IRC 1446(f)-Partnership withholding on Sales and Non-Income Distributions

The following information is in regard to nonresident aliens (NRA) and foreign corporations not otherwise engaged in a US trade or business, being subject to US tax on gains on sales of interests in partnerships engaged in a US trade or business. Section 864(c)(8) treats gain on the sale of interests in those partnerships as effectively connected with the conduct of a US trade or business (ECI), and subject to tax in the hands of the non-US partners, to the extent the gain was allocable to the partnership's US business assets. Section 1446(f) provides rules for withholding, reporting, and paying tax upon the sale, exchange, or other disposition of certain interests in partnerships.

According to U.S. legislation under Internal Revenue Code (IRC) Section 1446(f), gross proceeds from sales of and certain distributions from Publicly Traded Partnerships ("PTP") will be subject to 10% withholding effective on January 1, 2023.

Exemptions from withholding may apply if a PTP publishes a "Qualified Notice" to indicate that the PTP has met the requirements of IRC Sec. 1446(f)-4(b)(3) to be exempt from withholding.

Withholding will be reported on the year-end Form 1042-S, Foreign Person's U.S. Source Income Subject to Withholding.

Additional information about IRC Sec. 1446(f) is available on the IRS website:
http://www.irs.gov/individuals/international-taxpayers/partnership-withholding
