all such Indebtedness shall at no time exceed the gross proceeds, including the Fair Market Value of non-cash proceeds (measured at the time received and without giving effect to any subsequent changes in value), actually received by the Company and its Restricted Subsidiaries in connection with such disposition;

(xiv) the incurrence by the Company or any Restricted Subsidiary of Indebtedness in the form of Unearned Customer Deposits and advance payments received in the ordinary course of business from customers for goods and services purchased in the ordinary course of business;

(xv) Indebtedness of the Company or any Restricted Subsidiary incurred in connection with credit card processing arrangements or other similar payment processing arrangements entered into in the ordinary course of business;

(xvi) the incurrence by the Company or any Restricted Subsidiary of Indebtedness, the issuance by the Company or any Restricted Subsidiary of Disqualified Stock and the issuance by any Restricted Subsidiary of preferred stock to finance the replacement (through construction or acquisition) of a Vessel upon an Event of Loss of such Vessel in an aggregate amount no greater than the Ready for Sea Cost for such replacement Vessel, in each case less all compensation, damages and other payments (including insurance proceeds other than in respect of business interruption insurance) received by the Company or any of its Restricted Subsidiaries from any Person in connection with such Event of Loss in excess of amounts actually used to repay Indebtedness secured by the Vessel subject to such Event of Loss and any costs and expenses incurred by the Company or any of its Restricted Subsidiaries in connection with such Event of Loss;

(xvii) the incurrence by the Company or any Restricted Subsidiary of Indebtedness in relation to (A) regular maintenance required on any of the Vessels owned or chartered by the Company or any of its Restricted Subsidiaries, and (B) any expenditures that are, or are reasonably expected to be, recoverable from insurance on such Vessels;

(xviii) the incurrence of Indebtedness by the Company or any Restricted Subsidiary (other than a Guarantor) of Indebtedness, the issuance by the Company or any Restricted Subsidiary (other than a Guarantor) of Disqualified Stock and the issuance by any Restricted Subsidiary (other than a Guarantor) of preferred stock in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Permitted Refinancing Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred or Disqualified Stock or preferred stock issued pursuant to this clause (xviii), not to exceed the greater of \$3,000.0 million and 9.0% of Total Assets;

- (xix) Indebtedness existing solely by reason of Permitted Liens described in clause (xxix) of the definition thereof;
- (xx) issuances of commercial paper of the Company and its Restricted Subsidiaries (other than by any Guarantors);
- (xxi) Indebtedness of the Company or any of its Restricted Subsidiaries undertaken in connection with cash management and related activities with respect to any Subsidiary or joint venture or similar arrangement in the ordinary course of business;
- (xxii) Indebtedness of the Company or any of its Restricted Subsidiaries supported by a letter of credit, bankers' acceptance or similar instrument issued pursuant to the Credit Facilities, in a principal amount not in excess of the stated amount of such letter of credit;
- (xxiii) obligations of the Company or any of its Restricted Subsidiaries evidenced by one or more letters of credit, bankers' acceptances or similar instruments (and, without duplication, reimbursement agreements in respect thereof) incurred in the ordinary course of business of such Person or consistent with past practice or industry practice (including as required by any governmental authority) and not in connection with the borrowing of money;
- (xxiv) guarantees of passenger volume or port fees in the ordinary course of business;
- (xxv) Guarantees by Restricted Subsidiaries (other than Guarantors) pursuant to the Specified Facilities; and
- (xxvi) Indebtedness of the Company or any Restricted Subsidiary incurred in connection with any bareboat charter, lease or similar arrangements.

(c) Neither the Issuer nor any Guarantor will incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Issuer or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Issuer or any Guarantor solely by virtue of being unsecured, by virtue of being secured with different collateral or by virtue of being secured on a junior priority basis or by virtue of the application of waterfall or other payment ordering provisions affecting different tranches of Indebtedness under Credit Facilities.

(d) For purposes of determining compliance with this Section 4.06, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in clauses (i) through (xxvi) of Section 4.06(b), or is entitled to be incurred pursuant to Section 4.06(a), the Issuer, in its sole discretion, will be permitted to classify such item of Indebtedness on the date of its incurrence and only be required to include the amount and type of such Indebtedness in one of such clauses and will be permitted on the date of such incurrence to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Sections 4.06(a) and 4.06(b) and from time to time to reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.06; *provided* that Existing Credit Facilities and the Existing ECA Facilities outstanding on the Issue Date (which, for the avoidance of doubt, shall exclude committed by undrawn amounts under the Existing ECA Facilities) shall be deemed incurred pursuant to clause (i) of the definition of "Permitted Debt" and shall not be permitted to be re-classified.

(e) In connection with the incurrence or issuance, as applicable, of (x) revolving loan Indebtedness or (y) any commitment relating to the incurrence or issuance of Indebtedness, Disqualified Stock or preferred stock, in each case, in compliance with this Section 4.06, and the granting of any Lien to secure such Indebtedness, the Issuer or applicable Restricted Subsidiary may, at its option, designate such incurrence or issuance and the granting of any Lien therefor as having occurred on the date of first incurrence of such revolving loan Indebtedness or commitment (such date, the “Deemed Date”), and any related subsequent actual incurrence or issuance and granting of such Lien therefor will be deemed for all purposes under this Indenture to have been incurred or issued and granted on such Deemed Date, including, without limitation, for purposes of calculating the Fixed Charge Coverage Ratio, usage of any baskets described herein (if applicable), the Consolidated Total Leverage Ratio and Consolidated EBITDA (and all such calculations on and after the Deemed Date until the termination or funding of such commitment shall be made on a pro forma basis giving effect to the deemed incurrence or issuance, the granting of any Lien therefor and related transactions in connection therewith).

(f) The accrual of interest or preferred stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, the payment of dividends on preferred stock or Disqualified Stock in the form of additional shares of the same class of preferred stock or Disqualified Stock, the accretion of liquidation preference and the increase in the amount of Indebtedness outstanding solely as a result of fluctuations in exchange rates or currency values will not be deemed to be an incurrence of Indebtedness or an issuance of preferred stock or Disqualified Stock for purposes of this Section 4.06; *provided*, in each such case, that the amount of any such accrual, accretion, amortization, payment, reclassification or increase is included in the Fixed Charges of the Company as accrued.

(g) For purposes of determining compliance with any U.S. dollar- denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a different currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred or, in the case of Indebtedness incurred under a revolving credit facility and at the option of the Issuer, first committed; *provided* that (i) if such Indebtedness is incurred to refinance other Indebtedness denominated in a currency other than U.S. dollars, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar- denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing indebtedness does not exceed the aggregate principal amount of such Indebtedness being refinanced; and (ii) if and for so long as any Indebtedness is subject to a Hedging Obligation with respect to the currency in which such Indebtedness is denominated covering principal amounts payable on such Indebtedness, the amount of such Indebtedness, if denominated in U.S. dollars, will be the amount of the principal payment required to be made under such Hedging Obligation and, otherwise, the U.S. dollar-equivalent of such amount plus the U.S. dollar-equivalent of any premium which is at such time due and payable but is not covered by such Hedging Obligation.

(h) Notwithstanding any other provision of this Section 4.06, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this Section 4.06 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, will be calculated based on the currency exchange rate applicable to the currencies in which such Permitted Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

- (i) The amount of any Indebtedness outstanding as of any date will be:
- (i) in the case of any Indebtedness issued with original issue discount, the amount of the liability in respect thereof determined in accordance with GAAP;
 - (ii) the principal amount of the Indebtedness, in the case of any other Indebtedness; and
 - (iii) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:
 - (A) the Fair Market Value of such assets at the date of determination; and
 - (B) the amount of the Indebtedness of the other Person.

SECTION 4.07 Liens.

(a) The Company shall not and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause to exist or become effective any Lien of any kind securing Indebtedness upon any of their property or assets, now owned or hereafter acquired, except:

- (i) in the case of any property or assets that constitute Collateral, Permitted Collateral Liens; and

(ii) in the case of any property or assets that do not constitute Collateral, (A) Permitted Liens or (B) Liens on property or assets that are not Permitted Liens if, contemporaneously with (or prior to) the incurrence of such Lien, all payments due under this Indenture and the Notes (or the relevant Note Guarantee, in the case of Liens on property or assets of a Guarantor) are secured on an equal and ratable basis with or prior to the obligations so secured until such time as such obligations are no longer secured by a Lien; *provided* that, if the Indebtedness secured by such Lien is subordinate or junior in right of payment to the Notes or a Note Guarantee, as the case may be, then the Lien securing such Indebtedness shall be subordinate or junior in priority to the Lien securing the Notes or the Note Guarantee, as the case may be, at least to the same extent as such Indebtedness is subordinate or junior to the Notes or a Note Guarantee, as the case may be.

(b) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common stock of the Company, the payment of dividends on preferred stock in the form of additional shares of preferred stock of the same class, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness. For the avoidance of doubt, any Lien that is permitted under this Indenture to secure Indebtedness shall also be permitted to secure any obligations related to such Indebtedness.

(c) Any Lien created in favor of this Indenture and the Notes or a Note Guarantee pursuant to 4.07(b)(ii) will be automatically and unconditionally released and discharged (i) upon the release and discharge of the initial Lien to which it relates and (ii) otherwise as set forth under Section 11.04.

SECTION 4.08 Restricted Payments.

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly:

(A) declare or pay any dividend or make any other payment or distribution on account of the Company’s or any of its Restricted Subsidiaries’ Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) or to the direct or indirect holders of the Company’s or any of its Restricted Subsidiaries’ Equity Interests in their capacity as holders (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Company and other than dividends or distributions payable to the Company or a Restricted Subsidiary);

(B) purchase, redeem or otherwise acquire or retire for value any Equity Interests of the Company;

(C) make any principal payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value, any Indebtedness of the Issuer or any Guarantor that is expressly contractually subordinated in right of payment to the Notes or to any Note Guarantee (excluding any intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries), except (i) a payment of principal at the Stated Maturity thereof or (ii) the purchase, repurchase, redemption, defeasance or other acquisition of Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or scheduled maturity, in each case due within one year of the date of such purchase, repurchase, redemption, defeasance or other acquisition; or

(D) make any Restricted Investment

(all such payments and other actions set forth in these clauses (A) through (D) above being collectively referred to as “Restricted Payments”), unless, at the time of such Restricted Payment:

(ii) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash, Cash Equivalents or Replacement Assets or a combination thereof (which determination may be made by the Issuer, at its option, either (x) at the time such Asset Sale is approved by the Issuer's Board of Directors or (y) at the time the Asset Sale is completed). For purposes of this clause (ii), but with respect to Non-Collateral Asset Sales only, each of the following will be deemed to be cash:

(A) any liabilities, as recorded on the balance sheet of the Company or any Restricted Subsidiary (other than contingent liabilities or liabilities that are by their terms subordinated to the Notes or the Notes Guarantees), that are assumed by the transferee of any such assets and as a result of which the Company and its Restricted Subsidiaries are no longer obligated with respect to such liabilities or are indemnified against further liabilities or that are otherwise retired or repaid;

(B) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of the Asset Sale, to the extent of the cash or Cash Equivalents received in that conversion;

(F) consideration other than cash, Cash Equivalents or Replacement Assets received by the Company or any Restricted Subsidiary in Asset Sales with a Fair Market Value not exceeding \$250.0 million in the aggregate outstanding at any one time; and

(iii) if such Asset Sale involves the disposition of Collateral, and the Net Proceeds thereof, together with any other Net Proceeds of Collateral which have not yet been applied (x) in accordance with Section 4.09(b) or (y) to make an Asset Sale Offer, exceed \$500.0 million, the amount of such aggregate Net Proceeds in excess of \$500.0 million shall be paid to the Security Agent for deposit into the Collateral Account pending application in accordance with Section 4.09(b).

(b) Within 450 days after the receipt of any Net Proceeds from an Asset Sale, or any Event of Loss, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

(i) to repurchase the Notes of all series on a pro rata basis pursuant to an offer to all Holders at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest to, but excluding, the date of purchase (a "Notes Offer");

(ii) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business; *provided* that (x) after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary and (y) this clause (ii) shall not apply to any Asset Sale or Event of Loss involving Collateral or Equity Interests of a Restricted Subsidiary that owns, directly or indirectly, any Collateral;

(iii) to make a capital expenditure; *provided* that this clause (iii) shall not apply to any Asset Sale or Event of Loss involving Collateral or Equity Interests of a Restricted Subsidiary that owns, directly or indirectly, any Collateral, unless the capital expenditure involves the acquisition of a Vessel by a Guarantor (or by the Issuer and simultaneously contributed to a Guarantor) and such vessel is pledged as Collateral;

(iv) to acquire other assets (other than Capital Stock) not classified as current assets under GAAP that are used or useful in a Permitted Business; *provided* that this clause (4) shall not apply to any Asset Sale or Event of Loss involving Collateral or Equity Interests of a Restricted Subsidiary that owns, directly or indirectly, any Collateral;

(v) in respect of any Asset Sale not involving Collateral or Equity Interests of a Restricted Subsidiary that owns, directly or indirectly, any Collateral, to repurchase, prepay, redeem or repay Indebtedness of a Restricted Subsidiary which is not a Guarantor, including Indebtedness guaranteed by such Restricted Subsidiary (other than Indebtedness owed to the Company or a Restricted Subsidiary) or Indebtedness of the Issuer or any Guarantor that is secured by a Lien (provided that the assets secured by such Lien do not constitute Collateral);

(vi) to enter into a binding commitment to apply the Net Proceeds pursuant to clause (ii), (iii) or (iv) of this Section 4.09(b); *provided* that such binding commitment (or any subsequent commitments replacing the initial commitment that may be cancelled or terminated) shall be treated as a permitted application of the Net Proceeds from the date of such commitment until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) the 180th day following the expiration of the aforementioned 450 day period;

(vii) to the extent such Asset Sale or Event of Loss constitutes an "Asset Sale" or "Event of Loss" (each as defined therein) under the indenture governing the Silversea Notes, to apply such Net Proceeds in accordance with the terms of the indenture governing the Silversea Notes, including making an "Asset Sale Offer" (as defined therein) in the time permitted under the indenture governing the Silversea Notes for applying such Net Proceeds or making such Asset Sale Offer under such indenture; or

(viii) any combination of the foregoing.

Pending the final application of any Net Proceeds (other than Trust Monies), the Company (or the applicable Restricted Subsidiary) may temporarily reduce borrowings under any revolving credit facility, or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(c) Any Net Proceeds from Asset Sales or an Event of Loss that are not applied or invested as provided in Section 4.09(b) (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes as described in Section 4.09(b)(i) above shall be deemed to have been applied or invested whether or not such Notes Offer is accepted) will constitute “Excess Proceeds.” When the aggregate amount of Excess Proceeds exceeds \$150.0 million (or at an earlier time, at the option of the Issuer), within ten Business Days thereof, the Company will make an offer (an “Asset Sale Offer”) to all Holders each series of Notes on a pro rata basis and, to the extent such Excess Proceeds are not proceeds of any Asset Sale or Event of Loss involving Collateral or Equity Interests of a Restricted Subsidiary that owns, directly or indirectly, any Collateral, may make an offer to all holders of the Silversea Notes and other Indebtedness that is *pari passu* in right of payment with the Notes, but only to the extent as required by and in accordance with the terms of the indenture governing the Silversea Notes or the documentation governing such other Indebtedness, to purchase, prepay or redeem the maximum principal amount of such other *pari passu* Indebtedness and the Silversea Notes (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price for the Notes in any Asset Sale Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest and Additional Amounts, if any, to the date of purchase, prepayment or redemption, subject to the rights of Holders on the relevant Record Date to receive interest due on the relevant Interest Payment Date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes, such other *pari passu* Indebtedness and the Silversea Notes tendered into (or to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, or if the aggregate amount of Notes tendered pursuant to a Notes Offer exceeds the amount of the Net Proceeds so applied, the Notes, such other *pari passu* Indebtedness and the Silversea Notes, if applicable, shall be selected to be purchased on a *pro rata* basis (or in the manner provided in Section 3.03), based on the amounts tendered or required to be prepaid or redeemed; provided that, if applicable, such selection shall be conducted in a manner permitted by the indenture governing the Silversea Notes. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

The Company will comply with the requirements of Rule 14e-1 under the U.S. Exchange Act and any other securities laws and regulations (and rules of any exchange on which the Notes are then listed) to the extent those laws, regulations or rules are applicable in connection with each repurchase of Notes pursuant to an Asset Sale Offer or a Notes Offer. To the extent that the provisions of any securities laws or regulations or exchange rules conflict with the Asset Sale or Notes Offer provisions of this Indenture, the Company will comply with the applicable securities laws, regulations and rules and will not be deemed to have breached its obligations under the Asset Sale or Notes Offer provisions of this Indenture by virtue of such compliance.

SECTION 4.10 Transactions with Affiliates.

(a) The Company shall not, and shall not cause or permit any of its Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an “Affiliate Transaction”) involving aggregate payments or consideration in excess of \$100.0 million, unless:

(i) the Affiliate Transaction is on terms that are, taken as a whole, no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with a Person who is not such an Affiliate; and

(ii) the Issuer delivers to the Trustee, with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$250.0 million, a resolution of the Board of Directors of the Issuer set forth in an Officer’s Certificate certifying that such Affiliate Transaction complies with this Section 4.10 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Issuer (or in the event there is only one disinterested director, by such disinterested director, or, in the event there are no disinterested directors, by unanimous approval of the members of the Board of Directors of the Issuer).

(b) Notwithstanding the foregoing, the following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.10(a):

(ii) transactions between or among the Company and/or its Restricted Subsidiaries;

(iii) transactions with a Person (other than an Unrestricted Subsidiary of the Company) that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(iv) payment of reasonable and customary fees, salaries, bonuses, compensation, other employee benefits and reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of Officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries;

(v) any issuance of Equity Interests (other than Disqualified Stock) of the Company to Affiliates of the Company;

- (vi) Restricted Payments that do not violate Section 4.08;
- (vii) transactions pursuant to or contemplated by any agreement in effect on the Issue Date and transactions pursuant to any amendment, modification or extension to such agreement, so long as such amendment, modification or extension, taken as a whole, is not materially more disadvantageous to the Holders than the original agreement as in effect on the Issue Date;
- (viii) Permitted Investments (other than Permitted Investments described in clauses (iii), (iv), (v), (xv) and (xvi) of the definition thereof);
- (ix) [reserved];
- (x) transactions with customers, clients, suppliers or purchasers or sellers of goods or services or joint venture partners, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture that are fair to the Company or the Restricted Subsidiaries in the reasonable determination of the members of the Board of Directors of the Issuer or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated Person;
- (xi) the granting and performance of any registration rights for the Company's Capital Stock;
- (xii) pledges of Equity Interests of Unrestricted Subsidiaries;
- (xiii) transactions with respect to which the Company has obtained an opinion of an accounting, appraisal or investment banking firm of international standing, or other recognized independent expert of international standing with experience appraising the terms and conditions of the type of transaction or series of related transactions for which an opinion is required, stating that the transaction or series of related transactions is (A) fair from a financial point of view taking into account all relevant circumstances or (B) on terms not less favorable than might have been obtained in a comparable transaction at such time on an arm's-length basis from a Person who is not an Affiliate;
- (xiv) [reserved];
- (xv) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Issuer in an Officer's Certificate) between the Company and any other Person or a Restricted Subsidiary and any other Person with which the Company or any of its Restricted Subsidiaries files a combined, consolidated, unitary or similar group tax return or which the Company or any of its Restricted Subsidiaries is part of a group for tax purposes that are effected for the purpose of improving the combined, consolidated, unitary or similar group tax efficiency of the Company and its Subsidiaries and not for the purpose of circumventing any provision of this Indenture;

(xvi) transactions between or among the Company and its Restricted Subsidiaries, or transactions between or among the Company and/or any of its Restricted Subsidiaries, on the one hand, and joint ventures or similar arrangement, on the other hand, in each case that are not otherwise prohibited by the terms of this Indenture

(xvii) payments to or from, and transactions with, any joint venture or similar arrangement in the ordinary course of business or consistent with past practice (including, without limitation, any cash management activities related thereto);

(xviii) any transactions with a joint venture or similar entity which would constitute an Affiliate Transaction solely because the Company or its Restricted Subsidiary owns an equity interest in or otherwise controls such joint venture or similar entity; and

(xix) any transaction with any Person which would constitute an Affiliate Transaction solely because such Person is a lender or security holder, provided that such Person is treated equally as all other lenders and security holders.

SECTION 4.11 Purchase of Notes upon a Change of Control.

(a) If a Change of Control Triggering Event occurs at any time with respect to either series of Notes, then the Company shall make an offer (a "Change of Control Offer") to each Holder of the applicable series of Notes to purchase such Holder's Notes, at a purchase price (the "Change of Control Purchase Price") in cash in an amount equal to 101% of the principal amount thereof, plus accrued and unpaid interest and Additional Amounts, if any, on the Notes purchased to the date of purchase (the "Change of Control Purchase Date") (subject to the rights of Holders of the applicable series on the relevant Record Dates to receive interest due on the relevant Interest Payment Date).

(b) Within 30 days following any Change of Control Triggering Event, the Company shall deliver a notice to each Holder of the applicable series of Notes at such Holder's registered address or otherwise deliver a notice in accordance with the procedures set forth in Section 3.04, which notice shall state:

(i) that a Change of Control Triggering Event has occurred, and the date it occurred, and that a Change of Control Offer is being made;

(ii) the circumstances and relevant facts regarding such Change of Control (including, but not limited to, applicable information with respect to *pro forma* historical income, cash flow and capitalization after giving effect to the Change of Control);

(iii) the Change of Control Purchase Price and the Change of Control Purchase Date, which shall be a Business Day no earlier than 10 days nor later than 60 days from the date such notice is delivered, pursuant to the procedures required by this Indenture and described in such notice;

(v) that any Note (or part thereof) not tendered shall continue to accrue interest; and

(vi) any other procedures that a Holder must follow to accept a Change of Control Offer or to withdraw such acceptance.

(c) On the Change of Control Purchase Date, with respect to any series of Notes, the Company shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes of such series properly tendered pursuant to the Change of Control Offer;

(iii) deliver or cause to be delivered to the Trustee the Notes of such series properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes of such series being purchased by the Company.

(d) The Paying Agent shall promptly deliver (or cause to be delivered) to each Holder which has properly tendered and so accepted the Change of Control Offer for such Notes, and the Trustee (or an authenticating agent appointed by the Company), upon receipt of an Issuer Order, shall promptly authenticate and deliver (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. Any Note so accepted for payment will cease to accrue interest on or after the Change of Control Purchase Date. The Company shall publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Purchase Date.

(e) This Section 4.11 will be applicable whether or not any other provisions of this Indenture are applicable.

(f) If the Change of Control Purchase Date is on or after an interest Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest, if any, shall be paid to the Person in whose name a Note is registered at the close of business on such Record Date, and no additional interest shall be payable to Holders who tender pursuant to the Change of Control Offer.

(g) The Company will not be required to make a Change of Control Offer upon a Change of Control Triggering Event if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer or (ii) a notice of redemption has been given pursuant to the provisions of paragraph (f) of the Notes, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

(h) The Company shall comply with the requirements of Rule 14c-1 under the Exchange Act, and any other securities laws and regulations (and rules of any exchange on which the Notes are then listed) to the extent those laws, regulations or rules are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations or exchange rules conflict with the Change of Control provisions of this Indenture, the Company shall comply with the applicable securities laws, regulations and rules and will not be deemed to have breached its obligations under this Indenture by virtue of such compliance.

(i) The provisions of this Section 4.11 relating to the Company's obligation to make an offer to repurchase the Notes of a series as a result of a Change of Control Triggering Event may be waived or modified with the consent of Holders of a majority in principal amount of the Notes of that series prior to the occurrence of the Change of Control.

(a) All payments made by or on behalf of the Issuer or any of the Guarantors (including, in each case, any successor entity) under or with respect to either series of Notes or any Note Guarantee shall be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If the Issuer, any Guarantor or any other applicable withholding agent is required by law to withhold or deduct any amount for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction (other than the United States) in which the Issuer or any Guarantor is or was incorporated, engaged in business, organized or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which any payment is made by or on behalf of the Issuer or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision thereof or therein (each of (1) and (2), a "Tax Jurisdiction") in respect of any payments under or with respect to either series of the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Guarantor, as applicable, shall pay such additional amounts (the "Additional Amounts") as may be necessary in order that the net amounts received and retained in respect of such payments by each beneficial owner of Notes of the applicable series after such withholding or deduction will equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts shall be payable with respect to:

(i) any Taxes, to the extent such Taxes would not have been imposed but for the holder or the beneficial owner of the Notes of such series (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant holder, if the relevant holder is an estate, trust, nominee, partnership, limited liability company or corporation) being or having been a citizen or resident or national of, or incorporated, engaged in a trade or business in, being or having been physically present in or having a permanent establishment in, the relevant Tax Jurisdiction or having or having had any other present or former connection with the relevant Tax Jurisdiction, other than any connection arising solely from the acquisition, ownership or disposition of Notes of such series, the exercise or enforcement of rights under such Note, this Indenture or a Note Guarantee, or the receipt of payments in respect of such Note or a Note Guarantee;

(ii) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note of such series for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(iii) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes;

(iv) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes of such series or any Note Guarantee;

(v) any Taxes to the extent such Taxes would not have been imposed or withheld but for the failure of the holder or beneficial owner of the Notes of such series, following the Issuer's reasonable written request addressed to the holder at least 60 days before any such withholding or deduction would be imposed, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the holder or beneficial owner is legally eligible to provide such certification or documentation;

(vi) any Taxes imposed in connection with a Note of such series presented for payment (where presentation is permitted or required for payment) by or on behalf of a holder or beneficial owner of the Notes of such series to the extent such Taxes could have been avoided by presenting the relevant Note to, or otherwise accepting payment from, another Paying Agent;

(vii) any Taxes imposed on or with respect to any payment by the Issuer or any of the Guarantors to the holder of the Notes of such series if such holder is a fiduciary or partnership or any person other than the sole beneficial owner of such payment to the extent that such Taxes would not have been imposed on such payments had such holder been the sole beneficial owner of such Note;

(viii) any Taxes that are imposed pursuant to current Section 1471 through 1474 of the Code or any amended or successor version that is substantively comparable and not materially more onerous to comply with, any regulations promulgated thereunder, any official interpretations thereof, any intergovernmental agreement between a non-U.S. jurisdiction and the United States (or any related law or administrative practices or procedures) implementing the foregoing or any agreements entered into pursuant to current Section 1471(b)(1) of the Code (or any amended or successor version described above); or

(ix) any combination of clauses (i) through (viii) above.

In addition to the foregoing, the Issuer and the Guarantors shall also pay and indemnify the holder for any present or future stamp, issue, registration, value added, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and additions to tax related thereto) which are levied by any jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, this Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee (limited, solely in the case of Taxes attributable to the receipt of any payments, to any such Taxes imposed in a Tax Jurisdiction that are not excluded under clauses (i) through (iii) or (v) through (ix) above or any combination thereof).

(b) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes of any series or any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, shall deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts with respect to the applicable series will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of such Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary.

(c) The Issuer or the relevant Guarantor, if it is the applicable withholding agent, shall make all withholdings and deductions (within the time period) required by law and shall remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor shall use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor shall furnish to the Trustee (or to a Holder of the Notes of the applicable series upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments by such entity.

(d) Whenever in this Indenture or the Notes there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) This Section 4.12 shall survive any termination, defeasance or discharge of this Indenture, any transfer by a holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer (or any Guarantor) is incorporated, engaged in business, organized or resident for tax purposes, or any jurisdiction from or through which payment is made under or with respect to the Notes of either series (or any Note Guarantee) by or on behalf of such Person and, in each case, any political subdivision thereof or therein.

SECTION 4.13 Collateral Cap Adjustments. After the Issue Date, in the event that (1) (x) the Company's "Senior Debt Rating" (as defined in certain of the Credit Facilities) provided by S&P is BBB- or higher or (y) the Senior Debt Rating provided by Moody's is Baa3 or higher and, as a result thereof, (2) the "Lien Basket Amount" in the Credit Facilities permits liens securing Indebtedness not to exceed 10.0% of total assets (and not the 5% of total assets limitation on the Issue Date), then the Issuer will use commercially reasonable efforts to enter into supplemental Security Documents to grant a Lien on the Collateral in favor of the Security Agent, for the benefit of the Trustee and the Holders, to secure all Obligations under this Indenture in excess of \$1,662 million (but not in excess of the lesser of (A) the amount of Indebtedness permitted to be incurred and secured by a Lien at such time pursuant to the applicable exception in the Credit Facilities permitting Liens up to the Lien Basket Amount and (B) the remaining aggregate principal amount of the Notes then outstanding) at such time to the extent such grant of a Lien would not be restricted by any material agreement or instrument to which the Issuer or any Restricted Subsidiary is a party.

SECTION 4.14 Note Guarantees and Security Interests.

The Issuer shall, and shall cause each Guarantor to, (i) complete all filings and other similar actions required in connection with the creation and perfection of the security interests in the Collateral owned by it in favor of the Holders, the Trustee (on its own behalf and on behalf of the Holders) and/or the Security Agent (on behalf of itself, the Trustee and the Holders), as applicable, as and to the extent contemplated by the Security Documents within the time periods set forth therein and deliver, and cause each Guarantor to deliver, such other agreements, instruments, certificates and opinions of counsel that are necessary to maintain such security interests or as may be reasonably requested by the Security Agent in connection therewith and (ii) take all actions necessary to maintain such security interests.

SECTION 4.15 [Reserved].

SECTION 4.16 Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.

(a) The Issuer will not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

- (i) pay dividends or make any other distributions on its Capital Stock to the Issuer or any Restricted Subsidiary, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Issuer or any Restricted Subsidiary;
- (ii) make loans or advances to the Issuer or any Restricted Subsidiary; or
- (iii) sell, lease or transfer any of its properties or assets to the Issuer or any Restricted Subsidiary;

provided that (x) the priority of any preferred stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock, (y) the subordination of (including the application of any standstill period to) loans or advances made to the Issuer or any Restricted Subsidiary to other Indebtedness incurred by the Issuer or any Restricted Subsidiary and (z) the provisions contained in documentation governing or relating to Indebtedness requiring transactions between or among the Issuer and any Restricted Subsidiary or between or among any Restricted Subsidiaries to be on fair and reasonable terms or on an arm's-length basis, in each case, shall not be deemed to constitute such an encumbrance or restriction.

(b) The provisions of Section 4.16(a) above shall not apply to encumbrances or restrictions existing under or by reason of:

- (i) agreements or instruments governing or relating to Indebtedness as in effect on the Issue Date (including, but not limited to, the Existing Notes, the Existing Credit Facilities and the Existing ECA Facilities) and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements, whether or not such Indebtedness is incurred concurrently with or subsequent to the issuance of the Notes;
- (ii) this Indenture, the Notes, the Note Guarantees and the Security Documents;
- (iii) customary provisions contained in agreements or instruments governing other Indebtedness permitted to be incurred under Section 4.06 and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements;

- (iv) applicable law, rule, regulation or order or the terms of any license, authorization, concession or permit;
- (v) any agreement or instrument governing or relating to Indebtedness or Capital Stock of a Person acquired by the Issuer or any of its Restricted Subsidiaries as in effect at the time of such acquisition (other than any agreement or instrument entered into in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;
- (vi) customary non-assignment and similar provisions in contracts, leases and licenses entered into in the ordinary course of business;
- (vii) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature set forth in Section 4.16(a)(iii) or any encumbrance or restriction pursuant to a joint venture agreement or similar arrangement that imposes restrictions on the transfer of the assets of the joint venture or similar arrangement;
- (viii) any agreement for the sale or other disposition of the Capital Stock or all or substantially all of the property and assets of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending its sale or other disposition;
- (ix) Permitted Refinancing Indebtedness; *provided* that either (i) the restrictions contained in the agreements or instruments governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements or instruments governing the Indebtedness being refinanced or (ii) the Company determines at the time of the incurrence of such Indebtedness that such encumbrances or restrictions will not adversely affect, in any material respect, the Issuer's ability to make principal or interest payments on the Notes;
- (x) Liens permitted to be incurred under Section 4.07 that limit the right of the debtor to dispose of the assets subject to such Liens;
- (xi) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements (including agreements entered into in connection with a Restricted Investment) entered into with the approval of the Issuer's Board of Directors, which limitation is applicable only to the assets that are the subject of such agreements;
- (xii) restrictions on cash or other deposits or net worth imposed by customers or suppliers or required by insurance, surety or bonding companies, in each case, under contracts entered into in the ordinary course of business;

(xiii) any customary Productive Asset Leases for Vessels and other assets used in the ordinary course of business; *provided* that such encumbrance or restriction only extends to the Vessel or other asset financed in such Productive Asset Lease;

(xiv) any encumbrance or restriction existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is designated as a Restricted Subsidiary in accordance with the terms of this Indenture at the time of such designation and not incurred in contemplation of such designation, which encumbrances or restrictions are not applicable to any Person other than such Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary; *provided* that the encumbrances or restrictions are customary for the business of such Unrestricted Subsidiary and would not, at the time agreed to, be expected to affect the ability of the Issuer and the Guarantors to make payments under the Notes and this Indenture;

(xv) customary encumbrances or restrictions contained in agreements in connection with Hedging Obligations permitted under this Indenture;

(xvi) [reserved]; and

(xvii) any encumbrance or restriction existing under any agreement that extends, renews, refinances, replaces, amends, modifies, restates or supplements the agreements containing the encumbrances or restrictions in the foregoing clauses (i) through (xvi), or in this clause (xvii); *provided* that the terms and conditions of any such encumbrances or restrictions are no more restrictive in any material respect than those under or pursuant to the agreement so extended, renewed, refinanced, replaced, amended, modified, restated or supplemented.

SECTION 4.17 Designation of Restricted and Unrestricted Subsidiaries.

(a) The Board of Directors of the Issuer may designate any Restricted Subsidiary (other than a Guarantor or a Restricted Subsidiary that owns, directly or indirectly, Equity Interests in a Guarantor) to be an Unrestricted Subsidiary if that designation would not cause a Default.

(b) If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.08 or under one or more clauses of the definition of "Permitted Investments," as determined by the Issuer. The designation of a Restricted Subsidiary as an Unrestricted Subsidiary will only be permitted if the deemed Investment resulting from such designation would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary.

(c) The Issuer may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

(d) Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by filing with the Trustee a copy of a resolution of the Board of Directors giving effect to such designation and an Officer's Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.08. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.06, the Issuer will be in default of such Section 4.06. The Board of Directors of the Issuer may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (i) such Indebtedness is permitted under Section 4.06, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (ii) no Default or Event of Default would be in existence following such designation.

SECTION 4.18 Payment of Taxes and Other Claims. The Company shall pay or discharge and shall cause each of its Subsidiaries to pay or discharge, or cause to be paid or discharged, before the same shall become delinquent (a) all material taxes, assessments and governmental charges levied or imposed upon (i) the Company or any such Subsidiary, (ii) the income or profits of any such Subsidiary which is a corporation or (iii) the property of the Company or any such Subsidiary and (b) all material lawful claims for labor, materials and supplies that, if unpaid, might by law become a lien upon the property of the Company or any such Subsidiary; *provided* that the Company shall not be required to pay or discharge, or cause to be paid or discharged, any such tax, assessment, charge or claim, the amount, applicability or validity of which is being contested in good faith by appropriate proceedings or for which adequate reserves have been established.

SECTION 4.19 Reports to Holders.

(a) So long as any Notes are outstanding, notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to the rules and regulations promulgated by the SEC, the Company will file with the SEC within the time periods specified in the SEC's rules and regulations that are then applicable to the Company (or if the Company is not then subject to the reporting requirements of the Exchange Act, then the time periods for filing applicable to a filer that is not an "accelerated filer" as defined in such rules and regulations) (in either case, including any extension as would be permitted by Rule 12b-25 under the Exchange Act or any special order of the SEC):

(i) all financial information that would be required to be contained in an annual report on Form 10-K, or any successor or comparable form, filed with the SEC, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" section and a report on the annual financial statements by the Company's independent registered public accounting firm;

(ii) all financial information that would be required to be contained in a quarterly report on Form 10-Q, or any successor or comparable form, filed with the SEC, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" section; and

(iii) all current reports that would be required to be filed with the SEC on Form 8-K, or any successor or comparable form, if the Company were required to file such reports,

in each case in a manner that complies in all material respects with the requirements specified in such form *provided, however*, that the Trustee shall have no responsibility whatsoever to determine if such filing has occurred.

(b) [reserved];

(c) Not later than ten Business Days after the furnishing of each such report discussed in Section 4.19(a)(i) or (ii), the Company will hold a conference call related to the report. Details regarding access to such conference call will be posted at least 24 hours prior to the commencement of such call on the website, IntraLinks or other online data system or website on which the report is posted. Notwithstanding the foregoing, the Company will be deemed to have satisfied the requirements of this paragraph if the Company has held quarterly earnings calls (which may precede the furnishing of the applicable annual or quarterly report) and posted details regarding access to such earnings calls in the manner substantially consistent with past practice.

(d) The reports set forth in Section 4.19(a)(i) or (ii) shall include disclosure with respect to (i) the Collateral and (ii) with respect to the non-Guarantor Subsidiaries and Collateral similar to what was included in this Offering Memorandum.

(e) The Issuer will make the information described in Section 4.19(a) available electronically to prospective investors upon request. For so long as any Notes remain outstanding during any period when it is not or the Company is not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted to furnish the SEC with certain information pursuant to Rule 12g3-2(b) of the Exchange Act, it will furnish to the holders of the Notes and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the U.S. Securities Act.

(f) Notwithstanding the foregoing clauses (a) through (e) of this Section 4.19, the Issuer will be deemed to have delivered such reports and information referred to above to the holders, prospective investors, market makers, securities analysts and the Trustee for all purposes of this Indenture if the Issuer has filed such reports with the SEC via the EDGAR filing system (or any successor system) and such reports are publicly available.

(g) Delivery of reports, information and documents to the Trustee is for informational purposes only, and its receipt of such reports, information and documents shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's, any Guarantors' or any other Person's compliance with any of its covenants under this Indenture or the Notes (as to which the Trustee is entitled to rely exclusively on the Officer's Certificates delivered pursuant to this Indenture). The Trustee shall have no liability or responsibility for the content, filing or timeliness of any report delivered or filed under or in connection with this Indenture or the transactions contemplated thereunder. For the avoidance of doubt, neither the Trustee nor the Security Agent shall have any duty to monitor, determine or inquire as to compliance or performance by the Issuer of its obligations under this Section 4.19 and the Trustee and the Security Agent shall not be responsible or liable for the Issuer's non-performance or non-compliance with such obligations.

(h) To the extent that any reports or other information is not furnished within the time periods specified above and such reports or other information is subsequently furnished, the Company will be deemed to have satisfied its obligations with respect thereto and any Default or Event of Default with respect thereto shall be deemed to have been cured.

SECTION 4.20 Further Assurances. Subject to any applicable limitations in any of the Security Documents, the Issuer and the Guarantors will, at their own expense (i) correct any material defect or error that may be discovered in the execution, acknowledgment, filing or recordation of any Security Document or other document or instrument relating to any Collateral in order to conform with this Indenture and the Security Documents and (ii) do, execute, acknowledge, deliver, record, re-record, file, re-file, register and re-register any and all such further acts, deeds, certificates, assurances, financing statements, continuations, terminations and other instruments as necessary to carry out more effectively the purposes of the Security Documents.

SECTION 4.21 [Reserved].

SECTION 4.22 Impairment of Security Interest. The Company shall not, and shall not permit any Restricted Subsidiary to, take or knowingly omit to take any action, which action or omission would have the result of materially impairing the security interest with respect to the Collateral (it being understood that (i) the incurrence of Permitted Collateral Liens and (ii) the release or modification of the Liens on the Collateral in accordance with the terms of this Indenture and related Security Documents, in each case of clauses (i) and (ii), shall under no circumstances be deemed to materially impair the security interest with respect to the Collateral) for the benefit of the Trustee and the holders of the Notes, and the Company shall not, and shall not permit any Restricted Subsidiary to, grant to any Person other than the Security Agent, for the benefit of the Trustee and the holders of the Notes and the other beneficiaries described in the Security Documents, any Lien over any of the Collateral that is prohibited by Section 4.07; *provided* that the Company and its Restricted Subsidiaries may incur any Lien over any of the Collateral that is not prohibited by Section 4.07, including Permitted Collateral Liens, and the Collateral may be discharged or released in accordance with this Indenture and the applicable Security Documents.

SECTION 4.23 After-Acquired Property. Promptly following the acquisition by the Issuer or any Guarantor of any After-Acquired Property (but subject to Article Eleven), the Issuer or such Guarantor shall execute and deliver such mortgages, deeds of trust, security instruments, financing statements and certificates and opinions of counsel as shall be reasonably necessary to vest in the Security Agent a perfected security interest in such After-Acquired Property and to have such After-Acquired Property added to the Collateral and thereupon all provisions of this Indenture relating to the Collateral shall be deemed to relate to such After-Acquired Property to the same extent and with the same force and effect.

SECTION 4.24 Re-flagging of Vessels. Notwithstanding anything to the contrary herein, a Restricted Subsidiary may re-flag a vessel that it owns or bareboat charters or reconstitute or continue itself in another jurisdiction, or amalgamate or merge with or into another Restricted Subsidiary, for the purpose of re-flagging a vessel that it owns or bareboat charters so long as at all times each Restricted Subsidiary remains organized under the laws of any Permitted Jurisdiction; *provided* that contemporaneously with the transactions required to complete the re-flagging of such vessel, to the extent that any Liens on the Collateral securing the Notes were released as provided for under Section 11.04 (x) the Issuer or the relevant Restricted Subsidiary grants a Lien of at least equivalent ranking over the same assets and (y) the Issuer delivers to the Security Agent and the Trustee, (1) either (x) a solvency opinion from an independent financial advisor or appraiser or investment bank which confirms the solvency of the Issuer and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such re-flagging or (y) a certificate from an Officer of the relevant Person which confirms the solvency of the Person granting such Lien after giving effect to any transactions related to such re-flagging, and (2) an Opinion of Counsel (subject to any qualifications customary for this type of Opinion of Counsel) confirming that, after giving effect to any transactions related to such re-flagging, the Lien or Liens created under the Security Document, as so released and retaken, are valid and perfected Liens. For the avoidance of doubt, the provisions of Article Five will not apply to a reconstitution, amalgamation or merger permitted under this Section 4.24.

(c) Notwithstanding the provisions of paragraph (b) above, (x)(a) any Restricted Subsidiary (other than a Guarantor) may consolidate or merge with or into or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties and assets to the Issuer or any other Restricted Subsidiary that is not a Guarantor and (b) any Guarantor may consolidate or merge with or into or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties and assets of such Guarantor and its Subsidiaries which are Restricted Subsidiaries to another Guarantor and (y) the Issuer or any Guarantor may consolidate or merge with or into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Issuer or such Guarantor, reincorporating the Issuer or such Guarantor in another jurisdiction or changing the legal form of the Issuer or such Guarantor.

SECTION 5.02 Successor Substituted. Upon any consolidation or merger, or any sale, conveyance, transfer, lease or other disposition of all or substantially all of the property and assets of the Issuer in accordance with Section 5.01 of this Indenture, any surviving entity formed by such consolidation or into which the Issuer is merged or to which such sale, conveyance, transfer, lease or other disposition is made, shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such surviving entity had been named as the Company herein; *provided* that the Company shall not be released from its obligation to pay the principal of, premium, if any, or interest and Additional Amounts, if any, on the Notes in the case of a lease of all or substantially all of its property and assets.

ARTICLE SIX DEFAULTS AND REMEDIES

SECTION 6.01 Events of Default.

- (a) Each of the following shall be an "Event of Default" with respect to the notes of either series:
- (i) default for 30 days in the payment when due of interest or Additional Amounts, if any, with respect to such series of Notes;
 - (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, such series of Notes;
 - (iii) failure by the Issuer or relevant Guarantor to comply with Section 4.11 or Section 5.01 with respect to such series;
 - (iv) failure by the Issuer or relevant Guarantor for 60 days after written notice to the Issuer by the Trustee or the Holders of at least 30% in aggregate principal amount of such series of Notes then outstanding voting as a single class to comply with any of the agreements in this Indenture applicable to such series (other than a default in performance, or breach, or a covenant or agreement which is specifically dealt with in clause (i), (ii) or (iii) above);

(v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), other than Indebtedness owed to the Company or any of its Restricted Subsidiaries, whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, if that default:

(A) is caused by a failure to pay principal of such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default; or

(B) results in the acceleration of such Indebtedness prior to its express maturity,

and, in each case, the principal amount of any such Indebtedness that is due and has not been paid, together with the principal amount of any other such Indebtedness that is due and has not been paid or the maturity of which has been so accelerated, equals or exceeds \$100.0 million in aggregate;

(vi) failure by the Company or any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of \$100.0 million (exclusive of any amounts for which a solvent insurance company has acknowledged liability), which judgments shall not have been discharged or waived and there shall have been a period of 60 consecutive days during which a stay of enforcement of such judgment or order, by reason of an appeal, waiver or otherwise, shall not have been in effect;

(vii) any security interest under the Security Documents on any Collateral having a Fair Market Value in excess of \$250.0 million shall, at any time, cease to be in full force and effect (other than as a result of any action or inaction by the Security Agent and other than in accordance with the terms of the relevant Security Document and this Indenture) for any reason other than the satisfaction in full of all obligations under this Indenture or the release or amendment of any such security interest in accordance with the terms of this Indenture or such Security Document or any such security interest created thereunder shall be declared invalid or unenforceable in a final non-appealable decision of a court of competent jurisdiction or Issuer or any Guarantor shall assert in writing that any such security interest is invalid or unenforceable and any such Default continues for ten days;

(viii) except as permitted by this Indenture (including with respect to any limitations), any Note Guarantee of a Significant Subsidiary, or any group of the Company's Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect, or any Guarantor which is a Significant Subsidiary, or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, or any Person acting on behalf of any such Guarantor, denies or disaffirms its obligations under its Note Guarantee and such Default continues for 30 days; or

(ix) (A) a court having jurisdiction over the Company or a Significant Subsidiary enters (x) a decree or order for relief in respect of the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary in an involuntary case or proceeding under any Bankruptcy Law or (y) a decree or order adjudging the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary, or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, as bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company or any such Subsidiary or group of Restricted Subsidiaries under any Bankruptcy Law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or any such Subsidiary or group of Restricted Subsidiaries or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days or (B) the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary (i) commences a voluntary case under any Bankruptcy Law or consents to the entry of an order for relief in an involuntary case under any Bankruptcy Law, (ii) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Company or any such Subsidiary or group of Restricted Subsidiaries or for all or substantially all the property and assets of the Company or any such Subsidiary or group of Restricted Subsidiaries, (iii) effects any general assignment for the benefit of creditors or (iv) generally is not paying its debts as they become due.

(b) If a Default or an Event of Default occurs and is continuing and a Responsible Officer has received written notice of such Default or Event of Default, the Trustee shall deliver to each Holder notice of the Default or Event of Default within 15 Business Days after receiving such written notice by registered or certified mail or facsimile transmission. Except in the case of a Default or an Event of Default in payment of principal of, premium, if any, and Additional Amounts or interest on any Notes, the Trustee may withhold the notice to the Holders of such Notes if it in good faith determines that withholding the notice is in the interests of the Holders. The Trustee shall not be deemed to have knowledge of a Default unless a Responsible Officer has received written notice of such Default.

(c) If any report or conference call required by Section 4.19 is provided after the deadlines indicated for such report or conference call, the provision of such report or conference call shall cure a Default caused by the failure to provide such report or conference call prior to the deadlines indicated.

SECTION 6.02

Acceleration.

(a) If an Event of Default with respect to the Notes of either series (other than an Event of Default specified in Section 6.01(a)(ix)) occurs and is continuing, the Trustee may, or the Holders of at least 30% in aggregate principal amount of the then outstanding Notes of the applicable series by written notice to the Issuer (and to the Trustee if such notice is given by the Holders) may and the Trustee shall, if so directed by the Holders of at least 30% in aggregate principal amount of the then outstanding Notes of such series, declare all the Notes of such series to be due and payable immediately by written notice to the Issuer. In the event a declaration of acceleration of the Notes of a series pursuant to Section 6.01(a)(v) has occurred and is continuing, the declaration of acceleration of the Notes of such series shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(v) shall be remedied or cured, or waived by the Holders of the relevant Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if the annulment of the acceleration of the Notes of such series would not conflict with any judgment or decree of a court of competent jurisdiction.

(b) In the case of an Event of Default with respect to a series arising under Section 6.01(a)(ix), with respect to the Company, any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, all outstanding Notes of such series will become due and payable immediately without further action or notice.

(c) (i) Upon the 2023 Notes becoming due and payable upon an Event of Default, whether automatically or by declaration (including, but not limited to, an Event of Default specified in clause (ix) above (including the acceleration of any portion of the Indebtedness evidenced by the Notes by operation of law)), prior to June 1, 2023, the amount that shall then be due and payable shall be equal to 100% of the principal amount of the 2023 Notes then outstanding plus the Applicable Premium in effect on the date of such acceleration, plus accrued and unpaid interest, if any, to, but excluding, the date of such acceleration.

(ii) Upon the 2025 Notes becoming due and payable upon an Event of Default, whether automatically or by declaration (including, but not limited to, an Event of Default specified in clause (ix) above (including the acceleration of any portion of the Indebtedness evidenced by the Notes by operation of law)), (A) if prior to June 1, 2022, the amount that shall then be due and payable shall be equal to 100% of the principal amount of the 2025 Notes then outstanding plus the Applicable Premium in effect on the date of such acceleration, and (B) if on or after June 1, 2022, the amount that shall then be due and payable shall be equal to 100% of the principal amount of the 2025 Notes then outstanding plus the premium due upon such date if the 2025 Notes were redeemed on such date (which shall be equal to the redemption price of the 2025 Notes set forth in the 2025 Note on the date such 2025 Notes become due and payable), plus, in each case, accrued and unpaid interest, if any, to, but excluding, the date of such acceleration.

(iii) Without limiting the generality of the foregoing, it is understood and agreed that if the Notes are accelerated for any reason or otherwise become due prior to their original stated maturity, in each case, in respect of any Event of Default (including, but not limited to, an Event of Default specified in clause (ix) above (including the acceleration of claims by operation of law)), the Applicable Premium or the amount by which the applicable redemption price exceeds the principal amount of the Notes, as applicable, with respect to an optional redemption of the Notes will also be due and payable as though the Notes were optionally redeemed on the date of such acceleration and shall constitute part of the Obligations on the Notes, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each holder's lost profits as a result thereof. Any premium payable pursuant to this paragraph shall be presumed to be the liquidated damages (and not unmatured interest under Bankruptcy Laws) sustained by each holder as the result of the early redemption and the Company and each Guarantor agree that it is reasonable under the circumstances currently existing. The premium shall also be payable if the Notes (and/or this Indenture) are satisfied or released by foreclosure (whether by power of judicial proceeding, deed in lieu of foreclosure or by any other means). THE ISSUER AND EACH GUARANTOR EXPRESSLY WAIVE (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. The Issuer and each Guarantor expressly agree (to the fullest extent it may lawfully do so) that: (A) the premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between holders and the Issuer and the Guarantors giving specific consideration in this transaction for such agreement to pay the premium; and (D) the Issuer and each Guarantor shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Issuer and each Guarantor expressly acknowledge that the agreement to pay the premium to holders as herein described is a material inducement to holders to purchase the Notes.

(d) Subject to the provisions of Article Seven, in case an Event of Default with respect to Notes of a series occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any Holders of Notes of such series unless such Holders have offered to the Trustee indemnity or security satisfactory to the Trustee against any loss, liability or expense.

(e) Within 30 days of the occurrence of any Default or Event of Default, the Issuer is required to deliver to the Trustee a statement specifying such Default or Event of Default.

SECTION 6.03 Other Remedies. If an Event of Default occurs and is continuing, the Trustee may (but shall not be obligated to) in its discretion proceed to protect and enforce its rights and the rights of the Holders by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy. The Trustee may direct the Security Agent to take enforcement action with respect to the Collateral if any amount is declared or becomes due and payable pursuant to Section 6.02 (but not otherwise).

All rights of action and claims under this Indenture or the Notes of either series may be prosecuted and enforced by the Trustee, and all rights of action and claims under the Security Documents may be prosecuted or enforced under the Security Documents by the Security Agent (in consultation with the Trustee, where appropriate), without the possession of any of the Notes of the applicable series or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee or the Security Agent shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee or the Security Agent, their agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

SECTION 6.04 Waiver of Past Defaults. The Holders of not less than a majority in aggregate principal amount of the outstanding Notes of a series may, by written notice to the Trustee, on behalf of the Holders of all the Notes of such series, rescind acceleration or waive any past or existing Default hereunder and its consequences, except a continuing Default or Event of Default:

(a) in the payment of the principal of, premium, if any, Additional Amounts, if any, or interest on any Note of such series held by a non-consenting Holder (which may only be waived with the consent of each Holder of such series affected); or

(b) for any Note of such series held by a non-consenting Holder, in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holders of each Note affected by such modification or amendment.

Upon any such rescission or waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

SECTION 6.05 Control by Majority. The Holders of a majority in aggregate principal amount of the Notes of either series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee under this Indenture with respect to such series of Notes; *provided that*:

(a) the Trustee may refuse to follow any direction that conflicts with law, this Indenture or that the Trustee determines, without obligation, in good faith may be unduly prejudicial to the rights of Holders of Notes of such series not joining in the giving of such direction;

(b) the Trustee may refuse to follow any direction that the Trustee determines is unduly prejudicial to the rights of other Holders (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) or would involve the Trustee in personal liability; and

- (c) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction.

SECTION 6.06 Limitation on Suits. A Holder may not institute any proceedings or pursue any remedy with respect to this Indenture or the Notes of either series unless:

- (a) Such Holder has previously given the Trustee written notice that an Event of Default is continuing;
- (b) the Holders of at least 30% in aggregate principal amount of outstanding Notes of such series shall have made a written request to the Trustee to pursue such remedy;
- (c) such Holder or Holders offer the Trustee indemnity and/or security (including by way of pre-funding) reasonably satisfactory to the Trustee against any costs, liability or expense;
- (d) the Trustee does not comply with the request within 60 days after receipt of the request and the offer of indemnity and/or security (including by way of pre-funding); and
- (e) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes of such series do not give the Trustee a direction that is inconsistent with the request.

The limitations in the foregoing provisions of this Section 6.06, however, do not apply to a suit instituted by a Holder of a Note of either series for the enforcement of the payment of the principal of, premium, if any, Additional Amounts, if any, or interest, if any, on such Note on or after the respective due dates expressed in the Note of the applicable series.

SECTION 6.07 Unconditional Right of Holders to Bring Suit for Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to bring suit for the enforcement of payment of principal, premium, if any, Additional Amounts, if any, and interest, if any, on the Notes held by such Holder, on or after the respective due dates expressed in the Notes shall not be impaired or affected without the consent of such Holder.

SECTION 6.08 Collection Suit by Trustee. The Issuer covenants that if default is made in the payment of:

- (a) any installment of interest on any Note of either series when such interest becomes due and payable and such default continues for a period of 30 days, or
- (b) the principal of (or premium, if any, on) any Note of such series at the Stated Maturity thereof,

the Issuer shall, upon demand of the Trustee, pay to the Trustee, for the benefit of the Holders of such Notes, the whole amount then due and payable on the Notes of such series for principal (and premium, if any), Additional Amounts, if any and interest, and interest on any overdue principal (and premium, if any) and Additional Amounts, if any and, to the extent that payment of such interest shall be legally enforceable, upon any overdue installment of interest, at the rate borne by the Notes of such series, and, in addition thereto, such further amount as shall be sufficient to cover the amounts provided for in Section 7.05 and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon the Notes, wherever situated.

SECTION 6.09 Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.05) and the Holders allowed in any judicial proceedings relative to any of the Issuer or Guarantors, their creditors or their property and, unless prohibited by law or applicable regulations, may vote on behalf of the Holders at their direction in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.05. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due to the Trustee under Section 7.05 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money securities and other properties which the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes of either series or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10 Application of Money Collected. (a) Subject to Section 6.10(b), if the Trustee collects any money or property pursuant to this Article Six or pursuant to the Security Documents, it shall pay out the money or property in the following order:

FIRST: to the Trustee, any Agent, and the Security Agent for amounts due under Section 7.05;

SECOND: to the Holders for amounts due and unpaid on the Notes for principal of, premium, if any, interest (with interest (to the extent that such interest has been collected by the Trustee and is permitted by applicable law) upon the overdue installments of interest and overdue principal at the Overdue Rate) applicable to the Notes of such series, if any, and Additional Amounts, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, interest, if any, and Additional Amounts, if any, respectively; and

THIRD: to the Issuer, any Guarantor or any other obligors of the Notes, as their interests may appear, or as a court of competent jurisdiction may direct.

(b) Notwithstanding the foregoing, in respect of proceeds of Collateral obtained by the Security Agent as a result of the exercise of remedies against any and all Collateral in the aggregate in accordance with the Security Documents ("Collateral Proceeds"):

- (1) Collateral Proceeds shall be paid to the Trustee (after repayment of its and the Security Agent's fees and expenses and indemnities included in the Obligations) for the benefit of the Holders of each series of Notes (including any Additional Notes) that shall have then been accelerated as a result of the occurrence and continuance of an Event of Default (collectively, an "Accelerated Series") until repayment, up to the lesser of (x) an amount equal to the Collateral Cap and (y) all Obligations in respect of all Accelerated Series at such time.
- (2) The Security Agent shall hold any excess Collateral Proceeds after the application of clause (1) as cash collateral for any series of Notes (including any Additional Notes) that is not Accelerated Series at such time until all Notes of such series shall have either become Accelerated Series, been prepaid or matured, in each case, at which time such cash collateral shall be paid over to the Trustee to be applied to repayment in full of all remaining Obligations in respect of such series (after repayment of the Trustee's fees and expenses and indemnities) in an amount not to exceed, together with the amounts paid pursuant to clause (1) above, the Collateral Cap.
- (3) In no event shall Collateral Proceeds in excess of the Collateral Cap or any other limitation on the extent of Collateral Proceeds contemplated by the Security Documents be applied in accordance with this Section 6.10, and such excess amounts shall be returned to the Issuer, any Guarantor or any other obligor of the Notes, as their interests may appear, or as a court of competent jurisdiction may direct.
- (4) After repayment of the Trustee and the Security Agent's fees and expenses and indemnities owed to each of them, Collateral Proceeds shall be paid pro rata to Holders of each series of Notes (including any Additional Notes) that shall have then been accelerated as a result of the occurrence and continuance of an Event of Default.
- (5) Nothing in this Section 6.10, including the Collateral Cap or any other limitation on the extent of Collateral Proceeds contemplated by the Security Documents, is intended to prohibit (i) the Trustee, any Agent and the Security Agent from receiving amounts owed to it hereunder or under the Security Documents or (ii) any Holder of any Series of Notes from obtaining payment in full of all Obligations in respect of its Notes, including for principal, premium, if any, interest, if any, and Additional Amounts, if any, respectively.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 30 days before such record date, the Issuer shall deliver to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid. This Section 6.10 is subject at all times to the provisions set forth in Section 11.02.

SECTION 6.11 Undertaking for Costs. A court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee or the Security Agent for any action taken or omitted by it as Trustee or as the Security Agent, the filing by any party litigant in the suit of an undertaking to pay the costs of such suit, and such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or the Security Agent, a suit by Holders of more than 10% in aggregate principal amount of the outstanding Notes of the applicable series or to any suit by any Holder pursuant to Section 6.07.

SECTION 6.12 Restoration of Rights and Remedies. If the Trustee or the Security Agent or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or the Security Agent or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee, the Security Agent and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee, the Security Agent and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.13 Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes of either series in Section 2.07, no right or remedy herein conferred upon or reserved to the Trustee, or the Security Agent or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.14 Delay or Omission Not Waiver. No delay or omission of the Trustee, or the Security Agent or of any Holder of any Note of either series to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article Six or by law to the Trustee, or the Security Agent or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.15 Record Date. The Issuer may set a record date for purposes of determining the identity of Holders entitled to vote or to consent to any action by vote or consent authorized or permitted by Sections 6.04 and 6.05. Unless this Indenture provides otherwise, such record date shall be the later of 30 days prior to the first solicitation of such consent or the date of the most recent list of Holders furnished to the Trustee pursuant to Section 2.05 prior to such solicitation.

SECTION 6.16 Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Trustee or to the Security Agent, but shall suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SEVEN TRUSTEE AND SECURITY AGENT

SECTION 7.01 Duties of Trustee and the Security Agent.

(a) If an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has received written notice, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and the Security Documents and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Subject to the provisions of Section 7.01(a), the Trustee and the Security Agent (i) undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and, if applicable, the Security Documents and no others and no implied covenants or obligations shall be read into this Indenture against the Trustee and the Security Agent; and (ii) shall not have any duties or responsibilities except those expressly set forth in this Indenture and, if applicable, the Security Documents.

(c) In the absence of bad faith on its part, the Trustee and the Security Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and the Security Agent and conforming to the requirements of this Indenture and, if applicable, the Security Documents.

(d) The Security Agent is hereby authorized and directed to execute and deliver, and act as beneficiary under, the Security Documents on behalf of the Secured Parties and is hereby authorized (without obligation) to take such other actions as may be necessary or advisable in accordance with the Security Documents. The Security Agent shall remit any proceeds recovered from enforcement of the Security Documents to the Trustee for application pursuant to Section 6.10.

(e) Neither the Trustee nor the Security Agent shall be relieved from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(i) the Trustee and the Security Agent shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Trustee or Officer of the Security Agent unless it is proved that the Trustee or the Security Agent was grossly negligent in ascertaining the pertinent facts; and

(ii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction from the Issuer or the Holders, including, without limitation, any direction received by it pursuant to Section 6.02 or Section 6.05.

(f) The Trustee, any Paying Agent and the Security Agent shall not be liable for interest on any money received by it except as the Trustee, any Paying Agent and the Security Agent may agree in writing with the Issuer or the Guarantors. Money held by the Trustee, the Principal Paying Agent or the Security Agent need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture or the Security Documents shall require the Trustee, each Agent, the Principal Paying Agent or the Security Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not assured to it.

(h) Any provisions hereof or of the Security Documents relating to the conduct or affecting the liability of or affording protection to the Trustee, each Agent, or the Security Agent, as the case may be, shall be subject to the provisions of this Article Seven.

SECTION 7.02 Certain Rights of Trustee and the Security Agent.

(a) Following the occurrence of a Default or an Event of Default, the Trustee is entitled to require all Agents to act under its direction;

(b) Neither the Trustee nor the Security Agent shall be deemed to have notice or be charged with knowledge of any Default or Event of Default unless written notice of such Default or Event of Default from the Issuer or any Holder is received by a Responsible Officer of the Trustee or the Security Agent, as applicable, at the Corporate Trust Office of the Trustee or the Security Agent, as applicable, and such notice references the Notes and this Indenture. In the absence of receipt of such notice, the Trustee and the Security Agent may each conclusively assume that there is no Default or Event of Default;

(c) The Trustee and the Security Agent may rely conclusively, and shall be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper person;

(d) Before the Trustee or the Security Agent acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both, which shall conform to Section 12.04. Neither the Trustee nor the Security Agent shall be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel and such Officer's Certificate or Opinion of Counsel will be equal to complete authorization;

(e) The Trustee and the Security Agent may execute any of the trusts or powers hereunder either directly or by or through their attorneys, custodians, nominees and agents and shall not be responsible for the misconduct or negligence or for the supervision, of any attorney, custodian, nominee or agent appointed with due care by them hereunder;

(f) Neither the Trustee nor the Security Agent shall be under any obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders shall have offered to the Trustee and the Security Agent security and/or indemnity (including by way of pre-funding) satisfactory to them against the costs, expenses and liabilities that might be incurred by them in compliance with such request or direction;

(g) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer will be sufficient if signed by an Officer of such Issuer;

(h) Neither the Trustee nor the Security Agent (nor any of its officers, directors, employees or agents) shall be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers;

(i) Whenever, in the administration of this Indenture and the Security Documents, the Trustee or the Security Agent shall deem it necessary or desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee or the Security Agent (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate and such matter be deemed to be conclusively proved and established by an Officer's Certificate, and such Officer's Certificate shall be full warrant to the Trustee or the Security Agent for any action taken, suffered or omitted by it under the provisions of this Indenture or the Security Documents upon the reliance thereof;

(j) Neither the Trustee nor the Security Agent shall be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee and the Security Agent, in their discretion (but shall have no obligation), individually, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or the Security Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer personally or by agent or attorney;

(k) Neither the Trustee nor the Security Agent shall be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture;

(l) In the event the Trustee or the Security Agent receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than a majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee and the Security Agent shall not be obligated to act upon any such directions unless and until it receives a joint instruction from such directing parties or an instruction from one party with the consent of the other;

(m) The permissive rights of the Trustee and the Security Agent to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so;

(n) Delivery of reports, information and documents to the Trustee under Section 4.19 is for informational purposes only and the Trustee's receipt of the foregoing will not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's or any of its Restricted Subsidiary's compliance with any of their covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates);

(o) Neither the Trustee nor the Security Agent will be liable for interest on, or to invest, any money received by it except as the Trustee or the Security Agent may agree in writing with the Issuer;

(p) The rights, privileges, protections, immunities and benefits given to each of the Trustee and the Security Agent in this Indenture or any Security Document, including, without limitation, its rights to be indemnified and compensated, are extended to, and will be enforceable by, the Trustee and the Security Agent in each of their capacities hereunder, by the Registrar, the Agents, and each agent, custodian and other Person employed to act hereunder;

(q) The Trustee and the Security Agent may consult with counsel or other professional advisors and the advice of such counsel or professional advisor or any Opinion of Counsel will, subject to Section 7.01(c), be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(r) The Trustee and the Security Agent shall have no duty to inquire as to the performance of the covenants of the Company and/or its Restricted Subsidiaries in Article Four hereof;

(s) The Trustee and the Security Agent shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes, but may at its sole discretion, choose to do so;

(t) Neither the Trustee nor the Security Agent shall be responsible or liable for any failure or delay in the performance of its obligations under this Indenture or any Security Document arising out of or caused, directly or indirectly, by circumstances beyond its control, including, without limitation, any provision of any law or regulation or any act of any governmental authority, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics or other public health crises; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action or any other causes beyond the Trustee's or the Security Agent's control whether or not of the same class or kind as specified above.

(u) Neither the Trustee nor the Security Agent shall under any circumstance be liable for any indirect or consequential loss, special or punitive damages (including loss of business, goodwill or reputation, opportunity or profit of any kind) of the Issuer, any Guarantor or any Restricted Subsidiary even if advised of it in advance and even if foreseeable.

(v) The Trustee and the Security Agent may request that the Issuer deliver an Officer's Certificate setting forth the names of the individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(w) The Security Agent and the Trustee shall accept without investigation, requisition or objection such right and title as the Issuer and any Guarantor may have to any of the Collateral and shall not be bound or concerned to examine or enquire into or be liable for any defect or failure in the right or title of the Issuer or any Guarantor to the Collateral or any part thereof whether such defect or failure was known to the Security Agent or might have been discovered upon examination or enquiry and whether capable of remedy or not and shall have no responsibility for the validity, value or sufficiency of the Collateral.

(x) Without prejudice to the provisions hereof, neither the Security Agent nor the Trustee shall be under any obligation to insure any of the Collateral or any certificate, note, bond or other evidence in respect thereof, or to require any other person to maintain any such insurance and shall not be responsible for any loss, expense or liability which may be suffered as a result of any assets comprised in the Collateral being uninsured or inadequately insured.

(y) The Security Agent and the Trustee shall not be responsible for any loss, expense or liability occasioned to the Collateral, howsoever caused, by the Security Agent or the Trustee or by any act or omission on the part of any other person (including any bank, broker, depository, warehouseman or other intermediary or by any clearing system or other operator thereof), or otherwise, unless such loss is occasioned by the willful misconduct or fraud of the Security Agent.

(z) Beyond the exercise of reasonable care in the custody thereof, neither the Trustee nor the Security Agent shall have any duty or liability as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto and neither the Security Agent nor the Trustee shall be responsible for filing any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any security interest in the Collateral, or monitoring the same. The Security Agent and the Trustee shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords similar property held on behalf of others and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Security Agent or the Trustee in good faith.

(aa) Neither the Trustee nor the Security Agent will be liable to any person if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(bb) No provision of this Indenture shall require the Trustee or the Security Agent to do anything which, in its opinion, may be illegal or contrary to applicable law or regulation.

(cc) The Trustee and the Security Agent may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York and may without liability (other than in respect of actions constituting willful misconduct or gross negligence) do anything which is, in its opinion, necessary to comply with any such law, directive or regulation.

(dd) Both the Trustee and the Security Agent may assume without inquiry in the absence of actual knowledge that the Issuer is duly complying with its obligations contained in this Indenture required to be performed and observed by it, and that no Default or Event of Default or other event which would require repayment of the Notes has occurred.

(ee) At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders of either series have given a direction to the Trustee to enforce such security, the Trustee is not required to give any direction to the Security Agent with respect thereto unless it has been indemnified and/or secured to its satisfaction in accordance with this Indenture. In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

- (i) any failure of the Security Agent to enforce such security within a reasonable time or at all;
- (ii) any failure of the Security Agent to pay over the proceeds of enforcement of the security;
- (iii) any failure of the Security Agent to realize such security for the best price obtainable;
- (iv) monitoring the activities of the Security Agent in relation to such enforcement;
- (v) taking any enforcement action itself in relation to such security;
- (vi) agreeing to any proposed course of action by the Security Agent which could result in the Trustee incurring any liability for its own account; or

(vii) paying any fees, costs or expenses of the Security Agent.

(ff) In addition to the foregoing, the Trustee and the Security Agent agree to accept and act upon notice, instructions or directions pursuant to this Indenture sent by unsecured e-mail, pdf, facsimile transmission or other similar unsecured electronic methods, *provided* that any communication sent to the Trustee or the Security Agent, as applicable, hereunder must be in the form of a document that is signed manually or by way of a digital signature provided by DocuSign (or such other digital signature provider as specified in writing to Trustee by the authorized representative). If the party elects to give the Trustee or the Security Agent, as applicable, e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee or the Security Agent, as applicable, in its discretion elects to act upon such instructions, the Trustee's or the Security Agent's, as applicable, understanding of such instructions shall be deemed controlling. The Trustee and the Security Agent, as applicable, shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's or the Security Agent's, as applicable, reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The party providing electronic instructions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee or the Security Agent, as applicable, including without limitation the risk of the Trustee or the Security Agent, as applicable, acting on unauthorized instructions, and the risk of interception and misuse by third parties.

(gg) In order to comply with laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including those relating to the funding of terrorist activities and money laundering ("Applicable AML Laws"), the Trustee and the Security Agent is required to obtain, verify and record certain information relating to individuals and entities which maintain a business relationship with the Trustee and the Security Agent. Accordingly, each of the parties agrees to provide to the Trustee and the Security Agent upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Trustee and the Security Agent to comply with Applicable AML Laws.

SECTION 7.03 Individual Rights of Trustee and the Security Agent. The Trustee, the Security Agent, any Transfer Agent, any Paying Agent, any Registrar or any other agent of the Issuer or of the Trustee or Security Agent, in its individual or any other capacity, may become the owner or pledgee of Notes of either series and, may otherwise deal with the Issuer with the same rights it would have if it were not Trustee, the Security Agent, Paying Agent, Transfer Agent, Registrar or such other agent. The Trustee and the Security Agent may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with the Issuer or any of its Affiliates or Subsidiaries as if it were not performing the duties specified herein and in the Security Documents, and may accept fees and other consideration from the Issuer for services in connection with this Indenture and otherwise without having to account for the same to the Trustee, the Security Agent or to the Holders from time to time.

SECTION 7.04

Disclaimer of Trustee and Security Agent.

The recitals contained herein and in the Notes, except for the Trustee's certificates of authentication, shall be taken as the statements of the Issuer, and the Trustee assumes no responsibility for their correctness. The Trustee and the Security Agent make no representations as to the validity or sufficiency of this Indenture, the Notes or the Security Documents. The Trustee and the Security Agent shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture nor shall it be responsible for the use or application of any money received by any Paying Agent other than the Trustee and the Security Agent and they will not be responsible for any statement or recital herein or any statement on the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than the Trustee's certificate of authentication. The Trustee and the Security Agent shall not, nor shall any receiver appointed by or any agent of the Security Agent, by reason of taking possession of any Collateral or any part thereof or any other reason or on any basis whatsoever, be liable to account for anything except actual receipts or be liable for any loss or damage arising from a realization of the Collateral or any part thereof or from any act, default or omission in relation to the Collateral or any part thereof or from any exercise or non-exercise by it of any power, authority or discretion conferred upon it in relation to the Collateral or any part thereof unless such loss or damage shall be caused by its own fraud or gross negligence. The Trustee and the Security Agent shall not have any responsibility or liability arising from the fact that the Collateral may be held in safe custody by a custodian. The Trustee and the Security Agent assumes no responsibility for the validity, sufficiency or enforceability (which the Security Agent has not investigated) of the Collateral purported to be created by any Security Document, Supplemental Indenture or other document. In addition, the Trustee and the Security Agent has no duty to monitor the performance by the Issuer and the Guarantors of their obligations to the Security Agent nor is it obliged (unless indemnified and/or secured (including by way of prefunding to its satisfaction) to take any other action which may involve the Security Agent in any personal liability or expense).

SECTION 7.05

Compensation and Indemnity.

The Issuer and the Guarantors, jointly and severally, shall pay to the Trustee and the Security Agent such compensation as shall be agreed in writing for their services hereunder. The Trustee's and the Security Agent's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuer and the Guarantors, jointly and severally, shall pay or reimburse the Trustee and the Security Agent promptly upon request for all reasonable disbursements, expenses and advances incurred or made by the Trustee or the Security Agent in accordance with any of the provisions hereof or any other documents executed in connection herewith including costs of collection, in addition to the compensation for their services. Such expenses shall include the reasonable compensation, disbursements, charges, advances and expenses of the Trustee's and the Security Agent's agents and counsel and of all persons not regularly in its employ.

The Issuer and the Guarantors, jointly and severally, shall indemnify, defend and hold harmless the Trustee, the Security Agent and their officers, directors, employees, representatives and agents, from and against and reimburse the Trustee and the Security Agent for any and all claims, obligations, losses, liabilities, expenses (including attorneys' fees and expenses), damages, injuries (to person, property, or natural resources), penalties, stamp or other similar taxes, actions, suits, judgments of whatever kind or nature regardless of their merit, demanded, asserted, claimed or incurred by or against either of them directly or indirectly relating to, or arising from, claims against the Trustee or the Security Agent by reason of their participation in the transactions contemplated hereby, including without limitation, the costs and expenses of enforcing this Indenture and the Security Documents against the Issuer and the Guarantors (including this Section 7.05) and all reasonable costs required to be associated with claims for damages to persons or property, and reasonable attorneys' and consultants' fees and expenses and court costs, except to the extent caused by the Trustee or the Security Agent's gross negligence or willful misconduct. The Trustee and the Security Agent shall notify the Issuer promptly of any claim for which they may seek indemnity. Failure by the Trustee or the Security Agent to so notify the Issuer shall not relieve the Issuer or any Guarantor of its obligations hereunder. The Issuer shall, at the sole discretion of the Trustee or Security Agent, as applicable, defend the claim and the Trustee and the Security Agent may cooperate and may participate at the Issuer's expense in such defense. Alternatively, the Trustee and the Security Agent may at their option have separate counsel of their own choosing and the Issuer shall pay the fees and expenses of such counsel. The Issuer need not pay for any settlement made without its consent, which consent may not be unreasonably withheld or delayed. The Issuer shall not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee through the Trustee's own willful misconduct or gross negligence conclusively determined by a court of competent jurisdiction not subject to appeal.

To secure the Issuer's payment obligations in this Section 7.05, the Trustee and the Security Agent shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, in their capacity as Trustee and the Security Agent. Such Lien shall survive the satisfaction and discharge of all Notes under this Indenture.

When either the Trustee or the Security Agent incur expenses after the occurrence of a Default specified in Section 6.01(a)(ix) with respect to the Issuer, the Guarantors, or any Restricted Subsidiary, the expenses are intended to constitute expenses of administration under Bankruptcy Law.

The Issuer and the Guarantor's obligations under this Section 7.05 and any claim or Lien arising hereunder shall survive the resignation or removal of any Trustee and the Security Agent, the satisfaction and discharge of the Issuer's obligations pursuant to Article Eight and any rejection or termination under any Bankruptcy Law, and the termination of this Indenture.

SECTION 7.06 Replacement of Trustee or Security Agent. A resignation or removal of the Trustee or the Security Agent and appointment of a successor Trustee or successor Security Agent shall become effective only upon the successor Trustee's or the successor Security Agent's acceptance of appointment as provided in this Section 7.06.

The Trustee and the Security Agent may resign at any time by giving written notice to the Issuer and the Holders. The Holders of a majority in outstanding principal amount of the outstanding Notes may remove the Trustee or the Security Agent by so notifying the Trustee, the Security Agent and the Issuer. The Issuer shall remove the Trustee or the Security Agent if:

- (a) the Trustee or the Security Agent fails to comply with Section 7.09;
- (b) the Trustee or the Security Agent is adjudged bankrupt or insolvent;
- (c) a receiver or other public officer takes charge of the Trustee or the Security Agent or their property; or
- (d) the Trustee or the Security Agent otherwise becomes incapable of acting.

If the Trustee or the Security Agent resigns or is removed, or if a vacancy exists in the office of Trustee or the Security Agent for any reason, the Issuer shall promptly appoint a successor Trustee or a successor Security Agent, as the case may be. Within one year after the successor Trustee or Security Agent takes office, the Holders of a majority in principal amount of the outstanding Notes may appoint a successor Trustee or Security Agent to replace the successor Trustee or Security Agent appointed by the Issuer. If the successor Trustee or Security Agent does not deliver its written acceptance required by the next succeeding paragraph of this Section 7.06 within 30 days after the retiring Trustee or Security Agent resigns or is removed, the retiring Trustee or Security Agent, the Issuer or the Holders of a majority in principal amount of the outstanding Notes may, at the expense of the Issuer, petition any court of competent jurisdiction for the appointment of a successor Trustee or Security Agent.

A successor Trustee or Security Agent shall deliver a written acceptance of its appointment to the retiring Trustee or Security Agent, as the case may be, and to the Issuer. Thereupon the resignation or removal of the retiring Trustee or Security Agent shall become effective, the retiring Trustee or Security Agent shall be released from its obligations hereunder and under the Security Documents, and the successor Trustee or Security Agent shall have all the rights, powers and duties of the Trustee or the Security Agent under this Indenture and the Security Documents. The successor Trustee or Security Agent shall deliver a notice of its succession to Holders. The retiring Trustee or Security Agent shall, at the expense of the Issuer, promptly transfer all property held by it as Trustee or Security Agent to the successor Trustee or Security Agent; *provided* that all sums owing to the Trustee or Security Agent hereunder have been paid and subject to the Lien provided for in Section 7.05.

If a successor Trustee or Security Agent does not take office within 60 days after the retiring Trustee or Security Agent resigns or is removed, the retiring Trustee or Security Agent, the Issuer or the Holders of at least 30% in outstanding principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee or Security Agent at the expense of the Issuer. Without prejudice to the right of the Issuer to appoint a successor Trustee or a successor Security Agent in accordance with the provisions of this Indenture, the retiring Trustee or Security Agent may appoint a successor Trustee or Security Agent at any time prior to the date on which a successor Trustee or Security Agent takes office.

If the Trustee or the Security Agent fails to comply with Section 7.09, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee or the Security Agent and the appointment of a successor Trustee or Security Agent.

In addition to the foregoing and notwithstanding any provision to the contrary, any resignation, removal or replacement of the Security Agent pursuant to this Section 7.06 shall not be effective until (a) a successor to the Security Agent has agreed to act under the terms of this Indenture and (b) such successor to the Security Agent has agreed to accept all of the Security Interests in the Collateral. Any replacement or successor Security Agent shall be a bank with an office in New York, New York or an Affiliate of any such bank. Upon acceptance of its appointment as Security Agent hereunder by a replacement or successor, such replacement or successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Security Agent hereunder, and the retiring Security Agent shall be discharged from its duties and obligations hereunder.

Notwithstanding the replacement of the Trustee or the Security Agent pursuant to this Section 7.06, the Issuer's and the Guarantors' obligations under Section 7.05 shall continue for the benefit of the retiring Trustee or Security Agent.

SECTION 7.07 Successor Trustee or Security Agent by Merger. Any corporation into which the Trustee or the Security Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee or the Security Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee or the Security Agent, shall be the successor of the Trustee or the Security Agent hereunder; *provided* such corporation shall be otherwise qualified and eligible under this Article Seven, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Notes shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Trustee had itself authenticated such Notes. In case at that time any of the Notes shall not have been authenticated, any successor Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee. In all such cases such certificates shall have the full force and effect which this Indenture provides for the certificate of authentication of the Trustee shall have; *provided* that the right to adopt the certificate of authentication of any predecessor Trustee or to authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

SECTION 7.08 Appointment of Security Agent and Supplemental Security Agents.

The parties hereto acknowledge and agree, and each Holder by accepting the Notes acknowledges and agrees, that the Issuer hereby appoints the Bank of New York Mellon Trust Company, N.A. to act as Security Agent hereunder, and the Bank of New York Mellon Trust Company, N.A. accepts such appointment. The Trustee and the Holders acknowledge that the Security Agent will be acting in respect to the Security Documents and the security granted thereunder on the terms outlined therein (which terms in respect of the rights and protections of the Security Agent, in the event of an inconsistency with the terms of this Indenture, will prevail).

(a) The Security Agent may perform any of its duties and exercise any of its rights and powers through one or more sub-agents or co-trustees appointed by it. The Security Agent and any such sub-agent or co-trustee may perform any of its duties and exercise any of its rights and powers through its affiliates. All of the provisions of this Indenture applicable to the Security Agent including, without limitation, its rights to be indemnified, shall apply to and be enforceable by any such sub-agent and affiliates of a Security Agent and any such sub-agent or co-trustee. All references herein to a "Security Agent" shall include any such sub-agent or co-trustee and affiliates of a Security Agent or any such sub-agent or co-trustee.

(b) It is the purpose of this Indenture and the Security Documents that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. Without limiting paragraph (a) of this Section 7.08, it is recognized that in case of litigation under, or enforcement of, this Indenture or any of the Security Documents, or in case the Security Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the Security Documents or take any other action which may be desirable or necessary in connection therewith, the Security Agent is hereby authorized to appoint an additional individual or institution selected by the Security Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, Security Agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "Supplemental Security Agent" and collectively as "Supplemental Security Agents").

(c) In the event that the Security Agent appoints a Supplemental Security Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Indenture or any of the other Security Documents to be exercised by or vested in or conveyed to such Security Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Security Agent to the extent, and only to the extent, necessary to enable such Supplemental Security Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Security Documents and necessary to the exercise or performance thereof by such Supplemental Security Agent shall run to and be enforceable by either such Security Agent or such Supplemental Security Agent, and (ii) the provisions of this Indenture (and, in particular, this Article Seven) that refer to the Security Agent shall inure to the benefit of such Supplemental Security Agent and all references therein to the Security Agent shall be deemed to be references to a Security Agent and/or such Supplemental Security Agent, as the context may require.

(d) Should any instrument in writing from the Issuer or any other obligor be required by any Supplemental Security Agent so appointed by the Security Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Company shall, or shall cause the Issuer and relevant Guarantor to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Security Agent. In case any Supplemental Security Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Security Agent, to the extent permitted by law, shall vest in and be exercised by the Security Agent until the appointment of a new Supplemental Security Agent.

SECTION 7.09 Eligibility; Disqualification. There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power and which is generally recognized as a corporation which customarily performs such corporate trustee roles and provides such corporate trustee services in transactions similar in nature to the offering of the Notes as described in the Offering Memorandum. Each of the Trustee and the Security Agent shall have a combined capital and surplus of at least \$50,000,000, as set forth in its most recent published annual report of condition.

SECTION 7.10

Appointment of Co-Trustee.

(a) It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as trustee in such jurisdiction. It is recognized that in case of litigation under this Indenture, and in particular in case of the enforcement thereof on Default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted or take any action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an individual or institution as a separate or co-trustee. The following provisions of this Section 7.10 are adopted to these ends.

(b) In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and Lien expressed or intended by this Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such powers, rights and remedies, and only to the extent that the Trustee by the laws of any jurisdiction is incapable of exercising such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

(c) Should any instrument in writing from the Issuer be required by the separate or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall to the extent permitted by the laws of the State of New York and the jurisdictions of organization of the Issuer, on request, be executed, acknowledged and delivered by the Issuer; *provided* that if an Event of Default shall have occurred and be continuing, if the Issuer do not execute any such instrument within 15 days after request therefor, the Trustee shall be empowered as an attorney-in-fact for the Issuer to execute any such instrument in the Issuer's name and stead. In case any separate or co-trustee or a successor to either shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate or co-trustee.

(d) Each separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights and powers, conferred or imposed upon the Trustee shall be conferred or imposed upon and may be exercised or performed by such separate trustee or co-trustee; and

(ii) no trustee hereunder shall be liable by reason of any act or omission of any other trustee hereunder.

(e) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article Seven.

(f) Any separate trustee or co-trustee may at any time appoint the Trustee as its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without the appointment of a new or successors trustee.

SECTION 7.11 Resignation of Agents.

(a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving to the Issuer and the Trustee and (except in the case of resignation of the Principal Paying Agent) the Principal Paying Agent 30 days' written notice to that effect (waivable by the Issuer and the Trustee); *provided* that in the case of resignation of the Principal Paying Agent no such resignation shall take effect until a new Principal Paying Agent (approved in advance in writing by the Trustee) shall have been appointed by the Issuer to exercise the powers and undertake the duties hereby conferred and imposed upon the Principal Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuer shall promptly give notice thereof to the Holders in accordance with Section 12.02. Such notice shall expire at least 30 days before or after any due date for payment in respect of the Notes.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.11 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution. Immediately following such appointment, the Issuer shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuer, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Indenture.

(c) Upon its resignation becoming effective the Principal Paying Agent shall forthwith transfer all moneys held by it hereunder hereof to the successor Principal Paying Agent or, if none, the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuer of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

SECTION 7.12

Agents General Provisions.

- (a) Actions of Agents. The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several.
- (b) Agents of Trustee. The Issuer and the Agents acknowledge and agree that in the event of a Default or Event of Default, the Trustee may, by notice in writing to the Issuer and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Prior to receiving such written notification from the Trustee, the Agents shall be the agents of the Issuer and need have no concern for the interests of the Holders.
- (c) Funds held by Agents. The Agents will hold all funds subject to the terms of this Indenture.
- (d) Publication of Notices. Any obligation the Agents may have to publish a notice to Holders of Global Notes on behalf of the Issuer will be met upon delivery of the notice to DTC.
- (e) Instructions. In the event that instructions given to any Agent are not reasonably clear, then such Agent shall be entitled to seek clarification from the Issuer or other party entitled to give the Agents instructions under this Indenture by written request promptly, and in any event within one Business Day of receipt by such Agent of such instructions. If an Agent has sought clarification in accordance with this Section 7.12, then such Agent shall be entitled to take no action until such clarification is provided, and shall not incur any liability for not taking any action pending receipt of such clarification.
- (f) No Fiduciary Duty. No Agent shall be under any fiduciary duty or other obligation towards, or have any relationship of agency or trust, for or with any person.
- (g) Mutual Undertaking. Each party shall, within ten Business Days of a written request by another party, supply to that other party such forms, documentation and other information relating to it, its operations, or the Notes as that other party reasonably requests for the purposes of that other party's compliance with applicable law and shall notify the relevant other party reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate in any material respect; *provided, however*, that no party shall be required to provide any forms, documentation or other information pursuant to this Section 7.12(g) to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) applicable law or (b) duty of confidentiality. For purposes of this Section 7.12(g), "applicable law" shall be deemed to include (i) any rule or practice of any regulatory or governmental authority by which any party is bound or with which it is accustomed to comply; (ii) any agreement between any Authorities; and (iii) any agreement between any regulatory or governmental authority and any party that is customarily entered into by institutions of a similar nature.

(h) Tax Withholding.

(i) The Issuer shall notify each Agent in the event that it determines that any payment to be made by an Agent under the Notes is a payment which could be subject to FATCA Withholding if such payment were made to a recipient that is generally unable to receive payments free from FATCA Withholding, and the extent to which the relevant payment is so treated; *provided, however*, that the Issuer's obligations under this Section 7.12(h) shall apply only to the extent that such payments are so treated by virtue of characteristics of the Issuer, the Notes, or both.

(ii) Notwithstanding any other provision of this Indenture, each Agent shall be entitled to make a deduction or withholding from any payment which it makes under the Notes for or on account of any Tax, if and only to the extent so required by Applicable Law, in which event the Agent shall make such payment after such deduction or withholding has been made and shall account to the relevant Authority within the time allowed for the amount so deducted or withheld or, at its option, shall reasonably promptly after making such payment return to the Issuer the amount so deducted or withheld, in which case, the Issuer shall so account to the relevant Authority for such amount. For the avoidance of doubt, FATCA Withholding is a deduction or withholding which is deemed to be required by Applicable Law for the purposes of this Section 7.12(h)(ii).

ARTICLE EIGHT
DEFEASANCE; SATISFACTION AND DISCHARGE

SECTION 8.01 Issuer's Option to Effect Defeasance or Covenant Defeasance. The Issuer may, at its option and at any time prior to the Stated Maturity of the Notes of either series, by a resolution of its Board of Directors, elect to have either Section 8.02 or Section 8.03 be applied to all outstanding Notes of such series upon compliance with the conditions set forth below in this Article Eight.

SECTION 8.02 Defeasance and Discharge. Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuer and the Guarantors shall be deemed to have been discharged from their obligations with respect to the outstanding Notes of the applicable series on the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes of such series and to have satisfied all their other obligations under the Notes of such series and this Indenture with respect to such series (and the Trustee, at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes of such series to receive, solely from the trust fund described in Section 8.08 and as more fully set forth in such Section, payments in respect of the principal of (and premium, if any, on) and interest (including Additional Amounts) on such Notes when such payments are due, (b) the Issuer's obligations with respect to the Notes of such series concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust, (c) the rights, powers, trusts, duties and immunities of the Trustee and the Security Agent hereunder and the Issuer's and the Guarantors' obligations in connection therewith and (d) the provisions of this Article Eight. Subject to compliance with this Article Eight, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 below with respect to the Notes. If the Issuer exercises its Legal Defeasance option with respect to a series of Notes, payment of the Notes of such series may not be accelerated because of an Event of Default with respect to such series.

SECTION 8.03 Covenant Defeasance. Upon the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuer and the Guarantors shall be released from their obligations under any covenant contained in Sections 4.04 through 4.11, 4.13 through 4.17, 4.19 through 4.24 and 5.01 with respect to the Notes of a series on and after the date the conditions set forth below are satisfied (hereinafter, "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that, the Issuer may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default with respect to the applicable series but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby.

SECTION 8.04 Conditions to Defeasance. In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the Notes of either series:

(a) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the holders of the Notes of such series, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest (including Additional Amounts and premium, if any) on the outstanding Notes of such series on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes of such series are being defeased to such stated date for payment or to a particular redemption date;

(b) in the case of Legal Defeasance, the Issuer must deliver to the Trustee:

(i) an opinion of United States counsel, which counsel is reasonably acceptable to the Trustee, confirming that (A) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (B) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such opinion of counsel will confirm that, the holders of the outstanding Notes of such series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred; and

(ii) an Opinion of Counsel in the jurisdiction of incorporation of the Issuer, which counsel is reasonably acceptable to the Trustee, to the effect that the holders of the Notes of such series will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuer must deliver to the Trustee:

(i) an opinion of United States counsel, which counsel is reasonably acceptable to the Trustee, confirming that the holders of the outstanding Notes of such series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; and

(ii) an opinion of counsel in the jurisdiction of incorporation of the Issuer, which counsel is reasonably acceptable to the Trustee, to the effect that the holders of the Notes of such series will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(d) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(e) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which the Issuer or any of the Guarantors is a party or by which the Issuer or any of the Guarantors is bound;

(f) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the holders of Notes over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(g) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of, premium, if any, and interest on the Notes of such series when due because of any acceleration occurring after an Event of Default, then the Issuer and the Guarantors shall remain liable for such payments.

SECTION 8.05 Satisfaction and Discharge of Indenture. This Indenture, and the rights of the Trustee and the Holders of the Notes of a series under the Security Documents, shall be discharged and shall cease to be of further effect as to all Notes of such series issued thereunder, when:

(a) either:

(i) all Notes of such series that have been authenticated, except lost, stolen or destroyed Notes of such series that have been replaced or paid and Notes of such series for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Trustee for cancellation; or

(i) all Notes of such series that have not been delivered to the Trustee for cancellation (A) have become due and payable by reason of the delivery of a notice of redemption or otherwise, (B) will become due and payable within one year, or (C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer, and in each case, the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes of such series not delivered to the Trustee for cancellation for principal, premium and Additional Amounts, if any, and accrued interest to the date of maturity or redemption; provided that, upon any redemption that requires the payment of a premium, the amount deposited shall be sufficient to the extent that an amount is deposited with the Trustee equal to the premium calculated as of the date of the notice of redemption, with any deficit on the date of redemption only required to be deposited with the Trustee on or prior to the date of redemption (it being understood that any satisfaction and discharge shall be subject to the condition subsequent that such deficit is in fact paid);

(b) the Issuer or any Guarantor has paid or caused to be paid all sums payable by it with respect to Notes of such series under this Indenture;

(c) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes of such series at maturity or on the redemption date, as the case maybe; and

(d) the Issuer has delivered an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (a), (b) and (c)).

SECTION 8.06 Survival of Certain Obligations. Notwithstanding Sections 8.01 and 8.03, any obligations of the Issuer and the Guarantors in Sections 2.02 through 2.14, 6.07, 7.05 and 7.06 shall survive until the Notes of such series have been paid in full. Thereafter, any obligations of the Issuer or the Guarantors in Section 7.05 shall survive such satisfaction and discharge. Nothing contained in this Article Eight shall abrogate any of the obligations or duties of the Trustee under this Indenture.

SECTION 8.07 Acknowledgment of Discharge by Trustee. Subject to Section 8.09, after the conditions of Section 8.02 or Section 8.03 and Section 8.04 have been satisfied, the Trustee upon written request shall acknowledge in writing the discharge of all of the Issuer's and Guarantors' obligations under this Indenture except for those surviving obligations specified in this Article Eight.

SECTION 8.08 Application of Trust Money. Subject to Section 8.09, the Trustee shall hold in trust cash in U.S. dollars or U.S. Government Obligations deposited with it pursuant to this Article Eight. It shall apply the deposited cash or Government Securities through the Paying Agent and in accordance with this Indenture to the payment of principal of, premium, if any, interest, and Additional Amounts, if any, on the Notes of the applicable series; but such money need not be segregated from other funds except to the extent required by law.

SECTION 8.09 Repayment to Issuer. Subject to Sections 7.05, and 8.01 through 8.04, the Trustee and the Paying Agent shall promptly pay to the Issuer upon request set forth in an Officer's Certificate any excess money held by them at any time and thereupon shall be relieved from all liability with respect to such money. The Trustee and the Paying Agent shall pay to the Issuer upon request any money held by them for the payment of principal, premium, if any, interest or Additional Amounts, if any, that remains unclaimed for two years; *provided* that the Trustee or Paying Agent before being required to make any payment may cause to be published through the newswire service of Bloomberg or, if Bloomberg does not then operate, any similar agency or deliver to each Holder entitled to such money at such Holder's address (as set forth in the Security Register) notice that such money remains unclaimed and that after a date specified therein (which shall be at least 30 days from the date of such publication or delivery) any unclaimed balance of such money then remaining will be repaid to the Issuer. After payment to the Issuer, Holders entitled to such money must look to the Issuer for payment as general creditors unless an applicable law designates another Person, and all liability of the Trustee and such Paying Agent with respect to such money shall cease.

SECTION 8.10 Indemnity for Government Securities. The Issuer shall pay and shall indemnify the Trustee and the Paying Agent against any tax, fee or other charge imposed on or assessed against deposited Government Securities or the principal, premium, if any, interest, if any, and Additional Amounts, if any, received on such Government Securities.

ARTICLE NINE AMENDMENTS AND WAIVERS

SECTION 9.01 Without Consent of Holders.

(a) The Issuer, when authorized by a resolution of its Board of Directors (as evidenced by the delivery of such resolutions to the Trustee), the Guarantors, the Security Agent and the Trustee (as applicable and to the extent each is a party to the relevant document) may modify, amend or supplement this Indenture, the Notes, the Note Guarantees and the Security Documents without notice to or consent of any Holder:

- (i) to cure any ambiguity, omission, error, defect or inconsistency;
- (ii) to provide for the assumption of the Issuer's or a Guarantor's obligations to Holders of Notes and Note Guarantees in the case of a consolidation or merger or sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;
- (iii) to make any change that would provide any additional rights or benefits to the Holders of Notes or that, in the good faith judgment of the Board of Directors of the Issuer, does not adversely affect the legal rights under this Indenture of any such holder in any material respect;
- (iv) to conform the text of this Indenture, the Notes or the Note Guarantees to any provision of the section entitled "Description of Notes" in the Offering Memorandum to the extent that such provision in the "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Notes or the Note Guarantees;
- (v) to provide for any Restricted Subsidiary to provide a Note Guarantee in accordance with Section 4.06, to add security to or for the benefit of the Notes or to confirm and evidence the release, termination, discharge or retaking of any Note Guarantee or Lien (including the Collateral and the Security Documents) or any amendment in respect thereof with respect to or securing the Notes when such release, termination, discharge or retaking or amendment is permitted under this Indenture and the Security Documents;
- (vi) in the case of the Security Documents, to mortgage, pledge, hypothecate or grant a security interest in favor of any other party that is granted a Lien on Collateral in accordance with the terms of this Indenture, in each case, in any property which is required by the documents governing such Indebtedness to be mortgaged, pledged or hypothecated, or in which a security interest is required to be granted to the Security Agent, or to the extent necessary to grant a security interest for the benefit of any Person; *provided* that the granting of such security interest is not prohibited by this Indenture and Section 4.22 is complied with;
- (vii) to provide for the issuance of additional Notes of either series in accordance with the limitations set forth in this Indenture as of the Issue Date;
- (viii) to allow any Guarantor to execute a Supplemental Indenture and a Note Guarantee with respect to the Notes;
- (ix) to provide for uncertificated Notes in addition to or in place of Definitive Registered Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code); or
- (x) to evidence and provide the acceptance of the appointment of a successor Trustee under this Indenture.

(b) In connection with any proposed amendment or supplement in respect of such matters, the Trustee will be entitled to receive, and rely conclusively on, an Opinion of Counsel and an Officer's Certificate, each stating that such amendment or supplement is authorized or permitted by the terms of this Indenture, the Notes, the Note Guarantees and the Security Documents, as applicable, and that all conditions precedent provided in this Indenture, the Notes, the Note Guarantees and the Security Documents, as applicable, relating to the execution and delivery of such amendment have been complied with. Notwithstanding the foregoing, neither the Security Agent nor the Trustee shall have any obligation to enter into any amendment, waiver, supplement or other modification that affects its own rights, protections, duties, indemnities or immunities under this Indenture, the Security Documents or any other agreement.

For the avoidance of doubt (and without limiting the generality of any other statements in this Indenture), the provisions of the Trust Indenture Act of 1939, as amended, shall not apply to any amendments to or waivers or consents under this Indenture.

SECTION 9.02

With Consent of Holders.

(a) Except as provided in Section 9.02(b) below and Section 6.04 and without prejudice to Section 9.01, this Indenture, the Notes of either series, the Note Guarantees and the Security Documents may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes of the applicable series (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes of such series), and any existing Default or Event of Default or compliance with any provision of this Indenture, the Notes of either series or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes of the applicable series (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes of such series); *provided* that any such amendment, supplement or waiver to release the security interests in the Collateral granted for the benefit of the Trustee and the Holders of Notes of such series (other than pursuant to the terms of the Security Documents or this Indenture, as applicable) shall (i) in respect of all or substantially all of the Collateral, require the consent of the Holders of at least 75% in aggregate principal amount of the Notes of such series and (ii) in respect of Collateral with a Fair Market Value greater than \$1,000 million (but, for the avoidance of doubt, less than all or substantially all of the Collateral), require the consent of the holders of at least 66^{2/3}% in aggregate principal amount of the Notes of such series.

(b) Without the consent of each Holder of Notes of the applicable series affected, an amendment, supplement or waiver may not (with respect to any Notes of such series held by a non-consenting Holder):

(i) reduce the principal amount of Notes of such series whose holders must consent to an amendment, supplement or waiver;

(ii) reduce the principal of or change the fixed maturity of any Note of such series or reduce the premium payable upon the redemption of any such Note or change the time at which such Note may be redeemed;

(iii) reduce the rate of or change the time for payment of interest, including default interest, on any Note of such series;

(iv) impair the right of any Holder of such series to institute suit for the enforcement of any payment on or with respect to such Holder's Notes or any Note Guarantee in respect thereof;

(v) waive a Default or Event of Default in the payment of principal of, or interest, Additional Amounts or premium, if any, on, the Notes of such series (except a rescission of acceleration of the Notes of such series by the holders of at least a majority in aggregate principal amount of the then outstanding Notes of such series and a waiver of the payment Default that resulted from such acceleration);

(vi) make any Note of such series payable in money other than that stated in the Notes of such series;

(vii) make any change in the provisions of this Indenture relating to waivers of past Defaults or the rights of holders of Notes of such series to receive payments of principal of, or interest, Additional Amounts or premium, if any, on, the Notes of such series;

(viii) waive a redemption payment with respect to any Note of such series (other than a payment required by Section 4.09 or Section 4.11);

(ix) make any change to or modify the ranking of the Notes of such series as to contractual right of payment in a manner that would adversely affect the holders thereof;

(x) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture; or

(xi) make any change in the preceding amendment and waiver provisions.

(c) The consent of the Holders of the applicable series shall not be necessary under this Indenture to approve the particular form of any proposed amendment, modification, supplement, waiver or consent. It is sufficient if such consent approves the substance of the proposed amendment, modification, supplement, waiver or consent. A consent to any amendment or waiver under this Indenture by any Holder given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

SECTION 9.03 Effect of Supplemental Indentures. Upon the execution of any Supplemental Indenture under this Article Nine, this Indenture shall be modified in accordance therewith, and such Supplemental Indenture shall form a part of this Indenture for all purposes; and every Holder of Notes of the applicable series theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

SECTION 9.04 Notation on or Exchange of Notes. If an amendment, modification or supplement changes the terms of a Note of either series, the Issuer or the Trustee may require the Holder to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note and on any Note subsequently authenticated regarding the changed terms and return it to the Holder. Alternatively, if the Issuer so determines, the Issuer in exchange for the Note shall issue, and the Trustee shall authenticate, a new Note that reflects the changed terms. Failure to make the appropriate notation or to issue a new Note shall not affect the validity of such amendment, modification or supplement.

SECTION 9.05 [Reserved].

SECTION 9.06 Notice of Amendment or Waiver. Promptly after the execution by the Issuer and the Trustee of any Supplemental Indenture or waiver pursuant to the provisions of Section 9.02, the Issuer shall give notice thereof to the Holders of each outstanding Note of the applicable series affected, in the manner provided for in Section 12.01(b), setting forth in general terms the substance of such Supplemental Indenture or waiver.

SECTION 9.07 Trustee to Sign Amendments, Etc. The Trustee or the Security Agent, as the case may be, shall execute any amendment, supplement or waiver authorized pursuant and adopted in accordance with this Article Nine; *provided* that the Trustee or the Security Agent, as the case may be, may, but shall not be obligated to, execute any such amendment, supplement or waiver which affects the Trustee's or Security Agent's, as the case may be, own rights, duties or immunities under this Indenture. The Trustee and the Security Agent shall receive an indemnity and/or security (including by way of pre-funding) satisfactory to it and to receive, and shall be fully protected in relying upon, an Opinion of Counsel and an Officer's Certificate each stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article Nine is authorized or permitted by this Indenture, that all conditions precedent in connection with such amendment, supplement or waiver have been satisfied, and that such amendment has been duly authorized, executed and delivered and is the legally valid and binding obligation of the Issuer enforceable against it in accordance with its terms (for the avoidance of doubt, such Opinion of Counsel is not required with respect to any Guarantor). Such Opinion of Counsel and Officer's Certificate shall be an expense of the Issuer.

ARTICLE TEN GUARANTEE

SECTION 10.01 Note Guarantees.

(a) The Guarantors, either by execution of this Indenture or a Supplemental Indenture, fully and, subject to the limitations on the effectiveness and enforceability set forth in this Indenture or such Supplemental Indenture, as applicable, unconditionally guarantee, on a joint and several basis to each Holder and to the Trustee and its successors and assigns on behalf of each Holder, the full payment of principal of, premium, if any, interest, if any, and Additional Amounts, if any, on, and all other monetary obligations of the Issuer under this Indenture and the Notes (including obligations to the Trustee and the Security Agent and the obligations to pay Additional Amounts, if any) with respect to, each Note authenticated and delivered by the Trustee or its agent pursuant to and in accordance with this Indenture, in accordance with the terms of this Indenture (all the foregoing being hereinafter collectively called the "Note Obligations"). The Guarantors further agree that the Note Obligations may be extended or renewed, in whole or in part, without notice or further assent from the Guarantors and that the Guarantors shall remain bound under this Article Ten notwithstanding any extension or renewal of any Note Obligation. All payments under each Note Guarantee will be made in U.S. dollars.

(b) The Guarantors hereby agree that their obligations hereunder shall be as if they were each principal debtor and not merely surety, unaffected by, and irrespective of, any invalidity, irregularity or unenforceability of any Note of either series or this Indenture, any failure to enforce the provisions of any Note of the applicable series or this Indenture, any waiver, modification or indulgence granted to the Issuer with respect thereto by the Holders or the Trustee, or any other circumstance which may otherwise constitute a legal or equitable discharge of a surety or guarantor (except payment in full); *provided* that notwithstanding the foregoing, no such waiver, modification, indulgence or circumstance shall without the written consent of the Guarantors increase the principal amount of a Note or the interest rate thereon or change the currency of payment with respect to any Note, or alter the Stated Maturity thereof. The Guarantors hereby waive diligence, presentment, demand of payment, filing of claims with a court in the event of merger or bankruptcy of the Issuer, any right to require that the Trustee pursue or exhaust its legal or equitable remedies against the Issuer prior to exercising its rights under a Note Guarantee (including, for the avoidance of doubt, any right which a Guarantor may have to require the seizure and sale of the assets of the Issuer to satisfy the outstanding principal of, interest on or any other amount payable under each Note prior to recourse against such Guarantor or its assets), protest or notice with respect to any Note or the Indebtedness evidenced thereby and all demands whatsoever, and each covenant that their Note Guarantee will not be discharged with respect to any Note except by payment in full of the principal thereof and interest thereon or as otherwise provided in this Indenture, including Section 10.04. If at any time any payment of principal of, premium, if any, interest, if any, or Additional Amounts, if any, on such Note is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Issuer, the Guarantors' obligations hereunder with respect to such payment shall be reinstated as of the date of such rescission, restoration or returns as though such payment had become due but had not been made at such times.

(c) The Guarantors also agree to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

SECTION 10.02 Subrogation.

(a) Each Guarantor shall be subrogated to all rights of the Holders against the Issuer in respect of any amounts paid to such Holders by such Guarantor pursuant to the provisions of its Note Guarantee.

(b) The Guarantors agree that they shall not be entitled to any right of subrogation in relation to the Holders in respect of any Obligations guaranteed hereby until payment in full of all Obligations. The Guarantors further agree that, as between them, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Section 6.02 for the purposes of the Note Guarantees herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such Obligations as provided in Section 6.02, such Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purposes of this Section 10.02.

SECTION 10.03

Release of Note Guarantees. The Note Guarantee of a Guarantor shall automatically be released:

- (a) in connection with any sale or other disposition of all or substantially all of the assets of such Guarantor (including by way of merger, consolidation, amalgamation or combination) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.09;
- (b) in connection with any sale or other disposition of Capital Stock of that Guarantor to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.09 and the Guarantor ceases to be a Restricted Subsidiary as a result of such sale or other disposition;
- (c) [reserved];
- (d) with respect to a series of Notes, upon the full and final payment of such series;
- (e) with respect to a series of Notes, upon Legal Defeasance, Covenant Defeasance or satisfaction and discharge of the Notes of such series, the Note Guarantees and this Indenture as provided under Article Eight; or
- (f) as described under Article Nine;

provided that, in each case, such Guarantor has delivered to the Trustee an Officer's Certificate stating that all conditions precedent provided for in this Indenture relating to such release have been complied with.

The Trustee shall execute such documents reasonably requested of it by the Issuer, to effectuate a release of a Note Guarantee permitted hereunder.

Each of the releases set forth above shall be effected by the Trustee without the consent of the Holders and will not require any other action or consent on the part of the Trustee.

SECTION 10.04

Limitation and Effectiveness of Note Guarantees. Each Guarantor, and by its acceptance of Notes, each

Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent conveyance or a fraudulent transfer for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor under its Guarantee will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally. Each Guarantor that makes a payment under its Guarantee shall be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with accounting principles generally accepted in the United States.

SECTION 10.05 Notation Not Required. Neither the Issuer nor any Guarantor shall be required to make a notation on the Notes to reflect any Note Guarantee or any release, termination or discharge thereof.

SECTION 10.06 Successors and Assigns. This Article Ten shall be binding upon the Guarantors and each of their successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee, the Security Agent and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee or the Security Agent, the rights and privileges conferred upon that party in this Indenture and in the Notes of either series shall automatically extend to and be vested in such transferee or assigns, all subject to the terms and conditions of this Indenture.

SECTION 10.07 No Waiver. Neither a failure nor a delay on the part of the Trustee, the Security Agent or the Holders in exercising any right, power or privilege under this Article Ten shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the Trustee, the Security Agent and the Holders herein expressly specified are cumulative and are not exclusive of any other rights, remedies or benefits which either may have under this Article Ten at law, in equity, by statute or otherwise.

SECTION 10.08 Modification. No modification, amendment or waiver of any provision of this Article Ten, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstance.

(b) Each Holder of the Notes, by its acceptance thereof, consents and agrees to the terms of the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and authorizes and directs the Security Agent to perform its respective obligations and exercise its rights thereunder in accordance therewith.

(c) The Trustee, the Security Agent and each Holder, by accepting the Notes and the Note Guarantees, acknowledges that, as more fully set forth in the Security Documents, the Collateral as now or hereafter constituted shall be held for the benefit of all the Holders under the Security Documents, and that the Lien on the Collateral contemplated by this Indenture and the Security Documents in respect of the Security Agent and the Holders is subject to and qualified and limited in all respects by the Security Documents, including all limitations set forth herein and therein (including the Collateral Cap), and actions that may be taken thereunder.

(d) Notwithstanding (i) anything to the contrary contained in this Indenture, the Security Documents, the Notes, the Note Guarantees or any other instrument governing, evidencing or relating to any Indebtedness, (ii) the time, order or method of attachment of any Liens, (iii) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Lien upon any Collateral, (iv) the time of taking possession or control over any Collateral or (v) the rules for determining priority under any law of any relevant jurisdiction governing relative priorities of secured creditors:

(ii) To the extent any deadline in the foregoing paragraphs falls on a date that is not a Business Day, the deadline shall instead be the Business Day next succeeding such date.

SECTION 11.02 Authorization of Actions to Be Taken by the Security Agent Under the Security Documents. The Security Agent shall be the representative on behalf of the Holders and shall act upon the written direction of the Trustee (in turn, acting on written direction of the Holders of a majority in aggregate principal amount of the Notes) with regard to all voting, consent and other rights granted to the Trustee and the Holders of Notes of a series under the Security Documents. Subject to the provisions of the Security Documents and the limitations set forth herein and therein (including the Collateral Cap), the Security Agent may (without obligation), in its sole discretion and without the consent of the Holders, on behalf of the Holders, take all actions it deems necessary or appropriate in order to (a) enforce any of its rights or any of the rights of the Holders under the Security Documents and (b) receive any and all amounts payable from the Collateral in respect of the obligations of the Issuer and the Guarantors hereunder. Subject to the provisions of the Security Documents, the Security Agent shall have the power to institute and to maintain such suits and proceedings as it may deem expedient to prevent any impairment of the Collateral by any acts of impairment that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Security Agent (after consultation with the Trustee, where appropriate) may deem reasonably expedient to preserve or protect its interest and the interests of the Holders in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders or the Security Agent). The Security Agent is hereby irrevocably authorized by each Holder of the Notes to effect any release of Liens or Collateral contemplated by Section 11.04 hereof or by the terms of the Security Documents.

Each Holder, by accepting a Note, shall be deemed (i) to have irrevocably appointed The Bank of New York Mellon Trust Company, N.A., as Security Agent, (ii) to have irrevocably authorized the Security Agent and the Trustee to (x) perform the duties and exercise the rights, powers and discretions that are specifically given to each of them under any documents to which the Security Agent and/or the Trustee is a party, together with any other incidental rights, power and discretions and (y) execute each document expressed to be executed by the Security Agent and/or the Trustee on its behalf.

SECTION 11.03 Authorization of Receipt of Funds by the Security Agent Under the Security Documents. SECTION 11.04 Release of the Collateral.

(a) To the extent a release is required by a Security Document, Liens granted hereunder shall automatically release and terminate, without the need for any further action or consent by any Person, and the Collateral shall be free and clear of all such Liens:

(i) as to all of the Collateral for a series, upon payment in full of principal of, interest and all other Obligations of a series of Notes issued under this Indenture or discharge or defeasance thereof;

(ii) as to the Collateral held by a Guarantor, upon release of the Note Guarantee of such Guarantor (with respect to the Liens securing such Note Guarantee granted by such Guarantor) in accordance with the applicable provisions of this Indenture;

(iii) as to any Collateral, in connection with any disposition or transfer of such Collateral to any Person (but excluding any transaction subject to Article Five); *provided* that if the Collateral is disposed of to the Issuer or a Guarantor, the relevant Collateral becomes immediately subject to a substantially equivalent Lien in favor of the Security Agent securing the Notes; *provided, further*, that, in each case, such disposition is not restricted by this Indenture;

(iv) as may be permitted by Section 4.22, Section 9.01 or Section 9.02; and

(v) in order to effectuate (A) a merger, consolidation, conveyance, transfer or other business combination conducted in compliance with Section 5.01 or (B) a reconstitution or merger for the purpose of re-flagging a vessel in compliance with Section 4.24.

Each of the foregoing releases shall be effected by the Security Agent without the consent of the Holders of the Notes or any action on the part of the Trustee.

(b) Any release of Collateral made in compliance with this Section 11.04 shall not be deemed to impair the Lien under the Security Documents or the Collateral thereunder in contravention of the provisions of this Indenture or the Security Documents (including Section 4.22 hereof) other than with respect to the Collateral being released.

(c) In the event that the Issuer or any Guarantor seeks to release Collateral, the Issuer or such Guarantor shall deliver an Officer's Certificate (which the Trustee and Security Agent shall rely upon in connection with such release) to the Trustee and the Security Agent, dated the date of the application of such release (which Officer's Certificate may be combined with any other Officer's Certificate required to be delivered pursuant to other provisions reference in the foregoing clauses), certifying that no Default or Event of Default has occurred and is continuing or would occur as a result of such release, and that all conditions precedent in this Indenture and the Security Documents relating to the release of the Lien on the applicable Collateral have been complied with. By accepting a Note, each Holder shall waive and release all such liability. The waiver and release shall be part of the consideration for the issue of the Notes. Such waiver and release may not be effective to waive liabilities under the U.S. federal securities laws.

If the amount of the Required Currency that could be so purchased is less than the amount of the Required Currency originally due to such holder or the Trustee, as the case may be, the Issuer and the Guarantors shall indemnify and hold harmless the holder or the Trustee, as the case may be, from and against all loss or damage arising out of, or as a result of, such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Indenture or the Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any holder or the Trustee from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under any judgment or order.

(A) set forth the amount of such Net Proceeds that have been (or will be within thirty (30) Business Days of the requested date of release) applied in compliance with the requirements of Section 4.09; and

Upon compliance with the foregoing provisions of this Section 13.02, the Security Agent shall, upon receipt of a written request by the Issuer (which may be contained in the Officer's Certificate), pay an amount of Net Proceeds constituting Trust Monies equal to the amount specified in the Officer's Certificate required by clause (a) of this Section 13.02 as directed by the Company.

SECTION 13.03 Withdrawal of Net Cash Proceeds to Fund an Offer or Release Following an Offer.

To the extent that any Trust Monies consist of Net Proceeds received by the Security Agent pursuant to the provisions of Section 4.09 and a Notes Offer or an Asset Sale Offer has been made in accordance therewith, such Trust Monies may be withdrawn by the Issuer and shall be paid by the Trustee to the Paying Agent for application in accordance with Section 4.09 upon receipt by the Trustee and the Security Agent of an Officer's Certificate, dated not more than ten (10) days prior to the date of purchase or repayment, setting forth the amount of Net Proceeds applicable for the Note Offer or Excess Proceeds subject to the Asset Sale Offer and the date on which Notes and other Indebtedness are to be purchased or repaid, and to the effect that:

(A) (x) such Trust Monies constitute Net Proceeds and (y) pursuant to and in accordance with Section 4.09, the Issuer has made a Notes Offer or an Asset Sale Offer, as applicable; and

(B) all conditions precedent and covenants herein provided for such application of Trust Monies have been satisfied.

Upon compliance with the foregoing provisions of this Section 13.03, the Security Agent shall apply the Trust Monies as directed and specified by the Issuer, subject to Section 4.09 (including to return to the Issuer any such amount of Excess Proceeds that are subject to the Asset Sale Offer and which are not required to be applied to the purchase of Notes or other Indebtedness pursuant to Section 4.09).

SECTION 13.04 Investment of Trust Monies.

So long as no Default or Event of Default shall have occurred and be continuing, all or any part of any Trust Monies held by (or held in an account subject to the sole control of) the Security Agent or the Trustee shall from time to time be invested or reinvested by the Security Agent or the Trustee in any Cash Equivalents pursuant to a written request by the Issuer in the form of an Officer's Certificate, which shall specify the Cash Equivalents in which such Trust Monies shall be invested and shall certify that such investments constitute Cash Equivalents; and the Security Agent or the Trustee shall sell any such Cash Equivalent only upon receipt of such a written request by the Issuer specifying the particular Cash Equivalent to be sold. In the absence of such written request by the Issuer in the form of an Officer's Certificate, Trust Monies held by the Security Agent or the Trustee shall remain uninvested. So long as no Default or Event of Default occurs and is continuing, any interest or dividends accrued, earned or paid on such Cash Equivalents (in excess of any accrued interest or dividends paid at the time of purchase) that may be received by the Security Agent shall be forthwith paid to the Issuer. Such Cash Equivalents shall be held by the Security Agent as a part of the Collateral (subject to the limitations set forth herein and in the Security Documents, including the Collateral Cap), subject to the same provisions hereof as the cash used by it to purchase such Cash Equivalents.

The Trustee and Security Agent shall not be liable or responsible for any loss, fee, tax or other charge resulting from such investments, reinvestments or sales except only for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct in complying with this Section 13.04.

SECTION 13.05 Application of Other Trust Monies.

The Security Agent shall return all Trust Monies to the Issuer upon any Legal Defeasance, Covenant Defeasance or satisfaction and discharge of this Indenture under Section 8.05. The Security Agent shall have all rights and remedies with respect to the Collateral Account and any Trust Monies as provided in the Security Documents.

[FORM OF REVERSE SIDE OF NOTE]
10.875% Senior Secured Note due 2023

1. Interest

Royal Caribbean Cruises Ltd., a corporation incorporated and existing under the laws of Liberia (together with its successors and assigns under the Indenture, the “Issuer”), for value received, promises to pay interest on the principal amount of this Note from May 19, 2020 at the rate per annum shown above. Interest will be computed on the basis of a 360-day year of twelve 30-day months. The Issuer shall pay interest on overdue principal at the interest rate borne by the Notes compounded semi-annually, and interest on overdue principal and interest, including Additional Amounts, if any, will accrue at a rate that is 2.0% higher than the interest rate on the Notes. Any interest paid on this Note shall be increased to the extent necessary to pay Additional Amounts as set forth in this Note.

2. Additional Amounts

(a) All payments made by or on behalf of the Issuer or any of the Guarantors (including, in each case, any successor entity) under or with respect to the Notes or any Note Guarantee shall be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If the Issuer, any Guarantor or any other applicable withholding agent is required by law to withhold or deduct any amount for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction (other than the United States) in which the Issuer or any Guarantor is or was incorporated, engaged in business, organized or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which any payment is made by or on behalf of the Issuer or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision thereof or therein (each of (1) and (2), a “Tax Jurisdiction”) in respect of any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Guarantor, as applicable, shall pay such additional amounts (the “Additional Amounts”) as may be necessary in order that the net amounts received and retained in respect of such payments by each beneficial owner of Notes after such withholding or deduction shall equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts shall be payable with respect to:

(1) any Taxes, to the extent such Taxes would not have been imposed but for the holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant holder, if the relevant holder is an estate, trust, nominee, partnership, limited liability company or corporation) being or having been a citizen or resident or national of, or incorporated, engaged in a trade or business in, being or having been physically present in or having a permanent establishment in, the relevant Tax Jurisdiction or having or having had any other present or former connection with the relevant Tax Jurisdiction, other than any connection arising solely from the acquisition, ownership or disposition of Notes, the exercise or enforcement of rights under such Note, the Indenture or a Note Guarantee, or the receipt of payments in respect of such Note or a Note Guarantee;

- (2) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);
- (3) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes;
- (4) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or any Note Guarantee;
- (5) any Taxes to the extent such Taxes would not have been imposed or withheld but for the failure of the holder or beneficial owner of the Notes, following the Issuer's reasonable written request addressed to the holder at least 60 days before any such withholding or deduction would be imposed, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the holder or beneficial owner is legally eligible to provide such certification or documentation;
- (6) any Taxes imposed in connection with a Note presented for payment (where presentation is permitted or required for payment) by or on behalf of a holder or beneficial owner of the Notes to the extent such Taxes could have been avoided by presenting the relevant Note to, or otherwise accepting payment from, another Paying Agent;
- (7) any Taxes imposed on or with respect to any payment by the Issuer or any of the Guarantors to the holder of the Notes if such holder is a fiduciary or partnership or any person other than the sole beneficial owner of such payment to the extent that such Taxes would not have been imposed on such payments had such holder been the sole beneficial owner of such Note;
- (8) any Taxes that are imposed pursuant to current Section 1471 through 1474 of the Internal Revenue Code of 1986, as amended (the "Code") or any amended or successor version that is substantively comparable and not materially more onerous to comply with, any regulations promulgated thereunder, any official interpretations thereof, any intergovernmental agreement between a non-U.S. jurisdiction and the United States (or any related law or administrative practices or procedures) implementing the foregoing or any agreements entered into pursuant to current Section 1471(b)(1) of the Code (or any amended or successor version described above); or

(9) any combination of clauses (1) through (8) above.

In addition to the foregoing, the Issuer and the Guarantors will also pay and indemnify the holder for any present or future stamp, issue, registration, value added, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and additions to tax related thereto) which are levied by any jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, the Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee (limited, solely in the case of Taxes attributable to the receipt of any payments, to any such Taxes imposed in a Tax Jurisdiction that are not excluded under clauses (1) through (3) or (5) through (9) above or any combination thereof).

(b) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary.

(c) The Issuer or the relevant Guarantor, if it is the applicable withholding agent, will make all withholdings and deductions (within the time period) required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor will furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments by such entity.

(d) Whenever in the Indenture or this Note there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) The preceding obligations will survive any termination, defeasance or discharge of the Indenture, any transfer by a holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer (or any Guarantor) is incorporated, engaged in business, organized or resident for tax purposes, or any jurisdiction from or through which payment is made under or with respect to the Notes (or any Note Guarantee) by or on behalf of such Person and, in each case, any political subdivision thereof or therein.

3. Method of Payment

The Issuer shall pay interest on this Note (except defaulted interest) to the Holder at the close of business on the Record Date for the next Interest Payment Date even if this Note is cancelled after the Record Date and on or before the Interest Payment Date. The Issuer shall pay principal and interest in dollars in immediately available funds that at the time of payment is legal tender for payment of public and private debts; *provided* that payment of interest may be made at the option of the Issuer by check mailed to the Holder.

The amount of payments in respect of interest on each Interest Payment Date shall correspond to the aggregate principal amount of Notes represented by this Note, as established by the Registrar at the close of business on the relevant Record Date. Payments of principal shall be made upon surrender of this Note to the Paying Agent.

4. Paying Agent and Registrar

Initially, The Bank of New York Mellon Trust Company, N.A. or one of its affiliates will act as Principal Paying Agent and Registrar. The Issuer or any of its Affiliates may act as Paying Agent, Registrar or co-Registrar.

5. Indenture

The Issuer issued this Note under an indenture dated as of May 19, 2020 (as amended, supplemented or otherwise modified from time to time, the “Indenture”), among, *inter alios*, the Issuer, the Guarantors and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”) and as Principal Paying Agent, Transfer Agent, Registrar and Security Agent. The terms of this Note include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

6. Optional Redemption

(a) At any time prior to March 1, 2023 (the “Par Call Date”), the Issuer may on any one or more occasions redeem all or a part of the 2023 Notes, upon giving not less than 10 nor more than 60 days’ prior written notice to Holders, at a redemption price equal to 100.0% of the principal amount of the 2023 Notes to be redeemed, plus the Applicable Premium (as calculated by the Issuer) as of, and accrued and unpaid interest and Additional Amounts, if any, to, but excluding, the applicable date of redemption, subject to the rights of Holders of the 2023 Notes on the relevant Record Date to receive interest due on the relevant Interest Payment Date occurring on or prior to the redemption date.

(b) At any time on or after the Par Call Date, the 2023 Notes will be redeemable, in whole or in part, at the Issuer's option and at any time or from time to time, upon giving not less than 10 nor more than 60 days' notice, at a redemption price equal to 100% of the principal amount of the 2023 Notes to be redeemed and accrued and unpaid interest and Additional Amounts, if any, to, but excluding, the date of redemption, subject to the rights of Holders of the 2023 Notes on the relevant Record Date to receive interest due on the relevant Interest Payment Date occurring on or prior to the redemption date.

"Applicable Premium" means in connection with the optional redemption of any Note, as determined by the Company, the greater of:

(1) 1.00% of the then outstanding principal amount of the Note; and

(2) the excess of: (a) the present value at such redemption date of (i) the redemption price of the Note at Par Call Date plus (ii) all required interest payments due on the Note through Par Call Date (excluding accrued but unpaid interest to the redemption date, if any), computed using a discount rate equal to the Adjusted Treasury Rate as of such redemption date; over (b) the outstanding principal amount of the Note.

For the avoidance of doubt, calculation of the Applicable Premium shall not be an obligation or duty of the Trustee or the Registrar or any Paying Agent.

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

7. Redemption for Changes in Taxes

The Issuer may redeem the 2023 Notes, in whole but not in part, at its discretion at any time upon giving not less than 10 nor more than 60 days' prior written notice to the Holders of the 2023 Notes (which notice shall be irrevocable and given in accordance with the procedures set forth under Section 3.04 of the Indenture), at a Redemption Price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Issuer for redemption (a "Tax Redemption Date") and all Additional Amounts (if any) then due or which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders of the 2023 Notes on the relevant Record Date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the 2023 Notes or Note Guarantees, the Issuer or any Guarantor is or would be required to pay Additional Amounts (but, in the case of a Guarantor, only if the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor without the obligation to pay Additional Amounts), and the Issuer or the relevant Guarantor cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Issuer or any Guarantor), and the requirement arises as a result of: (1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the relevant Tax Jurisdiction which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date); or (2) any change in, or amendment to, the official application, administration or interpretation of such laws, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date) (each of the foregoing clauses (1) and (2), a "Change in Tax Law").

The Issuer shall not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obligated to make such payment or Additional Amounts if a payment in respect of the 2023 Notes or Note Guarantees were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the delivery of any notice of redemption of the 2023 Notes pursuant to the foregoing, the Issuer shall deliver the Trustee an opinion of independent tax counsel of recognized standing qualified under the laws of the relevant Tax Jurisdiction (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been a Change in Tax Law which would entitle the Issuer to redeem the 2023 Notes hereunder. In addition, before the Issuer delivers notice of redemption of the 2023 Notes as described above, it shall deliver to the Trustee an Officer's Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer or the relevant Guarantor taking reasonable measures available to it.

The Trustee will accept and shall be entitled to rely on such Officer's Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions as described above, in which event it will be conclusive and binding on all of the Holders.

The foregoing provisions of this paragraph 7 will apply, *mutatis mutandis*, to any successor of the Issuer (or any Guarantor) with respect to a Change in Tax Law occurring after the time such Person becomes successor to the Issuer (or any Guarantor).

8. [Reserved]

11. Unclaimed Money

All moneys paid by the Issuer or the Guarantors to the Trustee or a Paying Agent for the payment of the principal of, or premium, if any, or interest on, this Note or any other Note that remain unclaimed at the end of two years after such principal, premium or interest has become due and payable may be repaid to the Issuer or the Guarantors, subject to applicable law, and the Holder of such Note thereafter may look only to the Issuer or the Guarantors for payment thereof.

12. Discharge and Defeasance

The Notes shall be subject to defeasance, satisfaction and discharge as provided in Article Eight of the Indenture.

16. Trustee and Security Agent Dealings with the Issuer

The Trustee and the Security Agent under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer, the Guarantors or any of their Affiliates with the same rights it would have if it were not Trustee or the Security Agent. Any Paying Agent, Registrar, co- Registrar or co-Paying Agent may do the same with like rights.

17. No Recourse Against Others

A director, officer, employee, incorporator, member or shareholder, as such, of the Issuer or the Guarantors shall not have any liability for any obligations of the Issuer or the Guarantors under this Note, the other Notes, the Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting a Note, each Holder shall waive and release all such liability. The waiver and release are part of the consideration for issuance of the Notes.

[FORM OF REVERSE SIDE OF NOTE]
11.500% Senior Secured Note due 2025

1. Interest

Royal Caribbean Cruises Ltd., a corporation incorporated and existing under the laws of Liberia (together with its successors and assigns under the Indenture, the “Issuer”), for value received, promises to pay interest on the principal amount of this Note from May 19, 2020 at the rate per annum shown above. Interest will be computed on the basis of a 360-day year of twelve 30-day months. The Issuer shall pay interest on overdue principal at the interest rate borne by the Notes compounded semi-annually, and interest on overdue principal and interest, including Additional Amounts, if any, will accrue at a rate that is 2.0% higher than the interest rate on the Notes. Any interest paid on this Note shall be increased to the extent necessary to pay Additional Amounts as set forth in this Note.

2. Additional Amounts

(a) All payments made by or on behalf of the Issuer or any of the Guarantors (including, in each case, any successor entity) under or with respect to the Notes or any Note Guarantee shall be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If the Issuer, any Guarantor or any other applicable withholding agent is required by law to withhold or deduct any amount for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction (other than the United States) in which the Issuer or any Guarantor is or was incorporated, engaged in business, organized or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which any payment is made by or on behalf of the Issuer or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision thereof or therein (each of (1) and (2), a “Tax Jurisdiction”) in respect of any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Guarantor, as applicable, shall pay such additional amounts (the “Additional Amounts”) as may be necessary in order that the net amounts received and retained in respect of such payments by each beneficial owner of Notes after such withholding or deduction shall equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however*, that no Additional Amounts shall be payable with respect to:

(1) any Taxes, to the extent such Taxes would not have been imposed but for the holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant holder, if the relevant holder is an estate, trust, nominee, partnership, limited liability company or corporation) being or having been a citizen or resident or national of, or incorporated, engaged in a trade or business in, being or having been physically present in or having a permanent establishment in, the relevant Tax Jurisdiction or having or having had any other present or former connection with the relevant Tax Jurisdiction, other than any connection arising solely from the acquisition, ownership or disposition of Notes, the exercise or enforcement of rights under such Note, the Indenture or a Note Guarantee, or the receipt of payments in respect of such Note or a Note Guarantee;

- (2) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the holder (except to the extent that the holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);
- (3) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes;
- (4) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or any Note Guarantee;
- (5) any Taxes to the extent such Taxes would not have been imposed or withheld but for the failure of the holder or beneficial owner of the Notes, following the Issuer's reasonable written request addressed to the holder at least 60 days before any such withholding or deduction would be imposed, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the holder or beneficial owner is legally eligible to provide such certification or documentation;
- (6) any Taxes imposed in connection with a Note presented for payment (where presentation is permitted or required for payment) by or on behalf of a holder or beneficial owner of the Notes to the extent such Taxes could have been avoided by presenting the relevant Note to, or otherwise accepting payment from, another Paying Agent;
- (7) any Taxes imposed on or with respect to any payment by the Issuer or any of the Guarantors to the holder of the Notes if such holder is a fiduciary or partnership or any person other than the sole beneficial owner of such payment to the extent that such Taxes would not have been imposed on such payments had such holder been the sole beneficial owner of such Note;
- (8) any Taxes that are imposed pursuant to current Section 1471 through 1474 of the Internal Revenue Code of 1986, as amended (the "Code") or any amended or successor version that is substantively comparable and not materially more onerous to comply with, any regulations promulgated thereunder, any official interpretations thereof, any intergovernmental agreement between a non-U.S. jurisdiction and the United States (or any related law or administrative practices or procedures) implementing the foregoing or any agreements entered into pursuant to current Section 1471(b)(1) of the Code (or any amended or successor version described above); or

(9) any combination of clauses (1) through (8) above.

In addition to the foregoing, the Issuer and the Guarantors will also pay and indemnify the holder for any present or future stamp, issue, registration, value added, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and additions to tax related thereto) which are levied by any jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, the Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee (limited, solely in the case of Taxes attributable to the receipt of any payments, to any such Taxes imposed in a Tax Jurisdiction that are not excluded under clauses (1) through (3) or (5) through (9) above or any combination thereof).

(b) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary.

(c) The Issuer or the relevant Guarantor, if it is the applicable withholding agent, will make all withholdings and deductions (within the time period) required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor will furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments by such entity.

(d) Whenever in the Indenture or this Note there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(c) The preceding obligations will survive any termination, defeasance or discharge of the Indenture, any transfer by a holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer (or any Guarantor) is incorporated, engaged in business, organized or resident for tax purposes, or any jurisdiction from or through which payment is made under or with respect to the Notes (or any Note Guarantee) by or on behalf of such Person and, in each case, any political subdivision thereof or therein.

3. Method of Payment

The Issuer shall pay interest on this Note (except defaulted interest) to the Holder at the close of business on the Record Date for the next Interest Payment Date even if this Note is cancelled after the Record Date and on or before the Interest Payment Date. The Issuer shall pay principal and interest in dollars in immediately available funds that at the time of payment is legal tender for payment of public and private debts; *provided* that payment of interest may be made at the option of the Issuer by check mailed to the Holder.

The amount of payments in respect of interest on each Interest Payment Date shall correspond to the aggregate principal amount of Notes represented by this Note, as established by the Registrar at the close of business on the relevant Record Date. Payments of principal shall be made upon surrender of this Note to the Paying Agent.

4. Paying Agent and Registrar

Initially, The Bank of New York Mellon Trust Company, N.A. or one of its affiliates will act as Principal Paying Agent and Registrar. The Issuer or any of its Affiliates may act as Paying Agent, Registrar or co-Registrar.

5. Indenture

The Issuer issued this Note under an indenture dated as of May 19, 2020 (as amended, supplemented or otherwise modified from time to time, the “Indenture”), among, *inter alios*, the Issuer, the Guarantors and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”) and as Principal Paying Agent, Transfer Agent, Registrar and Security Agent. The terms of this Note include those stated in the Indenture. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

6. Optional Redemption

(a) At any time on or after June 1, 2022, the Issuer may redeem on any one or more occasions all or a part of the 2025 Notes upon not less than 10 nor more than 60 days’ prior written notice, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest thereon, including any Additional Amounts, if any, to, but excluding, the applicable redemption date (subject to the rights of Holders of the 2025 Notes on the relevant Record Date to receive interest due on the relevant Interest Payment Date occurring on prior to the redemption date), if redeemed during the twelve-month period beginning on June 1 of the years indicated below:

Year	Redemption Price

2024 and thereafter	100.000%

Prior to June 1, 2022, the Issuer may redeem all or a part of the 2025 Notes upon giving not less than 10 nor more than 60 days' prior written notice to Holders, at a redemption price equal to 100.0% of the principal amount of the 2025 Notes to be redeemed, plus the Applicable Premium (as calculated by the Issuer) as of, and accrued and unpaid interest and Additional Amounts, if any, to, but excluding, the applicable redemption date (subject to the rights of Holders of the 2025 Notes on the relevant Record Date to receive interest due on the relevant Interest Payment Date occurring on or prior to the redemption date).

At any time and from time to time prior to June 1, 2022, the Issuer may redeem the 2025 Notes with the net cash proceeds received by the Issuer from any Equity Offering at a redemption price equal to 111.500% of the principal amount of such 2025 Notes, plus accrued and unpaid interest and Additional Amounts, if any, to, but excluding, the redemption date, in an aggregate principal amount for all such redemptions not to exceed 40% of the aggregate principal amount of the 2025 Notes issued under the Indenture on the Issue Date (together with Additional Notes); provided that

(1) in each case the redemption takes place not later than 180 days after the closing of the related Equity Offering, and

(2) not less than 60% of the aggregate principal amount of the then-outstanding 2025 Notes issued under the Indenture remains outstanding immediately thereafter (including Additional Notes that are 2025 Notes but excluding 2025 Notes held by the Issuer or any of its Restricted Subsidiaries), unless all such 2025 Notes are redeemed substantially concurrently.

"Applicable Premium" means in connection with the optional redemption of any Note, as determined by the Company, the greater of:

(1) 1.00% of the then outstanding principal amount of the Note; and

(2) the excess of: (a) the present value at such redemption date of (i) the redemption price of the Note at June 1, 2022 (such redemption price being set forth in the table above) plus (ii) all required interest payments due on the Note through June 1, 2022 (excluding accrued but unpaid interest to the redemption date, if any), computed using a discount rate equal to the Adjusted Treasury Rate as of such redemption date; over (b) the outstanding principal amount of the Note.

For the avoidance of doubt, calculation of the Applicable Premium shall not be an obligation or duty of the Trustee or the Registrar or any Paying Agent.

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

7. Redemption for Changes in Taxes

The Issuer may redeem the 2025 Notes, in whole but not in part, at its discretion at any time upon giving not less than 10 nor more than 60 days' prior written notice to the Holders of the 2025 Notes (which notice shall be irrevocable and given in accordance with the procedures set forth under Section 3.04 of the Indenture), at a Redemption Price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to the date fixed by the Issuer for redemption (a "Tax Redemption Date") and all Additional Amounts (if any) then due or which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders of the 2025 Notes on the relevant Record Date to receive interest due on the relevant Interest Payment Date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the 2025 Notes or Note Guarantees, the Issuer or any Guarantor is or would be required to pay Additional Amounts (but, in the case of a Guarantor, only if the payment giving rise to such requirement cannot be made by the Issuer or another Guarantor without the obligation to pay Additional Amounts), and the Issuer or the relevant Guarantor cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Issuer or any Guarantor), and the requirement arises as a result of: (1) any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the relevant Tax Jurisdiction which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date); or (2) any change in, or amendment to, the official application, administration or interpretation of such laws, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change or amendment is announced and becomes effective after the date of the Offering Memorandum (or if the applicable Tax Jurisdiction became a Tax Jurisdiction on a date after the date of the Offering Memorandum, after such later date) (each of the foregoing clauses (1) and (2), a "Change in Tax Law").

The Issuer shall not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer or the relevant Guarantor would be obligated to make such payment or Additional Amounts if a payment in respect of the 2025 Notes or Note Guarantees were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the delivery of any notice of redemption of the 2025 Notes pursuant to the foregoing, the Issuer shall deliver the Trustee an opinion of independent tax counsel of recognized standing qualified under the laws of the relevant Tax Jurisdiction (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been a Change in Tax Law which would entitle the Issuer to redeem the 2025 Notes hereunder. In addition, before the Issuer delivers notice of redemption of the 2025 Notes as described above, it shall deliver to the Trustee an Officer's Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer or the relevant Guarantor taking reasonable measures available to it.

The Trustee will accept and shall be entitled to rely on such Officer's Certificate and opinion of counsel as sufficient evidence of the existence and satisfaction of the conditions as described above, in which event it will be conclusive and binding on all of the Holders.

The foregoing provisions of this paragraph 7 will apply, *mutatis mutandis*, to any successor of the Issuer (or any Guarantor) with respect to a Change in Tax Law occurring after the time such Person becomes successor to the Issuer (or any Guarantor).

8. [Reserved]

9. Repurchase at the Option of Holders

(a) Upon a Change of Control Triggering Event, the Holders shall have the right to require the Company to offer to repurchase the Notes pursuant to Section 4.11 of the Indenture.

10. Denominations

The transfer of Notes (including this Note) may be registered, and Notes (including this Note) may be exchanged, as provided in the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture.

11. Unclaimed Money

All moneys paid by the Issuer or the Guarantors to the Trustee or a Paying Agent for the payment of the principal of, or premium, if any, or interest on, this Note or any other Note that remain unclaimed at the end of two years after such principal, premium or interest has become due and payable may be repaid to the Issuer or the Guarantors, subject to applicable law, and the Holder of such Note thereafter may look only to the Issuer or the Guarantors for payment thereof.

12. Discharge and Defeasance

The Notes shall be subject to defeasance, satisfaction and discharge as provided in Article Eight of the Indenture.

13. Amendment, Supplement and Waiver

The Notes, the Note Guarantees, the Indenture and the Security Documents may be amended or modified as provided in Article Nine of the Indenture.

16. Trustee and Security Agent Dealings with the Issuer

The Trustee and the Security Agent under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Issuer, the Guarantors or any of their Affiliates with the same rights it would have if it were not Trustee or the Security Agent. Any Paying Agent, Registrar, co- Registrar or co-Paying Agent may do the same with like rights.

17. No Recourse Against Others

A director, officer, employee, incorporator, member or shareholder, as such, of the Issuer or the Guarantors shall not have any liability for any obligations of the Issuer or the Guarantors under this Note, the other Notes, the Note Guarantees or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. By accepting a Note, each Holder shall waive and release all such liability. The waiver and release are part of the consideration for issuance of the Notes.

18. Authentication

This Note shall not be valid until an authorized officer of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

20. ISIN and/or CUSIP Numbers

The Issuer may cause ISIN and/or CUSIP numbers to be printed on the Notes, and if so the Trustee shall use ISIN and/or CUSIP numbers in notices of redemption as a convenience to Holders.
