Additional Selling Restrictions

1 European Union

The following applies in addition to the restrictions set forth in 'Subscription and Sale' in the Offering Circular.

The offer and marketing of any Tranche of Notes will be conducted in the European Union ("EU") only in the United Kingdom, France, Germany and the Netherlands (the "**Approved Jurisdictions**") and will not be conducted in any other EU member state. If a potential investor in the EU is not in an Approved Jurisdiction it should not participate in the relevant offering and the relevant Notes may not, and will not, be offered or marketed to it.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended, from 1 January 2018, to be offered, sold or otherwise made available to and, with effect from such date, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (EEA). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (**MiFID II**); (ii) a customer within the meaning of Directive 2002/92/EC, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive. Consequently no key information document required by Regulation (EU) No 1286/2014 (the **PRIIPs Regulation**) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

2 Switzerland

The following applies in addition to the restrictions set forth in 'Subscription and Sale' in the Offering Circular.

The Notes may not be publicly offered, distributed, or advertised, directly or indirectly, in or from Switzerland. Neither this Pricing Supplement nor the Offering Circular or any other offering or marketing material relating to the Notes may be distributed or otherwise made available in Switzerland in any way that could constitute a public offering within the meaning of Articles 652a or 1156 of the Swiss Code of Obligations (the "**Code**") or a distribution within the meaning of Article 3 of the Swiss Federal Act on Collective Investment Schemes ("**CISA**"). This Pricing Supplement, the Offering Circular or any other offering or marketing material relating to the Notes may only be made available in or from Switzerland to regulated financial intermediaries as defined in Article 10(3)(a) or (b) of the CISA, i.e. banks, securities dealers, fund management companies, asset managers of collective investment schemes, central banks and insurance companies. This Pricing Supplement, the Offering Circular or any other offering or marketing material relating to the Notes may not be copied, reproduced, distributed or passed on to third parties without the Managers' prior written consent.

The Notes will not be listed on the SIX Swiss Exchange ("SIX") or any other stock exchange or regulated trading facility in Switzerland and neither this Pricing Supplement nor the Offering Circular constitute a prospectus within the meaning of Articles 652a and 1156 of the Code or a listing prospectus within the meaning of Article 27 of the Listing Rules of the SIX, or the listing rules of any other stock exchange or regulated trading facility in Switzerland, and may not comply with the information standards required thereunder. The Notes have not been approved by the Swiss Financial Market Supervisory Authority FINMA ("**FINMA**") and investors in the Notes will not benefit from protection under the CISA or supervision by FINMA.

3 United States of America

The following applies in place of the restrictions set forth in 'Subscription and Sale — United States of America' in the Offering Circular.

Neither the Notes nor the Guarantees have been, nor will they be, registered under the US Securities Act of 1933, as amended (the "**Securities Act**"). Furthermore, Lendlease (US) Capital, Inc. has not been registered as an "investment company" under the US Investment Company Act of 1940. Accordingly, the Notes may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as such term is defined in Rule 902(k) of Regulation S under the Securities Act) ("U.S. persons"). Each Dealer represents, warrants and agrees, that it has offered and sold, and shall offer and sell, the Notes only in "offshore transactions" (as defined in Regulation S under the Securities Act) to persons that are not U.S. persons in accordance with Rule 903 of Regulation S under the Securities Act. Accordingly, each Dealer, its affiliates or any persons acting on its or their behalf have not engaged and will not engage in any directed selling efforts with respect to the Notes, and it and they have complied and shall comply with the offering restrictions requirement of Regulation S. Each Dealer agrees to notify the Joint Lead Managers when it has completed the distribution of its portion of the Notes so that the Joint Lead Managers may determine the completion of the distribution of all Notes of that tranche and notify the other Dealers of the end of the distribution compliance period. Each Dealer also agrees that, at or prior to confirmation of sale of the Notes, it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases Notes from it during the distribution compliance period a confirmation or notice to substantially the following effect:

"The Securities covered hereby have not been registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the completion of the distribution of an identifiable tranche of Notes of which such Notes are a part, except in either case in "offshore transactions" (as defined in Regulation S under the Securities Act) to persons that are not U.S. persons in accordance with Rule 903 of Regulation S under the Securities Act.

Terms used above have the meaning given to them by Regulation S under the Securities Act."

Each Dealer also represents, warrants and agrees, that it has not entered and it will not enter into any contractual arrangement with any distributor (as such term is defined in Regulation S) with respect to the distribution or delivery of the Notes, except with its affiliates or with the prior written consent of the Issuer and the Principal Guarantors.

Terms used in this section have the meanings given to them by Regulation S under the Securities Act.

Singapore Taxation

The statements below are general in nature and are based on certain aspects of current tax laws in Singapore and administrative guidelines and circulars issued by the Inland Revenue Authority of Singapore and the Monetary Authority of Singapore ("MAS") in force as at 20 April 2017 and are subject to any changes in such laws, administrative guidelines or circulars, or the interpretation of those laws, guidelines or circulars, occurring after such date, which changes could be made on a retroactive basis. These laws, guidelines and circulars are also subject to various interpretations and the relevant tax authorities or the courts could later disagree with the explanations or conclusions set out below. Neither these statements nor any other statements in this tax disclosure are intended or are to be regarded as advice on the tax position of any holder of the Notes or of any person acquiring, selling or otherwise dealing with the Notes or on any tax implications arising from the acquisition, sale or other dealings in respect of the Notes. The statements made herein do not purport to be a comprehensive or exhaustive description of all the tax considerations that may be relevant to a decision to subscribe for, purchase, own or dispose of the Notes and do not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or financial institutions in Singapore which have been granted the relevant Financial Sector Incentive(s)) may be subject to special rules or tax rates. Prospective holders of the Notes are advised to consult their own professional tax advisers as to the Singapore or other tax consequences of the acquisition, ownership of or disposal of the Notes, including, in

particular, the effect of any foreign, state or local tax laws to which they are subject. It is emphasised that none of the Issuer, the Joint Lead Managers, the Dealers and any other persons involved in the Programme accepts responsibility for any tax effects or liabilities resulting from the subscription for, purchase, holding or disposal of the Notes.

1. Interest and Other Payments

Interest, discount income, "prepayment fee", "redemption premium" and "break cost" (references in this tax disclosure to the terms in quotation marks as defined in the Income Tax Act, Chapter 134 of Singapore (the "**Singapore Income Tax Act**") derived by a holder of the Notes who is not resident in Singapore and who does not have any permanent establishment in Singapore is not subject to tax, as such income is likely to be regarded as arising from a source outside Singapore. If, however, such income should be regarded as being sourced in Singapore, they can nonetheless be exempt from tax, including withholding of tax, if the Notes qualify as "qualifying debt securities" for the purposes of the Singapore Income Tax Act as discussed below.

Subject to the following paragraphs, under Section 12(6) of the Singapore Income Tax Act, the following payments are deemed to be derived from Singapore:

- (a) any interest, commission, fee or any other payment in connection with any loan or indebtedness or with any arrangement, management, guarantee, or service relating to any loan or indebtedness which is:
 - (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore or any immovable property situated outside Singapore) or
 - (ii) deductible against any income accruing in or derived from Singapore; or
- (b) any income derived from loans where the funds provided by such loans are brought into or used in Singapore.

Such payments, where made to a person not known to the paying party to be a resident in Singapore for tax purposes, are generally subject to withholding tax in Singapore. The rate at which tax is to be withheld for such payments (other than those subject to the 15 per cent. final withholding tax described below) to non-resident persons (other than non-resident individuals) is currently 17 per cent. The applicable rate for non-resident individuals is currently 22 per cent. However, if the payment is derived by a person not resident in Singapore from sources otherwise than from its trade, business, profession or vocation carried on or exercised by such person in Singapore and is not effectively connected with any permanent establishment in Singapore of that person, the payment is subject to a final withholding tax of 15 per cent. The rate of 15 per cent. may be reduced by applicable tax treaties.

However, certain Singapore-sourced investment income derived by individuals from financial instruments is exempt from tax, including:

- (a) interest from debt securities derived on or after 1 January 2004;
- (b) discount income (not including discount income arising from secondary trading) from debt securities derived on or after 17 February 2006; and
- (c) prepayment fee, redemption premium and break cost from debt securities derived on or after 15 February 2007,

except where such income is derived through a partnership in Singapore or is derived from the carrying on of a trade, business or profession.

In addition, where more than half of the Notes issued under a tranche of the Programme are distributed by Financial Sector Incentive (Capital Market) Companies, Financial Sector Incentive (Standard Tier) Companies or Financial Sector Incentive (Bond Market) Companies (each as defined in the Singapore Income Tax Act), such tranche of Notes (the “**Relevant Notes**”) issued as debt securities under the Programme during the period from 20 April 2017 to (and including) 31 December 2018 would be “qualifying debt securities” pursuant to the Singapore Income Tax Act, the Singapore Income Tax (Qualifying Debt Securities) Regulations and the MAS Circular FSD Cir 02/2013 entitled “Extension and Refinement of Tax Concessions for Promoting the Debt Market” issued by the MAS on 28 June 2013 (the “**MAS Circular**”), to which the following treatments shall apply:

- (i) subject to certain prescribed conditions having been fulfilled (including the furnishing of a return on debt securities in respect of the Relevant Notes in the prescribed format within such period as the relevant authorities may *specify* and such other particulars in connection with the Relevant Notes as the relevant authorities may require to the MAS and such other relevant authorities as may be prescribed, and the inclusion by the Issuer in all offering documents relating to the Relevant Notes of a statement to the effect that where interest, discount income, prepayment fee, redemption premium or break cost from the Relevant Notes is derived by a person who is not resident in Singapore and who carries on any operation in Singapore through a permanent establishment in Singapore, the tax exemption for qualifying debt securities shall not apply if the non-resident person acquires the Relevant Notes using funds from that person’s operations through the Singapore permanent establishment), interest, discount income (not including discount income arising from secondary trading), prepayment fee, redemption premium and break cost (collectively, the “**Specified Income**”) from the Relevant Notes, derived by a holder who is not resident in Singapore and who (aa) does not have any permanent establishment in Singapore or (bb) carries on any operation in Singapore through a permanent establishment in Singapore but the funds used by that person to acquire the Relevant Notes are not obtained from such person’s operation through a permanent establishment in Singapore, are exempt from Singapore tax;
- (ii) subject to certain conditions having been fulfilled (including the furnishing of a return on debt securities in respect of the Relevant Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Relevant Notes as the relevant authorities may require to the MAS and such other relevant authorities as may be prescribed), Specified Income from the Relevant Notes derived by any company or body of persons (as defined in the Singapore Income Tax Act) in Singapore is subject to income tax at a concessionary rate of 10 per cent.; and
- (iii) subject to:
 - (aa) the Issuer including in all offering documents relating to the Relevant Notes a statement to the effect that any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Relevant Notes is not exempt from tax shall include such income in a return of income made under the Singapore Income Tax Act; and
 - (bb) the furnishing to the MAS and such other relevant authorities as may be prescribed of a return on debt securities in respect of the Relevant Notes in the prescribed format within such period as the

relevant authorities may specify and such other particulars in connection with the Relevant Notes as the relevant authorities may require,

payments of Specified Income derived from the Relevant Notes are not subject to withholding of tax by the Issuer.

However, notwithstanding the foregoing:

- (A) if during the primary launch of any tranche of the Relevant Notes, the Relevant Notes of such tranche are issued to less than four persons and 50 per cent., or more of the issue of such Relevant Notes is beneficially held or funded, directly or indirectly, by related parties of the Issuer, such Relevant Notes would not qualify as “qualifying debt securities”; and
- (B) even though a particular tranche of Relevant Notes are “qualifying debt securities”, if, at any time during the tenure of such tranche of Relevant Notes, 50 per cent., or more of the Relevant Notes which are outstanding at any time during the life of the issue is held beneficially or funded, directly or indirectly, by any related party(ies) of the Issuer, Specified Income derived from such Relevant Notes held by:
 - (i) any related party of the Issuer; or
 - (ii) any other person where the funds used by such person to acquire such Relevant Notes are obtained, directly or indirectly, from any related party of the Issuer,

shall not be eligible for the tax exemption or concessionary rate of tax as described above.

The term “**related party**”, in relation to a person, means any other person who, directly or indirectly, controls that person, or is controlled, directly or indirectly, by that person, or where he and that other person, directly or indirectly, are under the control of a common person.

The terms “**break cost**”, “**prepayment fee**” and “**redemption premium**” are defined in the Singapore Income Tax Act as follows:

“**break cost**”, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by any loss or liability incurred by the holder of the securities in connection with such redemption;

“**prepayment fee**”, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by the terms of the issuance of the securities; and

“**redemption premium**”, in relation to debt securities and qualifying debt securities, means any premium payable by the issuer of the securities on the redemption of the securities upon their maturity.

References to “break cost”, “prepayment fee” and “redemption premium” in this Singapore tax disclosure have the same meaning as defined in the Singapore Income Tax Act.

Where interest, discount income, prepayment fee, redemption premium and break cost (i.e. the Specified Income) is derived from any of the Relevant Notes by any

person who is not resident in Singapore and who carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption available for qualifying debt securities under the Singapore Income Tax Act (as mentioned above) shall not apply if such person acquires such Relevant Notes using funds and profits of such person's operations through a permanent establishment in Singapore.

Notwithstanding that the Issuer is permitted to make payments of Specified Income in respect of the Relevant Notes without deduction or withholding for tax under Section 45 or Section 45A of the Singapore Income Tax Act, any person whose interest, discount income, break cost, prepayment fee and redemption premium derived from the Relevant Notes is not exempt from tax is required to include such income in a return of income made under the Singapore Income Tax Act.

Under the Qualifying Debt Securities Plus Scheme ("**QDS Plus Scheme**"), subject to certain conditions having been fulfilled (including the furnishing by the issuer, or such other person as the MAS may direct, to the MAS of a return on debt securities in respect of the QDS in the prescribed format within such period as the MAS may specify and such other particulars in connection with the QDS as the MAS may require), income tax exemption is granted on Specified Income derived by any investor from QDS (excluding Singapore Government Securities) which:

- (a) are issued during the period from 16 February 2008 to 31 December 2018;
- (b) have an original maturity of not less than 10 years;
- (c) cannot have their tenure shortened to less than 10 years from the date of their issue, except where –
 - (i) the shortening of the tenure is a result of any early termination pursuant to certain specified early termination clauses prescribed in the regulations which the issuer included in any offering document for such QDS; and
 - (ii) the QDS do not contain any call, put, conversion, exchange or similar option that can be triggered at specified dates or at specified prices which have been priced into the value of the QDS at the time of their issue; and
- (d) cannot be re-opened with a resulting tenure of less than 10 years to the original maturity date.

However, even if a particular tranche of the Relevant Notes are QDS which qualify under the QDS Plus Scheme, if, at any time during the tenure of such tranche of Relevant Notes, 50% or more of such Relevant Notes which are outstanding at any time during the life of their issue is beneficially held or funded, directly or indirectly, by any related party(ies) of the Issuer, Specified Income from such Relevant Notes derived by:

- (i) any related party of the Issuer; or
- (ii) any other person where the funds used by such person to acquire such Relevant Notes are obtained, directly or indirectly, from any related part of the Issuer,

shall not be eligible for the tax exemption under the QDS Plus Scheme as described above.

2. Capital Gains

Any gains considered to be in the nature of capital made from the sale of the Notes will not be taxable in Singapore. However, any gains derived by any person from the sale of the Notes which are gains from any trade, business, profession or vocation carried on by that person, if accruing in or derived from Singapore, may be taxable as such gains are considered revenue in nature.

Holders of the Notes who apply or are required to apply Singapore Financial Reporting Standard 39 ("**FRS 39**") may for Singapore income tax purposes be required to recognise gains or losses (not being gains or losses in the nature of capital) on the Notes, irrespective of disposal, in accordance with FRS 39. Please see the section below on "Adoption of FRS 39 treatment for Singapore income tax purposes".

3. Adoption of FRS 39 Treatment for Singapore income tax purposes

The Inland Revenue Authority of Singapore has issued a circular entitled "Income Tax Implications Arising from the Adoption of FRS 39 - Financial Instruments: Recognition and Measurement" (the "**FRS 39 Circular**"). The Singapore Income Tax Act has since been amended to give effect to the FRS 39 Circular.

The FRS 39 Circular generally applies, subject to certain "opt-out" provisions, to taxpayers who are required to comply with FRS 39 for financial reporting purposes.

Holders of the Notes who may be subject to the tax treatment under the FRS 39 Circular should consult their own accounting and tax advisers regarding the Singapore income tax consequences of their acquisition, holding or disposal of the Notes.

The Accounting Standards Council has issued a new financial reporting standard for financial instruments, FRS 109 – Financial Instruments, which will become mandatorily effective for annual periods beginning on or after 1 January 2018. The Inland Revenue Authority of Singapore has issued a consultation paper "Proposed Income Tax Treatment Arising from the Adoption of FRS 109 – Financial Instruments" on 1 July 2016 and the closing date for submission of comments was 1 August 2016. Holders and prospective holders of the Notes should consult their own accounting and tax advisers on the proposed tax treatment to understand the implications and consequences that may be applicable to them.

4. Estate Duty

Singapore estate duty has been abolished with respect to all deaths occurring on or after 15 February 2008.
