A Message from Your Fund's Board

Dear Shareholder,

This is to notify you that the JPMorgan Funds – Multi-Manager Sustainable Long-Short Fund (“Merging Sub-Fund”) will be merged into the JPMorgan Funds – Multi-Manager Alternatives Fund (“Receiving Sub-Fund”) in which you own shares on 17 June 2022. **This merger will not have any negative effect on the value, costs, or performance of your investment.**

On the merger date, the assets of the Merging Sub-Fund will be transferred into your Sub-Fund. The merger will increase the assets under management of your Sub-Fund. There will be no rebalancing of your Sub-Fund and no costs associated with the merger will be borne by your Sub-Fund. When the merger transaction occurs, all the assets, liabilities and any accrued income in the Merging Sub-Fund will be transferred to your Sub-Fund, and the Merging Sub-Fund will cease to exist.

The reason for the merger and your three options are explained below. Subscription and redemptions in your Sub-Fund will not be suspended to carry out the merger.

If you have any questions after reading the information below, please contact us at the registered office or your local representative.

Jacques Elvinger *For and on behalf of the Board*

Sub-fund merger – option to take action ends 17 June 2022 at 14.30 CET

Reason for merger The Board believes that the Merging Sub-Fund has limited prospects for growth in the future and it would be in the shareholders' interests to merge it into the larger Receiving Fund which has stronger growth potential.

The Receiving Sub-Fund is a substantially larger multi-manager fund with a similar line up of sub-investment managers and a more diversified strategy which should offer better prospects for growth. This growth can lead to economies of scale with the potential for lower fund expenses.
