This document is for distribution to Professional Investors only. Investors should not purchase the debt instruments (the "Instruments") in the primary or secondary markets unless they are Professional Investors and understand the risks involved. The Instruments are only suitable for Professional Investors.

The Hong Kong Stock Exchange has not reviewed the contents of this document, other than to ensure that the prescribed form disclaimer and responsibility statements, and a statement limiting distribution of this document to Professional Investors only have been reproduced in this document. Listing of the Programme and the Instruments on the Hong Kong Stock Exchange is not to be taken as an indication of the commercial merits or credit quality of the Programme, the Instruments or the Issuer and the Guarantor or quality of disclosure in this document. Hong Kong Exchanges and Clearing Limited and the Hong Kong Stock Exchange take no responsibility for the contents of this document, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this document.

This document includes particulars given in compliance with the Rules Governing the Listing of Securities on the Hong Kong Stock Exchange for the purpose of giving information with regard to the Issuer and the Guarantor. The Issuer and the Guarantor accept full responsibility for the accuracy of the information contained in this document and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief there are no other facts the omission of which would make any statement herein misleading.

Notice of the aggregate nominal amount of Instruments issued under the Programme, interest (if any) payable in respect of Instruments, the issue price of Instruments and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under "Terms and Conditions of the Instruments") of Instruments will be set out in a pricing supplement (the "Pricing Supplement") which, with respect to Instruments to be listed on the Hong Kong Stock Exchange, will be delivered to the Hong Kong Stock Exchange, on or before the date of issue of the Instruments of such Tranche. However, unlisted Instruments and Instruments to be listed, traded or quoted on or by any other competent authority, stock exchange or quotation system may be issued pursuant to the Programme. The Instruments and the Guarantee (as defined under "Summary of the Programme") have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act") or with any securities regulatory authority of any state or other jurisdiction of the United States, and may include Instruments in bearer form which are subject to U.S. tax law requirements. Subject to certain exceptions, Instruments may not be offered, sold or, in the case of bearer Instruments, delivered within the United States or to, or for the account or benefit of U.S. persons (as defined in Regulation S under the Securities Act ("Regulation S")). Accordingly, the Instruments and the Guarantee will be offered and sold only (i) outside the United States to non-U.S. persons in reliance on Regulation S and (ii) with respect to Instruments in registered form only, within the United States in reliance on Rule 144A to qualified institutional buyers ("QIBs") (as defined in Rule 144A under the Securities Act ("Rule 144A")). Each of the Issuer and the Guarantor accepts full responsibility for the accuracy of the information contained in this Information Memorandum and confirms, having made all reasonable enquiries, that to the best of its knowledge and belief there are no other facts the omission of which would make any statement herein misleading.

To the fullest extent permitted by law, none of the Dealers, the Arranger, the Issue and Paying Agent or the Registrar or any of their respective affiliates or advisers accepts any responsibility for the contents of this Information Memorandum or for any other statement, made or purported to be made by the Arranger, any of the Dealers, the Issue and Paying Agent or the Registrar or any of their respective affiliates or advisers or on its behalf in connection with the Issuer, the Guarantor, the SHKP Group or the issue and offering of the Instruments. The Arranger, each Dealer, the Issue and Paying Agent and the Registrar and their respective affiliates and advisers accordingly disclaims all and any liability, whether arising in tort or contract or otherwise; which it might otherwise have in respect of this Information Memorandum or any such statement.

None of the Arranger, the Dealers, the Issue and Paying Agent, the Registrar or any of their respective affiliates or advisers undertakes to review the financial condition or affairs of the Issuer, the Guarantor or the SHKP Group for so long as the Instruments remain outstanding nor to advise any investor or potential investor of the Instruments of any information coming to the attention of any of the Arranger, the Dealers, the Issue and Paying Agent, the Registrar or any of their respective affiliates or advisers.

No person has been authorised by the Issuer or SHKP to give any information or to make any representation not contained in or not consistent with this Information Memorandum or any other document entered into in relation to the Programme or any information supplied by the Issuer or SHKP or such other information as is in the public domain and, if given or made, such information or representation should not be relied upon as having been authorised by the Issuer or SHKP or any Dealer.

The Arranger, the Dealers, the Issue and Paying Agent, the Registrar have not independently verified any of the information contained in this Information Memorandum and can give no assurance that this information is accurate, truthful or complete. Accordingly, no representation, warranty or undertaking, express or implied, is made or given by the Arranger, the Dealers, the Issue and Paying Agent, the Registrar or any of their respective affiliates, and neither the Arranger, the Dealers, the Issue and Paying Agent, the Registrar nor any of their respective affiliates makes any representation, warranty or undertaking or accepts any responsibility or liability, as to the accuracy, sufficiency or completeness of the information contained or incorporated in this Information Memorandum or any other information provided by the Issuer or the Guarantor in connection with the Programme, and nothing contained or incorporated in this Information Memorandum is, or shall be relied upon as, a promise, representation or warranty by the Arranger, the Dealers, the Issue and Paying Agent or the Registrar. Neither the delivery of this Information Memorandum or any Pricing Supplement nor the offering, sale or delivery of any Instrument shall, in any circumstances, create any implication that the information contained in this Information Memorandum is true subsequent to the date thereof or the date upon which this Information Memorandum has been most recently amended or supplemented or that there has been no adverse change in the financial situation of the Issuer or SHKP, as the case may be, since the date thereof or, if later, the date upon which this Information Memorandum has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct at any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

Neither this Information Memorandum nor any other information supplied in connection with the Programme or any Instruments (i) is intended to provide the basis of any credit or other evaluation or (ii) should be considered as a recommendation by the Issuer, the Guarantor, the Arranger, any of the Dealers, the Issue and Paying Agent, the Registrar that any recipient of this Information Memorandum should purchase any Instruments. Each potential purchaser of Instruments should determine for itself the relevance of the information contained in this Information Memorandum and its purchase of Instruments should be based upon such investigations with its own tax, legal and business advisers as it deems necessary.

The distribution of this Information Memorandum and any Pricing Supplement and the offering, sale and delivery of the Instruments in certain jurisdictions may be restricted by law. Persons into whose possession this Information Memorandum or any Pricing Supplement comes are required by the Issuer, SHKP and the Dealers to inform themselves about and to observe any such restrictions. For a description of certain restrictions on offers, sales and deliveries of Instruments

and on the distribution of this Information Memorandum or any Pricing Supplement and other offering material relating to the Instruments, see “Transfer Restrictions; United States Considerations” and “Subscription and Sale”.

The Instruments and the Guarantee have not been approved or disapproved by the U.S. Securities and Exchange Commission, any State securities commission in the United States or any other U.S. regulatory authority, nor has any of the foregoing authorities passed upon or endorsed the merits of the offering of the Instruments or Guarantee or the accuracy or adequacy of this Information Memorandum. Any representation to the contrary is a criminal offence in the United States.

There are restrictions on the offer and sale of the Instruments in the United Kingdom. All applicable provisions of the Financial Services and Market Act 2000 (the “FSMA”) with respect to anything done by any person in relation to the Instruments in, from or otherwise involving the United Kingdom must be complied with. See “Subscription and Sale”.

Neither this Information Memorandum nor any Pricing Supplement constitutes an offer or an invitation to subscribe for or purchase any Instruments and should not be considered as a recommendation by the Issuer, SHKP, the Dealers or any of them that any recipient of this Information Memorandum or any Pricing Supplement should subscribe for or purchase any Instruments. Each recipient of this Information Memorandum or any Pricing Supplement shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer and SHKP.

The maximum aggregate principal amount of Instruments outstanding at any one time under the Programme will not exceed U.S.\$7,000,000,000 (and for this purpose, any Instruments denominated in another currency shall be translated into U.S. dollars at the date of the agreement to issue such Instruments calculated in accordance with the provisions of the Dealership Agreement). The maximum aggregate principal amount of Instruments which may be outstanding at any one time under the Programme may be increased from time to time, subject to compliance with the relevant provisions of the Dealership Agreement as defined under “Subscription and Sale”. In the event that the maximum aggregate principal amount of Instruments permitted to be outstanding at any one time under the Programme is to be increased, the Issuer and the Guarantor will prepare or procure the preparation of an amendment or supplement to this Information Memorandum reflecting such increased amount.

This Information Memorandum has been prepared on the basis that any offer of Instruments in any Member State of the European Economic Area which has implemented Regulation (EU) 2017/1129 (the “Prospectus Regulation” and each such Member State, a “Relevant Member State”) will be made pursuant to an exemption under the Prospectus Regulation, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Instruments. Accordingly, any person making or intending to make an offer in that Relevant Member State of Instruments which are the subject of an offering contemplated in this Information Memorandum as completed by pricing supplements in relation to the offer of those Instruments may only do so in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to Article 1(4) and/or 3 of the Prospectus Regulation or any relevant implementing measure of that Relevant Member State or if a prospectus has been published, supplement such prospectus pursuant to Article 23 of the Prospectus Regulation, in each case, in relation to such offer, none of the Issuer, the Guarantor or any Dealer has authorised, nor do any of them authorise, the making of any offer of Instruments in circumstances in which an obligation arises for the Issuer, the Guarantor or any Dealer to publish or supplement a prospectus for such offer.

IMPORTANT — EUROPEAN ECONOMIC AREA RETAIL INVESTORS — If the Pricing Supplement in respect of any Instruments includes a legend entitled “Prohibition of Sales to European Economic Area Retail Investors”, the Instruments are not intended to be offered, sold or otherwise made available to and, with effect from such date, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (“MiFID II”); (ii) a customer within the meaning of Directive (EU) 2016/97 (the “Insurance Distribution Directive”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently no key information document required by Regulation (EU) No 1286/2014 (the “PRIIPs Regulation”) for offering or selling the Instruments or otherwise making them available to retail investors in the European Economic Area has been prepared and therefore offering or selling the Instruments or otherwise making them available to any retail investor in the European Economic Area may be unlawful under the PRIIPs Regulation.

MiFID II product governance/target market — The Pricing Supplement may include a legend entitled “MiFID II Product Governance” which will outline the target market assessment in respect of the Notes and which channels for distribution of the Notes are appropriate. Any person subsequently offering, selling or recommending the Notes (a “distributor”) should take into consideration the target market assessment; however, a distributor subject to MiFID is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the Product Governance rules under EU Delegated Directive 2017/593 (the “MiFID Product Governance Rules”), any Dealer subscribing for any Notes is a manufacturer in respect of such Notes, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

Notification under Section 309B(1)(c) of the Securities and Futures Act (Chapter 289) of Singapore (the “SFA”) — Unless otherwise stated in the Pricing Supplement in respect of any Instruments, the Issuer hereby notifies the relevant persons (as defined in Section 309A of the SFA) that all Instruments issued or to be issued under the Programme shall be prescribed capital markets products (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

Unless otherwise indicated, all references in this Information Memorandum to the “PRC”, “Mainland China”, “Mainland” or “China” are to the People’s Republic of China and, for the purpose of this Information Memorandum only, excluding Hong Kong, the Macau Special Administrative Region of the PRC and Taiwan; all references to “Hong Kong” are to the Hong Kong Special Administrative Region of China.

All references in this Information Memorandum to “HK\$” or “Hong Kong dollars” are to the lawful currency of Hong Kong. All references to “U.S.\$”, “U.S. dollars”, “United States dollars” or “cents” are to the lawful currency of the United States of America. All references to “GBP” or “£” are to the lawful currency of the United Kingdom. All references to “euro” and “€” refer to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended. In addition, all reference to “RMB”, “CNY” and “Renminbi” are to the lawful currency of the PRC.

Certain figures in this Information Memorandum are shown in HK\$ with figures in U.S.\$ in brackets immediately after. The U.S.\$ figures are calculated by converting the HK\$ figures at a rate of HK\$7.8 to U.S.\$1 throughout, this being the approximate current market rate. All translations from HK\$ to U.S.\$ were made for convenience and information purposes only and should not be construed as a representation that the relevant amounts in question have been or could have been converted into U.S.\$ at that particular rate.

Any discrepancies in the tables included herein between the listed amounts and the totals thereof are due to rounding.

DOCUMENTS INCORPORATED BY REFERENCE

The following documents shall be deemed to be incorporated in, and to form part of, this Information Memorandum:

(2) all amendments and supplements to this Information Memorandum prepared by the Issuer and SHKP from time to time,

save that any statement contained in this Information Memorandum or in any of the documents incorporated by reference in, and forming part of, this Information Memorandum shall be deemed to be modified or superseded for the purpose of this Information Memorandum to the extent that a statement contained in any document subsequently incorporated by reference modifies or supersedes such statement.

Save for the most recently published audited consolidated annual financial statements of the Guarantor, together with the audit report thereon (if any) incorporated from time to time in this Information Memorandum, the financial information contained in this Information Memorandum does not constitute the Guarantor's specified financial statements (as defined in the Companies Ordinance (Cap. 622) of Hong Kong) for the financial years ended 30 June 2018 and 2019 but, in respect of financial information relating to a full financial year, is derived from those specified financial statements. The Guarantor has delivered the specified financial statements for the financial years ended 30 June 2018 and 2019 to the Registrar of Companies of Hong Kong. The Guarantor's auditor has issued unqualified reports on the specified financial statements for both years.

Each of the Issuer and SHKP has undertaken, in connection with the listing of the Programme on the Hong Kong Stock Exchange, that it will comply with the HKSE Rules in force from time to time and that it will immediately announce any information which (a) is necessary for investors to appraise its position, (b) is necessary to avoid a false market in its securities or (c) may have a material effect on its ability to meet the obligations under the Instruments to be issued under the Programme.

Note:

- (1) Any unaudited financial statements should not be relied upon to provide the same quality of information associated with information that has been subject to an audit nor taken as an indication of the expected financial condition and results of operations of SHKP's for the relevant full financial year. Potential investors must exercise caution when using such data to evaluate SHKP's financial condition, results of operations and results.

In the event that the maximum aggregate principal amount of Instruments permitted to be outstanding at any one time under the Programme is to be increased, the Issuer and the Guarantor will prepare or procure the preparation of an amendment or supplement to this Information Memorandum reflecting such increased amount.

The Issuer and SHKP will, at the specified offices of the Paying Agents, provide, free of charge, upon oral or written request therefor, a copy of this Information Memorandum (or any document incorporated by reference in this Information Memorandum). Written or oral requests for such documents should be directed to the specified office of any Paying Agent. In addition, such documents will be available free of charge from the specified office of the Paying Agent in Hong Kong for Instruments listed on the Hong Kong Stock Exchange.

RISKS RELATING TO THE SHKP GROUP

The SHKP Group is exposed to economic and real estate market conditions and political and regulatory changes in Hong Kong.

The SHKP Group's core business is the development of premium-quality residential and commercial property projects for sale and investment. A substantial majority of the SHKP Group's property portfolio is located in Hong Kong, and a substantial majority of the SHKP Group's revenue is derived in Hong Kong. As a result, the general state of the Hong Kong economy, the interest rate environment and the political and regulatory situation in Hong Kong have a significant impact on the SHKP Group's operating results and financial condition. Any disruption to Hong Kong's economy, such as an increase in interest rates, periods of significant inflation or deflation, attempts by the Central Government in China to slow economic growth or limit travellers to Hong Kong or events such as the 1997 Asian financial crisis,

outbreaks of severe acute respiratory syndrome, the “Avian Influenza A”/H5N1 virus, the influenza A/H1N1 virus, the global financial crisis, the Eurozone debt crisis, the economic slowdown in the PRC, the potential interest rate increases in the United States, the civil unrest in Hong Kong in 2019 and the volatility of the global equity markets, including the United States, Europe, the PRC and Hong Kong, and the exchange rate of Renminbi against the U.S. dollar may have an adverse impact on the SHKP Group’s business, financial condition, results of operations and prospects. If there is any renewed economic downturn or slowdown in global economic recovery or if the market volatilities persist, there can be no assurance that the Hong Kong economy or the SHKP Group’s business, financial condition, results of operations and prospects will not be adversely affected.

In addition, the government of the Hong Kong Special Administrative Region (the “**Hong Kong Government**”) may introduce cooling measures on the Hong Kong property market from time to time, which may have a significant impact on the supply and demand in the property market. For example, on 26 October 2012 the financial secretary of the Hong Kong Government announced that the Stamp Duty Ordinance would be amended to adjust the rates and to extend the holding period in respect of the Special Stamp Duty (“**SSD**”) imposed by the Stamp Duty (Amendment) Ordinance 2011. Under the adjusted regime, any residential property acquired on or after 27 October 2012, either by an individual or a company (regardless of where it is incorporated), and resold within 36 months, will be subject to the new rates of SSD upon the enactment of the relevant legislation. The financial secretary also announced on 26 October 2012 that a Buyer’s Stamp Duty (“**BSD**”) would be introduced with effect from 27 October 2012 on residential properties acquired by any person (including a company incorporated) except a Hong Kong permanent resident. BSD is to be charged at a flat rate of 15 per cent. on all residential properties, on top of the existing stamp duty and the SSD, if applicable. On 4 November 2016, the Hong Kong Government announced further cooling measures in the form of an increase to stamp duty payable on property transactions to 15 per cent., effective from 5 November 2016 and applying to all residential property acquisitions by individuals or companies with the exception of first time home buyers who are Hong Kong permanent residents. The new 15 per cent. rate replaces the maximum 8.5 per cent. double ad valorem stamp duty on non-first time home purchases by Hong Kong permanent residents that had been in place since February 2013. On 12 April 2017, this increased stamp duty was extended to apply to first-time Hong Kong permanent resident property buyers acquiring multiple properties under a single contract. On 29 June 2018, the Hong Kong government proposed a tax on vacant first-hand private residential units at two times the annual rateable value of the units (the “**Vacancy Tax**”) to encourage developers to release residential units more quickly into the market. Under the proposal, developers of first-hand private residential units with an occupation permit issued for 12 or more months will be required to make annual returns disclosing the occupancy status of their units. Units that have not been occupied or rented out for more than six of the past 12 months will be considered vacant and subject to the Vacancy Tax, which will be collected annually. On 13 September 2019, the Hong Kong government gazetted an amendment bill to implement the proposed Vacancy Tax at the Legislative Council. If implemented, the Vacancy Tax may present a financial burden to the SHKP Group, which may have an adverse effect on its business, operating results and financial condition. On 16 October 2019, the Hong Kong government announced plans to expand the eligibility under the Mortgage Insurance Programme of the Hong Kong Mortgage Corporation Limited. For a first-time home buyer, the cap on the value of property eligible for a mortgage loan with a maximum cover of 90 per cent loan-to-value ratio will be raised from the existing HK\$4 million to HK\$8 million. The cap on the value of property eligible for a mortgage loan with a maximum cover of 80 per cent loan-to-value ratio will also be raised from HK\$6 million to HK\$10 million. As the introduction of these measures are subject to policy changes reflecting domestic political or economic circumstances, there is no assurance that the Hong Kong Government will not introduce further measures in the future that may have a significant impact on the property market, which may in turn affect SHKP Group’s operating results and financial conditions.

Historically Hong Kong property values have been volatile as property values are affected by the supply of, and the demand for, comparable properties, and the amount of new land made available by the Hong Kong Government as well as political and economic developments in the PRC, among other factors. In addition, as leases of Hong Kong commercial properties are usually for a short duration (typically three years) compared to longer terms typical in the United States and other such markets, the SHKP Group's rental income from property experiences more frequent adjustment than would be the case in other real estate markets. Furthermore, rental levels in Hong Kong are subject to fluctuations in supply and demand, including as a result of competition from the new supply of properties. Any decline in property values or rental yields could have an adverse effect on the SHKP Group's business, financial condition or results of operations.

The rising trade tensions between the United States, China and other major nations create uncertainties in the world economy and global financial market. Starting in April 2018, the United States imposed tariffs on various categories of imports from China, and the PRC responded with similarly sized tariffs on United States' products. The rhetoric surrounding the rising trade tensions continues to escalate and neither side has been willing to significantly progress stalled trade negotiations. The amicable resolution of such a trade war remains elusive, and the lasting impacts any trade war may have on the Hong Kong and China economies and the industries we operate in remain uncertain.

Civil unrest could have an adverse impact on SHKP Group's business, financial condition or operating results.

Civil unrest occurring in close proximity to SHKP Group's shopping malls and hotels in various districts in Hong Kong may disrupt SHKP Group's business. Protests, demonstrations or rioting causing mass disruption to businesses and transportation may result in a decrease in consumer spending. Consumers may avoid areas affected by social upheaval or may be unable to reach these areas due to a disruption in transportation or an outbreak of violence, and local businesses may be affected. There is no assurance that there will not be any unforeseeable interruptions to the business and operations of SHKP Group's shopping malls and hotels, and affect the potential access to SHKP Group's property sales activities therein, including, without limitation, any protests occurring in close proximity to SHKP Group's properties similar to the recent anti-extradition bill protests or the Occupy Central Movement that took place during the latter half of 2014. Moreover, inbound tourism may be affected, with less tourists travelling to Hong Kong which in turn may negatively affect the Hong Kong retail market and hospitality industry. Furthermore, there is no assurance that prolonged civil unrest will not have an adverse impact on residential and commercial property prices. Civil unrest is outside the control of SHKP Group and any such demonstrations, protests or riots occurring in close proximity to SHKP Group's properties or over a prolonged period could adversely impact SHKP Group's business, financial condition and results of operations.

The SHKP Group is exposed to property market risks in China.

The SHKP Group has material interests in residential and commercial property development and property investments in China and is therefore subject to the risks associated with property development and investment in China.

Historically, the property market in China has been cyclical and property prices in general have been volatile in recent years. The rapid expansion of the property markets in certain major cities in China including Shanghai and Beijing in the early 1990s culminated in an oversupply in the mid-1990s and a corresponding fall in property values and rentals in the second half of that decade. Since the late 1990s, private residential property prices and the number of residential property development projects have gradually increased in certain major cities as a result of increase in demand driven by domestic economic

growth. In particular, prices of residential properties in certain major cities such as Beijing, Shanghai, Guangzhou and Shenzhen have experienced rapid and significant growth. In recent years, certain major cities have seen cyclical changes in their property markets. Since 2010, the PRC government at both the central and local levels have implemented austerity measures such as home purchase restrictions, which have dampened the market sentiment and lowered transaction volume in the property market in China. As a result, there is no assurance that the problems of oversupply and falling property prices will not recur to the extent of the mid-1990s or be even worse or that the recurrence of such problems with respect to the property market in China will not adversely affect the SHKP Group's business, financial condition or results of operations.

The SHKP Group's operation in China may be subject to the risks of change of policies and intervention imposed by the Central Government in China or the respective local governments or by regulators concerning economic policies or goals from time to time and this could adversely affect its operating results. In addition, private ownership of property in China is still at an early stage of development. For example, the property market in China has in the past experienced weakness in demand due to the lack of a mature and active secondary market for private properties and the limited availability of mortgage loans to individuals in China as a result of government interventions.

The SHKP Group is exposed to risks associated with property development and the operation of the properties, property investment and property related businesses.

The SHKP Group's property development business involves significant risks, which are distinct from those involved in the ownership, investment and operation of properties. Risks associated with property development include, among other things, the risk that financing for development may not be available on favourable terms (or at all), that construction may not be completed on schedule or within budget (for reasons including shortages of equipment, material and labour, work stoppages, interruptions resulting from inclement weather, unforeseen engineering, environmental and geological problems and unanticipated cost increases), that development may be affected by governmental regulations (including changes in building and planning regulations and delays or failure to obtain the requisite construction and occupancy approvals), that developed properties may not be sold on profitable terms and that purchasers will default. In addition, the SHKP Group's business and results of operations are dependent, in part, on the availability of land suitable for development and the SHKP Group's ability to replenish its land bank at favourable cost. The limited supply of land has made it difficult to replenish land in Hong Kong at economical prices for development.

The properties owned or invested in by the SHKP Group comprise real estate used for residential and commercial projects and their operations are subject to general and local economic conditions, the performance of the SHKP Group, competition, desirability of their locations and other factors relating to the operation of the properties. The success of such properties is dependent upon their ability to compete on the basis of accessibility, location and quality of tenants.

In particular, the revenue stream and value of the properties owned or invested in by the SHKP Group or of the SHKP Group's property related businesses and accordingly, the availability of cash flow is subject to a number of factors including:

- vacancies following expiry or termination of leases that lead to reduced occupancy levels as this reduces rental income and the ability to recover certain operating costs such as service charges;
- increases in the costs of providing adequate management, maintenance or insurance;

- defaults by the SHKP Group's buyers, tenants and strategic partners;
- tenants failing to comply with the terms of their leases or commitments to lease;
- tenants seeking the protection of bankruptcy laws which could result in delays in receipt of rent payments, or which could hinder or delay the sale of a property, or inability to collect rentals at all or the termination of the tenant's lease;
- the amount and extent to which the SHKP Group is required to revise rental rates due to market pressure and competition;
- increased legal and regulatory compliance costs; and
- inadequacies or failures of internal processes, people and systems or other external factors.

There can be no assurance that rental rates will not decline at some point during the period from the issue of the Instruments until their redemption and that such decline will not have an adverse effect on the cash flow of the SHKP Group.

The property investment business of the SHKP Group is affected by local, regional and international economic conditions and changes in market conditions.

The SHKP Group's property investment business is affected by local, regional and international economic conditions including changes to monetary policy, fiscal policy, interest rates, stock market indices, exchange rates, taxation rates and inflation. It may also be affected by changes in market conditions and is exposed to economic cycles and market volatility.

Changes to these economic and financial market conditions may have an effect on the level of activity and demand for the leasing of investment properties of the SHKP Group. This may result in the SHKP Group not being able to negotiate rental lease extensions with some existing tenants as lease terms expire, or replace expiring leases with leases on equivalent terms. The occurrence of such events may have an adverse effect on the income of the SHKP Group, the value of its property portfolio, its financial performance and condition.

Political and legal developments in Hong Kong may affect the SHKP Group's business.

A majority of the SHKP Group's assets are located in, and a majority of the SHKP Group's revenue is derived from, Hong Kong. As a result, the general state of the political and legal situation in Hong Kong may have a significant impact on the SHKP Group's operating results and financial condition. If there were any change in the political or legal environment in Hong Kong, the SHKP Group's business and financial condition might be adversely affected.

The global credit markets may have a negative effect on the economy.

Economic developments outside Hong Kong could also adversely affect the property market in Hong Kong and the SHKP Group's overall business. Since the second half of 2007, global credit markets have experienced, and may continue to experience, significant dislocations and liquidity disruptions which have originated from the liquidity disruptions in the United States and the European Union credit and sub-prime residential mortgage markets. In particular, the sovereign debt crisis in some European countries (including Greece, Ireland, Italy, Spain and Portugal) since early 2010 and the downgrading of the credit rating for the United States' sovereign debt in August 2011 have contributed to an economic slowdown in

most economies around the world, substantial volatility in financial markets globally and the tightening of liquidity in global financial markets. More recently, the uncertainty arising from the United Kingdom voting in a national referendum to withdraw from the European Union, political instability in the Korean Peninsula, a slump in commodity prices and fears of a slowdown in the PRC economy have resulted in instability and volatility in the capital markets. Furthermore, fears over ongoing trade tensions between the United States and the PRC, with the United States imposing tariffs on PRC products from July 2018 and retaliatory tariffs imposed by the PRC, have caused greater volatility in global markets. These events have had and may continue to have a significant adverse impact on the global credit and financial markets as a whole.

Any deterioration in the financial markets may contribute to a slowdown in the global economy, including in the growth forecasts, and may lead to significant declines in employment, household wealth, consumer demand and lending. These events have had, or may continue to have, a significant adverse impact on economic growth in Hong Kong, the PRC and elsewhere. An economic downturn may also have a negative impact on the overall level of business and leisure travel to Hong Kong and the PRC. There can be no assurance that these conditions will not lead to reduced property prices and rentals, reduced hotel occupancy levels and rates and reduced consumer spending in Hong Kong and the PRC. There can be no assurance that any stimulus measures implemented or proposed by governments will improve economic growth or consumer sentiment in these countries.

In addition, any tightening of the global credit and financial markets may reduce the availability of credit and lead to an increase in the general cost of financing, which could make it more difficult or expensive for the SHKP Group to obtain funding in the future. There can be no assurance that the SHKP Group will be able to raise finance at a reasonable cost.

In addition, changes in the global credit and financial markets have affected the availability of credit and led to an increase in the cost of financing. Whilst the SHKP Group currently has substantial undrawn committed facilities that enable it to meet its current funding needs and future business expansion, the SHKP Group may have difficulty in the future in accessing the financial markets, which could make it more difficult or expensive to obtain funding. There can be no assurance that the SHKP Group will be able to continue to raise finance at a reasonable cost, or at all. The SHKP Group may also be subject to solvency risks of its banks and counterparts in its financial investments and arrangements. These may have a material adverse impact on the operations of the SHKP Group.

The SHKP Group is exposed to risks associated with the illiquidity of real estate developments and investments.

Real estate developments and investments are relatively illiquid in nature. Such illiquidity may affect the SHKP Group's ability to vary its development or investment portfolio or liquidate part of its assets, in each case quickly, in response to changes in economic, financial, real estate market or other conditions. For instance, the SHKP Group may be unable to liquidate its development or investment properties on short notice, or may be forced to give a substantial reduction in the price that may otherwise be sought for such assets if it is under pressure for a quick sale. These factors could have an adverse effect on the SHKP Group's financial condition and profitability.

The SHKP Group's core property businesses require substantial capital investment.

The SHKP Group has historically required and expects that it will require in the future additional financing to fund its capital expenditures, to support the future growth of its business, particularly with respect to its property development and investment activities, and/or to refinance existing debt obligations. The SHKP Group ability to arrange for external financing and the cost of such financing is dependent on

numerous factors, including general economic and capital market conditions, interest rates, credit availability from banks or other lenders, investor confidence in the SHKP Group, success of the SHKP Group's businesses, provisions of tax and securities laws that may be applicable to the SHKP Group's efforts to raise capital and political and economic conditions in China and Hong Kong. There can be no assurance that additional financing, either on a short-term or a long-term basis, will be made available or, if available, that such financing will be obtained on terms favourable to the SHKP Group.

The SHKP Group may not always be able to obtain sites that are suitable for development.

The SHKP Group derived a substantial part of its revenue from sales or lease of properties that it has developed. This revenue stream depends on the completion of, and the SHKP Group's ability to sell or lease, its property development projects. In order to maintain and grow its business in the future, the SHKP Group will be required to replenish its land reserve with suitable sites for development. The SHKP Group's ability to identify and acquire suitable sites is subject to a number of factors that are beyond its control. The SHKP Group's business, financial condition and results of operations may be adversely affected if it is unable to obtain sites for development at prices that allow it to achieve reasonable returns upon sale or lease to its customers.

While the Hong Kong Government has expressed its desire to increase land supply, the amount of land offered by the Hong Kong Government by auction is nevertheless still fairly limited. This affects the SHKP Group's ability to replenish its Hong Kong land bank. In addition, the PRC government controls all new land supply in the PRC and regulates land sales in the secondary market. The PRC central and local governments may regulate the means by which property developers, including the SHKP Group, obtain land sites for property development. As a result, the policies of the PRC government towards land supply may adversely affect the SHKP Group's ability to acquire land use rights for sites it seeks to develop and could increase the costs of any acquisition.

Property revaluations may affect the profits from the SHKP Group's investment properties.

In accordance with Hong Kong Financial Reporting Standards, the SHKP Group values its investment properties at every reporting balance sheet date at their open market value on the basis of an external professional valuation. Any change in the valuation is charged or credited, as the case may be, to the income statement. The fair value of each of the SHKP Group's investment properties is likely to fluctuate with political, economic and market conditions and other risks factors in the future, and the SHKP Group's historic results, including the fair value gains should not be regarded as an indicator of its future profit. There is no assurance that the fair value of the SHKP Group's investment properties will not decrease in the future. Any such decrease in the fair value of the SHKP Group's investment properties will reduce its profit.

Certain SHKP Group's property developments are undertaken through joint ventures.

The SHKP Group has invested in joint venture companies to develop, own and/or manage some of its property developments in Hong Kong and China. Certain corporate actions of these joint venture companies require approval of all joint venture partners. There can be no assurance that disputes between the SHKP Group and its joint venture partners or among the joint venture partners will not arise in the future that could adversely affect such property developments.

The SHKP Group is subject to risks relating to accidents or other hazards which may not be covered by insurance.

The SHKP Group maintains insurance coverage on all of its properties under construction, third-party liabilities and employer's liabilities in accordance with what it believes to be industry standards. However, the SHKP Group may become subject to liability for hazards which it cannot insure against or which it may elect not to insure against because of premium costs disproportionate to the level of risks concerned or other reasons. In particular, the SHKP Group's insurance policies generally do not cover certain types of losses incurred due to hazards such as war, civil disorder, acts of terrorism and large-scale unexpected natural disasters. Any losses may significantly affect the SHKP Group's business operation and the SHKP Group may not have sufficient funds to replace any property destroyed as a result of such hazards. In addition, any payments the SHKP Group makes to cover any losses, damages or liabilities could have an adverse effect on its business, financial condition and results of operations. Further, notwithstanding the SHKP Group's insurance coverage, any damage to the SHKP Group's buildings, facilities, equipment, or other properties as a result of occurrences such as fires, floods, water damage, explosions, power losses, typhoons and other natural disasters may have an adverse effect on the SHKP Group's business, financial condition and results of operations.

Furthermore, whilst there are systems and policies set up for prevention of accidents, and every care is taken by the SHKP Group and its employees in the selection and supervision of its independent contractors, accidents and other incidents, such as theft, may occur from time to time. Such accidents or incidents may expose the SHKP Group to liability or other claims by its customers and other third parties. Although the SHKP Group believes that it has adequate insurance arrangements in place to cover such eventualities, it is possible that accidents or incidents could occur which are not covered by these arrangements. The occurrence of any such accidents or incidents which are not covered by insurance could lead to litigation or otherwise adversely affect the reputation, business, financial condition and results of operations of the SHKP Group. It is also possible that litigants may seek to hold the SHKP Group responsible for the actions of its independent contractors.

The SHKP Group's business is subject to various laws and regulations.

The operations of the SHKP Group are subject to various laws and regulations of Hong Kong and the PRC. The SHKP Group's activities on its investment and development properties are limited by zoning ordinances and other regulations enacted by the authorities in Hong Kong and the PRC. Developing properties, refurbishment and other re-development projects require government permits, some of which may take longer to obtain than others.

From time to time, the authorities in Hong Kong and the PRC may impose new regulations on landlords such as mandatory retrofitting of upgraded safety and fire systems in all buildings. The SHKP Group's properties are subject to routine inspections by the authorities in Hong Kong and the PRC with regard to various safety and environmental issues. From time to time, changes in law and regulations or the implementation thereof may require the SHKP Group to obtain additional approvals and licences from the relevant authorities for the conduct of its operations in Hong Kong or the PRC. In such event, the SHKP Group may incur additional expenses to comply with such requirements. This will in turn affect the SHKP Group's financial performance as its business costs will increase.

Furthermore, there can be no assurance that such approvals or licences will be granted to the SHKP Group promptly or at all. If the SHKP Group experiences delays in obtaining, or is unable to obtain, such required approvals or licences, it may have a material adverse impact on the business, financial condition or results of operations of the SHKP Group.

Potential liability for environmental problems could result in costs to the SHKP Group.

The SHKP Group is subject to various laws and regulations concerning the protection of health and the environment. The particular environmental laws and regulations which apply to any given project development site vary greatly according to the site's location, its environmental condition, the present and former uses of the site, as well as any adjoining properties. Environmental laws and conditions may result in delays to the SHKP Group's property development projects, may cause the SHKP Group to incur compliance and other costs and can prohibit or severely restrict project development activity in environmentally-sensitive regions or areas.

Each project the SHKP Group develops in Hong Kong or the PRC is required under applicable laws and regulations to undergo environmental assessments. Further, an environmental impact assessment document is required to be submitted to the relevant government authorities for approval before commencement of construction. The local authorities may request the SHKP Group to submit additional environmental impact documents, issue orders to suspend the construction and/or impose penalties for any projects that have not, prior to the commencement of construction, received approval following the submission of the environmental impact assessment documents. Although the environmental investigations conducted to date have not revealed any environmental liability that the SHKP Group believes would have a material adverse effect on its business, financial condition or results of operations, it is possible that these investigations did not reveal all environmental liabilities, or that there are material environmental liabilities of which the SHKP Group is unaware.

The SHKP Group's operations are subject to external risks.

A natural disaster, catastrophe or other event could result in severe personal injury, property damage and environmental damage, which may curtail the SHKP Group's operations, cause delays in estimated completion dates for projects and have a material adverse effect on its cash flows and, accordingly, its ability to service debt. The SHKP Group's operations are based in Hong Kong and the PRC, which are exposed to potential natural disasters including, but not limited to, typhoons, storms, floods and earthquakes. If any of the SHKP Group's developments are damaged by severe weather or any other disaster, accident, catastrophe or other event, the SHKP Group's operations may be significantly interrupted. The occurrence or continuance of any of these or similar events could increase the costs associated with the SHKP Group's operations and reduce its ability to operate its businesses at their intended capacities, thereby reducing revenues. Risks of substantial costs and liabilities are inherent in the SHKP Group's principal operations and there can be no assurance that significant costs and liabilities will not be incurred, including those relating to claims for damages to property or persons.

RISKS ASSOCIATED WITH AN INVESTMENT IN THE INSTRUMENTS

An active trading market for the Instruments may not develop.

There can be no assurance as to the liquidity of the Instruments or that an active trading market will develop. If such a market were to develop, the Instruments may trade at prices that may be higher or lower than the initial issue price depending on many factors, including prevailing interest and inflation rates, the SHKP Group's operations and the market for similar securities. The Dealers are not obliged to make a market in the Instruments and any such market making, if commenced, may be discontinued at any time at the sole discretion of the relevant Dealers. No assurance can be given as to the liquidity of, or trading market for, the Instruments.

The rating of the Programme and of any Instruments issued under the Programme may be changed at any time.

Ratings will be assigned to the Programme, and tranches of Instruments to be issued under the Programme may be rated or unrated. Where a Tranche of Instruments is to be rated, such rating will not necessarily be the same as the ratings assigned to the Programme or other Tranches of Instruments. Where a Tranche of Instruments is rated, the applicable rating(s) will be specified in the relevant Pricing Supplement. The ratings may not reflect the potential impact of all risks relating to structure, market and other factors that may affect the value of the Instruments. A rating is not a recommendation to buy, sell or hold any security, does not address the likelihood or timing of repayment of the Instruments and may be subject to variation, suspension or withdrawal at any time by the assigning rating organisation. There can be no assurance that the ratings assigned to the Programme or any Instruments will remain in effect for any given period or that the ratings will be revised by the rating organisations in the future if, in their judgment, the circumstances so warrant. A downgrade in the ratings of the Programme or any Instruments may affect the market price of the Instruments.

The Guarantor's obligations under the Guarantee are effectively subordinated to all existing and future obligations of the Guarantor's subsidiaries and associated companies.

The Guarantor is a holding company that operates through subsidiaries and investments. As a result, the Guarantor's obligations under the Guarantee will be effectively subordinated to all existing and future obligations of its direct and indirect subsidiaries and associated companies. All claims of creditors of these subsidiaries and associated companies, including trade creditors, lenders and all other creditors, will have priority as to the assets of such entities over claims of the Guarantor and its creditors, including holders of the Instruments as beneficiaries of the Guarantee.

As it is principally a holding company with limited operations of its own, the Guarantor will depend, to a significant extent, upon the receipt of dividends from its subsidiaries and associated companies to meet its overhead expenses and to make payments with respect to its obligations, including its obligations under the Guarantee, and in order to provide funds to its subsidiaries and associated companies. The ability of subsidiaries and associated companies of the Guarantor to pay dividends to their shareholders (including the Guarantor) is subject to the performance and cash flow requirements of such subsidiaries and associated companies and to applicable law and restrictions contained in any debt instruments of such subsidiaries and associated companies. No assurance can be given that the Guarantor will have sufficient cash flow from dividends to satisfy its obligations, including the obligations under the Guarantee or otherwise to enable the Issuer to make payments under the Instruments, or that its subsidiaries and associated companies will pay dividends at all.

The Instruments are subject to optional redemption by the Issuer.

An optional redemption feature is likely to limit the market value of the Instruments. During any period when the Issuer may elect to redeem the Instruments, the market value of those Instruments generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem the Instruments when its cost of borrowing is lower than the interest rate on the Instruments. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Instruments being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

The regulation and reform of “benchmarks” may adversely affect the value of Instruments linked to or referencing such “benchmarks”.

Interest rates and indices which are deemed to be “benchmarks”, (including the London interbank offered rate (“**LIBOR**”) and the euro interbank offered rate (“**EURIBOR**”)) are the subject of recent national and international regulatory guidance and proposals for reform. Some of these reforms are already effective whilst others are still to be implemented. These reforms may cause such benchmarks to perform differently than in the past, to disappear entirely, or have other consequences which cannot be predicted. Any such consequence could have a material adverse effect on any Instruments referencing such a benchmark.

Regulation (EU) 2016/1011 (the “**Benchmarks Regulation**”) applies, subject to certain transitional provisions, to the provision of benchmarks, the contribution of input data to a benchmark and the use of a benchmark within the EU. Among other things, it (i) requires benchmark administrators to be authorised or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and (ii) prevents certain uses by EU supervised entities of benchmarks of administrators that are not authorised or registered (or, if non-EU based, not deemed equivalent or recognised or endorsed).

The Benchmarks Regulation could have a material impact on any Instruments linked to or referencing a benchmark in particular, if the methodology or other terms of the benchmark are changed in order to comply with the requirements of the Benchmarks Regulation. Such changes could, among other things, have the effect of reducing, increasing or otherwise affecting the volatility of the published rate or level of the relevant benchmark.

More broadly, any of the international or national reforms, or the general increased regulatory scrutiny of benchmarks, could increase the costs and risks of administering or otherwise participating in the setting of a benchmark and complying with any such regulations or requirements.

Specifically, the sustainability of LIBOR has been questioned as a result of the absence of relevant active underlying markets and possible disincentives (including possibly as a result of benchmark reforms) for market participants to continue contributing to such benchmarks. On 27 July 2017, and in a subsequent speech by its Chief Executive on 12 July 2018, the UK Financial Conduct Authority (“**FCA**”) confirmed that it will no longer persuade or compel banks to submit rates for the calculation of the LIBOR benchmark after 2021 (the “**FCA Announcements**”). The FCA Announcements indicated that the continuation of LIBOR on the current basis cannot and will not be guaranteed after 2021.

In addition, on 29 November 2017, the Bank of England and the FCA announced that, from January 2018, its Working Group on Sterling Risk-Free Rates has been mandated with implementing a broad-based transition to the Sterling Overnight Index Average (“**SONIA**”) over the next four years across sterling bond, loan and derivative markets, so that SONIA is established as the primary sterling interest rate benchmark by the end of 2021.

Separate workstreams are also underway in Europe to reform EURIBOR using a hybrid methodology and to provide a fallback by reference to a euro risk-free rate (based on a euro overnight risk-free rate as adjusted by a methodology to create a term rate). On 13 September 2018, the working group on euro risk-free rates recommended Euro Short-term Rate (“**€STR**”) as the new risk free rate. €STR is published by the ECB in October 2019. In addition, on 21 January 2019, the euro risk free-rate working group published a set of guiding principles for fallback provisions in new euro denominated cash products (including bonds). The guiding principles indicate, among other things, that continuing to reference EURIBOR in relevant contracts may increase the risk to the euro area financial system.

The Terms and Conditions of Instruments provide for certain fallback arrangements in the event that a Benchmark Event occurs, including if LIBOR and/or any page on which LIBOR may be published, becomes unavailable, or if the Issuer, the Calculation Agent, any Paying Agent or any other party responsible for the calculation of the Rate of Interest (as specified in the applicable Pricing Supplement) are no longer permitted lawfully to calculate interest on any Instruments by reference to such benchmark under the Benchmarks Regulation or otherwise. Such fallback arrangements include the possibility that the Rate of Interest could be set by reference to a Successor Rate or an Alternative Rate (both as defined in the Terms and Conditions), with or without the application of an adjustment spread and may include amendments to the Terms and Conditions of the Instruments to ensure the proper operation of the successor or replacement benchmark, all as determined by the Issuer (acting in good faith and in consultation with an Independent Adviser). An adjustment spread, if applied could be positive or negative and would be applied with a view to reducing or eliminating, to the fullest extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to investors arising out of the replacement of the relevant benchmark. However, it may not be possible to determine or apply an adjustment spread and even if an adjustment is applied, such adjustment spread may not be effective to reduce or eliminate economic prejudice to investors. If no adjustment spread can be determined, a Successor Rate or Alternative Rate may nonetheless be used to determine the Rate of Interest. The use of a Successor Rate or Alternative Rate (including with the application of an adjustment spread) will still result in any Instruments linked to or referencing a Reference Rate performing differently (which may include payment of a lower Rate of Interest) than they would if relevant benchmark were to continue to apply in its current form.

If, following the occurrence of a Benchmark Event, no Successor Rate or Alternative Rate is determined, the ultimate fallback for the purposes of calculation of the Rate of Interest for a particular Interest Period may result in the Rate of Interest for the last preceding Interest Period being used. This may result in the effective application of a fixed rate for Floating Rate Instruments based on the rate which was last observed on the Relevant Screen Page. Due to the uncertainty concerning the availability of Successor Rates and Alternative Rates, the involvement of an Independent Adviser, and the potential for further regulatory developments, there is a risk that the relevant fallback provisions may not operate as intended at the relevant time.

Investors should consult their own independent advisers and make their own assessment about the potential risks imposed by the Benchmarks Regulation or any of the international or national reforms and the possible application of the benchmark replacement provisions of Instruments in making any investment decision with respect to any Instruments referencing a benchmark.

RISKS ASSOCIATED WITH INSTRUMENTS DENOMINATED IN RENMINBI

There are certain special risks associated with investing in any Instruments denominated in Renminbi (“RMB Instruments”).

Renminbi is not completely freely convertible; there are still significant restrictions on remittance of Renminbi into and outside the PRC which may adversely affect the liquidity of Renminbi Instruments.

Renminbi is not completely freely convertible at present. The government of the PRC (the “**PRC Government**”) continues to regulate conversion between Renminbi and foreign currencies, despite significant reduction over the years by the PRC Government of control over trade transactions involving import and export of goods and as well as other routine foreign exchange transactions. These transactions are known as current accounts items. While regulations in the PRC on the remittance of Renminbi into the PRC for settlement of capital account activity items are developing gradually, remittance of Renminbi by

foreign investors into the PRC for the purposes of capital account items, such as capital contributions, is currently generally only permitted upon obtaining specific approvals from, or completing specific registrations or filings with, the relevant authorities on a case-by-case basis and is subject to a strict monitoring system.

Although starting from 1 October 2016, the Renminbi has been added to the Special Drawing Rights basket created by the International Monetary Fund, there is no assurance that the PRC Government will liberalise control over cross border remittance of Renminbi in the future or that new regulations in the PRC will not be promulgated in the future which have the effect of restricting or eliminating the remittance of Renminbi into or outside the PRC.

There is only limited availability of Renminbi outside the PRC, which may affect the liquidity of RMB Instruments and the Issuer's and Guarantor's ability to source Renminbi outside the PRC to service such RMB Instruments.

As a result of the restrictions by the PRC Government on cross-border Renminbi fund flows, the availability of Renminbi outside the PRC is limited. Currently, licensed banks in Hong Kong, Taiwan and Singapore may offer limited Renminbi-denominated banking services to Hong Kong, Taiwan and Singapore residents and specified business customers. While the PBOC has entered into agreements on the clearing of Renminbi business with financial institutions in a number of financial centres and cities (the “**Renminbi Clearing Banks**”), including but not limited to Hong Kong, and are in the process of establishing Renminbi clearing and settlement mechanisms in several other jurisdictions (the “**Settlement Arrangements**”), the current size of Renminbi-denominated financial assets outside the PRC is limited.

There are restrictions imposed by the PBOC on Renminbi business participating banks in respect of cross-border Renminbi settlement, such as those relating to direct transactions with PRC enterprises. Renminbi business participating banks do not have direct Renminbi liquidity support from the PBOC. The RMB Clearing Banks only has access to onshore liquidity support from the PBOC for the purpose of squaring open positions of participating banks for limited types of transactions. The RMB Clearing Banks are not obliged to square for participating banks any open positions resulting from other foreign exchange transactions or conversion services and the participating banks will need to source Renminbi from outside the PRC to square such open positions.

Although it is expected that the offshore Renminbi market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange. There is no assurance that new PRC regulations will not be promulgated or the settlement agreements will not be terminated or amended in the future which will have the effect of restricting availability of Renminbi outside the PRC. The limited availability of Renminbi outside the PRC may affect the liquidity of the Instruments. To the extent the Issuer or the Guarantor are required to source Renminbi outside the PRC to service the Instruments, there is no assurance that the Issuer or the Guarantor will be able to source such Renminbi on satisfactory terms, if at all.

Investment in RMB Instruments is subject to exchange rate risks.

The value of Renminbi against the U.S. dollar and other foreign currencies fluctuates from time to time and is affected by changes in the PRC and international political and economic conditions and by many other factors. All payments of interest and principal will be made with respect to the Instruments in Renminbi unless otherwise specified. As a result, the value of these Renminbi payments in U.S. dollar terms may vary with the prevailing exchange rates in the marketplace. If the value of Renminbi depreciates against the U.S. dollar or other foreign currencies, the value of investment in U.S. dollar or other applicable foreign currency terms will decline.

If an investor measures its investment returns by reference to a currency other than Renminbi, an investment in the Renminbi Instruments entails foreign exchange-related risks, including possible significant changes in the value of Renminbi relative to the currency by reference to which an investor measures its investment returns. Depreciation of the Renminbi against such currency could cause a decrease in the effective yield of the Renminbi Instruments below their stated coupon rates and could result in a loss when the return on the Renminbi Instruments is translated into such currency. In addition, there may be tax consequences for investors as a result of any foreign currency gains resulting from any investment in Renminbi Instruments.

An investment in Renminbi Instruments is subject to interest rate risks.

The PRC Government has gradually liberalised the regulation of interest rates in recent years. Further liberalisation may increase interest rate volatility. The Renminbi Instruments may carry a fixed interest rate. Consequently, the trading price of such Renminbi Instruments will vary with fluctuations in interest rates. If a holder of Renminbi Instruments tries to sell any Renminbi Instruments before their maturity, they may receive an offer that is less than the amount invested.

Payments in respect of the RMB Instruments will only be made to investors in the manner specified in the RMB Instruments.

All payments to investors in respect of the RMB Instruments will be made solely by (i) whilst the RMB Instruments are represented by global certificates deposited with a sub-custodian for CMU, transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing CMU rules and procedures, (ii) when the RMB Instruments are represented by global certificates held with the common depository, for Euroclear and Clearstream, Luxembourg or DTC or any alternative clearing system, transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing Euroclear, Clearstream, Luxembourg and/or DTC rules and procedures or those of such alternative clearing system, or (iii) for so long as the RMB Instruments are in definitive form, transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing rules and regulations. Other than described in the Conditions, the Issuer and the Guarantor cannot be required to make payment by any other means (including in any other currency or in bank notes, by cheque or draft or by transfer to a bank account in the PRC).

Gains on the transfer of the Renminbi Instruments may become subject to income taxes under PRC tax laws.

Under the PRC Enterprise Income Tax Law and its implementation rules which took effect on 1 January 2008 and the new PRC Individual Income Tax Law and its implementation regulations which came into force on 1 September 2011, any gain realised on the transfer of Renminbi Instruments by non-resident enterprise holders and non-resident individuals may be subject to enterprise income tax if such gain is regarded as income derived from sources within the PRC. However, there remains uncertainty as to whether the gain realised from the transfer of the Renminbi Instruments would be treated as income derived from sources within the PRC and be subject to PRC tax. This will depend on how the PRC tax authorities interpret, apply or enforce the PRC Enterprise Income Tax Law and its implementation rules. According to the arrangement between the PRC and Hong Kong for the avoidance of double taxation, residents of Hong Kong, including enterprise holders and individual holders, will not be subject to PRC tax on any capital gains derived from a sale or exchange of the Renminbi Instruments.

Therefore, if non-resident enterprise holders are required to pay PRC income tax on gains on the transfer of the Renminbi Instruments (such enterprise income tax is currently levied at the rate of 10 per cent. of the gross proceeds, unless there is an applicable tax treaty between PRC and the jurisdiction in which such non-resident enterprise holders of Renminbi Instruments reside that reduces or exempts the relevant tax), the value of their investment in the Renminbi Instruments may be materially and adversely affected.

Similarly, if non-resident individual holders are required to pay any PRC income tax on gains on the transfer of the Instruments (such individual income tax is currently levied at the rate of 20 per cent. of the gross proceeds, unless there is an applicable tax treaty between the PRC and the jurisdiction in which relevant non-resident individual holder of the Instruments resides that reduces or exempts the relevant tax), the value of his investment in the Instruments may be affected.

TERMS AND CONDITIONS OF THE INSTRUMENTS

The following are the Terms and Conditions of the Instruments which as supplemented, modified or replaced in relation to any Instruments by the relevant Pricing Supplement, will be applicable to each Series of Instruments:

The Instruments are issued pursuant to and in accordance with an amended and restated issue and paying agency agreement (as amended, supplemented or replaced, the “**Issue and Paying Agency Agreement**”) dated 27 November 2008 and made between Sun Hung Kai Properties (Capital Market) Limited (the “**Issuer**”), Sun Hung Kai Properties Limited (the “**Guarantor**”), HSBC Bank plc in its capacities as issue and paying agent (the “**Issue and Paying Agent**”, which expression shall include any successor to HSBC Bank plc in its capacity as such) and as registrar (the “**Registrar**”, which expression shall include any successor to HSBC Bank plc in its capacity as such), HSBC Bank USA, National Association in its capacity as alternative registrar (the “**Alternative Registrar**”, which expression shall include any successor to HSBC Bank USA, National Association in its capacity as such) and the paying agents named therein (the “**Paying Agents**”, which expression shall include the Issue and Paying Agent and any substitute or additional paying agents appointed in accordance with the Issue and Paying Agency Agreement).

For the purposes of making determinations or calculations of interest rates, interest amounts, redemption amounts or any other matters requiring determination or calculation in accordance with the Conditions of any Series of Instruments (as defined below), the Issuer may appoint a calculation agent (the “**Calculation Agent**”) for the purposes of such Instruments, in accordance with the provisions of the Issue and Paying Agency Agreement, and such Calculation Agent shall be specified in the applicable Pricing Supplement.

The Instruments have the benefit of a deed of covenant (as amended, supplemented or replaced, the “**Deed of Covenant**”) dated 27 November 2008 executed by the Issuer in relation to the Instruments. Instruments have the benefit of a deed of guarantee (as amended, supplemented or replaced, the “**Guarantee**”) dated 27 November 2008 executed by the Guarantor under which it has guaranteed the due and punctual payment of all amounts due by the Issuer under the Instruments and the Deed of Covenant as and when the same shall become due and payable.

Copies of the Issue and Paying Agency Agreement, the Deed of Covenant and the Guarantee are available for inspection during normal business hours at the specified office of each of the Paying Agents, the Registrar and the Alternative Registrar. All persons from time to time entitled to the benefit of obligations under any Instruments shall be deemed to have notice of, and shall be bound by, all of the provisions of the Issue and Paying Agency Agreement, the Deed of Covenant and the Guarantee insofar as they relate to the relevant Instruments.

The Instruments are issued in series (each, a “**Series**”), and each Series may comprise one or more tranches (“**Tranches**” and each, a “**Tranche**”) of Instruments. Each Tranche will be the subject of a pricing supplement (each, a “**Pricing Supplement**”), a copy of which will be available during normal business hours at the specified office of the Issue and Paying Agent and/or, as the case may be, the Registrar (as defined in Condition 2.02). In the case of a Tranche of Instruments in relation to which application has not been made for listing on any stock exchange, copies of the Pricing Supplement will only be available for inspection by a Holder of or, as the case may be, an Accountholder (as defined in the Deed of Covenant) in respect of, such Instruments.

For the purposes of these Terms and Conditions, “**Issue and Paying Agent**” means the Paying Agent specified as such in the Pricing Supplement, *provided always that* if not so specified, where a Series of Instruments is to be held in the CMU Service, “**Issue and Paying Agent**” shall mean The Hongkong and Shanghai Banking Corporation Limited and in all other cases, “**Issue and Paying Agent**” shall mean HSBC Bank plc.

References in these Terms and Conditions to Instruments are to Instruments of the relevant Series and any references to Coupons or Talons (each as defined in Condition 1.06) and Receipts (as defined in Condition 1.07) are to Coupons, Talons and Receipts relating to Instruments of the relevant Series.

References in these Terms and Conditions to the Pricing Supplement are to the Pricing Supplement or Pricing Supplement(s) prepared in relation to the Instruments of the relevant Tranche or Series.

In respect of any Instruments, references herein to these Terms and Conditions are to these terms and conditions as supplemented or modified or (to the extent thereof) replaced by the Pricing Supplement.

1. FORM AND DENOMINATION

Form of Instruments

1.01 Instruments are issued in bearer form (“**Bearer Instruments**”) or in registered form (“**Registered Instruments**”), as specified in the Pricing Supplement and are serially numbered. Registered Instruments are not exchangeable for Bearer Instruments.

Bearer Instruments

1.02 The Pricing Supplement shall specify whether U.S. Treasury Regulation 1.163-5(c)(2)(i)(D) (or any successor United States Treasury regulation section, including without limitation, successor regulations issued in accordance with Internal Revenue Service Notice 2012-20 or otherwise in connection with the United States Hiring Incentives to Restore Employment Act of 2010) (the “**TEFRA D Rules**”) or U.S. Treasury Regulation 1.163-5(c)(2)(i)(C) (or any successor United States Treasury regulation section, including without limitation, successor regulations issued in accordance with Internal Revenue Service Notice 2012-20 or otherwise in connection with the United States Hiring Incentives to Restore Employment Act of 2010) (the “**TEFRA C Rules**”) shall apply. Unless the Pricing Supplement so specifies and the TEFRA C Rules apply, each Tranche of Bearer Instruments is represented upon issue by a temporary global instrument (a “**Temporary Global Instrument**”).

Where the Pricing Supplement applicable to a Tranche of Bearer Instruments specifies that the TEFRA C Rules apply, such Tranche is (unless otherwise specified in the Pricing Supplement) represented upon issue by a Permanent Global Instrument.

Interests in the Temporary Global Instrument may be exchanged for:

- (a) interests in a permanent global Instrument (a “**Permanent Global Instrument**”); or
- (b) if so specified in the Pricing Supplement, definitive instruments (“**Definitive Instruments**”) and/or (in the case of a Series comprising both Bearer Instruments and Registered Instruments and if so specified in the Pricing Supplement) Registered Instruments.

Exchanges of interests in a Temporary Global Instrument for Definitive Instruments or, as the case may be, a Permanent Global Instrument will be made only on or after the Exchange Date (as specified in the Pricing Supplement) and (unless the Pricing Supplement specifies that the TEFRA C Rules are applicable to the Instruments) provided certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Instrument or in such other form as is customarily issued in such circumstances by the relevant clearing system) has been received. An exchange for Registered Instruments will be made at any time or from such date as may be specified in the Pricing Supplement, in each case, without any requirement for certification.

1.03 The bearer of any Temporary Global Instrument shall not (unless, upon due presentation of such Temporary Instrument for exchange (in whole or in part) for a Permanent Global Instrument or for delivery of Definitive Instruments and/or Registered Instruments, such exchange or delivery is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment in respect of the Instruments represented by such Temporary Global Instrument which falls due on or after the Exchange Date or be entitled to exercise any option on a date after the Exchange Date.

1.04 Unless the Pricing Supplement specifies that the TEFRA C Rules are applicable to the Instruments and subject to Condition 1.03 above, if any date on which a payment of interest is due on the Instruments of a Tranche occurs whilst any of the Instruments of that Tranche are represented by a Temporary Global Instrument, the related interest payment will be made on the Temporary Global Instrument only to the extent that certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Instrument or in such other form as is customarily issued in such circumstances by Euroclear Bank SA/NV (“**Euroclear**”) or Clearstream Banking S.A. (“**Clearstream, Luxembourg**”), the Central Moneymarkets Unit Service operated by the Hong Kong Monetary Authority (the “**CMU Service**”) or any other relevant clearing system) has been received by the Issue and Paying Agent. Payments of amounts due in respect of a Permanent Global Instrument or (subject to Condition 1.03 above) a Temporary Global Instrument (if the Pricing Supplement specifies that the TEFRA D Rules are applicable to the Instruments) will be made through (or in accordance with the procedures of) the CMU Service or Euroclear or Clearstream, Luxembourg or any other relevant clearing system without any requirement for certification.

1.05 Interests in a Permanent Global Instrument will be exchanged by the Issuer in whole but not in part only at the option of the Holder of such Permanent Global Instrument, for Definitive Instruments and/or (in the case of a Series comprising both Bearer and Registered Instruments and if so specified in the Pricing Supplement) Individual Registered Instruments, (a) if an Event of Default occurs in respect of any Instrument of the relevant Series; or (b) if either the CMU Service or Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so; or (c) if so specified in the Pricing Supplement, at the option of the Holder of such Permanent Global Instrument upon such Holder’s request, in all cases, at the cost and expense of the Issuer. In order to exercise the option contained in paragraph (c) of the preceding sentence, the Holder must, not less than 45 days before the date upon which the delivery of such Definitive Instruments and/or Individual Registered Instruments is required, deposit the relevant Permanent Global Instrument with the Issue and Paying Agent at its specified office with the form of exchange notice endorsed thereon duly completed. If (i) the Issuer does not make the required delivery of Definitive Instruments and/or Individual Registered Instruments by 5.00 p.m. (specified office time) on the day on which the relevant notice period expires or, as the case may be, the thirtieth day after the day on which such Permanent Global Instrument becomes due to be exchanged or (ii) in the case of (a) above, such Instrument is not duly redeemed (or the funds required for such redemption are not available to the Issue and Paying Agent for the purposes of effecting such redemption and remain available for such purpose) by 5.00 p.m. (specified office time) on the day at which such Instrument became immediately redeemable, such Permanent Global Instrument will

become void in accordance with its terms but without prejudice to the rights conferred by the Deed of Covenant. For the purposes of these Conditions “specified office time” shall mean the relevant time in the location of the specified office of the relevant Paying Agent.

1.06 Interest-bearing Definitive Instruments have endorsed thereon a grid for recording the payment of interest or, if so specified in the Pricing Supplement, have attached thereto at the time of their initial delivery coupons (“**Coupons**”), presentation of which will be a prerequisite to the payment of interest save in certain circumstances specified herein. Interest-bearing Definitive Instruments, if so specified in the Pricing Supplement, have attached thereto at the time of their initial delivery a talon (“**Talon**”) for further coupons and the expression “**Coupons**” shall, where the context so requires, include Talons.

1.07 Definitive Instruments the principal amount of which is repayable by instalments (“**Instalment Instruments**”) have endorsed thereon a grid for recording the repayment of principal or, if so specified in the Pricing Supplement, have attached thereto at the time of their initial delivery payment receipts (“**Receipts**”) in respect of the instalments of principal.

Global Registered Instruments

1.08 Registered Instruments of each Tranche may be represented by one or more global Instrument in registered form without Coupons or Talons. Unless specified otherwise in the applicable Pricing Supplement, Registered Instruments sold outside the United States in reliance on Regulation S (“**Regulation S**”) under the United States Securities Act of 1933, as amended (the “**Securities Act**”), (“**Unrestricted Instrument**”) in global form will be either (i) deposited on or before the relevant issue date therefor with a depository or a common depository for Euroclear and/or Clearstream, Luxembourg and/or any other relevant clearing system or (ii) lodged on or before the relevant issue date therefor with a sub-custodian in Hong Kong for the CMU Service. Unless specified otherwise in the applicable Pricing Supplement, Registered Instruments sold within the United States in reliance on Rule 144A (“**Rule 144A**”) under the Securities Act (“**Restricted Instruments**”) in global form will be deposited on or before the relevant issue date therefor with a custodian for, and registered in the name of a nominee of, The Depository Trust Company (“**DTC**”). Interests in such global Unrestricted Instruments and/or Restricted Instruments will be exchangeable for individual Instruments in registered form (“**Individual Registered Instruments**”) if so specified in the relevant Pricing Supplement and in accordance with their respective terms.

Denomination

Denomination of Bearer Instruments

1.09 Bearer Instruments are in the denomination or denominations (each of which denomination is integrally divisible by each smaller denomination) specified in the Pricing Supplement. Bearer Instruments of one denomination may not be exchanged for Bearer Instruments of any other denomination.

Denomination of Registered Instruments

1.10 Registered Instruments are in the minimum denomination specified in the Pricing Supplement or integral multiples thereof.

Currency of Instruments

1.11 The Instruments are denominated in such currency as may be specified in the Pricing Supplement. Any currency may be so specified (including, without limitation, Australian Dollars (“AUD”), Canadian Dollars (“CAD”), Danish Kroner (“DKK”), euro (“EUR”), Hong Kong Dollars (“HKD”), Japanese Yen (“JPY”), New Zealand Dollars (“NZD”), Norwegian Kroner (“NKR”), Pounds Sterling (“GBP”), Renminbi (“CNY”), Swedish Kronor (“SEK”), Swiss Francs (“CHF”) and United States dollars (“USD”)), subject to compliance with all applicable legal and/or regulatory and/or central bank requirements.

Partly Paid Instruments

1.12 Instruments may be issued on a partly paid basis (“**Partly Paid Instruments**”) if so specified in the Pricing Supplement. The subscription moneys therefor shall be paid in such number of instalments (“**Partly Paid Instalments**”), in such amounts, on such dates and in such manner as may be specified in the Pricing Supplement. The first such instalment shall be due and payable on the date of issue of the Instruments. For the purposes of these Terms and Conditions, in respect of any Partly Paid Instrument, “**Paid Up Amount**” means the aggregate amount of all Partly Paid Instalments in respect thereof as shall have fallen due and been paid up in full in accordance with the Terms and Conditions.

Not less than 14 days nor more than 30 days prior to the due date for payment of any Partly Paid Instalment (other than the first such instalment) the Issuer shall publish a notice in accordance with Condition 14 stating the due date for payment thereof and stating that failure to pay any such Partly Paid Instalment on or prior to such date will entitle the Issuer to forfeit the Instruments with effect from such date (the “**Forfeiture Date**”) as may be specified in such notice (not being less than 14 days after the due date for payment of such Partly Paid Instalment), unless payment of the relevant Partly Paid Instalment together with any interest accrued thereon is paid prior to the Forfeiture Date. The Issuer shall procure that any Partly Paid Instalments paid in respect of any Instruments subsequent to the Forfeiture Date in respect thereof shall be returned promptly to the persons entitled thereto. The Issuer shall not be liable for any interest on any Partly Paid Instalment so returned.

Interest shall accrue on any Partly Paid Instalment which is not paid on or prior to the due date for payment thereof at the Interest Rate (as defined in Condition 5.09) (in the case of non-interest bearing Instruments, at the rate applicable to overdue payments) and shall be calculated in the same manner and on the same basis as if it were interest accruing on the Instruments for the period from and including the due date for payment of the relevant Partly Paid Instalment up to but excluding the Forfeiture Date. For the purpose of the accrual of interest, any payment of any Partly Paid Instalment made after the due date for payment shall be treated as having been made on the day preceding the Forfeiture Date (whether or not a Business Day as defined in Condition 5.09).

Unless an Event of Default (or an event which with the giving of notice, the lapse of time or the making or giving of any determination or certification would constitute an Event of Default) shall have occurred and be continuing, on the Forfeiture Date, the Issuer shall forfeit all of the relevant Instruments in respect of which any Partly Paid Instalment shall not have been duly paid, whereupon the Issuer shall be entitled to retain all Partly Paid Instalments previously paid in respect of such Instruments and shall be discharged from any obligation to repay such amount or to pay interest thereon, or (where such Instruments are represented by a Temporary Global Instrument or a Permanent Global Instrument) to exchange any interests in such Instrument for interests in a Permanent Global Instrument or to deliver Definitive Instruments or Registered Instruments in respect thereof, but shall have no other rights against any person entitled to the Instruments which have been so forfeited.

Until such time as all the subscription moneys in respect of Partly Paid Unrestricted Instruments shall have been paid in full and except in the case where an Event of Default shall have occurred and be continuing or if any of the CMU Service or Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so, no interests in a Temporary Global Instrument or a Permanent Global Instrument may be exchanged for Definitive Instruments or Registered Instruments.

Until such time as all the subscription moneys in respect of Partly Paid Restricted Instruments shall have been paid in full and except in the case where an Event of Default shall have occurred and be continuing or if DTC notifies the Issuer and Guarantor that it is unwilling or unable to continue as depository for such Global Registered Instrument, or DTC ceases to be a “**Clearing Agency**” registered under the Exchange Act, and a successor depository is not appointed by the Issuer and the Guarantor within 90 days, no interests in a Temporary Global Instrument or a Permanent Global Instrument may be exchanged for Definitive Instruments or Registered Instruments.

Without prejudice to the right of the Issuer to forfeit any Instruments, for so long as any Partly Paid Instalment remains due but unpaid, and except in the case where an Event of Default shall have occurred and be continuing (a) no interests in a Temporary Global Instrument may be exchanged for interests in a Permanent Global Instrument and (b) no transfers of Registered Instruments or exchanges of Bearer Instruments for Registered Instruments may be requested or effected.

2. TITLE AND TRANSFER

2.01 Title to Bearer Instruments, Receipts and Coupons passes by delivery. References herein to the “**Holders**” of Bearer Instruments or of Receipts or Coupons are to the bearers of such Bearer Instruments or such Receipts or Coupons.

2.02 Title to Registered Instruments passes by registration in the register which the Issuer shall procure to be kept by the Registrar. For the purposes of these Terms and Conditions, “**Registrar**” means, in relation to any Series comprising Registered Instruments, the Registrar or the Alternative Registrar, as specified in the Pricing Supplement, provided always that with respect to any Tranche of a Series which is comprised of Restricted Instruments, “**Registrar**” shall mean the Alternative Registrar. References herein to the “**Holders**” of Registered Instruments are to the persons in whose names such Registered Instruments are so registered in the relevant register.

2.03 The Holder of any Bearer Instrument, Coupon or Registered Instrument will (except as otherwise required by applicable law or regulatory requirement) be treated as its absolute owner for all purposes (whether or not it is overdue and regardless of any notice of ownership, trust or any interest thereof or therein, any writing thereon, or any theft or loss thereof) and no person shall be liable for so treating such Holder.

Transfer of Registered Instruments and exchange of Bearer Instruments for Registered Instruments; Exchange of Unrestricted Instruments for Restricted Instruments and vice versa

2.04 A Registered Instrument may, upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement, be transferred in whole or in part only (provided that such part is, or is an integral multiple of, the minimum denomination specified in the Pricing Supplement) upon the surrender of the Registered Instrument to be transferred, together with the form of transfer endorsed on

it duly completed and executed, at the specified office of the Registrar. A new Registered Instrument will be issued to the transferee and, in the case of a transfer of part only of a Registered Instrument, a new Registered Instrument in respect of the balance not transferred will be issued to the transferor.

2.05 If so specified in the Pricing Supplement, the Holder of Bearer Instruments may exchange the same for the same aggregate principal amount of Registered Instruments upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement. In order to exchange a Bearer Instrument for a Registered Instrument, the Holder thereof shall surrender such Bearer Instrument at the specified office outside the United States of the Issue and Paying Agent or of the Registrar together with a written request for the exchange. Each Bearer Instrument so surrendered must be accompanied by all unmatured Receipts and Coupons appertaining thereto other than the Coupon in respect of the next payment of interest falling due after the exchange date (as defined in Condition 2.06) where the exchange date would, but for the provisions of Condition 2.06, occur between the Record Date (as defined in Condition 9B.03) for such payment of interest and the date on which such payment of interest falls due.

2.06 Each new Registered Instrument to be issued upon the transfer of a Registered Instrument or the exchange of a Bearer Instrument for a Registered Instrument will, within three Relevant Banking Days of the transfer date or, as the case may be, the exchange date be available for collection by each relevant Holder at the specified office of the Registrar or, at the option of the Holder requesting such exchange or transfer be mailed (by uninsured post at the risk of the Holder(s) entitled thereto) to such address(es) as may be specified by such Holder. For these purposes, a form of transfer or request for exchange received by the Registrar or the Issue and Paying Agent after the Record Date in respect of any payment due in respect of Registered Instruments shall be deemed not to be effectively received by the Registrar or the Issue and Paying Agent until the day following the due date for such payment. For the purposes of these Terms and Conditions,

(a) “**Relevant Banking Day**” means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in the place where the specified office of the Registrar is located and, in the case only of an exchange of a Bearer Instrument for a Registered Instrument where such request for exchange is made to the Issue and Paying Agent, in the place where the specified office of the Issue and Paying Agent is located;

(b) the “**exchange date**” shall be the Relevant Banking Day following the day on which the relevant Bearer Instrument shall have been surrendered for exchange in accordance with Condition 2.05; and

(c) the “**transfer date**” shall be the Relevant Banking Day following the day on which the relevant Registered Instrument shall have been surrendered for transfer in accordance with Condition 2.04.

2.07 The issue of new Registered Instruments on transfer or on the exchange of Bearer Instruments for Registered Instruments will be effected without charge by or on behalf of the Issuer, the Guarantor, the Issue and Paying Agent or the Registrar, but upon payment by the applicant of (or the giving by the applicant of such indemnity as the Issuer, the Guarantor, the Issue and Paying Agent or the Registrar may require in respect of) any tax, duty or other governmental charges which may be imposed in relation thereto.

2.08 Beneficial interests in Unrestricted Instruments may be exchanged for beneficial interests in Restricted Instruments, and vice versa, subject to compliance with the provisions of the applicable legends set out in such instruments or other restrictions imposed by the terms of the documents relating to the Instruments of that Series or the Programme.

2.09 Upon the transfer, exchange or replacement of Registered Instruments bearing the legend (the “**Securities Act Legend**”) set forth in the form of Restricted Instrument scheduled to the Issue and Paying Agency Agreement, the Registrar shall deliver only Registered Instruments that also bear such legend unless there is delivered to the Registrar an opinion reasonably satisfactory to the Issuer and the Guarantor of counsel experienced in giving opinions with respect to questions arising under the securities laws of the United States to the effect that neither such legend nor the restrictions on transfer set forth therein are required in order to maintain compliance with the provisions of such laws. The Issuer and the Guarantor covenant and agree that they will not acquire any beneficial interest, and will cause their “affiliates” (as defined in Rule 144(a)(1) under the Securities Act) not to acquire any beneficial interest, in any Registered Instrument bearing the Securities Act Legend unless they notify the Registrar of such acquisition. The Registrar and all Holders shall be entitled to rely without further investigation on any such notification (or lack thereof).

2.10 For so long as any of the Registered Instruments bearing the Securities Act Legend remain outstanding and are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer and the Guarantor covenant and agree that they shall, during any period in which they are not subject to Section 13 or 15(d) under the United States Securities Exchange Act of 1934 nor exempt from reporting pursuant to Rule 12g3-2(b) under such Act, make available to any Holder in connection with any sale thereof and any prospective purchaser of such Instruments from such Holder, in each case upon request, the information specified in, and meeting the requirements of, Rule 144(d)(4) under the Securities Act.

3. STATUS OF THE INSTRUMENTS

Status — Instruments

3.01 The Instruments constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 4) unsecured obligations of the Issuer and rank equally without any preference among themselves and equally with all other unsubordinated and unsecured obligations of the Issuer, present and future (save for certain mandatory exceptions provided by law).

Status — Guarantee

3.02 Pursuant to the Guarantee, the Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums expressed to be payable by the Issuer under the Instruments. The obligations of the Guarantor under the Guarantee constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 4) unsecured obligations of the Guarantor ranking equally with all other unsecured and unsubordinated obligations of the Guarantor, present and future (save for certain mandatory exceptions provided by law).

4. NEGATIVE PLEDGE

4.01 The Issuer agrees, and the Guarantor has agreed in the Guarantee, that so long as any of the Instruments remains outstanding neither the Issuer, the Guarantor nor any Material Subsidiary will create or permit to arise or subsist or have outstanding any encumbrance on or over its present or future assets or revenues to secure the repayment or payment of principal, premium or interest of or on any Euro-Securities or to secure any guarantee, indemnity or surety given in respect of the repayment or payment of principal, premium or interest of or on any Euro-Securities without at the same time or previously either securing the Instruments equally and rateably therewith or providing for the Instruments such other security as shall have been approved for the purposes by an Extraordinary Resolution (as defined in the Issue and Paying Agency Agreement) of the Holders of Instruments.

4.02 In these Conditions:

(a) “**outstanding**” has the meaning ascribed to it in the Issue and Paying Agency Agreement;

(b) any reference to an “**encumbrance**” is to a mortgage, charge, pledge, lien or other encumbrance;

(c) any reference to a “**Security**” is to any indebtedness in the form of or represented by debentures, loan stock, bonds, notes, bearer participation certificates, depository receipts, certificates of deposit or other similar securities or instruments or by bills of exchange drawn or accepted for the purpose of raising money which are, or are issued with the intention on the part of the issuer thereof that they should be, quoted, listed, ordinarily dealt in or traded on any stock exchange or over-the-counter or on any other securities market (whether or not initially distributed by way of private placement) having a maturity of more than one year;

(d) any reference to an “**Euro-Security**” is to a Security issued by the Issuer or the Guarantor or a Material Subsidiary which is denominated, or at the option of any person payable in whole or in part, in any currency other than the lawful currency of the country of which the Issuer or the Guarantor or the Material Subsidiary thereof is resident (provided that in the case of Hong Kong the lawful currency shall be deemed to be both the currency of the Hong Kong Special Administrative Region (currently Hong Kong dollars) and the People’s Republic of China (currently Renminbi)) and which is initially offered primarily to persons resident outside such country; and

(d) “**Listed Material Subsidiary**” means any Material Subsidiary, the shares of which are at the relevant time listed on The Stock Exchange of Hong Kong Limited or any other recognised stock exchange provided that any Material Subsidiary shall become a Listed Material Subsidiary when its shares become so listed.

(e) “**Material Subsidiary**” means at any time a Subsidiary of the Guarantor except a Listed Material Subsidiary, or any of its Subsidiaries:

(1) as to which one or more of the following conditions is satisfied:

(a) its net profits or (in the case of a Subsidiary of the Guarantor which has one or more Subsidiaries) consolidated net profits attributable to the Guarantor (in each case before taxation and extraordinary items) are at least 5 per cent. of the consolidated net profits of the Guarantor and its Subsidiaries (in each case before taxation and extraordinary items); or

(b) its net assets or (in the case of a Subsidiary of the Guarantor which has one or more Subsidiaries) consolidated net assets attributable to the Guarantor represent 5 per cent. or more of the consolidated net assets (after deducting minority interests in Subsidiaries) of the Guarantor and its Subsidiaries;

all as calculated by reference to the then latest audited accounts (consolidated or, as the case may be, unconsolidated) of such Subsidiary and the then latest consolidated audited accounts of the Guarantor and its Subsidiaries, provided that:

(i) in the case of a Subsidiary of the Guarantor acquired after the end of the financial period to which the then latest relevant audited accounts relate, the reference to the then latest audited accounts for the purposes of the calculation

above shall, until audited accounts for the financial period in which the acquisition is made are published, be deemed to be a reference to the accounts adjusted to consolidate the latest audited accounts of the Subsidiary in the accounts;

(ii) if, in the case of a Subsidiary of the Guarantor which itself has one or more Subsidiaries, no consolidated accounts are prepared and audited, its consolidated net assets and consolidated net profits shall be determined on the basis of pro forma consolidated accounts of the relevant Subsidiary and its Subsidiaries prepared for this purpose by its auditors;

(iii) if the accounts of a Subsidiary of the Guarantor (not being a subsidiary referred to in (i) above) are not consolidated with those of the Guarantor then, the determination of whether or not the Subsidiary of the Guarantor is a Material Subsidiary shall be based on a pro forma consolidation of its accounts (consolidated, if appropriate) with the consolidated accounts of the Guarantor and its Subsidiaries; or

(2) to which is transferred the whole or substantially the whole of the assets and undertaking of a Subsidiary of the Guarantor which immediately prior to the transfer was a Material Subsidiary, provided that the Subsidiary of the Guarantor which so transfers its assets and undertaking shall forthwith upon the transfer cease to be a Material Subsidiary (but without prejudice to clause (1) above) and the Subsidiary of the Guarantor to which the assets and undertaking are so transferred shall become a Material Subsidiary; and for this purpose a certificate by the auditors of the Guarantor or any other relevant auditor as to whether or not a Subsidiary is a Material Subsidiary shall be conclusive and binding on all parties in the absence of manifest error. The Guarantor shall upon request of a Holder of an Instrument provide such certificate or pro forma accounts to the Holder as soon as practicable.

(g) “**Subsidiary**” means in relation to any person and at any particular time any entity of which more than 50 per cent. of the issued share capital is then beneficially owned by such person and/or one or more of its Subsidiaries.

5. INTEREST

Interest

5.01 Instruments may be interest-bearing or non-interest-bearing, as specified in the Pricing Supplement. Words and expressions appearing in this Condition 5 and not otherwise defined herein or in the Pricing Supplement shall have the meanings given to them in Condition 5.09.

Interest-bearing Instruments

5.02 Instruments which are specified in the Pricing Supplement as being interest-bearing shall bear interest from their Interest Commencement Date at the Interest Rate payable in arrear on each Interest Payment Date.

Floating Rate Instruments

5.03 If the Pricing Supplement specifies the Interest Rate applicable to the Instruments as being Floating Rate it shall also specify which page (the “**Relevant Screen Page**”) on the Reuters Screen or any other information vending service shall be applicable. If such a page is so specified, the Interest Rate applicable to the relevant Instruments for each Interest Accrual Period shall be determined by the Calculation Agent on the following basis:

(a) the Calculation Agent will determine the offered rate for deposits (or, as the case may require, the arithmetic mean (rounded, if necessary, to the nearest ten thousandth of a percentage point, 0.00005 being rounded upwards) of the rates for deposits) in the relevant currency for a period of the duration of the relevant Interest Accrual Period on the Relevant Screen Page as of the Relevant Time on the relevant Interest Determination Date;

(b) if, on any Interest Determination Date, no such rate for deposits so appears (or, as the case may be, if fewer than two such rates for deposits so appear) or if the Relevant Screen Page is unavailable, the Calculation Agent will request appropriate quotations and will determine the arithmetic mean (rounded as aforesaid) of the rates at which deposits in the relevant currency are offered by four major banks in the Relevant Market, selected by the Calculation Agent, at approximately the Relevant Time on the Interest Determination Date to prime banks in the Relevant Market for a period of the duration of the relevant Interest Accrual Period and in an amount that is representative for a single transaction in the relevant market at the relevant time;

(c) if, on any Interest Determination Date, only two or three rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as aforesaid) of the rates so quoted; or

(d) if fewer than two rates are so quoted, the Calculation Agent will determine the arithmetic mean (rounded as aforesaid) of the rates quoted by four major banks in the Relevant Financial Centre selected by the Calculation Agent, at approximately 11.00 a.m. (Relevant Financial Centre time (or local time at such other financial centre or centres as aforesaid)) or 11:15 a.m. (Relevant Financial Centre time (or local time at such other financial centre or centres as aforesaid)) in the case of CNH HIBOR on the first day of the relevant Interest Accrual Period for loans in the relevant currency to leading European banks for a period of the duration of the relevant Interest Accrual Period and in an amount that is representative for a single transaction in the relevant market at the relevant time,

and the Interest Rate applicable to such Instruments during each Interest Accrual Period will be the sum of the relevant margin (the “**Relevant Margin**”) specified in the Pricing Supplement and the rate (or, as the case may be, the arithmetic mean (rounded as aforesaid) of the rates) so determined provided, however, that, if the Calculation Agent is unable to determine a rate (or, as the case may be, an arithmetic mean of rates) in accordance with the above provisions in relation to any Interest Accrual Period, the Interest Rate applicable to such Instruments during such Interest Accrual Period will be the sum of the Relevant Margin and the rate (or, as the case may be, the arithmetic mean (rounded as aforesaid) of the rates) determined in relation to such Instruments in respect of the last preceding Interest Accrual Period.

ISDA Rate Instruments

5.04 If the Pricing Supplement specifies the Interest Rate applicable to the Instruments as being ISDA Rate, each Instrument shall bear interest as from such date, and at such rate or in such amounts, and such interest will be payable on such dates, as would have applied (regardless of any event of default or

termination event or tax event thereunder) if the Issuer had entered into an interest rate swap transaction with the Holder of such Instrument under the terms of an agreement to which the ISDA Definitions applied and for the purpose of such agreement:

- the “Fixed Rate Payer”, “Fixed Amount Payer”, “Fixed Price Payer”, “Floating Rate Payer”, “Floating Amount Payer” or, as the case may be, the “Floating Price Payer” is the Issuer;
- the “Effective Date” is the Interest Commencement Date;
- the “Termination Date” is the Maturity Date;
- the “Calculation Agent” is the Calculation Agent as specified in the Pricing Supplement;
- the “Calculation Periods” are the Interest Accrual Periods;
- the “Period End Dates” are the Interest Period End Dates;
- the “Payment Dates” are the Interest Payment Dates;
- the “Reset Dates” are the Interest Period End Dates;
- the “Calculation Amount” is the principal amount of such Instrument;
- the “Day Count Fraction” applicable to the calculation of any amount is that specified in the Pricing Supplement or, if none is so specified, as may be determined in accordance with the ISDA Definitions;
- the “Applicable Business Day Convention” applicable to any date is that specified in the Pricing Supplement or, if none is so specified, as may be determined in accordance with the ISDA Definitions; and
- the other terms are as specified in the Pricing Supplement.

Maximum or Minimum Interest Rate

5.05 If any Maximum or Minimum Interest Rate is specified in the Pricing Supplement, then the Interest Rate shall in no event be greater than the maximum or be less than the minimum so specified.

Accrual of Interest

5.06 Interest shall accrue on the Outstanding Principal Amount of each Instrument during each Interest Accrual Period from the Interest Commencement Date. Interest will cease to accrue as from the due date for redemption therefor (or, in the case of an Instalment Instrument, in respect of each instalment of principal, on the due date for payment of the relevant Instalment Amount) unless upon due presentation or surrender thereof (if required), payment in full of the Redemption Amount (as defined in Condition 6.10) or the relevant Instalment Amount is improperly withheld or refused or default is otherwise made in the payment thereof in which case interest shall continue to accrue on the principal amount in respect of which payment has been improperly withheld or refused or default has been made (as well after as before any demand or judgment) at the Interest Rate then applicable or such other rate as may be specified for this purpose in the Pricing Supplement until the date on which, upon due presentation or surrender of the relevant Instrument (if required), the relevant payment is made or, if earlier (except where presentation

or surrender of the relevant Instrument is not required as a precondition of payment), the seventh day after the date on which, the Issue and Paying Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the Holders of the Instruments in accordance with Condition 14 that the Issue and Paying Agent or, as the case may be, the Registrar has received the required funds (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder).

Interest Amount(s), Calculation Agent and Reference Banks

5.07 If a Calculation Agent is specified in the Pricing Supplement, the Calculation Agent, as soon as practicable after the Relevant Time on each Interest Determination Date (or such other time on such date as the Calculation Agent may be required to calculate any Redemption Amount or Instalment Amount, obtain any quote or make any determination or calculation) will determine the Interest Rate and calculate the amount(s) of interest payable (the “**Interest Amount(s)**”) in respect of each denomination of the Instruments (in the case of Bearer Instruments) and the minimum denomination (in the case of Registered Instruments) for the relevant Interest Accrual Period, calculate the Redemption Amount or Instalment Amount, obtain such quote or make such determination or calculation, as the case may be, and cause the Interest Rate and the Interest Amounts for each Interest Period and the relevant Interest Payment Date or, as the case may be, the Redemption Amount or any Instalment Amount to be notified to the Issue and Paying Agent, the Registrar (in the case of Registered Instruments), the Issuer, the Guarantor, the Holders in accordance with Condition 14 and, if the Instruments are listed on a stock exchange and the rules of such exchange so require, such exchange as soon as possible after their determination or calculation but in no event later than the fourth Hong Kong Banking Day thereafter or, if earlier in the case of notification to the stock exchange, the time required by the rules of the relevant stock exchange. The Interest Amounts and the Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of an Interest Accrual Period or the Interest Period. If the Instruments become due and payable under Condition 7, the Interest Rate and the accrued interest payable in respect of the Instruments shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Interest Rate or the Interest Amount so calculated need be made. The determination of each Interest Rate, Interest Amount, Redemption Amount and Instalment Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon the Issuer, the Guarantor and the Holders and neither the Calculation Agent nor any Reference Bank shall have any liability to the Holders in respect of any determination, calculation, quote or rate made or provided by it. As used herein, the “**Calculation Agent**” means such agent as may be specified as such in the Pricing Supplement.

The Issuer and the Guarantor will procure that there shall at all times be such Reference Banks as may be required for the purpose of determining the Interest Rate applicable to the Instruments and a Calculation Agent, if provision is made for one in the Terms and Conditions.

If the Calculation Agent is incapable or unwilling to act as such or if the Calculation Agent fails duly to establish the Interest Rate for any Interest Accrual Period or to calculate the Interest Amounts or any other requirements, the Issuer and the Guarantor will appoint a leading bank engaged in the Relevant Market to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

Calculations and Adjustments

5.08 The amount of interest payable in respect of any Instrument for any period shall be calculated by applying the Interest Rate to:

- (A) in the case of Instruments which are represented by a Global Instrument, the aggregate Outstanding Principal Amount of the Instruments represented by such Global Instrument (or, if they are Partly Paid Instruments, the aggregate amount paid up); or
- (B) in the case of Instruments in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction (and rounded in the manner provided below) save that (i) if the Pricing Supplement specifies a specific amount in respect of such period, the amount of interest payable in respect of such Instrument for such period will be equal to such specified amount and (ii) in the case of Instruments where the Interest Rate is fixed, the interest shall be calculated on the basis of a 360-day year consisting of 12 months of 30 days each and, in the case of an incomplete month, the number of days elapsed. Where the Specified Denomination of an Instrument in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Instrument shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period will be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

For the purposes of any calculations referred to in these Terms and Conditions (unless otherwise specified in these Terms and Conditions or the Pricing Supplement), (a) all percentages resulting from such calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with 0.000005 per cent. being rounded up to 0.00001 per cent.), (b) all United States Dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one half cent being rounded up), (c) all Japanese Yen amounts used in or resulting from such calculations will be rounded downwards to the next lower whole Japanese Yen amount, and (d) all amounts denominated in any other currency used in or resulting from such calculations will be rounded to the nearest two decimal places in such currency, with 0.005 being rounded upwards.

5.09 In addition, notwithstanding the provisions above in this Condition 5, if the Issuer determines that a Benchmark Event has occurred in relation to the relevant Reference Rate specified in the applicable Pricing Supplement when any Rate of Interest (or the relevant component part thereof) remains to be determined by such Reference Rate, then the following provisions shall apply:

- (A) the Issuer shall use all reasonable endeavours to appoint, as soon as reasonably practicable, an Independent Adviser to determine (acting in a reasonable manner), no later than five business days prior to the relevant Interest Determination Date relating to the next succeeding Interest Period (the “**IA Determination Cut-off Date**”), a Successor Rate or, alternatively, if there is no Successor Rate, an Alternative Reference Rate for purposes of determining the Rate of Interest (or the relevant component part thereof) applicable to the Instruments;
- (B) if the Issuer (acting in a reasonable manner) is unable to appoint an Independent Adviser, or the Independent Adviser appointed by it fails to determine a Successor Rate or an Alternative Reference Rate prior to the IA Determination Cut-off Date, the Issuer (acting in a reasonable manner) may determine a Successor Rate or, if there is no Successor Rate, an Alternative Reference Rate;

- (C) if a Successor Rate or, failing which, an Alternative Reference Rate (as applicable) is determined in accordance with the preceding provisions, such Successor Rate or, failing which, an Alternative Reference Rate (as applicable) shall be the Reference Rate for each of the future Interest Periods (subject to the subsequent operation of, and to adjustment as provided in, this Condition 5.09); provided, however, that if sub-paragraph (B) applies and the Issuer (acting in a reasonable manner) is unable to or does not determine a Successor Rate or an Alternative Reference Rate prior to the relevant Interest Determination Date, the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the Rate of Interest last determined in relation to the Instruments in respect of the preceding Interest Period (or alternatively, if there has not been a first Interest Payment Date, the rate of interest shall be the initial Rate of Interest) (subject, where applicable, to substituting the Margin that applied to such preceding Interest Period for the Margin that is to be applied to the relevant Interest Period); for the avoidance of doubt, the proviso in this sub-paragraph (C) shall apply to the relevant Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 5.09);
- (D) if the Independent Adviser or the Issuer (acting in a reasonable manner) determines a Successor Rate or, failing which, an Alternative Reference Rate (as applicable) in accordance with the above provisions, the Independent Adviser or the Issuer (acting in good faith and in a commercially reasonable manner) (as applicable), may also specify changes to these Conditions, including but not limited to the Day Count Fraction, Relevant Screen Page, Applicable Business Day Convention, business days, Interest Determination Date and/or the definition of Reference Rate applicable to the Instruments, and the method for determining the fallback rate in relation to the Instruments, if such changes are necessary to ensure the proper operation of such Successor Rate, Alternative Reference Rate and/or Adjustment Spread (as applicable). If the Independent Adviser (in consultation with the Issuer) or the Issuer (acting in a reasonable manner) (as applicable), determines that an Adjustment Spread is required to be applied to the Successor Rate or the Alternative Reference Rate (as applicable) and determines the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Adjustment Spread shall be applied to the Successor Rate or the Alternative Reference Rate (as applicable). If the Independent Adviser or the Issuer (acting in a reasonable manner) (as applicable) is unable to determine the quantum of, or a formula or methodology for determining, such Adjustment Spread, then such Successor Rate or Alternative Reference Rate (as applicable) will apply without an Adjustment Spread. For the avoidance of doubt, the Issue and Paying Agent shall, at the direction and expense of the Issuer, effect such consequential amendments to the Issue and Paying Agency Agreement and these Conditions as may be required in order to give effect to this Condition 5.09. Holders' consent shall not be required in connection with effecting the Successor Rate or Alternative Reference Rate (as applicable) or such other changes, including for the execution of any documents or other steps by the Issue and Paying Agent (if required); and
- (E) the Issuer shall promptly, following the determination of any Successor Rate or Alternative Reference Rate (as applicable), give notice thereof to the Issue and Paying Agent and the Holders, which shall specify the effective date(s) for such Successor Rate or Alternative Reference Rate (as applicable) and any consequential changes made to these Conditions,

provided that the determination of any Successor Rate or Alternative Reference Rate, and any other related changes to the Instruments, shall be made in accordance with applicable law.

Definitions

5.10 In these Conditions:

“Adjustment Spread” means a spread (which may be positive or negative) or formula or methodology for calculating a spread, which the Independent Adviser (in consultation with the Issuer) or the Issuer (acting in a reasonable manner) (as applicable), determines is required to be applied to the Successor Rate or the Alternative Reference Rate (as applicable) in order to reduce or eliminate, to the extent reasonably practicable in the circumstances, any economic prejudice or benefit (as applicable) to Holders as a result of the replacement of the Reference Rate with the Successor Rate or the Alternative Reference Rate (as applicable) and is the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is formally recommended in relation to the replacement of the Reference Rate with the Successor Rate by any Relevant Nominating Body; or
- (B) in the case of a Successor Rate for which no such recommendation has been made or in the case of an Alternative Reference Rate, the Independent Adviser (in consultation with the Issuer) or the Issuer (acting in a reasonable manner) (as applicable) determines is recognised or acknowledged as being in customary market usage in international debt capital markets transactions which reference the Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Reference Rate (as applicable); or
- (C) if no such customary market usage is recognised or acknowledged, the Independent Adviser (in consultation with the Issuer) or the Issuer in its discretion (as applicable), determines (acting in a reasonable manner) to be appropriate.

“Alternative Reference Rate” means the rate that the Independent Adviser or the Issuer (as applicable) determines has replaced the relevant Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest in respect of bonds denominated in the Specified Currency and of a comparable duration to the relevant Interest Period, or, if the Independent Adviser or the Issuer (as applicable) determines that there is no such rate, such other rate as the Independent Adviser or the Issuer (as applicable) determines in its discretion (acting in a reasonable manner) is most comparable to the relevant Reference Rate.

“Applicable Business Day Convention” means the “Business Day Convention” which may be specified in the Pricing Supplement as applicable to any date in respect of the Instruments. Where the Pricing Supplement specifies “No Adjustment” in relation to any date, such date shall not be adjusted in accordance with any Business Day Convention. Where the Pricing Supplement fails either to specify an applicable Business Day Convention or “No Adjustment” for the purposes of an Interest Payment Date or an Interest Period End Date, then in the case of Instruments which bear interest at a fixed rate, “No Adjustment” shall be deemed to have been so specified and in the case of Instruments which bear interest at a floating rate, the Modified Following Business Day Convention shall be deemed to have been so specified. (B) “**Person**” means any individual, company, corporation, firm, partnership, joint venture, association, organisation, state, agency of a state or other entity, whether or not having a separate legal personality; and

(C) “**Project Subsidiary**” means any Subsidiary of the Issuer or the Guarantor:

(a) which is a single purpose company whose principal assets and activities are constituted by, or relate to, a project;

(b) none of whose monetary obligations in respect of the project is subject to any recourse whatsoever in respect thereof to the Issuer or the Guarantor or any of its other Subsidiaries (other than another Project Subsidiary), except (i) in connection with an enforcement of an encumbrance given by the Issuer or the Guarantor or any of its other Subsidiaries over the Issuer’s or the Guarantor’s or such other Subsidiary’s shares or the like in the capital of such single purpose company or (ii) as expressly referred to in paragraph (c) of the definition of Project Finance Indebtedness; and

(c) which has been designated as such by the Issuer or the Guarantor by written notice to the Issue and Paying Agent, provided that the Issuer or the Guarantor may give written notice to the Issue and Paying Agent at any time that any Project Subsidiary is no longer a Project Subsidiary, whereupon it shall cease to be a Project Subsidiary.

(D) “**Project Finance Indebtedness**” means any indebtedness (not being indebtedness incurred by the Issuer or Guarantor) to provide finance for, or in relation to, a project in respect of which the person or persons to whom any such indebtedness is or may be owed by the relevant person (the “**borrower**”) has or have no recourse whatsoever to the Issuer or the Guarantor or any other Subsidiary (other than a Project Subsidiary) for the repayment thereof other than, if such borrower is not a Project Subsidiary:-

(a) recourse to the borrower for amounts limited to cash flow or net cash flow from such project; and/or

(b) recourse to the borrower for the purpose only of enabling amounts to be claimed in respect of such indebtedness in an enforcement of any encumbrance given by such borrower over any asset comprised in a project or the income, cash flow or other proceeds deriving from the project (or given by any shareholder or the like in the borrower over its shares or the like in the capital of the borrower) to secure such indebtedness. Provided that (i) the extent of such recourse to such borrower is limited solely to the amount of any recoveries made on any such enforcement, and (ii) such person or persons are not entitled, by virtue of any right or claim arising out of or in connection with such indebtedness, to commence proceedings for the winding-up or dissolution of the borrower or to appoint or procure the appointment of any receiver, trustee or similar person or officer in respect of the borrower or any of its assets (save for the assets the subject of such encumbrance); and/or

(c) recourse to such borrower generally, or directly or indirectly to the Issuer or the Guarantor or any other Subsidiary, under any form of assurance, undertaking or support, which recourse is limited to a claim for damages (other than liquidated damages and damages required to be calculated in a specified way) for breach of any obligation (not being a payment obligation or any obligation to procure payment by another or any indemnity in respect thereof or an obligation to comply or to procure compliance by another with any financial ratios or other tests of financial condition) by the person against whom such recourse is available.

7.02 If any Event of Default shall occur in relation to any Series of Instruments, any Holder of an Instrument of the relevant Series may, by written notice to the Issuer, at the specified office of the Issue and Paying Agent, declare that such Instrument and (if the Instrument is interest-bearing) all interest then accrued on such Instrument shall be forthwith due and payable, whereupon the same shall become immediately due and payable at its early termination amount (the “**Early Termination Amount**”) (which shall be its Outstanding Principal Amount or, if such Instrument is non-interest bearing, its Amortised Face Amount (as defined in Condition 6.11) or such other redemption amount as may be specified in, or determined in accordance with the provisions of, the Pricing Supplement), together with all interest (if any) accrued thereon without presentment, demand, protest or other notice of any kind, all of which the Issuer will expressly waive, anything contained in such Instruments to the contrary notwithstanding, unless, prior thereto, all Events of Default in respect of the Instruments of the relevant Series shall have been cured.

8. TAXATION

8.01 All amounts payable (whether in respect of principal, interest or otherwise) in respect of the Instruments or under the Guarantee will be made free and clear of and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Hong Kong or, as the case may be, the Cayman Islands or, in any such case, any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental

charges is required by the laws of the aforesaid jurisdictions. In that event, the Issuer or, as the case may be, the Guarantor will pay such additional amounts as may be necessary in order that the net amounts receivable by the Holder after such withholding or deduction shall equal the respective amounts which would have been receivable by such Holder in the absence of such withholding or deduction; except that no such additional amounts shall be payable in relation to any payment in respect of any Instrument, Receipt or Coupon:

(a) to, or to a third party on behalf of, a person who is liable to such taxes, duties, assessments or governmental charges in respect of such Instrument, Receipt or Coupon by reason of his having some connection with Hong Kong or, as the case may be, the Cayman Islands other than (a) the mere holding of such Instrument, Receipt or Coupon or (b) the receipt of principal, interest or other amount in respect of such Instrument, Receipt or Coupon; or

(b) presented for payment by or on behalf of, a Holder who is legally entitled and competent to avoid such taxes, duties, assessments or government charges in respect of such Instrument, Receipt or Coupon by making a declaration of non-residence or other similar claim for exemption to the appropriate fiscal authority but who fails to do so; or

(c) presented for payment more than thirty days after the Relevant Date (as defined below), except to the extent that the relevant Holder would have been entitled to such additional amounts on presenting the same for payment on or before the expiry of such period of thirty days.

8.02 For the purposes of these Terms and Conditions, the “**Relevant Date**” means, in respect of any payment, the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Issue and Paying Agent, or as the case may be, the Registrar on or prior to such due date, it means the first date on which, the full amount of such moneys having been so received and being available for payment to Holders, notice to that effect shall have been duly given to the Holders of the Instruments of the relevant Series in accordance with Condition 14.

8.03 If the Issuer or the Guarantor becomes subject generally at any time to any taxing jurisdiction other than or in addition to Hong Kong or, as the case may be, the Cayman Islands references in Condition 6.02 and Condition 8.01 to Hong Kong or, as the case may be, the Cayman Islands shall be read and construed as references to Hong Kong or, as the case may be, the Cayman Islands and/or to such other jurisdiction(s).

8.04 Any reference in these Terms and Conditions to “**principal**” and/or “**interest**” in respect of the Instruments shall be deemed also to refer to any additional amounts which may be payable under this Condition 8. Unless the context otherwise requires, any reference in these Terms and Conditions to “principal” shall include any premium payable in respect of an Instrument, any Instalment Amount or Redemption Amount and any other amounts in the nature of principal payable pursuant to these Terms and Conditions and “interest” shall include all amounts payable pursuant to Condition 5 and any other amounts in the nature of interest payable pursuant to these Terms and Conditions.

9. PAYMENTS

9A Payments — Bearer Instruments

9A.01 This Condition 9A is applicable in relation to Instruments in bearer form.

9A.02 Payment of amounts (other than interest) due in respect of Bearer Instruments will be made against presentation and (save in the case of partial payment or payment of an Instalment Amount (other than the final Instalment Amount)) surrender of the relevant Bearer Instruments at the specified office of any of the Paying Agents.

Payment of Instalment Amounts (other than the final Instalment Amount) in respect of an Instalment Instrument which is a Definitive Instrument with Receipts will be made against presentation of the Instrument together with (where applicable) the relevant Receipt and surrender of such Receipt.

The Receipts are not and shall not in any circumstances be deemed to be documents of title and if separated from the Instrument to which they relate will not represent any obligation of the Issuer. Accordingly, the presentation of an Instrument without the relative Receipt or the presentation of a Receipt without the Instrument to which it appertains shall not entitle the Holder to any payment in respect of the relevant Instalment Amount.

9A.03 Payment of amounts in respect of interest on Bearer Instruments will be made:

(a) in the case of a Temporary Global Instrument or Permanent Global Instrument, against presentation of the relevant Temporary Global Instrument or Permanent Global Instrument at the specified office of any of the Paying Agents outside (unless Condition 9A.04 applies) the United States and, in the case of a Temporary Global Instrument, upon due certification as required therein.

(b) in the case of Definitive Instruments without Coupons attached thereto at the time of their initial delivery, against presentation of the relevant Definitive Instruments at the specified office of any of the Paying Agents outside (unless Condition 9A.04 applies) the United States; and

(c) in the case of Definitive Instruments delivered with Coupons attached thereto at the time of their initial delivery, against surrender of the relevant Coupons or, in the case of interest due otherwise than on a scheduled date for the payment of interest, against presentation of the relevant Definitive Instruments, in either case at the specified office of any of the Paying Agents outside (unless Condition 9A.04 applies) the United States.

9A.04 Payments of amounts due in respect of interest on the Bearer Instruments and exchanges of Talons for Coupon sheets in accordance with Condition 9A.07 will not be made at the specified office of any Paying Agent in the United States (as defined in the United States Internal Revenue Code and Regulations thereunder) unless (a) payment in full of amounts due in respect of interest on such Instruments when due or, as the case may be, the exchange of Talons at all the specified offices of the Paying Agents outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions and (b) such payment or exchange is permitted by applicable United States law. If paragraphs (a) and (b) of the previous sentence apply, the Issuer and the Guarantor shall forthwith appoint a further Paying Agent with a specified office in New York City.

9A.05 If the due date for payment of any amount due in respect of any Instrument is not a Relevant Financial Centre Day and a Local Banking Day (each as defined in Condition 9C.03), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day, (or as otherwise specified in the Pricing Supplement) and from such day and thereafter will be entitled to payment by transfer to a designated account on any day which is a Local Banking Day, a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and

no further payment on account of interest or otherwise shall be due in respect of such delay or adjustment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.06 or, if appropriate, Condition 5.10.

9A.06 Each Definitive Instrument initially delivered with Coupons, Talons or Receipts attached thereto should be presented and, save in the case of partial payment of the Redemption Amount, surrendered for final redemption together with all unmatured Receipts, Coupons and Talons relating thereto, failing which:

(a) if the Pricing Supplement specifies that this paragraph (a) of Condition 9A.06 is applicable (and, in the absence of specification, this paragraph (a) shall apply to Definitive Instruments which bear interest at a fixed rate or rates or in fixed amounts) and subject as hereinafter provided, the amount of any missing unmatured Coupons (or, in the case of a payment not being made in full, that portion of the amount of such missing Coupon which the Redemption Amount paid bears to the total Redemption Amount due) (excluding, for this purpose, but without prejudice to paragraph (iii) below, Talons) will be deducted from the amount otherwise payable on such final redemption, the amount so deducted being payable against surrender of the relevant Coupon at the specified office of any of the Paying Agents at any time within ten years of the Relevant Date applicable to payment of such Redemption Amount;

(b) if the Pricing Supplement specifies that this paragraph (b) of Condition 9A.06 is applicable (and, in the absence of specification, this paragraph (b) shall apply to Instruments which bear interest at a floating rate or rates or in variable amounts) all unmatured Coupons (excluding, for this purpose, but without prejudice to paragraph (c) below, Talons) relating to such Definitive Instruments (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them;

(c) in the case of Definitive Instruments initially delivered with Talons attached thereto, all unmatured Talons (whether or not surrendered therewith) shall become void and no exchange for Coupons shall be made thereafter in respect of them; and

(d) in the case of Definitive Instruments initially delivered with Receipts attached thereto, all Receipts relating to such Instruments in respect of a payment of an Instalment Amount which (but for such redemption) would have fallen due on a date after such due date for redemption (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them.

The provisions of paragraph (a) of this Condition 9A.06 notwithstanding, if any Definitive Instruments should be issued with a maturity date and an Interest Rate or Rates such that, on the presentation for payment of any such Definitive Instrument without any unmatured Coupons attached thereto or surrendered therewith, the amount required by paragraph (i) to be deducted would be greater than the Redemption Amount otherwise due for payment, then, upon the due date for redemption of any such Definitive Instrument, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the provisions of paragraph (i) in respect of such Coupons as have not so become void, the amount required by paragraph (i) to be deducted would not be greater than the Redemption Amount otherwise due for payment. Where the application of the foregoing sentence requires some but not all of the unmatured Coupons

relating to a Definitive Instrument to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

9A.07 In relation to Definitive Instruments initially delivered with Talons attached thereto, on or after the due date for the payment of interest on which the final Coupon comprised in any Coupon sheet matures, the Talon comprised in the Coupon sheet may be surrendered at the specified office of any Paying Agent outside (unless Condition 9A.04 applies) the United States in exchange for a further Coupon sheet (including any appropriate further Talon), subject to the provisions of Condition 10 below. Each Talon shall, for the purpose of these Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

9B Payments — Registered Instruments

9B.01 This Condition 9B is applicable in relation to Instruments in registered form.

9B.02 Payment of the Redemption Amount (together with accrued interest) due in respect of Registered Instruments will be made against presentation and, save in the case of partial payment of the Redemption Amount, surrender of the relevant Registered Instruments at the specified office of the Registrar. If the due date for payment of the Redemption Amount of any Registered Instrument is not a Relevant Financial Centre Day (as defined in Condition 9C.03), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day, and from such day and thereafter will be entitled to payment by transfer to a designated account (which, in the case of payment in Renminbi, means a Renminbi account maintained with a bank in Hong Kong designated by the payee) on any day which is a Local Banking Day, a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.06 or, as appropriate, Condition 5.10.

9B.03 Payment of amounts (whether principal, interest or otherwise) due (other than the Redemption Amount) in respect of Registered Instruments will be paid to the Holder thereof (or, in the case of joint Holders, the first-named) as appearing in the register kept by the Registrar (i) where in global form, at the close of the business day (being for this purpose a day on which the CMU Service, Euroclear, Clearstream, Luxembourg and DTC are open for business) before the due date for such payment, and (ii) where in definitive form, as at opening of business (local time in the place of the specified office of the Registrar) on the fifth day (being a day on which commercial banks in Hong Kong are generally open for business and settlement of Renminbi payments in Hong Kong) (in the case of Renminbi) or the fifteenth Relevant Banking Day (as defined in Condition 2.06) (in the case of a currency other than Renminbi) before the due date for such payment (the “**Record Date**”).

9B.04 Notwithstanding the provisions of Condition 9C.02, payment of amounts (whether principal, interest or otherwise) due (other than the Redemption Amount) in respect of Registered Instruments (in the case of a currency other than Renminbi) will be made in the currency in which such amount is due by payment to be made to a designated account denominated in the relevant currency in which case payment shall be made on the relevant due date for payment by transfer to such account. Payment of amounts (whether principal, interest or otherwise) due (other than the Redemption Amount) in Renminbi will be made in Renminbi on the relevant due date for payment by transfer to a Renminbi account maintained with a bank in Hong Kong designated by the payee.

In the case of payment by transfer to an account, if the due date for any such payment is not a Relevant Financial Centre Day, then the Holder thereof will not be entitled to payment thereof until the first day thereafter which is a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5.06 or, as appropriate, Condition 5.10.

9C Payments — General Provisions

9C.01 Save as otherwise specified in these Terms and Conditions, this Condition 9C is applicable in relation to Instruments whether in bearer or in registered form.

9C.02 Payments of amounts (other than amounts in Renminbi) due (whether principal, interest or otherwise) in respect of Instruments will be made in the currency in which such amount is due by transfer to an account denominated in the relevant currency specified by the payee. Payments of amounts due in Renminbi (whether principal interest or otherwise) will be made in Renminbi by transfer to a Renminbi account maintained with a bank in Hong Kong specified by the payee. Payments will, without prejudice to the provisions of Condition 8, be subject in all cases (i) to any applicable fiscal or other laws and regulations in the place of payment and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

9C.03 For the purposes of these Terms and Conditions:

(a) “**Relevant Financial Centre Day**” means (i) in the case of any currency other than euro and Renminbi, a day on which commercial banks and foreign exchange markets settle payments in the Relevant Financial Centre and in any other Relevant Financial Centre specified in the Pricing Supplement; (ii) in the case of euro, a day on which the TARGET system (as defined in Condition 9D) is operating and (iii) in the case of Renminbi, a day on which commercial banks in Hong Kong are generally open for business and settlement of Renminbi payments in Hong Kong; and

(b) “**Local Banking Day**” means a day (other than a Saturday or Sunday) on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in the place of presentation of the relevant Instrument or, as the case may be, Coupon.

9C.04 No commissions or expenses shall be charged to the holders of Instruments or Coupons in respect of such payments.

9D Payments — Redenomination, Renominalisation and Reconventioning in respect of the euro

Where any of Redenomination, Renominalisation or Reconventioning is specified in the relevant Pricing Supplement as being applicable in relation to Instruments denominated in a Relevant Currency:

(a) the Issuer may, without the consent of the Holders of the Instruments or the Coupons, on giving not less than 30 days' prior notice (a "**Redenomination Notice**") to the Holders of the Instruments (by publication in accordance with Condition 14), the CMU Service, Euroclear, Clearstream, Luxembourg or any other relevant clearing system (as the case may be), the Guarantor, the Paying Agents and the Registrar (in the case of Registered Instruments), with effect from (and including) the Redenomination Date, elect that the aggregate principal amount of each Holder's holding of Instruments (represented by his interest in the Global Instrument) shall be redenominated into euro with an aggregate principal amount equal to their aggregate principal amount in the Relevant Currency and the amount of such payment shall be rounded to the nearest euro 0.01. The rate for the conversion of the Relevant Currency into euro shall be the rate established by the Council of the European Union pursuant to relevant EMU Legislation (including compliance with rules relating to rounding in accordance with applicable European Community regulations).

For the purposes of these Conditions:

(i) "**EMU Legislation**" means any legislative measures of the European Council for the introduction of, changeover to or operation of the euro other than Council Regulation (EC) No 974/98 (the "**Article 109L (4) Regulation**").

(iii) "**euro**" means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty.

(iii) "**Participating Member State**" means a member state of the European Communities who adopts the euro as its lawful currency in accordance with the Treaty and EMU Legislation.

(iv) "**Treaty**" means the Treaty of Rome of 25 March 1957, as amended by the Single European Act 1986 and the Maastricht Treaty (which was signed at Maastricht on 7 February 1992 and came into force on 1 November 1993).

(v) "**Redenomination Date**" means any Interest Payment Date falling on or after the date on which the relevant member state becomes a Participating Member State as specified in the Redenomination Notice.

(vi) "**Relevant Currency**" means the currency of denomination of the Instruments shown on such Instruments and which is specified in the Pricing Supplement being the currency of a member state who at the date of issue of the Instruments was not a Participating Member State.

On or after the Redenomination Date, notwithstanding the other provisions of the Conditions, all payments in respect of the Instruments will be made solely in euro, including payments of interest in respect of a period before the Redenomination Date. Payments will be made in euro by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee. Neither the Issuer, the Guarantor nor any Paying Agent shall be liable to any holder of Instruments or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of euro or any currency conversion or rounding effected in connection therewith;

(b) provided that the Instruments are in Global form, the Issuer may, without the consent of the Holders of the Instruments or the Coupons, on giving at least 30 days' prior notice to the Holders of the Instruments (by publication in accordance with Condition 14), the CMU Service, Euroclear, Clearstream, Luxembourg or any other relevant clearing system (as the case may be), the Guarantor, the Paying Agents, with effect from the Redenomination Date or such later date as it may specify in that notice, procure that the denomination of the Instruments shall be euro 0.01 and integral multiples thereof.

(c) the Issuer may, without the consent of the Holders of the Instruments or the Coupons, on giving at least 30 days' prior notice to the Holders of the Instruments (by publication in accordance with Condition 14), the CMU Service, Euroclear, Clearstream, Luxembourg or any other relevant clearing system (as the case may be), the Guarantor, the Paying Agents and in the case of Registered Instruments, the Registrar, with effect from the Redenomination Date or such later Interest Payment Date as it may specify in that notice, elect the conventions then applicable in respect of the Instruments denominated in euro. In particular, the Issuer may procure that the definition of "**Business Day**" and "**Relevant Financial Centre**" in Condition 5.09 shall be amended so as to be a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System ("**TARGET2**") is operating, and that, if interest is required to be calculated for a period of less than one year, it will be calculated on the basis of the actual number of days elapsed divided by 365 (or, if any of the days elapsed fall in a leap year, the sum of (A) the number of those days falling in a leap year divided by 366 and (B) the number of those days falling in a non-leap year divided by 365).

10. PRESCRIPTION

10.01 Claims against the Issuer for payment of principal and interest in respect of Instruments will be prescribed and become void unless made, in the case of principal, within ten years or, in the case of interest, five years after the Relevant Date (as defined in Condition 8.02) for payment thereof.

10.02 In relation to Definitive Instruments initially delivered with Talons attached thereto, there shall not be included in any Coupon sheet issued upon exchange of a Talon any Coupon which would be void upon issue pursuant to Condition 9A.06 or the due date for the payment of which would fall after the due date for the redemption of the relevant Instrument or which would be void pursuant to this Condition 10 or any Talon the maturity date of which would fall after the due date for redemption of the relevant Instrument.

11. THE PAYING AGENTS, THE REGISTRARS AND THE CALCULATION AGENT

11.01 The initial Paying Agents and Registrars and their respective initial specified offices are specified below. The Calculation Agent in respect of any Instruments shall be specified in the Pricing Supplement. The Issuer and the Guarantor reserves the right at any time to vary or terminate the appointment of any Paying Agent (including the Issue and Paying Agent) or the Registrar or the Calculation Agent and to appoint additional or other Paying Agents or another Registrar or another Calculation Agent provided that they will at all times maintain (i) an Issue and Paying Agent, (ii) in the case of Registered Instruments, a Registrar (iii) a Paying Agent (which may be the Issue and Paying Agent) with a specified office in a continental European city, (iv) so long as the Instruments are listed on any stock exchange, a Paying Agent (which may be the Issue and Paying Agent) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange (or any other relevant authority); (v) in the circumstances described in Condition 9A.04, a Paying Agent with a specified office in New York City, (vi) a Calculation Agent where required by the Terms and Conditions applicable to any

Instruments (in the case of (i), (ii), (iii) and (vi) with a specified office located in such place (if any) as may be required by the Terms and Conditions). The Paying Agents, the Registrar and the Calculation Agent reserve the right at any time to change their respective specified offices to some other specified office in the same city. Notice of all changes in the identities or specified offices of any Paying Agent, the Registrar or the Calculation Agent will be given promptly by the Issuer and the Guarantor to the Holders in accordance with Condition 14.

11.02 The Paying Agents, the Registrar and the Calculation Agent act solely as agents of the Issuer and the Guarantor and, save as provided in the Issue and Paying Agency Agreement or any other agreement entered into with respect to its appointment, do not assume any obligations towards or relationship of agency or trust for any Holder of any Instrument, Receipt or Coupon and each of them shall only be responsible for the performance of the duties and obligations expressly imposed upon it in the Issue and Paying Agency Agreement or other agreement entered into with respect to its appointment or incidental thereto.

12. REPLACEMENT OF INSTRUMENTS

If any Instrument, Receipt or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Issue and Paying Agent or such Paying Agent or Paying Agents as may be specified for such purpose in the Pricing Supplement (in the case of Bearer Instruments and Coupons) or of the Registrar (in the case of Registered Instruments) (“**Replacement Agent**”), subject to all applicable laws and the requirements of any stock exchange on which the Instruments are listed, upon payment by the claimant of all expenses incurred in connection with such replacement and upon such terms as to evidence, security, indemnity and otherwise as the Issuer and the Guarantor and the Replacement Agent may require. Mutilated or defaced Instruments, Receipts and Coupons must be surrendered before replacements will be delivered therefor.

13. MEETINGS OF HOLDERS AND MODIFICATION

The Issue and Paying Agency Agreement contains provisions (which shall have effect as if incorporated herein) for convening meetings of the Holders of Instruments of any Series to consider any matter affecting their interest, including (without limitation) the modification by Extraordinary Resolution (as defined in the Issue and Paying Agency Agreement) of these Terms and Conditions, the Deed of Covenant and the Guarantee insofar as the same may apply to such Instruments. An Extraordinary Resolution passed at any meeting of the Holders of Instruments of any Series will be binding on all Holders of the Instruments of such Series, whether or not they are present at the meeting, and on all Holders of Coupons relating to Instruments of such Series.

The Issuer or the Guarantor may, with the consent of the Issue and Paying Agent, but without the consent of the Holders of the Instruments of any Series or Coupons, amend these Terms and Conditions and the Deed of Covenant, the Guarantee insofar as they may apply to such Instruments to correct a manifest error. Subject as aforesaid, no other modification may be made to these Terms and Conditions or the Deed of Covenant and the Guarantee except with the sanction of an Extraordinary Resolution.

14. NOTICES

To Holders of Bearer Instruments

14.01 Notices to Holders of Bearer Instruments will, save where another means of effective communication has been specified herein or in the Pricing Supplement, be deemed to be validly given if (i) published in a leading daily newspaper having general circulation in Hong Kong (which is expected to

be the *South China Morning Post*) or, in the case of (i), if such publication is not practicable, if published in a leading English language daily newspaper having general circulation in Asia (or, if permitted by the rules of the relevant stock exchange, in the case of Instruments represented by a Temporary Global Instrument or Permanent Global Instrument, if delivered to Euroclear and Clearstream, Luxembourg and/or any other relevant clearing system for communication by them to the persons shown in their respective records as having interests therein or, in the case of Instruments represented by a Temporary Global Instrument or a Permanent Global Instrument which is held in the CMU Service, if given to the persons shown, in a “**CMU Instrument Position Report**” issued by the CMU Service on the business day immediately before the preceding Interest Payment Date, as holding interests in the relevant Temporary Global Instrument or Permanent Global Instrument, as the case may be). The Issuer shall also ensure that notices are duly published in compliance with the requirements of each stock exchange on which the Instruments are listed. Any notice so given will be deemed to have been validly given on the date of first such publication (or, if required to be published in more than one newspaper, on the first date on which publication shall have been made in all the required newspapers), or, as the case may be, on the fourth weekday after the date of such delivery to Euroclear and Clearstream, Luxembourg and/or such other clearing system or the persons shown in the “**CMU Instrument Position Report**”. Holders of Coupons will be deemed for all purposes to have notice of the contents of any notice given to Holders of Bearer Instruments in accordance with this Condition. A copy of each notice given pursuant to this Condition will in any event be delivered to the CMU Service, Euroclear, Clearstream, Luxembourg and/or any other relevant clearing system.

To Holders of Registered Instruments

14.02 Notices to Holders of Registered Instruments will be deemed to be validly given if sent by first class mail (or equivalent) or (if posted to an overseas address) by air mail to them (or, in the case of joint Holders, to the first-named in the register kept by the Registrar) at their respective addresses as recorded in the register kept by the Registrar, and will be deemed to have been validly given on the second weekday after the date of such mailing or, if posted from another country, on the fifth such day.

15. FURTHER ISSUES

The Issuer may from time to time, without the consent of the Holders of any Instruments or Coupons, create and issue further instruments, bonds or debentures having the same terms and conditions as such Instruments in all respects (or in all respects except for the first payment of interest, if any, on them and/or the denomination thereof) so as to form a single series with the Instruments of any particular Series and references in these Conditions to Instruments shall be construed accordingly.

16. CURRENCY INDEMNITY

The currency in which the Instruments are denominated or, if different, payable, as specified in the Pricing Supplement (the “**Contractual Currency**”), is the sole currency of account and payment for all sums payable by the Issuer in respect of the Instruments, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction or otherwise) by any Holder of an Instrument or Coupon in respect of any sum expressed to be due to it from the Issuer shall only constitute a discharge to the Issuer to the extent of the amount in the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that amount is less than the amount in the Contractual Currency expressed to be due to any Holder of an Instrument or Coupon in respect of such Instrument or Coupon the Issuer shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the Issuer shall indemnify each

such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute a separate and independent obligation from the Issuer's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of an Instrument or Coupon and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due in respect of the Instruments or any judgment or order. Any such loss aforesaid shall be deemed to constitute a loss suffered by the relevant Holder of an Instrument or Coupon and no proof or evidence of any actual loss will be required by the Issuer.

17. WAIVER AND REMEDIES

No failure to exercise, and no delay in exercising, on the part of the Holder of any Instrument, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

18. LAW AND JURISDICTION

18.01 The Instruments, the Issue and Paying Agency Agreement, the Deed of Covenant, the Guarantee, all matters arising from or connected with the Instruments and any non-contractual obligations arising out of or in connection with any of the foregoing are governed by, and shall be construed in accordance with, English law.

18.02 The courts of England have exclusive jurisdiction to settle any dispute (a "**Dispute**"), arising from or connected with the Instruments (including a dispute relating to any non-contractual obligations arising out of or in connection with any of the foregoing).

18.03 The Issuer and the Guarantor have agreed that the courts of England are the most appropriate and convenient courts to settle any Dispute and, accordingly, that it will not argue to the contrary.

18.04 Condition 18.02 is for the benefit of the Holders of the Instruments only. As a result, nothing in this Condition 18 prevents any Holder of an Instrument from taking proceedings relating to a Dispute ("**Proceedings**") in any other courts with jurisdiction. To the extent allowed by law, Holders of the Instruments may take concurrent Proceedings in any number of jurisdictions.

18.05 The Issuer agrees and the Guarantor has irrevocably agreed in the Guarantee, that the process by which any Proceedings in England are begun may be served on it by being delivered to Clifford Chance Secretaries Limited at 10 Upper Bank Street, London E14 5JJ or if different, its registered office for the time being or any address of the Issuer or the Guarantor, as the case may be, in Great Britain at which process may be served on it in accordance with Part XXIII of the Companies Act 1985 (as modified or re-enacted from time to time). If any such person is not or ceases to be effectively appointed to accept service of process on behalf of either or both of the Issuer or the Guarantor, the Issuer or, as the case may be, the Guarantor shall forthwith appoint a further person in England to accept service of process on its behalf in England and notify the name and address of such person to the Issue and Paying Agent and, failing such appointment and notification within fifteen days, any Holder of an Instrument shall be entitled to appoint such a person by written notice addressed to the Issuer or, as the case may be, the Guarantor and delivered to the Issuer or, as the case may be, the Guarantor or to the specified office of the Issue and Paying Agent. Nothing contained herein shall affect the right of any Holder of an Instrument to serve process in any other manner permitted by law. This clause applies to Proceedings in England and to Proceedings elsewhere.

19. RIGHT OF THIRD PARTIES

No person shall have any right to enforce any term or condition of the Instruments under the Contracts (Rights of Third Parties) Act 1999.

PROVISIONS RELATING TO THE INSTRUMENTS WHILST IN GLOBAL FORM

(A) Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of the CMU Service, Euroclear, Clearstream, Luxembourg, DTC or any other clearing system as the holder of an Instrument represented by a Global Instrument (which expression includes a Temporary Global Instrument, a Permanent Global Instrument and a Global Registered Instrument) must look solely to the CMU Service, Euroclear, Clearstream, Luxembourg, DTC or such other clearing system (as the case may be) for such person's share of each payment made by the Issuer or, as the case may be, the Guarantor to the bearer of such Global Instrument or (as the case may be) the registered holder of such Global Registered Instrument, and in relation to all other rights arising under the Global Instruments, subject to and in accordance with the respective rules and procedures of the CMU Service, Euroclear, Clearstream, Luxembourg, DTC or such clearing system (as the case may be). Such persons shall have no claim directly against the Issuer or the Guarantor in respect of payments due on the Instruments for so long as the Instruments are represented by such Global Instrument or Global Registered Instrument and such obligations of the Issuer or the Guarantor will be discharged by payment to the bearer of such Global Instrument or (as the case may be) the registered holder of the Global Registered Instrument, in respect of each amount so paid. References in these provisions relating to the Instruments in global form to "**holder**" or "**accountholder**" are to those persons shown in the records of the relevant clearing system as a holder of an Instrument.

(B) Form and Exchange — Bearer Global Instruments

(1) *TEFRA D or TEFRA C*: The Pricing Supplement shall specify whether the TEFRA D Rules or the TEFRA C Rules shall apply. Each Tranche of Bearer Instruments is represented upon issue by a Temporary Global Instrument, unless the Pricing Supplement specifies otherwise and the TEFRA C Rules apply.

Where the Pricing Supplement applicable to a Tranche of Bearer Instruments specifies that the TEFRA C Rules apply, such Tranche is (unless otherwise specified in the Pricing Supplement) represented upon issue by a Permanent Global Instrument.

Interests in a Temporary Global Instrument may be exchanged for:

- (a) interests in a Permanent Global Instrument; or
- (b) if so specified in the Pricing Supplement, Definitive Instruments and/or (if so specified in the Pricing Supplement) Registered Instruments.

Exchanges of interests in a Temporary Global Instrument for Definitive Instruments or, as the case may be, interests in a Permanent Global Instrument will be made only on or after the Exchange Date (as specified in the Pricing Supplement) and (unless the Pricing Supplement specifies that the TEFRA C Rules are applicable to the Instruments) provided certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Instrument or in such other form as is customarily issued in such circumstances by the relevant clearing system) has been received. An exchange for Registered Instruments will be made at any time or from such date as may be specified in the Pricing Supplement, in each case, without any requirement for certification.

(2) *Limitation on entitlement under a Temporary Global Instrument after Exchange Date:* Holders of interests in any Temporary Global Instrument shall not (unless, upon due presentation of such Temporary Global Instrument for exchange (in whole but not in part only) for a Permanent Global Instrument or for delivery of Definitive Instruments and/or Registered Instruments, such exchange or delivery is improperly withheld or refused and such withholding or refusal is continuing at the relevant payment date) be entitled to receive any payment in respect of the Instruments represented by such Temporary Global Instrument which falls due on or after the Exchange Date or be entitled to exercise any option on a date after the Exchange Date.

(3) *Certification of non-U.S. beneficial ownership:* Unless the Pricing Supplement specifies that the TEFRA C Rules are applicable to the Instruments and subject to paragraph (2) above, if any date on which a payment of interest is due on the Instruments of a Tranche occurs whilst any of the Instruments of that Tranche are represented by a Temporary Global Instrument, the related interest payment will be made on the Temporary Global Instrument only to the extent that certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in such form as is customarily issued in such circumstances by the relevant clearing system) has been received by the CMU Service, Euroclear, Clearstream, Luxembourg or any other relevant clearing system which may be specified in the Pricing Supplement. Payments of amounts due in respect of a Permanent Global Instrument or (subject to paragraph (2) above) a Temporary Global Instrument (if the Pricing Supplement specifies that the TEFRA C Rules are applicable to the Instruments) will be made through the CMU Service, Euroclear or Clearstream, Luxembourg or any other relevant clearing system without any requirement for certification.

(4) *Exchange for Definitive Instruments and/or Registered Instruments:* Interests in a Permanent Global Instrument will be exchanged (subject to the period allowed for delivery as set out in (i) below), in whole but not in part only and at the request of the Holder of such Global Instrument (or if the Permanent Global Instrument is held in the CMU Service, the relevant account holders therein), for Definitive Instruments and/or (if so specified in the Pricing Supplement) Registered Instruments, (a) if the CMU Service, Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of public holidays) or announces an intention to cease business permanently or in fact does so or (b) any of the events described in Condition 7 occurs or (c) at any time on the request of the bearer, if so specified in the Pricing Supplement. Whenever a Permanent Global Instrument is to be exchanged for Definitive Instruments and/or Registered Instruments, the Issuer shall procure the prompt delivery of such Definitive Instruments and/or Registered Instruments, duly authenticated and, to the extent applicable, with Receipts, Coupons and Talons attached (each as defined in Condition 1.2 and Condition 1.3), in an aggregate principal amount equal to the principal amount of such Permanent Global Instrument to the Holder of the Permanent Global Instrument against its surrender at the specified office of the Issue and Paying Agent within 30 days of the Holder requesting such exchange. Furthermore, if,

(a) Definitive Instruments have not been delivered in accordance with the foregoing by 5.00 p.m. (specified office time) (specified office time means the relevant time in the location of the relevant specified office) on the thirtieth day after the Holder has requested exchange, or

(b) the Permanent Global Instrument (or any part thereof) has become due and payable in accordance with the Conditions or the date for final redemption of the Permanent Global Instrument has occurred and, in either case, payment in full of the amount of the Redemption Amount (as defined in Condition 6.10) together with all accrued interest thereon has not been made to the Holder in accordance with the Conditions on the due date for payment,

then such Permanent Global Instrument (including the obligation to deliver Definitive and/or Registered Instruments) will become void at 5.00 p.m. (specified office time) on such thirtieth day (in the case of (i) above) or at 5.00 p.m. (specified office time) on such due date (in the case of (ii) above) and the Holder of the Permanent Global Instrument will have no further rights thereunder (but without prejudice to the rights which such Holder or others may have under the Deed of Covenant). Under the Deed of Covenant, persons shown in the records of the CMU Service, Euroclear and/or Clearstream, Luxembourg (or any other relevant clearing system) as being entitled to interests in the Instruments will acquire directly against the Issuer all those rights to which they would have been entitled if, immediately before the Permanent Global Instrument became void, they had been the Holders of Definitive Instruments in an aggregate principal amount equal to the principal amount of Instruments they were shown as holding in the records of the CMU Service, Euroclear and/or Clearstream, Luxembourg or other relevant clearing system (as the case may be).

(C) Form and Exchange — Global Registered Instruments

(1) *Global Registered Instrument*: Unrestricted Instruments held in the CMU Service and/or Euroclear and/or Clearstream, Luxembourg (or other clearing system) will be represented by a Global Registered Instrument which will be registered in the name of a nominee for, and deposited with, a common depository for Euroclear and Clearstream, Luxembourg (or such other relevant clearing system) or a sub-custodian for the CMU Service. Restricted Instruments held in DTC will be represented by a Global Registered Instrument which will be registered in the name of a nominee for, and deposited with custodian for, DTC.

(2) *Exchange*: Unrestricted Instruments will become exchangeable in whole, but not in part, for Individual Registered Instruments if (a) the CMU Service, Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of legal holidays) or announces an intention permanently to cease business or in fact does so or (b) any of the events described in Condition 7 occurs or (c) at any time at the request of the registered Holder if so specified in the Pricing Supplement. Restricted Instruments will become exchangeable in whole, but not in part, for Individual Registered Instruments if (a) DTC notifies the Issuer and Guarantor that it is unwilling or unable to continue as depository for such Global Registered Instrument, or DTC ceases to be a “Clearing Agency” registered under the Exchange Act, or is at any time no longer eligible to act as such and a successor depository is not appointed by the Issuer and the Guarantor within 90 days, or (b) any of the circumstances described in Condition 7 occurs or (c) at any time at the request of the registered Holder if so specified in the Pricing Supplement.

Whenever the Global Registered Instrument is to be exchanged for Individual Registered Instruments, such Individual Registered Instruments will be issued in an aggregate principal amount equal to the principal amount of the Global Registered Instrument within five business days of the delivery, by or on behalf of the registered Holder of the Global Registered Instrument, the CMU Service and/or Euroclear and/or Clearstream, Luxembourg and/or DTC, to the Registrar of such information as is required to complete and deliver such Individual Registered Instruments (including, without limitation, the names and addresses of the persons in whose names the Registered Instruments are to be registered and the principal amount of each such person’s holding) against the surrender of the Global Registered Instrument at the Specified Office of the Registrar. Such exchange will be effected in accordance with the provisions of the Issue and Paying Agency Agreement and the regulations concerning the transfer and registration of

Instruments scheduled thereto and, in particular, shall be effected without charge to any Holder, but against such indemnity as the Registrar may require in respect of any tax or other duty of whatever nature which may be levied or imposed in connection with such exchange. If,

(i) Individual Registered Instruments have not been issued and delivered by 5.00 p.m. (specified office time) on the thirtieth day after the date on which the same are due to be issued and delivered in accordance with the terms of the Global Registered Instrument or

(ii) any of the Instruments evidenced by the Global Registered Instrument has become due and payable in accordance with the Conditions or the date for final redemption of the Instruments has occurred and, in either case, payment in full of the amount of principal falling due with all accrued interest thereon has not been made to the Holder of the Global Registered Instrument on the due date for payment in accordance with the terms of the Global Registered Instrument, then the Global Registered Instrument (including the obligation to deliver Individual Registered Instruments) will become void at 5.00 p.m. (specified office time) on such thirtieth day (in the case of (a) above) or at 5.00 p.m. (specified office time) on such due date (in the case of (b) above) and the Holder will have no further rights thereunder (but without prejudice to the rights which the Holder or others may have under the Deed of Covenant). Under the Deed of Covenant, persons shown in the records of the CMU Service, Euroclear, Clearstream, Luxembourg and/or DTC (or other relevant clearing system) as being entitled to interests in the Instruments will acquire directly against the Issuer all those rights to which they would have been entitled if, immediately before the Global Registered Instrument became void, they had been the registered Holders of Instruments in an aggregate principal amount equal to the principal amount of Instruments they were shown as holding in the records of the CMU Service, Euroclear, Clearstream, Luxembourg and/or DTC or other relevant clearing system (as the case may be). If an Instrument is held in DTC, references above to 5.00 p.m. (specified office time) shall be replaced by references to 1.00 p.m. New York time.

(D) Amendment to Conditions

The Temporary Global Instruments, Permanent Global Instruments and Global Registered Instruments contain provisions that apply to the Instruments that they represent, some of which modify the effect of the Terms and Conditions of the Instruments set out in this Information Memorandum. The following is a summary of certain of those provisions:

(1) *Meetings*: The holder of a Temporary or Permanent Global Instrument or of the Instruments represented by a Global Registered Instrument shall (unless such Permanent Global Instrument or Global Registered Instrument represents only one Instrument) be treated as being two persons for the purposes of any quorum requirements of a meeting of Holders and, at any such meeting, the holder of a Permanent Global Instrument shall be treated as having one vote in respect of each minimum denomination of Instruments for which such Global Instrument may be exchanged. (All holders of Registered Instruments are entitled to one vote in respect of each Instrument comprising such holder's holding, whether or not represented by a Global Registered Instrument.)

(2) *Cancellation*: Cancellation of any Instrument represented by a Permanent Global Instrument that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the principal amount of the relevant Permanent Global Instrument.

(3) *Purchase*: Instruments represented by a Temporary or Permanent Global Instrument may only be purchased by the Issuer or any of its subsidiaries if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (if any) thereon.

(4) *Issuer's Options:* Any option of the Issuer provided for in the Conditions of the Instruments while such Instruments are represented by a Permanent Global Instrument or a Global Registered Instrument shall be exercised by the Issuer giving notice to the holders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Instruments drawn in the case of a partial exercise of an option and accordingly no drawing of Instruments shall be required. In the event that any option of the Issuer is exercised in respect of some but not all of the Instruments of any Series, the rights of accountholders with a clearing system in respect of the Instruments will be governed by the standard procedures of the CMU Service, Euroclear, Clearstream, Luxembourg or other relevant clearing system (as the case may be).

(5) *Holders' Options:* Any option of the holders provided for in the Conditions of any Instruments while such Instruments are represented by a Permanent Global Instrument or a Global Registered Instrument may be exercised by the Holder of such Permanent Global Instrument or Global Registered Instrument giving notice to the Issue and Paying Agent within the time limits relating to the deposit of Instruments with a Paying Agent, or the Registrar in the case of a Global Registered Instrument, substantially in the form of the notice available from any Paying Agent, or the Registrar in the case of a Global Registered Instrument, except that the notice shall not be required to contain the serial numbers of the Instruments in respect of which the option has been exercised, and stating the principal amount of Instruments in respect of which the option is exercised and at the same time presenting for notation the Permanent Global Instrument or the Global Registered Instrument to the Issue and Paying Agent or to a Paying Agent acting on behalf of the Issue and Paying Agent, or the Registrar in the case of a Global Registered Instrument.

(6) *Notices:* So long as any Instruments are represented by a Temporary or Permanent Global Instrument or Registered Global Instrument and such Temporary or Permanent Global Instrument or Global Registered Instrument is held on behalf of a clearing system, notices to the holders of Instruments of that Series may be given by delivery of the relevant notice to the clearing system for communication by it to entitled accountholders (or in the case of the CMU Service by delivery by the Issue and Paying Agent to entitled accountholders having received from the CMU Service a CMU Instrument Position Report) in substitution for publication as required by the Conditions or by delivery of the relevant notice to the Holder of the Permanent Global Instrument or Global Registered Instrument.

(7) *General:* If an Instrument is held through the CMU Service, any payment that is made in respect of such Instrument shall be made at the direction of the bearer or the registered holder of such Instrument to the person(s) for whose account(s) interests in such Instrument are credited as being held through the CMU Service in accordance with the rules and procedures of the CMU Service at the relevant time as notified to the Issue and Paying Agent by the CMU Service in a relevant CMU Instrument Position Report or any other relevant notification by the CMU Service.

(E) Partly Paid Instruments

While any Partly Paid Instalments due from the holder of Partly Paid Instruments are overdue, no interest in a Permanent Global Instrument or Registered Global Instrument representing such Instruments may be exchanged for an interest in a Permanent Global Instrument or for Definitive Instruments or a Registered Instrument (as the case may be). If any holder fails to pay any instalment due on any Partly Paid Instruments within the time specified, the Issuer may forfeit such Instruments and shall have no further obligation to such holder in respect of them.

USE OF PROCEEDS

The net proceeds of the issue of each Tranche of Instruments will be lent to one or more subsidiaries of the Guarantor for general corporate purposes of the SHKP Group.

THE DEPOSITORY TRUST COMPANY

Ownership of beneficial interests in a Global Registered Instrument, transfers of which are to be cleared and settled in DTC, will be limited to persons who have accounts with DTC (“**DTC Participants**”) or persons who hold interests through DTC Participants. Upon the issuance of the Global Registered Instruments, DTC or its custodian will credit, in its internal system, the respective principal amount of the individual beneficial interests represented by such Global Registered Instruments to the accounts of DTC Participants. Such accounts initially will be designated by or on behalf of the Dealers. Ownership of beneficial interests in a Global Registered Instrument will be shown on, and the transfer of those ownership interests will be effected only through, records maintained by DTC or its nominee (with respect to interests of DTC Participants). Payments, transfers, exchanges and other matters relating to beneficial interests in a Global Registered Instrument may be subject to various policies and procedures adopted by DTC from time to time.

If (i) DTC advises the Issuer that it is no longer willing or able to discharge its responsibilities as depository for a Global Registered Instrument, or ceases to be a “**clearing agency**” registered under the U.S. Securities Exchange Act (the “**Exchange Act**”) or is at any time no longer eligible to act as such and a successor depository is not appointed by the Issuer within 90 days of receiving such notice of ineligibility on the part of DTC, or (ii) an Event of Default shall have occurred and be continuing under Condition 7, or (iii) at any time at the request of the registered Holder if so specified in the Pricing Supplement, the Issuer will register Individual Registered Instruments in the names of owners of interests in the Global Registered Instrument and issue Individual Registered Instruments with respect thereto in exchange for the Global Registered Instrument. Upon the occurrence of such an event, specified in clause (i), (ii) or (iii) above, owners of beneficial interests in Global Registered Instruments will receive physical delivery of Individual Registered Instruments. All Individual Registered Instruments issued in exchange for a Global Registered Instrument or any portion thereof will be registered in such names as DTC shall direct. Except as described in this paragraph, owners of interests in a Global Registered Instrument will not be entitled to have any portion of such Global Registered Instrument registered in their names and will not receive or be entitled to receive physical delivery of Individual Registered Instruments.

As long as DTC, or its nominee, is the registered holder of a Global Registered Instrument, DTC or such nominee, as the case may be, will be considered the sole owner and holder of such Global Registered Instrument (and of the Instruments represented thereby) for all purposes under the Issue and Paying Agency Agreement and the Instruments. Except as described herein, owners of beneficial interests in a Global Registered Instrument will not be considered the owners or holders of such Global Registered Instruments (or any Instruments represented thereby) for any purpose under the Issue and Paying Agency Agreement or the Instruments. In addition, no beneficial owner of an interest in a Global Registered Instrument will be able to transfer that interest except in accordance with DTC’s applicable procedures (in addition to those under the Issue and Paying Agency Agreement and, if applicable, those of Euroclear and Clearstream, Luxembourg) referred to herein.

The laws of some jurisdictions require that certain purchasers of securities take physical delivery of such securities in definitive form. Consequently, the ability to transfer beneficial interests in a Global Registered Instrument to such persons may be limited. Because DTC acts only on behalf of DTC Participants, who in turn act on behalf of indirect participants and certain banks, the ability of a person having a beneficial interest in a Global Registered Instrument to pledge such interest to persons or entities that do not participate in the DTC system, or otherwise take actions in respect of such interest, may be affected by the lack of a physical certificate evidencing such interest.

Payments of the principal of, premium (if any) and interest on Global Registered Instruments will be made to DTC or its nominee as the registered owner and holder thereof.

None of the Issuer, the Issue and Paying Agent or any of the paying agents will have any responsibility or liability for any aspect of DTC's or any DTC Participant's records relating to, or for payments made on account of, beneficial interests in a Global Registered Instrument, or for maintaining, supervising or reviewing any records relating to such beneficial interests or for any notice permitted or required to be given to holders of Instruments or any consent given or actions taken by DTC as holder of Instruments. The Issuer expects that DTC or its nominee, upon receipt of any payment of principal, premium (if any) or interest in respect of a Global Registered Instrument held by it or its nominee, will immediately credit the accounts of the DTC Participants with payments in amounts proportionate to the respective interests in the principal amount of such Global Registered Instrument as shown on the records of DTC or its nominee. The Issuer also expects that payments by DTC Participants to owners of beneficial interests in such Global Registered Instrument held through DTC Participants will be governed by standing instructions and customary practices as is now the case with securities held for the accounts of customers registered in the names of nominees for such customers. Such payments will be the responsibility of such DTC Participants.

Transfers between DTC Participants will be effected in DTC's Same-Day Funds Settlement System. Conversion through participants in DTC will be effected in accordance with DTC's procedures.

DTC has advised the Issuer that it will take any action permitted to be taken by a holder of Instruments (including the presentation of Instruments for exchange as described below) only at the direction of one or more DTC Participants to whose account with DTC interests in the Global Registered Instruments are credited and only in respect of such portion of the aggregate principal amount of the Instruments as to which such DTC Participant or DTC Participants has or have given such direction. However, in the circumstances described in this section and under "**Terms and Conditions of the Instruments**" DTC will exchange the Global Registered Instruments for Certificated Instruments, which it will distribute to its participants and which, if representing interests in a Restricted Global Registered Instrument, will bear the legend set forth under "**Transfer Restrictions; United States Considerations**".

The giving of notices and other communications by DTC to DTC Participants, by DTC Participants to persons who hold accounts with them and by such persons to holders of beneficial interests in a Global Registered Instrument will be governed by arrangements between them, subject to any statutory or regulatory requirements as may exist from time to time.

DTC has advised as follows: DTC is a limited purpose trust company organised under the laws of the State of New York, a member of the Federal Reserve System, a "**clearing corporation**" within the meaning of the Uniform Commercial Code and a "**Clearing Agency**" registered pursuant to the provisions of Section 17A of the Exchange Act. DTC was created to hold securities for its participants and facilitate the clearance and settlement of securities transactions between the participants through electronic book-entry changes in accounts of its participants, thereby eliminating the need for physical movement of certificates. Participants include securities brokers and dealers, banks, trust companies and clearing corporations and may include certain other organisations. Indirect access to the DTC system is available to others such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a participant, either directly or indirectly ("**indirect participants**").

Same-Day Settlement and Payment

Settlement for the Instruments will be made by the Dealers in immediately available funds. So long as DTC continues to make its Same-Day Funds Settlement System available to the Issuer, all payments of principal of, premium (if any) and interest on the Instruments will be made by the Issuer in immediately available funds.

So long as Instruments are represented by a Global Registered Instrument registered in the name of DTC or its nominee, the Instruments will trade in DTC's Same-Day Funds Settlement System and secondary market trading activity in the Instruments will be required by DTC to settle in immediately available.

THE HOLDER HEREOF, BY PURCHASING THIS SECURITY, REPRESENTS AND AGREES FOR THE BENEFIT OF THE ISSUER THAT IT WILL NOTIFY ANY PURCHASER OF THIS SECURITY FROM IT OF THE RESALE RESTRICTIONS REFERRED TO ABOVE.”

(6) the Issuer, the Guarantor, the Dealers and their respective affiliates and others will rely upon the truth and accuracy of the foregoing representations and agreements.

Prospective purchasers are hereby notified that the sellers of the Instruments may be relying on the exemption from the provisions of Section 5 of the Securities Act provided by Rule 144A.

Unrestricted Instruments

Each purchaser of Instruments outside the United States pursuant to Regulation S and each subsequent purchaser of such Instruments in resales prior to the expiration of the distribution compliance period (defined as forty days after the completion of the distribution of the Instruments comprising the relevant tranche), by accepting delivery of this Information Memorandum and the Instruments, will be deemed to have represented, agreed and acknowledged that:

(1) It is, or at the time Instruments are purchased will be, the beneficial owner of such Instruments and (a) it is not a U.S. person and it is located outside the United States (within the meaning of Regulation S) and (b) it is not an affiliate of the Issuer or a person acting on behalf of such an affiliate.

Prior to the expiration of the distribution compliance period, before any interest in the global Unrestricted Instrument may be offered, sold, pledged or otherwise transferred to a person who takes delivery in the form of a global Restricted Instrument, it will be required to provide the Registrar with written certification as to compliance with the applicable securities laws.

(5) The Issuer, the Guarantor, the Dealers and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations and agreements.

ENFORCEMENT OF CIVIL LIABILITIES

Cayman Islands

The Issuer is duly incorporated as an exempted company with limited liability under the laws of the Cayman Islands. All or a substantial portion of the assets of the Issuer and of such directors and officers are located outside of the United States. As a result, it may be difficult for investors to effect service of process within the United States upon the Issuer or such persons or to enforce, in United States courts, judgments against the Issuer or such persons or judgments obtained in such courts predicated upon the civil liability provisions of the federal securities laws of the United States. In addition, under the Instruments, the Issuer will consent to the jurisdiction of the courts of England and will appoint an agent for service of process in England.

The Issuer has been advised by its Cayman Islands legal advisers, Maples and Calder (Hong Kong) LLP, that the courts of the Cayman Islands are unlikely (i) to recognise or enforce against the Issuer judgment of courts of the United States predicated upon the civil liability provisions of the securities laws of the United States or any State and (ii) in original actions brought in the Cayman Islands, to impose liabilities against the Issuer predicated upon the civil liability provisions of the securities laws of the United States or any State, on the grounds that such provisions are penal in nature. However, in the case of laws that are not penal in nature, although there is no statutory enforcement in the Cayman Islands of judgments obtained in the United States, the courts of the Cayman Islands will recognise and enforce a judgment of a foreign court of competent jurisdiction without retrial on the merits based on the principle that a judgment of a competent foreign court imposes upon the judgment debtor an obligation to pay the sum for which judgment has been given provided that such judgment is final and conclusive, for a liquidated sum, not in respect of taxes or a fine or penalty, is not inconsistent with the Cayman Islands judgment in respect of the same matter, and was not obtained in a manner, and is not of a kind the enforcement of which is, contrary to natural justice or the public policy of the Cayman Islands (awards of punitive or multiple damages may well be held to be contrary to public policy). A Cayman Islands court may stay proceedings if concurrent proceedings are being brought elsewhere.

Hong Kong

The Guarantor is a Hong Kong company, and its executive offices and administrative activities and all or a substantial portion of its assets are located outside the United States. As a result, it may not be possible for investors to effect service of process within the United States upon the Guarantor or to enforce judgments against the Guarantor obtained in the United States in any action, including actions predicated upon civil liability provisions of the securities laws of the United States or any state within the United States. In addition, all or a substantial portion of the directors and officers of the Guarantor are residents of jurisdictions other than the United States, and all or a substantial portion of the assets of such non-resident persons are or may be located outside the United States. As a result, it may not be possible for investors to effect service of process within the United States upon such persons or to enforce against them judgments obtained in United States courts, including judgments predicated upon civil liability provisions of the securities laws of the United States or any state within the United States.

The Guarantor has been advised by its Hong Kong counsel, Linklaters, that there is doubt as to whether the courts of Hong Kong would (i) enforce judgments of United States courts obtained against the Guarantor or such persons predicated solely upon civil liability provisions of the securities laws of the United States or any state within the United States or (ii) entertain original actions brought in Hong Kong courts, against the Guarantor or such persons predicated solely upon the securities laws, respectively, of the United States or any state within the United States.

Privacy Notice

Introduction

The purpose of this notice is to provide Holders with information on the Issuer's use of their personal data in accordance with the Data Protection Law, 2017 of the Cayman Islands (the "DPL").

In the following discussion, "Issuer" refers to the Issuer and its or their affiliates and/or delegates, except where the context requires otherwise.

Investor Data

By virtue of making an investment in the Issuer and a Holder's associated interactions with the Issuer (including any subscription (whether past, present or future), including the recording of electronic communications or phone calls where applicable) or by virtue of a Holder otherwise providing the Issuer with personal information on individuals connected with the Holder as an investor (for example directors, trustees, employees, representatives, shareholders, investors, clients, beneficial owners or agents), the Holder will provide the Issuer with certain personal information which constitutes personal data within the meaning of the DPL ("**Investor Data**"). The Issuer may also obtain Investor Data from other public sources. Investor Data includes, without limitation, the following information relating to a Holder and/or any individuals connected with a Holder as an investor: name, residential address, email address, contact details, corporate contact information, signature, nationality, place of birth, date of birth, tax identification, credit history, correspondence records, passport number, bank account details, source of funds details and details relating to the Holder's investment activity.

Who this Affects

If a Holder is a natural person, this will affect such Holder directly. If a Holder is a corporate investor (including, for these purposes, legal arrangements such as trusts or exempted limited partnerships) that provides the Issuer with Investor Data on individuals connected to such Holder for any reason in relation to such Holder's investment with the Issuer, this will be relevant for those individuals and such Holder should transmit the content of this Privacy Notice to such individuals or otherwise advise them of its content.

How the Issuer May Use a Holder's Personal Data

The Issuer, as the data controller, may collect, store and use Investor Data for lawful purposes, including, in particular:

- (i) where this is necessary for the performance of the Issuer's rights and obligations under any subscription agreements or purchase agreements;
- (ii) where this is necessary for compliance with a legal and regulatory obligation to which the Issuer is subject (such as compliance with anti-money laundering and FATCA/CRS requirements); and/or

Why the Issuer May Transfer a Holder's Personal Data

In certain circumstances the Issuer and/or its authorised affiliates or delegates may be legally obliged to share Investor Data and other information with respect to a Holder's interest in the Issuer with the relevant regulatory authorities such as the Cayman Islands Monetary Authority or the Tax Information Authority. The Issuer shall notify a Holder of any Investor Data breach that is reasonably likely to result in a risk to the interests, fundamental rights or freedoms of either such Holder or those data subjects to whom the relevant Investor Data relates.

HONG KONG AND THE HONG KONG PROPERTY MARKET

The Hong Kong property market has been growing along with the city's economy over the years but it has exhibited greater volatility in terms of the length of the cycles as well as the magnitude of the price movements.

After a lengthy boom that began in the mid-1980s, the Hong Kong property market entered into a major downturn in the third quarter of 1997. Capital values and rentals of Grade-A offices fell by about 70 per cent. for the period between the third quarter of 1997 and mid-2003 (*Source: Jones Lane LaSalle*), and residential prices also declined by a similar magnitude (*Source: Rating and Valuation Department, Government of the HKSAR*). Various sectors of the Hong Kong property market regained upward momentum in mid-2003, owing to a number of initiatives by the Hong Kong Government (the “**Government**”) and the Central People's Government of the People's Republic of China (the “**Central Government**”) to revive the local economy. A temporary correction in prices and rentals in various segments of the property market occurred in late 2008 amid the global financial crisis but aggressive monetary easing and fiscal stimuli by governments of major economies resulted in a swift and significant rebound since 2009.

Amid a prolonged period of low interest rates, the residential property market in Hong Kong has heated up since 2009. Nevertheless, public concerns over rising residential prices had led the Government to introduce various measures to stabilise the market starting from 2010 onwards, including the Special Stamp Duty (“**SSD**”) (in late 2010), the Buyer's Stamp Duty (“**BSD**”) (in October 2012), the Double Stamp Duty (“**DSD**”) (in February 2013) and the *ad valorem* stamp duty (“**AVD**”) (in November 2016). While certain exemptions apply for first-time buyers and upgraders, non-first home local buyers will be charged at 15 per cent. on considerations. Foreign and corporate buyers are subject to a higher rate of 30 per cent. on considerations. Effective from April 2017, first-time buyers are no longer eligible for stamp duty exemptions on multiple residential properties purchased under a single instrument. In February 2015, the Hong Kong Monetary Authority (“**HKMA**”) further tightened the residential mortgage lending by capping the maximum loan-to-value ratio for properties worth below HK\$7 million at 60 per cent. In May 2017, the HKMA further lowered the borrowing limits for multiple-loan borrowers. In late June 2018, the government announced new housing initiatives including tighter scrutiny on the presale of first-hand properties and the proposed vacancy tax on property developers. Tougher tax, tighter mortgage lending and various administrative measures had dampened market activities, in particular the sale transactions in the secondary market. All these combined posed challenges in the residential market.

In addition to all the administrative measures, the persistence of social incidents since June 2019 has weighed on the residential market. As of August 2019, secondary home prices dropped 2 per cent. from its peak in May 2019, reversing its uptrend earlier this year. The home price index was about 9 per cent. higher than that of December 2018 (*Source: Rating and Valuation Department, Government of HKSAR*). Overall residential transactions were also slower to average 3,800 cases per month in July-Aug, from 5,800 cases per month in the first half of 2019 (*Source: The Land Registry, Government of HKSAR*). Nonetheless, the primary market remained relatively resilient with nearly 14,700 cases transacted in the first eight months of 2019, 33 per cent higher than the corresponding figure for the same period in 2018 (*Source: The Land Registry, Government of HKSAR*). While the secondary market activities continued to be constrained by the property measures, the newly announced lower down payment for first-time buyers under the mortgage insurance program in the Policy Address in October 2019 should revive the appeal of the secondary market. Other external uncertainties such as continuous Sino-US trade conflicts will weigh on Hong Kong economy in the short term. Yet, the Hong Kong residential market is likely to be underpinned by tight housing supply, solid end-user demand, and relatively low mortgage rates over the medium term.

Overall leasing activities for Grade-A office have been slowing amid increased trade protectionism, worries on global economic slowdown and local social incidents. Rentals of Grade-A offices in Central recorded nearly 3 per cent decline in the first nine months of 2019 after consecutive month-on-month fall since June 2019. Vacancy of Grade-A offices in Central also climbed to 2.9 per cent. as at the end of September 2019. Office markets outside Central also registered similar trend with rental declines. Kowloon East was an exception recording mild rental growth for the year to date. The capital values of Grade-A offices also fell 3 per cent. in the first nine months of 2019 amid softened investor demand and uncertainties of late (Source: Jones Lang Lasalle).

Hong Kong's retail sector has been adversely affected by heightened macro uncertainties on tourist and local spending, as well as continued weakness in the RMB. Various travel alerts have led to plummeting inbound visitor arrivals. In the first three quarters of 2019, rents of high-street shops fell nearly 10 per cent. with most declines recorded in the third quarter. Rents of overall prime shopping malls were much resilient underpinned by diversified customer base and trade mix despite selective temporary rental concession offered by some landlords (Source: Jones Lang Lasalle).

The SHKP Group's strategy is to review constantly the mix of its properties for investment in order to maintain an optimal, well-balanced portfolio and provide a solid base for long-term growth. Retail portfolio

Retail sales of the SHKP Group's tenants in its 12-million-square-foot diversified quality portfolio continued to achieve growth during the financial year ended 30 June 2019. This was mainly attributed to the SHKP Group's customer-centric marketing strategy, proactive tenant and trade repositioning, as well as ongoing asset enhancements. Along with positive rental reversions, occupancy remained relatively steady during the financial year ended 30 June 2019. Nevertheless, weakening consumer sentiment and declining tourist spending have posed challenges in the retail market for the recent months.

Representing one of the few flagship malls in the district, V Walk below the SHKP Group's Cullinan West residential development at MTR Nam Cheong Station has created a new experience for shoppers in the vicinity since its opening in July 2019. This 300,000-square-foot mall comprising a curated array of local favourites has been almost fully leased. Harbour North, the 145,000-square-foot retail component of the Victoria Harbour development at North Point, is targeted to gradually open by the end of 2019, featuring a diverse collection of lifestyle retail and popular eateries.

Upgrading work has consistently been undertaken in terms of mall specifications and tenant mix to enhance the value of properties. Scheduled to be completed towards the end of 2019, the second phase of reconfiguration at New Town Plaza III in Sha Tin is set to inspire customers with a brand-new facelift and broader tenant mix. The newly renovated Park Central in Tseung Kwan O is expected to draw more traffic with a new footbridge connecting the neighbourhood. To enrich customer service in a digital era, The Point by SHKP, the second phase of the SHKP Malls App which integrates the loyalty programmes of its 15 major malls, was launched in March 2019, elevating customers' shopping experience. In addition, the SHKP Group will enhance The Point by SHKP by devoting more resources into marketing campaigns to drive traffic and tenant sales.

Benefitting from the growing spending of young families and the millennial generation, YOHO Mall in Yuen Long and Metroplaza in Kwai Fong recorded increased sales and achieved healthy rental growth. The SHKP Group's other major malls, including IFC Mall in Central, The Sun Arcade in Tsim Sha Tsui, and East Point City in Tseung Kwan O, also performed well during the financial year ended 30 June 2019.

Office portfolio

Uncertainties in Hong Kong's external and internal environment have posed challenges to the office market for the past few months. By differentiating itself through superior building quality and distinctive management services, the SHKP Group's 10-million-square-foot diversified office portfolio continued to experience positive rental reversions with overall occupancy standing above 95 per cent. during the financial year ended 30 June 2019.

Leveraging premium building quality with comprehensive amenities at unique locations, IFC in Central and ICC in West Kowloon remained highly sought-after in the premium office leasing market. Offering one of the best office addresses in Hong Kong, IFC was virtually fully leased with satisfactory spot rents. Bolstered by improved cross border connectivity, ICC continued to attract leading financial institutions to move in and existing tenants have been looking for expansion. During the financial year ended 30 June 2019, ICC was almost fully let and recorded healthy rental reversions. The SHKP Group's quality office space in Wan Chai also performed well.

The Millennium City cluster in Kowloon East continued to achieve overall positive rental reversion, underpinned by effective tenant mix reshuffles and solid demand from a wide range of tenants for large-floor-plate office space. In the pipeline, two Grade-A office towers comprising about 650,000 square feet of the joint-venture project at 98 How Ming Street in Kwun Tong, together with a 500,000-square-foot mall at its retail podium, will be completed in the financial year 2022/23. This addition will further scale up the SHKP Group's presence in premium office leasing in Kowloon East, one of the largest commercial districts in Hong Kong.

Residential & Suites

Specializing in luxury residential leasing, Signature Homes manages about one million square feet of high-end residential units and a quality portfolio of about 700 serviced suites. Providing flexible leasing options and comprehensive housing solutions, the SHKP Group's luxury residential units continued to attract and retain overseas and local tenants. During the financial year ended 30 June 2019, occupancy of the SHKP Group's luxury residential portfolio remained at a satisfactory level.

Four Seasons Place in Central, The HarbourView Place in West Kowloon, and Vega Suites in Tseung Kwan O are the SHKP Group's luxury serviced suites, offering a wide range of room types with a unique lifestyle and contemporary living. All recorded growth in rental income during the financial year ended 30 June 2019 despite softening occupancy of late. The renovation at Four Seasons Place is slated for completion by the end of 2019.

Property Development in Mainland China

Revenue from property sales, including revenue from joint-venture projects, on the Mainland by the SHKP Group in the financial year ended 30 June 2019 was HK\$4,772 million (U.S.\$612 million).

Complementing the SHKP Group’s strong presence in Shanghai, the 7.6-million-square-foot ITC will become another iconic integrated complex in the city. The offices at One ITC and Two ITC boast a combined gross floor area of 490,000 square feet, with occupancy standing at over 90 per cent.. The sole tenant of Two ITC, Adidas, moved in as its regional headquarters during the first quarter of 2019. The first two phases of the development will provide around 380,000 square feet of retail space, of which the 340,000-square-foot grand luxury mall at One ITC is virtually fully leased and is expected to impress the market when it opens in the fourth quarter this year. The new mall will include a variety of international flagship stores and highly sought-after eateries to appeal to the millennials. Construction work of the remaining phase, which includes a world-class shopping mall and a 370-metre-tall skyscraper, is progressing smoothly. Upon its full completion by late 2023, ITC is expected to enliven Xujiahui and contribute to a significant increase in the SHKP Group’s rental income on the mainland.

Nanjing IFC, consisting of about 3.4 million square feet in Hexi CBD, Nanjing, is another of the SHKP Group’s integrated projects that is gradually coming on stream, attracting growing interest from major multinationals in the two-million-square-foot office space. The 225,000-square-foot New Town Plaza close to South Second Ring Road in Beijing recently opened. The reconfigured mall has recruited international brands making their debuts in the vicinity to attract young family shoppers. It will join hands with Beijing APM through an integrated loyalty programme to strengthen the SHKP Group’s presence in the capital city. The SHKP Group’s two joint-venture malls in Guangzhou, IGC and Parc Central, also performed well with latest overall occupancy reaching over 90 per cent.

Finance Policy

The SHKP Group has always adhered to conservative operating and financial management policies. The SHKP Group’s financing objectives are: to lengthen the maturity profile of its debt to match income from its rental properties and other long term investments; to refinance its short-term borrowings with long-term debt; to diversify its sources of funding; to maintain sufficient committed, long-term, unsecured banking facilities as additional capital and liquidity resources; to minimize exposure to foreign exchange risk; and to ensure that debt maturing in any future year will not pose a significant re-financing risk.

The SHKP Group has substantial undrawn credit facilities on a committed basis, with limits well exceeding its funding needs. As at 30 June 2019, the SHKP Group’s net debt to shareholders’ fund ratio stayed at a relatively low level of 12.9 per cent. and the interest coverage ratio scored a robust 14.6 times.

TAXATION

The following is a general description of certain Cayman Islands, Hong Kong, U.S. and European tax considerations relating to the Instruments. It does not purport to be a complete analysis of all tax considerations relating to the Instruments. Prospective purchasers of Instruments should consult their tax advisers as to the consequences under the tax laws of the country of which they are resident for tax purposes and the tax laws of the Cayman Islands and Hong Kong of acquiring, holding and disposing of Instruments and receiving payments of interest, principal and/or other amounts under the Instruments. This summary is based upon the law as in effect on the date of this Information Memorandum and is subject to any change in law that may take effect after such date.

The Cayman Islands

The Cayman Islands currently have no exchange control restrictions and no income, corporate or capital gains tax, estate duty, inheritance tax, gift tax or withholding tax applicable to the Issuer or any holder of Instruments. Accordingly, payment of principal of (including any premium) and interest on, and any transfer of, the Instruments will not be subject to taxation in the Cayman Islands, no Cayman Islands withholding tax will be required on such payments to any holder of an Instrument and gains derived from the sale of Instruments will not be subject to Cayman Islands capital gains tax. The Cayman Islands are not party to a double tax treaty with any country that is applicable to any payments made to or by the Issuer.

The Issuer has obtained an undertaking from the Financial Secretary of the Cayman Islands that, in accordance with section 6 of The Tax Concessions Law (2018 Revision), for a period of 20 years from 5 November 2018, no law which is enacted in the Cayman Islands imposing any tax to be levied on profits, income, gains or appreciations shall apply to the Issuer or its operations and, in addition, that no tax to be levied on profits, income, gains or appreciations or which is in the nature of estate duty or inheritance tax shall be payable (i) on or in respect of the shares, debentures or other obligations of the Issuer or (ii) by way of the withholding in whole or part of a payment of dividend or other distribution of income or capital by the Issuer to its members or a payment of principal or interest or other sums due under a debenture or other obligation of the Issuer.

No stamp duties or similar taxes or charges are payable under the laws of the Cayman Islands in respect of the execution and issue of the Instruments unless they are executed in or brought within (for example, for the purposes of enforcement) the jurisdiction of the Cayman Islands, in which case stamp duty of 0.25 per cent. of the face amount thereof is payable on each Instrument (up to a maximum of C.I.\$250 (U.S.\$305)) unless stamp duty of C.I.\$500 (U.S.\$610) has been paid in respect of the entire issue, or that Tranche of Instruments. An instrument of transfer in respect of an Instrument if executed in or brought within the jurisdiction of the Cayman Islands will attract a Cayman Islands stamp duty of C.I.\$100 (U.S.\$122).

Hong Kong

Withholding Tax

No withholding tax is payable in Hong Kong in respect of payments of principal or interest on the Instruments (including payments of principal or interest on the Instruments by the Guarantor under the Guarantee) or in respect of any capital gains arising from the sale of the Instruments.

Profits Tax

Hong Kong profits tax is chargeable on every person carrying on a trade, profession or business in Hong Kong in respect of profits arising in or derived from Hong Kong from such trade, profession or business (excluding profits arising from the sale of capital assets).

Interest on the Instruments may be deemed to be profits arising in or derived from Hong Kong from a trade, profession or business carried on in Hong Kong in the following circumstances:

(i) interest on the Instruments is derived from Hong Kong and is received by or accrues to a corporation carrying on a trade, profession or business in Hong Kong;

(ii) interest on the Instruments is derived from Hong Kong and is received by or accrues to a person, other than a corporation, carrying on a trade, profession or business in Hong Kong and is in respect of the funds of that trade, profession or business;

(iii) interest on the Notes is received by or accrues to a corporation, other than a financial institution, and arises through or from the carrying on in Hong Kong by the corporation of its intra-group financing business (within the meaning of section 16(3) of the Inland Revenue Ordinance (Cap.112) of Hong Kong (the “**Inland Revenue Ordinance**”)); and

(iv) interest on the Instruments is received by or accrues to a financial institution (as defined in the Inland Revenue Ordinance and arises through or from the carrying on by the financial institution of its business in Hong Kong.

Sums received by or accrued to a financial institution by way of gains or profits arising through or from the carrying on by the financial institution of its business in Hong Kong from the sale, disposal or redemption of Bearer Instruments will be subject to profits tax.

Sums derived from the sale, disposal or redemption of Bearer Instruments will be subject to Hong Kong profits tax where received by or accrued to a person, other than a financial institution, who carries on a trade, profession or business in Hong Kong and the sum has a Hong Kong source unless otherwise exempt. Sums received by or accrued to a corporation (other than a financial institution) by way of gains or profits arising through or from the carrying on in Hong Kong by the corporation of its intra-group financing business (as defined in section 16(3) of the Inland Revenue Ordinance) from the sale, disposal or redemption of Bearer Instruments will be subject to profits tax. Similarly, such sums in respect of Registered Instruments received by or accrued to either the aforementioned financial institution, person and/or corporation will be subject to Hong Kong profits tax if such sums have a Hong Kong source. The source of such sums will generally be determined by having regard to the manner in which the Instruments are acquired and disposed.

Stamp Duty

Stamp duty may be payable on the issue of Bearer Instruments if they are issued in Hong Kong. Stamp duty will, however, not be payable provided either:

(i) the Bearer Instruments are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or

(ii) the Bearer Instruments constitute loan capital (as defined in the Stamp Duty Ordinance (Cap. 117) of Hong Kong).

If stamp duty is payable it is payable by the Issuer on issue of Bearer Instruments at a rate of 3 per cent. of the market value of the Instruments at the time of issue.

No stamp duty will be payable on any subsequent transfer of Bearer Instruments.

No stamp duty is payable on the issue of Registered Instruments. Stamp duty may be payable on any transfer of Registered Instruments if the relevant transfer is required to be registered in Hong Kong. Stamp duty will, however, not be payable provided either:

(i) the Registered Instruments are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or

(ii) the Registered Instruments constitute loan capital (as defined in the Stamp Duty Ordinance (Cap. 117) of Hong Kong).

If stamp duty is payable in respect of the transfer of Registered Instruments it will be payable at the rate of 0.2 per cent. (of which 0.1 per cent. is payable by the seller and 0.1 per cent. is payable by the purchaser) normally by reference to the value of the consideration. If, in the case of either the sale or purchase of such Registered Instruments, stamp duty is not paid, both the seller and the purchaser may be liable jointly and severally to pay any unpaid stamp duty and also any penalties for late payment. If stamp duty is not paid on or before the due date (two days after the sale or purchase if effected in Hong Kong or 30 days if effected elsewhere) a penalty of up to 10 times the duty payable may be imposed. In addition, stamp duty is payable at the fixed rate of HK\$5 on each instrument of transfer executed in relation to any transfer of the Registered Instruments if the relevant transfer is required to be registered in Hong Kong.

Foreign Account Tax Compliance Act

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a “**foreign financial institution**” (as defined by FATCA) may be required to withhold on certain payments it makes (“**foreign passthru payments**”) to persons that fail to meet certain certification, reporting or related requirements. The Issuer may be a foreign financial institution for these purposes. A number of jurisdictions have entered into, or have agreed in substance to, intergovernmental agreements with the United States to implement FATCA (“**IGAs**”), which modify the way in which FATCA applies in their jurisdictions. Under the provisions of IGAs as currently in effect, a foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes. Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Instruments, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Instruments, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Instruments, such withholding would not apply prior to the date that is two years after the date on which final regulations defining foreign passthru payments are published in the U.S. Federal Register and Notes characterised as debt (or which are not otherwise characterised as equity and have a fixed term) for U.S. federal tax purposes that are issued on or prior to the date that is six months after the date on which final regulations defining foreign passthru payments are filed with the U.S. Federal Register generally would be grandfathered for purposes of FATCA withholding unless materially modified after such date. However, if additional Instruments (as described under “**Terms and Conditions of the Instruments — Further Issues**”) that are not distinguishable from previously issued Instruments are issued after the expiration of the grandfathering period and are subject to withholding under FATCA, then withholding agents may treat all Instruments, including the Instruments offered prior to the expiration of the grandfathering period, as subject to withholding under FATCA. Holders of an Instrument should consult their own tax advisers regarding how these rules may apply to their investment in Instruments. In the event any withholding would be required pursuant to FATCA or an IGA with respect to payments on the Instruments, no person will be required to pay additional amounts as a result of the withholding.

The proposed financial transactions tax (“FTT”)

On 14 February 2013, the European Commission published a proposal (the “**Commission’s Proposal**”) for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the “**participating Member States**”). However, Estonia has since stated that it will not participate.

The Commission’s Proposal has very broad scope and could, if introduced, apply to certain dealings in the Instruments (including secondary market transactions) in certain circumstances. The issuance and subscription of Instruments should, however, be exempt.

Under the Commission's Proposal, the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Instruments where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT proposal remains subject to negotiation between participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may also decide to participate. Prospective holders of the Instruments are advised to seek their own professional advice in relation to the FTT.

SUBSCRIPTION AND SALE

Instruments may be sold from time to time by the Issuer to any one or more of The Hongkong and Shanghai Banking Corporation Limited, Australia and New Zealand Banking Group Limited, Bank of China (Hong Kong) Limited, BNP Paribas, Citigroup Global Markets Limited, Crédit Agricole Corporate and Investment Bank, DBS Bank Ltd., Deutsche Bank AG, Hong Kong Branch, Goldman Sachs International, Industrial and Commercial Bank of China (Asia) Limited, Mizuho Securities Asia Limited, Morgan Stanley & Co. International plc, MUFG Securities EMEA plc, SMBC Nikko Capital Markets Limited, Standard Chartered Bank, UBS AG Hong Kong Branch and United Overseas Bank Limited, Hong Kong Branch (incorporated in Singapore with limited liability) (the “**Dealers**”). The arrangements under which Instruments may from time to time be agreed to be sold by the Issuer to, and purchased by, Dealers are set out in an amended and restated dealership agreement dated 8 November 2019 made between the Issuer, SHKP and the Dealers (together, the “**Dealership Agreement**”, as may be amended, supplemental or restated from time to time). Any such agreement will, inter alia, make provision for the form and terms and conditions of the relevant Instruments, the price at which such Instruments will be purchased by the Dealers and the commissions or other agreed deductibles (if any) payable or allowable by the Issuer in respect of such purchase. Where the Issuer agrees to sell to the Dealer(s), who agree to subscribe and pay for, or to procure subscribers to subscribe and pay for, Instruments at an issue price (the “**Issue Price**”), any subsequent offering of those Instruments to investors may be at a price different from such Issue Price. The Dealership Agreement makes provision for the resignation or termination of appointment of existing Dealers and for the appointment of additional or other Dealers either generally in respect of the Programme or in relation to a particular Tranche of Instruments.

The Dealers and certain of their affiliates may have performed certain investment banking and advisory services for the Issuer, the Guarantor and/or their respective affiliates from time to time for which they have received customary fees and expenses and may, from time to time, engage in transactions with and perform services for the Issuer, the Guarantor and/or their respective affiliates in the ordinary course of their business.

The Dealers or certain of their affiliates may purchase Instruments and be allocated Instruments for asset management and/or proprietary purposes but not with a view to distribution.

The Dealers or their respective affiliates may purchase Instruments for its or their own account and enter into transactions, including credit derivatives, such as asset swaps, repackaging and credit default swaps relating to the Instruments and/or other securities of the Issuer, the Guarantor or their respective subsidiaries or associates at the same time as the offer and sale of Instruments or in secondary market transactions. Such transactions would be carried out as bilateral trades with selected counterparties and separately from any existing sale or resale of Instruments to which this Information Memorandum relates (notwithstanding that such selected counterparties may also be purchasers of Instruments).

United States of America: *Regulation S Category 2; TEFRA D, unless TEFRA C is specified as applicable in the relevant Pricing Supplement; Rule 144A Eligible if so specified in the relevant Pricing Supplement.*

The Instruments and the Guarantee have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in certain transactions exempt from, or not subject to, the registration requirements of the Securities Act. Terms used in the preceding sentence have the meanings given to them by Regulation S under the Securities Act.

Instruments in bearer form having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to U.S. persons, except in certain transactions permitted by U.S. tax regulations. Terms used in the preceding sentence have the meanings given to them by the United States Internal Revenue Code of 1986 (as amended) and regulations thereunder.

Each Dealer has represented and agreed and each further Dealer appointed under the Programme will be required to agree that, except as permitted by the Dealership Agreement, it has not and will not offer, sell or, in the case of Bearer Instruments, deliver Instruments, (i) as part of their distribution at any time or (ii) otherwise until forty days after the completion of the distribution of the Instruments comprising the relevant Tranche, as certified to the Issue and Paying Agent or the Issuer by such Dealer (or, in the case of a sale of a Tranche of Instruments to or through more than one Dealer, by each of such Dealers as to Instruments of such Tranche purchased by or through it, in which case the Issue and Paying Agent or the Issuer shall notify each such Dealer when all such Dealers have so certified) within the United States or to, or for the account or benefit of, U.S. persons, and such Dealer will have sent to each dealer to which it sells Instruments during the distribution compliance period, a confirmation or notice to substantially the following effect:

“The Securities covered hereby have not been registered under the U.S. Securities Act of 1933, as amended (the **Securities Act**), or with any securities regulatory authority of any state or other jurisdiction of the United States, and may not be offered and sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after completion of the distribution of the Securities as determined, and certified to the Issue and Paying Agent or the Issuer, by the relevant Dealer, in the case of a non-syndicated issue, or each of the Dealers as to Instruments of such Tranche purchased by or through it, in the case of a syndicated issue (in which case the Issue and Paying Agent or the Issuer shall notify each such Dealer when all such Dealers have so certified), and except in either case in accordance with Regulation S or Rule 144A under the Securities Act. Terms used above have the meanings given to them by Regulation S.”

In addition, until forty days after the commencement of the offering of Instruments comprising any Tranche, any offer or sale of Instruments within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with Rule 144A under the Securities Act (if available).

The Instruments are being offered and sold outside the United States to non-U.S. persons in reliance on Regulation S. The Dealership Agreement provides that the Dealers may directly or through their respective U.S. broker affiliates arrange for the offer and resale of Registered Instruments within the United States only to qualified institutional buyers in reliance on Rule 144A.

This Information Memorandum has been prepared by the Issuer for use in connection with the offer and sale of the Instruments outside the United States and for the resale of the Registered Instruments in the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Instruments, in whole or in part, for any reason. This Information Memorandum does not constitute an offer to any person in the United States or to any U.S. person, other than any qualified institutional buyer within the meaning of Rule 144A to whom an offer has been made directly by one of the Dealers or its U.S. broker-dealer affiliate. Distribution of this Information Memorandum by any non-U.S. person outside the United States or by any qualified institutional buyer in the United States to any U.S. person or to any other person within the United States, other than any qualified institutional buyer and those persons, if any, retained to advise such non-U.S. person or qualified institutional buyer with respect thereto, is

unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States, other than any qualified institutional buyer and those persons, if any, retained to advise such non-U.S. person or qualified institutional buyer, is prohibited.

Prohibition of Sales to European Economic Area Retail Investors

Unless the Pricing Supplement in respect of any Instruments specifies the “Prohibition of Sales to European Economic Area Retail Investors” as “Not Applicable”, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Instruments which are the subject of the offering contemplated by this Information Memorandum as completed by the Pricing Supplement in relation thereto to any retail investor in the European Economic Area. For the purposes of this provision:

- (a) the expression “retail investor” means a person who is one (or more) of the following:
 - (i) a retail client as defined in point (11) of Article 4(1) of MiFID II (as amended); or
 - (ii) a customer within the meaning of Directive (EU) 2016/97 (the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or
 - (iii) not a qualified investor as defined in the Prospectus Regulation; and
- (b) the expression an “offer” includes the communication in any form and by any means of sufficient information on the terms of the offer and the Instruments to be offered so as to enable an investor to decide to purchase or subscribe the Instruments.

If the Pricing Supplement in respect of any Instruments specifies “Prohibition of Sales to European Economic Area Retail Investors” as “Not Applicable”, in relation to each Member State of the European Economic Area, each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not made and will not make an offer of Instruments which are the subject of the offering contemplated by this Information Memorandum as completed by the Pricing Supplement in relation thereto to the public in that Member State except that it may make an offer of such Instruments to the public in that Member State:

- (a) if the Pricing Supplement in relation to the Instruments specify that an offer of those Instruments other than pursuant to Article 1(4) of the Prospectus Regulation in that Member State (a Non-exempt Offer), following the date of publication of a prospectus in relation to such Instruments which has been approved by the competent authority in that Member State or, where appropriate, approved in another Member State and notified to the competent authority in that Member State, provided that any such prospectus has subsequently been completed by the Pricing Supplement contemplating such Non-exempt Offer, in accordance with the Prospectus Regulation, in the period beginning and ending on the dates specified in such prospectus or Pricing Supplement, as applicable and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Regulation;

- (c) at any time to fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Regulation) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 1(4) of the Prospectus Regulation.

provided that no such offer of Instruments referred to in (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Regulation or supplement a prospectus pursuant to Article 23 of the Prospectus Regulation.

For the purposes of this provision, the expression an “offer of Instruments to the public” in relation to any Instruments in any Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Instruments to be offered so as to enable an investor to decide to purchase or subscribe the Instruments, as the same may be varied in that Member State by any measure implementing the Prospectus Regulation in that Member State and the expression “**Prospectus Regulation**” means Regulation (EU) 2017/1129 and includes any relevant implementing measure in each Member State.
